1, c. 60, 1893.
am'd.

§ 490. Elector may write name of candidate on ticket, when. Except as otherwise provided in this chapter it shall be the duty of the auditor of each county to provide printed ballots for every election for public officers in which the electors or any of the electors within the county participate and he shall cause to be printed on the ballots the name of each candidate whose name has been certified to or filed with him in the manner provided for in this chapter. Ballots other than those printed by the respective county auditors shall not be cast or counted in any election. Nothing in this chapter shall prevent any voter from writing or pasting on his ballot the name of any person for whom he desires to vote and such vote shall be counted the same as if printed on the ballot and marked by the voter. § 15, c. 66, 1891.

§ 491. Ballots. How prepared. Arrangement of names. c. 76, 1897.

All ballots prepared under the provisions of this chapter shall be white and of a uniform quality of paper, printed in black ink, and of sufficient width to contain all of the tickets to be voted for, under the appropriate party designation for each, and of sufficient length to contain all of the names of the candidates to be voted for at said election. On the left hand of said ticket shall be a column designating the office to be voted for, and on the same line in the column under the appropriate party designation of each, all of the names of the candidates duly nominated for that office shall be printed. There shall be a space between the party designation at the top of each column and the names at the head of the ticket of five-eighths of an inch, in the center of which there shall be a square formed of black lines, in which the voter by his mark may declare that he votes for all names printed in that column, except such as are erased, or pasted, or written over as hereinafter specified. There shall also be left under the name of each candidate sufficient space to write, or paste a name therein, in lieu of the one printed on the ticket, and on the same line with the name of each candidate, and at the end of his name there shall be a space enclosed in a square of black lines, in which the voter may designate by a cross or other mark, his choice for each candidate opposite the name of such candidate. The fact that a name has been written or pasted opposite the office to be voted for shall be deemed sufficient evidence that the person depositing such ballot intended to vote for the person whose name he has written or pasted thereon, and not for the person whose name was originally printed on the ballot whether he shall make a mark or cross opposite such written or pasted name or not.

Persons nominated by paper or by petition shall be placed in one or more columns under the designation of "Individual Nominations," on the same line with the offices for which they are nominated. Constitutional amendments duly certified to the auditor by the secretary of state, or any question to be voted for aside from the election of public officers, shall be printed on a separate ballot and shall be deposited in a box separate from that provided to receive the ballots for public officers. The ballots must embrace the constitutional amendments in full, and there shall be printed at the bottom of the amendment the word "yes," and underneath the same the word "no," and opposite each a square formed of black lines, and the elector shall designate by cross or other mark within the square how he desires his vote recorded. If the question be other than a constitutional amendment, it shall be stated fully and fairly on such ballot, and the words "yes" and "no" shall be printed on the ballot at the close of the statement of the question, in separate lines with a square formed of black lines after each in which the voter may indicate by cross or other mark how he desires to vote on the question. Where two or more amendments or questions are to be voted on they shall be printed on the same ballot. When the same candidate has been nominated for the same office by more than one assembly, convention or body of electors qualified to make nominations for public office, such candidate shall file with the proper officer designated in section 500 of the revised code of North Dakota, on or before the day fixed by law for the filing of certificates of nomination for such office, a statement in writing signed by himself designating one of the columns

upon such ballot allotted to one of the parties, assemblies, conventions or bodies of electors by whom said candidate has been nominated, as to the column upon such ballot in which such candidate desires his name to appear upon such ballot, and such candidate's name shall be printed upon such ballot in such column, but in no other.

But if such candidate shall refuse or neglect to give notice to the proper officer, as above provided, specifying in which column he wishes his name printed on the ballot, then in such case the said officer shall cause his name to be printed in the column of the party or political organization from which he received first notice of such person's nomination. The candidates of the party casting the highest number of votes in the state for member of congress at the last preceding general election shall be arranged in the first or left hand column of such ballot; of the party casting the next highest number of votes in the second column; of the party casting the next highest number of votes in the third column, and of any other party as the secretary of state may direct for state officers, or the county auditor for county officers; the municipal or city auditor or in municipalities or cities not having a municipal or city square shall be counted a vote for all the electors, and such group shall be placed at the head of the column under the party designated or represented in such certificate. The auditor shall prepare the necessary ballots whenever any question is required by law to be submitted to a vote of the electors of any subdivision and not the state generally. The municipal or city auditor, or clerk, as the case may be, shall prepare and direct the printing and distributing of all ballots for municipal or city elections and for all questions that may be submitted to a vote of the electors of auditor, the municipal or city clerk for municipal or city officers; or the president of the board of trustees of incorporated villages for village officers. The names of electors of president and vice president of the United States presented in one certificate of nomination shall be arranged in a group inclosed in brackets with a single square at the right of such group, and a mark within such such municipality, except as provided in section 489.

§ 492. County auditor to prepare ballots. Number. Poll books. The county auditor of each county shall provide for each election precinct in his county two ballots for each vote cast in such precinct at the last general election. Such ballots shall be distributed in packages or blocks containing not more than one hundred and fifty ballots each. The county auditor may provide for any such precincts such additional ballots as he may deem necessary. Each county auditor shall, at least five days before any election, have the ballots printed and the same may be inspected in the office of such auditor by any person. Such auditor shall also, at least five days before any election, send to the inspector in each precinct five copies of such ballot printed upon tinted paper, and such inspector shall post the same in five public places in his precinct, one of such copies to be posted at the polling place therein, for which services such inspector shall receive two dollars. The auditor shall at the time of distributing such copies cause to be delivered to the several inspectors the necessary number of blank forms of poll books and also blanks for the election returns with the

Such ballots shall be delivered in sealed packages marked on the outside plainly designating the number of ballots inclosed and the precinct for which they are intended. He shall also deliver or cause to be delivered to such inspector or, if that is impracticable, to one of the judges of election of such precinct a stamp with an ink pad for the purpose of stamping each ballot with the words "Official Ballot," and the name or number of the precinct, the name of the county and the date of the election.

He shall furnish ten such cards to the judges of election in each election precinct and the judges of election shall at the opening of the polls post at least one of such cards in each booth or compartment provided for the preparation of ballots and at least three of such cards in and about the polling place. There shall also be posted in each booth or compartment one of the official ballots without the official stamp hereinbefore provided for, and not less than three of such ballots shall be posted in other places in and about the polling place upon the morning of election.

It shall be the duty of such board to enter in such lists the names of all persons residing in its election precinct whose names appear on the poll list made in such precinct at the last preceding election, the number of the dwelling and name of the street or other location, if the same is known to or can be ascertained by such board, and for this purpose the board is authorized to take from the office in which it is filed the poll list made and filed by the judges or inspector of such precincts at the election held next prior to the making of such register. Such lists shall only embrace the names of such persons as are known to them to be electors in their precinct or proved to be such by the oath of an elector whose name has already been entered upon such register, or by the oath of the applicant; and such list shall be preserved and a copy posted up as prescribed in the preceding section and shall be revised and corrected in the same manner as other lists are corrected.

