

Senator Richard Marcellais
Senate District 9
Testimony for SB 2344

Senator Clemens members of the Senate Transportation Committee for the record my name is Richard Marcellais Senator from District 9.

SB 2344 is a bill that would exempt Veterans from paying for the branch of service decal on North Dakota license plates. Your first responders received free license plates so why not Veterans. When a Veteran renews their license plates annually they would received a decal to stick on their license plates with the branch of service they were in.

Chairman Clemens, members of the Senate Transportation committee I am requesting a Do Pass on SB 2344 and I will stand for any questions
