

Hello.

I'm writing to you to urge you to vote against HB1255 that will eliminate state funding to PBS. Public broadcasting has a huge array of educational and entertaining programs for all ages. They use state funds plus member donations to provide accurate and fact-checked information that can be trusted. And it's commercial free! PBS is a learning environment for all. Please support PBS, which has been in existence since 1969, by voting against HB1255! Thank you.