Any elector residing in such precinct and entitled to vote therein may appear before such board and require his name to be recorded in such list. Any person requiring his name to be recorded shall make the same statement as to street and number thereof and where he resides which is required by the provisions of this article of persons offering their votes at the polls, and shall be subject to the same penalties for refusing to give such information or for falsely giving the same, and shall also be subject to challenge either by the judges

or the inspector or by any elector whose name appears on such list, and the same oath may be administered by the judges or inspector or other duly authorized person as is provided in case of persons offering to vote at an election; and in case no challenge is made to any person requiring his name to be registered or in case of challenge, if such person makes oath as aforesaid, then the name of any such person shall be added to such list.

§ 8, c. 122, 1881.

No vote shall be received at any election in this state if the name of the person offering such vote is not on the register, unless such person shall furnish to the judges of election his affidavit, stating therein that he is a resident of such precinct, giving his place of residence and length of time he has resided there, and also prove by the oath of a householder and registered voter of the precinct that he knows such person to be a resident therein, giving his place of residence. Such oath may be administered by the inspector or one of the judges of election, or any other person authorized to administer oaths, but no person shall receive any compensation for administering such oath. Such oath shall be preserved and filed by the judges of election. Any person may be challenged and the same oath required as is now or hereafter may be prescribed by law.

§ 1066. Appeals. Any person who shall feel himself aggrieved by any determination or award of damages made by the supervisors of any town or towns, or by the commissioners of any county, either in laying out, altering or discontinuing, or in refusing to lay out, alter or discontinue any highway or cartway, may, within thirty days after the filing of such determination or award of damages, as provided in this chapter, appeal therefrom to a justice of the peace of the county for a jury to hear and determine such appeal; provided, the amount of damages allowed in such appeal does not exceed one hundred dollars.

Upon filing such application and a bond executed to the supervisors of the town, or the commissioners of the county, with sufficient sureties to be approved by the justice, conditioned to pay all costs arising from such appeal (provided the deter-

mination of the supervisors or the county commissioners, as the case may be, shall be sustained) such justice shall issue a summons specifying therein a time and place for the hearing of such appeal, which summons shall be served on one or more of the supervisors (or commissioners, if a county road), at least six days before such time, and at the time and place so appointed the justice shall proceed as in other cases of trial by jury. If upon the trial it is deemed necessary by the jury, or either party in the action, that a personal examination by the jury of the road in controversy is necessary, the justice may, on motion of the jury or either party to the action, direct the jury to view and examine the highway described in the application, and consider the determination of the supervisors or commissioners in laying out, altering or discontinuing, or refusing to lay out, alter or discontinue the same, and to make return to him in writing within ten days.

Costs, etc. The justice shall file the return of the jury in the office of the town clerk if the appeal was taken from the decision of the board of supervisors of the town, and in the office of the county auditor if the appeal was taken from the decision of the county commissioners; and if the determination of the supervisors or commissioners shall be affirmed by the jury, the party appealing shall pay all costs, but if such determination shall be reversed or altered, or a greater amount of damages awarded, then the costs in the case shall be a charge against the town or county, as the case may be. § 19, c. 112, 1897.

§ 1069. When appeal is taken to district court. In case the amount of damages claimed exceeds one hundred dollars, appeal may be taken within thirty days to the district court of the county in which said damages are sustained, by filing in the office of the clerk of such court a bond to be approved by the judge of such district court, or the court commissioner, or the county auditor of the county, of the same nature as provided in the two preceding sections, and by the service of a written or printed notice of such appeal upon the chairman of the board of supervisors or county commissioners, as the case may be, signed by the party making the appeal, or his attorney. Such appeal shall bring before the appellate court the propriety of the amount of damages and all matters referred to in such notice of appeal; unless the parties otherwise agree, the matter shall be submitted to a jury and tried as other appeal cases are tried, and the court or jury, as the case may be, shall reassess the damages aforesaid, and make the verdict conform to the justice and facts in the case; but the rule for ascertaining and fixing such judgment shall be based upon the same principles as the supervisors or commissioners were required to adopt in originally determining the same; and upon judgment being rendered the clerk of said court shall serve a certified transcript of such judgment upon the chairman on whom the notice of appeal was served as aforesaid. If the determination of the board of supervisors or commissioners appealed from be affirmed, or if the amount of damages allowed be reduced in said district court, the party appealing shall pay all costs and disbursements incurred in said court; but if the amount of damages allowed be increased, or if such determination shall be altered, modified or reversed in said district court, otherwise than as to the amount of damages, such costs and dis-

The amount of damages finally determined and awarded by the supervisors, commissioners or by the court or jury, together with all the charges of officers and other persons necessarily employed in laying out, altering or discontinuing any town or county road, shall be audited by the county commissioners or township supervisors, as the case may be, specifying the amount of charges and damages due each individual, and the respective amounts shall be certified to by said commissioners or supervisors and by them deposited with the county auditor or township clerk and paid by the county or town, as the case may be. § 1221. Auditor to examine assessment books and have returns corrected. § 44, c. 126, 1897. The county auditor shall carefully examine the assessment books when returned to him by the assessors, and if he discovers that the assessment of any property has been omitted he shall enter the same upon the proper list and forthwith notify the assessor making such omission, who shall immediately proceed to ascertain the value of such property and make the necessary correction.

§ 1222. County board of review and equalization. § 45, c. 126, 1897. The board of county commissioners of each county at its regular meeting in July shall constitute a board of review and equalization of the assessments made within their respective counties, and an accurate record of all its proceedings in pursuance of the provisions of this section shall be separately entered upon its minute book. Such board shall perform the duties prescribed by section 1217 as respects all assessments made in districts not embraced in an incorporated city, town or village or civil township having a board of review; and in addition thereto such board shall examine and compare the assessments returned by the assessors of all the districts within the county, including those embraced in incorporated cities (whether organized under general law or special charter), and in incorporated towns and villages and civil townships, and proceed to equalize the same throughout the county between the several assessment districts, subject to the following rules:

1. They shall raise the valuation of each tract or lot of real property which, in their opinion, is returned below its true and full value to such price and sum as they believe to be the true and full value thereof.

2. They shall reduce the valuation of each tract or lot of real property which, in their opinion, is returned above its true and full value to such price and sum as they believe to be the true and full value thereof.

3. They shall raise the valuation of each class or article of personal property which, in their opinion, is returned below its true and full value to such price and sum as they believe to be the true and full value thereof, and they shall raise the aggregate value of the personal property of each individual whenever they believe that

such aggregate valuation is less than the valuation of the taxable personal property of such individual to such amounts as they believe was the true and full value thereof; provided, however, that the value of the property of any person or corporation shall not be raised until due notice shall be given to the owner or agent thereof.

4. They shall reduce the valuation of each class of personal property enumerated in section 1191 which, in their opinion, is returned above its true and full value to such price and sum as they believe to be the true and full value thereof; and upon complaint of any party aggrieved they shall reduce the aggregate valuation of the personal property of such individual, who, in their opinion, has been assessed at too large a sum, to such sum or amount as they believe is the true and full value of his personal property.

