

THE CHAMBER
FARGO MOORHEAD WEST FARGO

Letter of Opposition – SB 2026

Friday, January 10th, 2025

Chairwoman Roers and Members of the Senate State and Local Government Committee,

For the record, my name is Cale Dunwoody, and I have the distinct pleasure of serving as the Vice President of Public Policy for the Fargo Moorhead West Fargo Chamber of Commerce (FMWF Chamber). On behalf of our more than 1,700 members, I respectfully offer testimony in opposition to Senate Bill 2026.

At the FMWF Chamber, our mission is to protect and promote business, inspire individuals, cultivate communities, and influence action. While we deeply respect and support efforts to safeguard national security, we believe this bill, as currently written, would hinder North Dakota's business climate, economic growth, and international partnerships. Specifically, our concerns center on the inadvertent financial and regulatory burdens this bill may place on businesses operating in good faith, as well as the possibility of deterring valuable economic development across the state.

As the committee considers this legislation, we encourage a judicious analysis of its impacts and urge pragmatic modifications that protects national security interests and minimizes the negative effects on the business community, thereby safeguarding legitimate economic development opportunities.

Thank you for your attention to this matter and your commitment to North Dakota's business environment.

Sincerely,

Cale Dunwoody
Vice President of Public Policy
Fargo Moorhead West Fargo Chamber of Commerce