5. Except as provided in the second and fourth subdivisions of this section, they shall not reduce the aggregate value of the real property, or the aggregate value of the personal property of their county below the aggregate value thereof as returned by the assessors, except as it may be necessary to make the valuation in the different townships equal with the additions made thereto by the auditor as hereinbefore required, but they may raise the aggregate valuation of such real property and of each class of personal property of said county or any town or district thereof, whenever they believe the sum is below the true and full value of said property or class of property, to such aggregate amount as they believe to be the true and full value thereof.

6. The county auditor shall keep an accurate journal or record of the proceedings and orders of said board, showing the facts and evidence upon which their action is based; and said record shall be published the same as other proceedings of county commissioners, and a copy of such published proceedings shall be transmitted to the auditor of the state, with the abstract of assessment herein required. The county board of equalization shall continue session until such equalization has been completed, and upon completion of such equalization the county commissioners must proceed to make the levy for taxes for the current fiscal year as in this chapter provided.

c. 149, 1897. **§ 1223. Town and municipal officers to advise with board.** The chairmen of the boards of township supervisors, the presidents of city councils and the presidents of the boards of trustees of towns and villages in each county may attend the meetings of the board of equalization in such county, and it shall be the duty of each of such officers to advise with such board of equalization in regard to the equalization of the assessment of such county, the amount of taxes to be levied in such county, and the best means of caring for the poor of such county. Any such officer who shall attend the meeting of such board, as herein prescribed, shall be allowed as full compensation for all services in connection therewith his actual expenses while in attendance, to be paid as other bills are paid, by such township, city, town or village.

c. 137, 1899. **§ 1224. Corrected lists. Abstracts for state auditor.** The county auditor shall calculate the changes of the assessment lists determined by the county board of equalization, and make corrections accordingly. Having made such corrections, he shall make duplicate abstracts of the real and personal property lists,

§ 1225. State board of equalization, how constituted. Meetings. Rules for equalizing. The governor, state auditor, state treasurer, attorney general and the commissioner of agriculture and labor, shall constitute the state board of equalization, a majority of which shall constitute a quorum for the transaction of business. The governor shall be ex-officio president of said board, and the state auditor shall act as secretary. The said board shall meet annually on the first Tuesday in August at the office of the state auditor, and shall then examine and compare the returns of the assessment of the property in the several counties of the state, and proceed to equalize the same, so that all the taxable property in the state shall be assessed uniformly and at its true value in money. In the performance of their duties they shall be governed by the following rules:

1. They shall add to the aggregate valuation of the property of every county which they believe to be valued below its true and full value in money such per centum in each case as will bring the same to its true and full value in money.

2. They shall deduct from the aggregate valuation of the property of every county, which they believe to be valued above its true and full value, such per centum in each case as will reduce the same to its true and full value in money.

3. They shall not reduce the aggregate valuation of all the property in the state, as returned by the several county auditors, more than one per centum on the whole valuation thereof.

4. Upon the completion of such equalization and determination of the aggregate valuation of all the property of the state, the said board shall then decide upon the rate of the state tax to be levied for the current year, together with any other general or special state taxes required by law to be levied.

§ 1226. Record of proceedings to be published. Synopsis to be sent to county auditors. The secretary shall keep a record of the proceedings of the board, which shall be published in the annual report of the state auditor, and upon final adjournment he shall transmit to each county auditor an abstract of such proceedings specifying the per centum added to or deducted from the valuation of the real property of each of the several counties, in case an equal per centum has not been added to or deducted from each, and specifying also the per centum added to or deducted from the several classes of personal property, in each of the counties in the state, and such other information as will enable each auditor to properly equalize the valuation in their respective counties and the taxable rates thereof.

§ 1227. Duty of county auditor after equalization by the state board. Upon receipt of the report of the proceedings of the state board of equalization it shall be the duty of the county auditor to add to or deduct from each tract or lot of real property in his county the required per centum on the valuation thereof, as it stands after the same has been equalized by the county board of equalization, adding in each case any fractional sum of fifty cents or more, and deducting in each case any fractional sum of less than

fifty cents, so that the value of any separate tract or lot shall contain no fraction of a dollar, and shall also add to or deduct from such class of personal property in his county the required per centums on the valuation thereof, as it stands after the same has been equalized by the county board of equalization, adding or deducting in manner as aforesaid, any fractional sum, so that the value of any separate class of personal property shall contain no fraction of a dollar.

ARTICLE 6.—RATE OF TAXATION AND LEVY.

§ 50, c. 126, 1897.

§ 1228. Taxes to be levied in specific amounts. Rate, how determined. All county, township, town, city and school district taxes, except special taxes for local improvements, in cities or villages, or unless specially provided for by law, shall be levied or voted in specific amounts and the rate per centum shall be determined from the amount of property as equalized by the state board of equalization each year. The state tax shall be levied by the state board of equalization at its annual meeting in August of each year, and the rate of such tax shall be certified by the state auditor to each county auditor on or before the first day of September annually. In levying said tax the state board of equalization shall be limited by the amount necessary to raise for the purpose of meeting the appropriations made by the legislative assembly and the estimated general expenses of the state, as made by the auditor. Such levy shall be made in a specific amount, and the rate shall be determined by the state auditor; provided, that if the amount is greater than the rate prescribed in the constitution will raise, then the state auditor shall only certify the limited rate. The county taxes shall be levied by the county commissioners at the time of their meeting in July in each year. Such taxes shall be based upon an itemized statement of the county expenses for the ensuing year and a general statement of the outstanding indebtedness of the county, which statements shall be included in the published proceedings of said board, and no greater levy of county tax shall be upon the taxable property of any county than will equal the amount of such expense, plus five per cent of such amount, together with the amount of one year's interest upon, and ten per cent of the principal sum of its outstanding indebtedness. The taxes voted by incorporated cities, villages, townships or school districts, shall be certified by the proper authorities to the county auditor on or before the twentieth day of July in each year. The rate per centum of all taxes, except the state tax and such other taxes, the rate of which may be fixed by law, shall be calculated and fixed by the county auditor, according to the limitations hereinafter prescribed; provided, that if any county, city, town or school district shall return a greater amount than the prescribed rate will raise, then the county auditor shall only extend such amount of tax as the limited rate will produce. Any city, village, town, township or school district officer required by law to report the amount of taxes to be levied for such city, town, township, village or school district, and neglecting or refusing to make such report within the time required by this section, shall be subject to a penalty of not less than twenty-five dollars for such refusal or neglect, to be recovered

on complaint of the county auditor before any court if competent jurisdiction.

§ 1230. Tax list to be made out by county auditor. Form. § 52, c. 126, 1897.
As soon as practicable after the taxes are levied the county auditor shall make out the tax lists according to the prescribed form, and to correspond with the assessment districts of the county. The rate per cent necessary to raise the required amount of the various taxes shall be calculated on the assessed valuation of property as determined by the state board of equalization; but in calculating such rates, no rates shall be used resulting in any fraction of less than one-tenth of a mill; and in extending any tax whenever it amounts to the fractional part of a cent it shall be made one cent. The tax list shall also be made out to correspond with the assessment book, in reference to ownership and description of property, with columns for the valuation and for the various items of tax included in the total amount of all taxes set down opposite each description of property. The amount of special taxes shall be entered in the proper columns, but the general taxes may be shown by entering the rate per cent of each tax at the head of the proper columns without extending the same, in which case a schedule of the rates per cent of such taxes shall be made on the first page of each tax list; such lists shall also show in a separate column the years for which any piece or parcel has been sold for taxes, if the same has not been redeemed, or decided for such taxes. § 1234. County treasurer collector of taxes. The county treasurer shall be the receiver and collector of all taxes extended upon the tax lists of the county, whether levied for state, county, city, town, school, poor, bridge, road or other purposes, notwithstanding anything in the charter of any city, or town, or in any other act heretofore passed to the contrary, including the special taxes of local improvements in cities as provided for by law, and also of all fines, forfeitures or penalties received by any person or officer for the school fund or for the use of his county, and he shall proceed to collect the same according to law, and place the same when collected to the credit of the proper funds; but this provision shall not be construed so as to include any fines or penalties accruing to any municipal corporation for the violation of its ordinances. All tax receipts issued by the county treasurer shall be numbered consecutively, commencing with number one on the first receipt issued for the taxes of any one year, and he shall not receipt for more than one year's taxes on the same property in one tax receipt,

but shall keep a separate and distinct series of numbers of receipts issued for the taxes of each year, for which the same has been levied and assessed in this state.

§ 1235. Tax receipts, what to specify. Numbered consecutively. Duplicates. The county treasurer, upon the payment of any tax, shall give to the person paying the same a receipt therefor, specifying therein the land, town or city lot, or what other property on which said tax was levied, according to its description on the tax list, or in some other sufficient manner, and the year or years for which the tax was levied, and each year's tax shall be on a separate receipt and the receipts for each year shall be numbered from one upwards, until the tax list is returned to the auditor. Each receipt shall also specify the years for which any of the real estate described therein has been sold for taxes and not redeemed. The said receipt shall be made in duplicate, showing the name of the person, description of property, and the amount and date of payment; and the county treasurer shall return all such duplicate receipts, made by himself or deputies, to the auditor at the end of each day, who shall file and preserve them in his office, charging the treasurer with the amount thereof. § 57, c. 126, 1897.

§ 1236. Treasurer may summon posse. Penalty for refusal. If the treasurer is resisted or impeded in the execution of his office he may require any suitable person or persons to aid him therein, and if any such person refuses to aid, he shall forfeit a sum not exceeding ten dollars, to be recovered by civil action in the name and for the use of the county, and the person or persons resisting shall be liable, as in the case of resisting the sheriff in the execution of civil process. § 58, c. 28, Pol.C

§ 1237. Treasurer to keep a cash book. The county treasurer is required to keep a cash book, in which he shall enter an account of all the moneys by him received, specifying, in proper columns provided for that purpose, the date of the payment, the number of the receipt issued therefor, by whom paid, and the several items as the same appear on the tax list, and the amount paid in road orders and supervisors' receipts, each in a separate column, and the total amount for which the order or receipt was given in another column, and the treasurer shall keep his account of money received for and on account of taxes levied and assessed for any one year separate and distinct from those levied or assessed for any other year, and all entries in said cash book of moneys received for taxes, shall be in the numerical order of the receipts issued therefor. § 48, c. 28, Pol.C

§ 1238. Receipts for fines. Office hours. Custodian of warrants. Whenever the treasurer receives any money on account of fines or any other account, except taxes charged on the duplicate, he shall make out duplicate receipts, one of which receipts he shall deliver to the person paying, and the other he shall deposit with the county auditor at the close of business each day, in order that the treasurer may be charged with the amount thereof. The treasurer shall enter the same in his cash book, as in case of moneys received for taxes, but in a separate place, and with a separate and distinct series of numbers of receipts issued therefor. The county treasurer shall keep his office open from nine o'clock A. M. to four o'clock P. M. of each business day, and shall, within seven days after the close of business on each day, transmit to the county auditor the duplicate receipts of all moneys received and canceled by him § 49, c. 28, Pol.C

during the day, all warrants paid, all receipts taken and received for money paid out, except as hereinbefore provided. The auditor shall be custodian of such receipts, warrants and vouchers, and shall keep the same in some safe place to be provided by the county commissioners. He shall receipt to the treasurer for each and every receipt, warrant and voucher delivered to him, stating in said receipt the number and amount of each receipt, warrant and voucher. The county auditor shall forthwith compare said tax receipts and all other receipts, warrants and vouchers with the books of the treasurer; and if, upon said comparison, he finds said receipts are in all respects correct, and are given for the actual amount due and paid into the treasury or for the amount actually paid out, as the case may be, that the warrants were actually paid, and that all such items and amounts have been properly entered upon the treasurer's books, he shall so certify on the back of said receipts; but if any errors or omissions are found, he shall report the same to the county commissioners without delay, unless the error is corrected in his presence.

§ 1239. Auditor to keep duplicate treasurer's cash book.
 § 51, c. 23, Pol.C The county auditor is required to keep a duplicate of the treasurer's cash book, and to enter therein all duplicate receipts by him received from the treasurer, in the same manner and form as the treasurer is required to enter the same.

§ 1240. What orders receivable for taxes. The county treasurer shall receive in payment of taxes, orders or warrants on the several funds for which taxes may be levied, to the amount of the tax for such fund, without regard to priority of the numbers of the same, except when otherwise provided by law; and he shall write or stamp across the face of all such orders or warrants the date of their receipt and the name of the person from whom received.

§ 1241. Erroneous assessment, how and by whom corrected. If on the assessment roll or tax list there is any error in the name of the person assessed or taxed, the name may be changed and the tax collected from the person intended, if he is taxable and can be identified by the assessor or treasurer; and when the treasurer, after the tax list is committed to him, shall ascertain that any land or other property is omitted, he shall report the fact to the county auditor, who, upon being satisfied thereof, shall enter the same upon his assessment roll and assess the value, and the treasurer shall enter it upon the tax list and collect the tax as in other cases.

ARTICLE 8.—DELINQUENCY, PENALTY AND LIEN OF TAXES, DISTRESS AND SALE.

§ 1242. Abatement of taxes, how made. The board of county commissioners may, upon affidavit or other evidence, when satisfied beyond a doubt as to the illegality or unjustness of the assessment or in case of error, abate taxes whether real or personal; full record of such abatement must be made, showing the reason for their action, and the county auditor shall certify such abatement to the county treasurer, who shall enter such facts opposite the tax so abated, which shall have the effect of discharging such tax. And whenever taxes on any real estate remain unpaid and such

property has not been sold to any purchaser other than the county, by reason of depreciation in value or other cause, the board of county commissioners may compromise with the owner of such property by abating a portion of such delinquent taxes on payment of the remainder. The county auditor shall also make out a certified statement of the amount of state taxes so abated, which statement shall be forwarded to the state auditor, who shall give the county credit for the amount so abated.

§ 1243. Delinquent personal property tax, when due. c. 134, 1899.
Penalty. Distress. All personal property taxes shall become due on the first day of November in each and every year for which the tax is levied, and become delinquent on the first day of February next after they become due, and thereupon a penalty of five per cent shall attach and be charged upon all such delinquent taxes, and thenceforth there shall be charged interest at the rate of one per cent per month on the original amount of the tax until the same is paid. After said personal property taxes become delinquent the county treasurer shall make out a list of such taxes in the same order as it appears in the tax list and on or before the fifteenth day of September in each year deliver such list of unpaid delinquent personal property taxes to the sheriff of his county, who shall notify by mail such delinquents that taxes have been placed in his hands for collection and unless the same are paid within fifteen days he shall immediately proceed to collect all such delinquent personal property taxes, and if such taxes are not paid on demand he shall distrain sufficient goods and chattels belonging to the person charged with such taxes, if found within the county, to pay the same, with the said penalty of five per cent and all accruing interest and costs, and shall immediately proceed to advertise the same in three public places in the town or district where such property is taken, and in the official newspaper, if there is one in the county, stating the time when and the place where such property will be sold, which place of sale shall be at the residence of the person whose goods have been distrained, and no personal property shall be exempt from such distraint and sale, and if the taxes for which such property is distrained, and the costs which accrue thereon, are not paid before the day appointed for such sale, which shall not be less than ten days after the taking of such property, such sheriff or his deputy shall proceed to sell such property at public vendue, or so much thereof as will be sufficient to pay said taxes, interest, penalty and costs of such distress and sale, and on or before the fifteenth day of December next, after receiving the list herein provided, from the county treasurer, said sheriff or his deputy shall make out in duplicate and deliver the original to the county treasurer of his county, a statement of the taxes collected, giving the names of each person or company from whom collected in the same order as they appear on the list received from the county treasurer, and at the same time turn over to said treasurer the money collected belonging to the several funds for which it was levied, including the penalty and interest, and the county treasurer shall issue receipts for the same, as provided in section 1235. The duplicate of the statement made to the treasurer shall be filed with the county auditor with the list of uncollected taxes as provided in section 1244. The county treasurer shall, thirty days before said taxes be-

come delinquent, give notice of the fact, stating that the same will be delivered to the sheriff for collection, such notice to be mailed to each person, firm or corporation interested, in the month of December; provided, that in case any person having only personal property assessed, and upon which the taxes are unpaid, shall, in the opinion of the treasurer, be about to move out of the county, it shall be the duty of the treasurer to collect such taxes at any time after the tax lists shall have been placed in his hands.

§ 61, c. 126, 1897.

§ 1244. List of uncollected taxes, how disposed of. If the sheriff is unable to collect any of the taxes appearing on the list of delinquent taxes delivered to him by the treasurer, he shall write in the margin opposite the name of each person against whom such tax is assessed the word "uncollected," and append to such list his affidavit, or the affidavit of his deputy entrusted with the collection thereof, stating that he has made diligent search and inquiry for goods and chattels out of which to make collection of the taxes so remaining uncollected, and is unable to make or collect the same; he shall also note on the margin of such list the place to which any delinquent taxpayer has removed, with the date of removal, if he can ascertain such facts, and shall on or before the first day of July following the receipt of such list, deliver the same, with the affidavit aforesaid, to the county auditor. The county auditor shall exhibit such list to the board of county commissioners, at its next meeting, and the board shall thereupon examine and compare the same with the sheriff's return of taxes collected, to the auditor and treasurer, and may cancel on said list such taxes as they are satisfied cannot be collected; and it shall be the duty of the county auditor to certify to the state auditor the amount of state taxes so canceled and the state auditor shall enter the same to the credit of the county accordingly.

§ 62, c. 126, 1897.

§ 1245. Suit and judgement for delinquent tax proceedings. After the county commissioners have canceled so much of the delinquent taxes as they deem uncollectable as provided in the preceding section, the county auditor shall extend to and enter upon the tax list in the hands of the treasurer for the same year in an appropriate column or columns for remarks, opposite each description of real property belonging to any person owning such uncollected personal property tax, words showing the year for which the same remains due, and the principal sum of such tax, as for example, "personal tax, 1896, \$12.78." And when the delinquent afterward acquires any real property in the county such delinquent taxes may be entered in like manner upon any subsequent tax list. And from the time of such entry the delinquent taxes so entered shall become a lien on any real property of the delinquent against which they are so entered in the same manner and to the same extent as the taxes upon such real property, and collection thereof shall be enforced accordingly by sale of the lands against which they are so entered, or so much thereof as may be necessary, at the time when the lands are sold for delinquent taxes, and in the same manner as if originally charged against such lands.

§ 63, c. 126, 1897.

§ 1246. Penalty for neglect or refusal of treasurer or sheriff. If any county treasurer shall refuse or neglect to collect any tax assessed upon personal property where the same is

collectable, or to file the delinquent list and affidavit as herein provided, he shall be held, in his next settlement with the auditor, liable for the whole amount of such taxes uncollected, and the same shall be deducted from his salary or fees and applied to the several funds for which they were levied, and any refusal or neglect on the part of the sheriff to perform the duties herein provided, whereby he fails to collect such delinquent taxes, shall be deemed malfeasance in office and he shall be liable to the county for the whole amount of tax, penalty and interest that he may neglect or refuse to collect. A failure of an assessor to return his assessment to the county auditor, or of the county auditor to report the changes made therein to the state auditor, or to return to the state auditor an abstract of the tax lists of his county, or to deliver said lists to the county treasurer, or a failure of the treasurer to return the same to the county auditor at the time or times specified in this article, or a failure on the part of the treasurer to do any of the things prescribed in section 1233 and section 1243, or a failure on the part of the sheriff to make the affidavit prescribed by section 1244, or to return his list at the time therein prescribed, or to make collection of any taxes appearing thereon, or a failure on the part of any officer to do any act at the particular time specified in this chapter, shall in no manner invalidate any tax levy, or any certificate of tax sale, or tax deed. And when any notice is required to be published in a newspaper by the provisions of this article, if the same is printed in a supplement mailed and distributed with and as a part of the newspaper receiving the same for publication, such publication shall be deemed sufficient.

§ 1247. Removal of delinquent taxpayer to another county. Duty of auditor. In case of the removal of any delinquent taxpayer from the county in which his personal property was taxed to any other county in the state, it shall be the duty of the assessor to immediately make proper effort to ascertain the place of his destination and report the same to the county auditor, and thereupon it shall be his duty to make out and forward to the clerk of the district court of any county in this state to which any delinquent taxpayer may have removed, a statement of the amount of such delinquent taxes, including all penalties, interest and costs that may have attached, specifying the value of property on which said taxes were levied. § 64, c. 126, 1897.

§ 1248. Manner of collecting from such person. On receipt of any such statement or account, the clerk of the court receiving the same shall issue his warrant to the sheriff of his county, and the sheriff shall immediately proceed to collect the same of the person so charged with said taxes and per centum, together with a fee of twenty-five cents for each warrant so issued; which sum, when collected, shall be paid to the clerk as his fee for issuing the same, and all taxes thus collected shall be by him remitted to the treasurer of the county to which said taxes belong; and, at the same time he shall return the original statement or account to the auditor of the county from which it was received, stating the amount of his collections, and if any taxes remain unpaid, the reason why said taxes could not be collected, certifying in his official capacity to the same; and the auditor shall charge the treasurer to whom such remittance is made with the amount thereof, and cancel said taxes § 65, c. 126, 1897.

The sheriff or his deputy shall be allowed the same fees for making distress and sale of goods and chattels, for the payment of taxes, as are allowed by law for making levy and sale of property on execution; provided, however, that the traveling fees shall be five cents a mile for each mile actually and necessarily traveled, and that in no case shall the mileage herein provided for be charged more than once under any pretext whatever, which fees shall be added to the tax and collected by the sheriff, and it shall be the duty of the sheriff or his deputy to furnish to the county commissioners, together with his bill for such service, a full and complete description of his route traveled, and in no case shall mileage be charged more than once from the county seat of the county in which the services required by this article are performed.

Upon payment to the county treasurer of any personal property tax for which judgment has been obtained, the treasurer shall deliver a certificate of the fact of such payment, to the clerk of the court who shall satisfy the judgment upon the margin of the record thereof, by stating the date of payment, and number the receipt given therefor, and file such certificate.

§ 68, c. 126, 1897.

§ 1251. Settlement between treasurer and auditor. On the first day of each month of each year, the county treasurer shall make a full settlement with the county auditor of his receipts and disbursements since the last settlement, and turn over to the auditor, county warrants and other vouchers paid by him and all auditor's warrants paid, taking the receipt of the auditor for such vouchers, and the auditor and treasurer shall distribute and credit to the proper funds all sums received since the last settlement.

§ 69, c. 126, 1899.

§ 1252. Accounts to be kept by auditor and treasurer with township. The county auditor and county treasurer shall keep accounts with the state and county, and with each township, city, incorporated village and school district in the county; and immediately after the settlement as provided in the preceding section they shall credit the collections to the proper funds; and upon application of any town, city, village or school district treasurer, the auditor shall give him an order on the county treasurer for the amount due such township, city, village or school district, and shall charge them respectively with the amount of such order; and at the same time shall notify the clerk of each township, city, village or school district of the issuance of such order; provided, that the county auditor shall not issue his order as in this section provided until the bond of the person applying for such order shall have been filed as required by law.

§ 1254. County responsible for state taxes. Liability of county treasurer. Each county is responsible to the state for the full amount of tax levied for state purposes, excepting such amounts as are certified to be unavailable, double or erroneous assessments as hereinafter provided. If any county treasurer proves to be a defaulter to any amount to state revenue, such amount shall be made up to the state within the next three coming years by additional levies in such manner in annual amounts as the board of commissioners may direct. In such cases the county can have recourse to the official bond of the treasurer for indemnity.

§ 1255. County treasurer's final settlement, how made. § 1259. Auditor's notice of sale. The county auditor under the direction of the board of county commissioners, or a majority thereof, shall give notice of the sale of real property by the publication thereof, once a week for three consecutive weeks, the first of which publications shall be made not less than nineteen days before the day of sale, in such newspaper as may be designated by the county commissioners for that purpose in the county, if there be one, and if there be no paper published in his county, he shall give notice by a written or printed notice posted on the door of the court house or building in which courts are commonly held, or the usual place of meeting of the county commissioners, for three weeks previous to the sale. In counties having daily papers the delinquent tax list shall be published in one issue of the daily edition and in two issues of the weekly edition of the same paper, so selected by the board of county commissioners. Such notice shall contain a notice that all lands on which the taxes of the preceding year (mentioning it) remain unpaid, will be sold and the time and place of sale, which time shall be the first Tuesday in the December following, and said notice must contain a list of the lands to be sold and the amount of taxes and penalty due, to which amount the auditor shall add to each description of land so advertised the sum of twenty cents, and for each description of town lot, the sum of ten cents, to defray the expenses of advertising, and the cost of such advertising shall be paid by the county commissioners at the expira-

But if the sum bid for the same is not paid before the sale closes, such tract or lot shall again be offered for sale in like manner. The county treasurer shall attend the sale and receive all moneys paid thereon, and when any tract of land or lot remains unsold for want of bidders the same shall again be offered before the sale closes, and if there is no other bidder he shall bid for the same in the name of the county, and the same shall be struck off and become forfeited to the county. Such tract or lot shall be assessed and taxed like others until the period for redemption expires, but shall not be again offered for sale for such subsequent taxes unless the county has made an assignment of the certificate of sale, and if not so assigned such forfeiture shall become absolute at the expiration of such period for redemption. § 76, c. 126, 1897.

§ 1262. **Certificate of sale of each parcel. What title passes.** The auditor shall execute to the purchaser of any piece or parcel of land a certificate which may include all lands sold to him and which may be substantially in the following form: § 77, c. 126, 1897.

§ 1263. Certificate as evidence. Grounds for voiding sale. Such certificates shall in all cases be prima facie evidence that all the requirements of law with respect to the sale have been duly complied with, and that the grantee named therein is entitled to a deed therefor after the time of redemption has expired. And no sale shall be set aside or held invalid, unless the party objecting to the same shall prove either that the property upon which the tax was levied was not subject to taxation, or that the taxes were paid prior to such sale, or that notice of such sale as required by law was not given; or that the piece or parcel of land was not offered at said sale to the bidder who would pay the amount for which the piece or parcel was to be sold, in which cases, but in no other, the court may set aside the sale or reduce the amount of taxes upon such land, rendering judgment accordingly.

§ 79, c. 126, 1897.

§ 1264. Limitation of action to quiet title. § 80, c. 126, 1897

§ 1265. Tax sale record. The county auditor shall make a record of the sale of real estate for delinquent taxes in a book kept for that purpose, which shall show the name of the owner (if known) the description of each piece or parcel of property as contained in the tax list, the amount of tax, the penalty and costs, the amount sold for, date of sale, to whom sold, number of the certificate, to whom assigned, date and amount of redemption (if redeemed), and by whom redeemed. All lists, books and records pertaining to tax

matters shall be turned over to the county auditor for the purposes of this chapter, who shall have authority to make redemptions and assignments of tax sale certificates and tax deeds thereon according to law.

§ 1266. Who may not purchase. Effect of purchase by owner. Any person except county auditors, county treasurers, and each of their deputies or clerks, may become the purchaser at such sale. If the owner purchase, the sale shall have the effect to pass to him (subject to redemption as herein provided) every right, title and interest of any and every person, company or corporation, free from any claim, lien or incumbrance, as the owner so purchasing may be legally or equitably bound to protect against such sale, or the taxes for which such sale was made; and no such sale of real estate for taxes shall be considered invalid on account of the same having been charged in any other name than that of the rightful owner; provided, that nothing herein contained shall be so construed as to prevent any officer or his deputy or clerk from becoming the purchaser at such sale of any lands of which he may be the owner, or upon which he may have a lien; provided, further, that no county auditor, county treasurer, their deputies or clerks, shall act as agent or attorney for the purchasers at such sale.

§81, c. 126, 1897.

§ 1267. Redemption. Receipt by auditor. Receipt by treasurer. Undivided estates. If at said sale any piece or parcel of land shall be sold to a purchaser the same may be redeemed at any time within three years from the date of sale by any person or corporation having an interest therein who shall pay into the treasury of the county for the credit of the person thereto entitled, the amount paid by the purchaser at the time of sale, with a penalty of five per cent, together with all amounts of subsequent taxes, penalties and interest paid by him up to the date of redemption. In case any piece or parcel of land was not sold for want of bidders, then any person or corporation having an interest therein shall have the same right of redemption from the county, and on the same terms as from a purchaser at a tax sale. The county auditor shall certify to the amount due upon such redemption, and on payment of the same to the county treasurer he shall make duplicate receipts for the certified amount, describing the property redeemed, one of which shall be filed with county auditor, which shall have the effect to annul the sale. If the amount so paid for the purpose of redemption be less than required by law it shall not invalidate such redemption, but the auditor shall be liable for the deficiency to the persons entitled thereto. Minors, insane persons or persons in captivity, or in any country with which the United States is at war, having an estate in or lien on lands sold for taxes, may redeem the same within three years after such disability cease; but in such case the right to redeem must be established in a suit for that purpose, brought against the party holding the title under sale. Any person who has, or claims an interest in, or lien upon, any undivided estate in any piece or parcel of land sold, may redeem such undivided estate by paying into the treasury a proportionate part of the amount required to redeem the whole; and in such case the certificate shall express the estate or interest redeemed.

c. 126, 1897.
c. 136, 1899.

§ 86, c. 126, 1897.

§ 1268. Warrants to be drawn for money due owners. Upon application of the party entitled thereto, the auditor shall give to such party his warrant upon the treasurer for any money paid into the treasury on the sale of any piece or parcel of land in excess of the amount due upon such piece or parcel at the time of sale, or for any money paid in for redemption which may be due to the purchaser at the sale, or his assignee; provided, that the certificate of sale shall be surrendered and cancelled at the time of such payment, or if the redemption is for a part or undivided interest in such piece or parcel the amount of such redemption and the proportion redeemed shall be indorsed thereon, which shall be a cancellation of such part of the certificate.

§ 87, c. 126, 1897.

§ 1269. Rights of purchaser when land is not redeemed. The purchaser of any piece or parcel of land shall, if there be no redemption, be entitled to the possession, rents and profits at the end of three years, from the date of certificate, and if on demand of such purchaser to the party or parties in possession, such party or parties refuse or neglect to render such possession, such party or parties may be proceeded against as persons holding over after the determination of his or their estate, which proceedings may be instituted and prosecuted pursuant to the provisions of law in such case made and provided.

c. 139, 1899.

§ 1270. Void sales. Void taxes. Repayment. When any sale of land for taxes is adjudged to be void, the judgment shall state the reason why it is void, and in all such cases and in cases where, by the mistake or wrongful act of the county treasurer or auditor, land has been sold upon which no taxes were due, and in cases where taxes have been or may be paid on lands not subject to taxation, or on lands where subsequent to payment the entry has been or may be cancelled, the money so paid and all subsequent taxes, penalties and costs which have been or which may be paid, shall be refunded, with interest at seven per cent per annum from the date of payment to the person making such payment, his heirs or assigns; and the same shall be refunded out of the county treasury to which such money was paid, on an order from the county auditor, and a pro rata share of the money so refunded shall be charged to the state and to any incorporated city, town, village or school corporation which may have received any part of such void tax. Whenever any sale of land or certificate or tax deed made or delivered under this chapter is adjudged to be void, unless the judgment declares the tax to be illegal, the tax and all subsequent taxes returned to the purchaser or assignee, shall remain and be a lien upon the land sold, and the county auditor shall advertise and resell the same at the next succeeding annual sale for the full amount of taxes, penalties and costs due thereon. All lands which may have been or may be bid in for the state or any county in the state by virtue of the provisions of law, may be disposed of by the county auditor at public or private sale as the county commissioners may direct subject to such rules and restrictions as they may prescribe.

§ 88, c. 126, 1897.

§ 1271. Sale of property bid in for the county. All pieces or parcels of real property bid in for the county under the provi-

sions of this chapter, and not redeemed or assigned within three years from the date of the certificate of sale, shall become the absolute property of the county and may be disposed of by the county auditor at public or private sale, as the county commissioners may direct, subject to such rules and restrictions as they may prescribe. The county auditor shall execute deeds for all property so sold to the purchasers thereof, in the same manner and with like effect as upon other certificates of purchase of tax sale, and the proceeds of such sale shall be paid into the county treasury, and the amounts due the state, or any city, township, incorporated village, or school district from the taxes for which the same were sold, or their just proportion thereof, shall be apportioned and placed to the credit of the state, city, township, incorporated village or school corporation entitled thereto, and the remainder shall go into the general fund of the county. Any person having an interest in or lien upon any piece or parcel of forfeited land may redeem the same any time after forfeiture, and before the sale thereof, by paying the amount due thereon.

§ 1272. Property bid in for the county. Assignment form. § 90, c. 126, 1897.

At any time after any piece or parcel of land shall have been bid in for the county, and before such piece or parcel of land shall become forfeited to the county, and while such tract or parcel of land shall remain unredeemed, the county auditor may assign and convey the same and all the right of the county in such piece or parcel of land acquired at such sale, to any person (except the county auditor, county treasurer, their deputies and clerks) who shall pay the amount for which the same shall have been bid in, and the amount of all subsequent delinquent taxes, penalties, interest and costs upon the same; and shall execute to such persons a certificate of conveyance for each piece or parcel, which may be substantially in the following form:

c. 135, 1899.

§ 1278. Deed not to be recorded without auditor's certificate of taxes paid. When any deed is presented to the county auditor for transfer he shall ascertain from the books and records in his office if there be delinquent taxes due on the lands described therein, or if it has been sold for taxes; and if there are delinquent taxes due he shall certify to the same, and when the receipt of the county treasurer shall be produced for the said delinquent taxes and for any other delinquent taxes that may be in the hands of the county treasurer for collection, the county auditor shall enter on every deed of real property so transferred over his official signature

“taxes paid and transfer entered” or, if the land described has been sold for taxes, “paid by sale of the land described within;” and unless such entry is made upon any deed, the register of deeds shall refuse to receive or record the same. A violation of the provisions of this section by the register of deeds shall be deemed a misdemeanor, and upon conviction thereof he shall be punished by a fine of not less than one hundred dollars and not exceeding one thousand dollars, and he shall be liable to the grantee of any instrument so recorded for the amount of any damages sustained; provided, that sheriff’s or referee’s certificates of sale on execution, decrees or foreclosures of mortgages and United States patents and certified copies thereof and deeds which it may be desirable to have recorded solely for the purpose of correcting errors in and perfecting titles and deeds which make no changes in the record title, and final decree of distribution entered in county courts may be recorded by the register of deeds without any such certificates from the county auditor. When the owners of such land fail to comply with the provisions of this section the costs of surveying, platting and recording shall be paid by the county, upon allowance by the county commissioners and the amount thereof shall be added to the tax upon such tracts or lots the next ensuing year, which tax, when collected, shall be credited to the county fund.

§ 1289. Notice when time for redemption expires. Duties of certificate holders and auditors. Every person holding a tax certificate shall, at least ninety days before expiration of the time for the redemption of the lands therein described, present such certificate to the county auditor, and thereupon the auditor shall prepare, under his hand and official seal, a notice to the person in whose name such lands are assessed, specifying the description of such lands, the amount for which the same were sold, the amount required to redeem such lands from sale, exclusive of the cost to accrue upon such notice, and the time when the redemption period will expire, which notice the auditor shall cause to be served personally upon the owner, if known to be a resident of the state, but which may, if the owner be a nonresident, be given by registered letter, addressed to such owner at his last known post-office address, and by publication once in each week, for three consecutive weeks, in some newspaper printed and published in the county where such lands are situated, if there be one; if none, then in some newspaper printed and published at the capital of the state, and in case the property covered by such certificate is occupied, then service of such notice shall, in addition to the foregoing provision, be made upon the person in possession thereof. The board of county commissioners of the county to which such unorganized county is attached for judicial purposes shall, at the time and place it equalizes and corrects the assessment roll of its county, equalize and correct the assessment roll of such unorganized county, and at the same time and place it makes its tax levy for county purposes levy a tax upon the assessed property of such unorganized county for state purposes only, and in the same manner and form that it makes levy for state purposes in its own county; and when the tax list is completed the board of county commissioners shall attach to such tax list its warrant under its hand and official seal in general terms requiring the county treasurer of such organized county to collect the tax therein levied according to law; and it shall require an additional bond from such county treasurer in such amount as it may deem necessary for the faithful discharge of his duties in collecting such tax; and it shall audit and allow the necessary expenses of the assessor, auditor and treasurer for the assessment and collection of such taxes, which shall be paid upon its warrant out of the taxes so assessed and collected. And as such rents become due, the sheriff may receive the same, or collect the same by suit, in his own name as such sheriff, before any court of competent jurisdiction. And no payment of rents so attached after service of such writ, or payment of rents made in advance with intent to defeat such attachment, shall be valid as against such attachment. Three days before any such sale of lands as herein-after provided, the sheriff shall make and deliver to the treasurer a statement in writing, showing how much he has received or collected, under the attachment in his hands, from each piece or parcel of land therein described, and shall pay the same to the treasurer; and if he shall have received or collected upon any attachment the amount therein specified, he shall return such writ to the clerk, but shall retain such writs as have not been satisfied. Upon making any sale of lands the treasurer shall deduct from the amount charged by the judgment against any piece or parcel of land, the amount which the sheriff shall have received or collected from the rents of the same, and shall sell such piece or parcel for the residue only. If at such sale, any piece or parcel of land shall be let or sold to a purchaser, as soon as such purchaser shall have paid the purchase money the treasurer shall direct the sheriff forthwith to return any writ of attachment in his hands against such piece or parcel. If any piece or parcel shall be bid in for the state or county, the sheriff holding an attachment against the same shall continue to receive and collect the rents of such piece or parcel the same as though such sale had not been had. If the tax and interest, penalty and costs on any piece or parcel of land against which an attachment shall have issued, be fully paid before sale, with the accrued costs of the writ and sheriff, the treasurer shall direct the sheriff to return such writ forthwith.

§ 1337. **Answers.** If answer shall be filed within the time hereinbefore provided, as to the taxes or penalties upon any pieces or parcels of land embraced in such list as published, such answers shall stand for trial at any general term of the district court in the county, where such proceedings are pending, in session at the time when the time to file answers as aforesaid shall expire, or at the next general or special term appointed to be held in said county. And if a general or special term shall be appointed to be held within thirty days thereafter, then the same may be brought to trial at any general term appointed to be held in the judicial district, upon ten days' notice of the states attorney of the county in which said taxes are laid, if there be one, and if there be none, then of the

county in which such proceedings are instituted, to take charge of and prosecute such proceedings; but the county commissioners of the county in which such taxes are laid may employ any other attorney to assist such states attorney therein. At the term at which such proceedings come on for trial, they shall take precedence of all other business before the court. The court shall proceed without delay without a jury, and summarily hear and determine the objections or defenses made by the several answers, and shall dispose of all of such answers, and direct judgment accordingly, at said term, and in the trial thereof shall disregard all technicalities and matters of form not affecting the substantial merits, and any person making answer as herein provided, shall be entitled to a separate trial upon the issues raised by his answer.

§ 1338. **After hearing.** If after a hearing the court shall sustain the taxes and penalties in whole or in part against any piece or parcel of land, judgment shall be rendered against all such pieces or parcels for the amount as to which such taxes and penalties shall be sustained against such pieces or parcels, respectively, and the disbursements, unless the court otherwise directs, which judgment may be substantially in the form prescribed in section 1336, except that it shall in addition state that the same was rendered after answer and trial; and after the description of each piece and parcel shall be stated the name of the person, company or corporation answering as to such piece or parcel. § 1339. **Judgment rendered.** If all the provisions of the law in force at the time of such assessment and levy in relation to the assessment and levy of taxes, shall have been complied with, of which the list so filed with the clerk shall be prima facie evidence, then judgment shall be rendered for such taxes and the interest, penalties and costs. But no omission of any of the things provided by law in relation to such assessment and levy or of anything required by an officer or officers to be done prior to the filing of the list with the clerk shall be a defense or objection to the taxes appearing on any piece or parcel of land, unless it be also made to appear to the court that such omission resulted to the prejudice of the party objecting, or that the taxes against such piece or parcel of land have been partially, unfairly or unequally assessed; and in such cases, but in no other, the court may reduce the amount of taxes upon such piece or parcel and give judgment accordingly. It shall always be a defense in such proceedings, when made to appear by answer and proof, that the taxes have been paid, or that the property is lawfully exempt from taxation.

§ 1340. **Judgment final.** The judgment which the court shall render shall be final, except that upon application of the county or other party against whom the court shall have decided

the point raised by any defense or objection, the court may, if in its opinion the point is of great public importance or likely to arise frequently, make a brief statement of the facts established, bearing on the point and of its decision, and forthwith transmit the same to the clerk of the supreme court, who shall enter the same as a cause pending in such court, and place the same on the term calendar of such court for the term then in session, or for the first term thereafter. And the same shall be entitled to a preference over any other business before such court and shall be decided by such court at the term for which it shall be entered on the calendar. As soon as it shall be decided, the clerk of the supreme court shall enter the proper order and forthwith transmit a certified copy of such order to the clerk of the proper district court; provided, that such proceedings shall in no case prevent the entry of judgment in the district court, nor prevent the sale of any piece or parcel of land pursuant to the judgment of the district court, unless at the time of applying for such statement an undertaking with at least two sureties and in an amount to be approved by the judge of the district court, conditioned for the payment of the amount for which judgment shall have been rendered in the district court, and the interest and costs allowed by law if the decision of the district court shall be affirmed, shall be filed with the clerk of the district court.

§ 11, c. 67, 1897.

§ 1341. **Tax judgment.** When any tax judgment pursuant to this article shall be entered, the clerk of the district court shall forthwith deliver to the sheriff of the county a certified copy of such judgment, written on the left hand pages of a book, to be provided by the treasurer; and if before sale any person wishes to pay the amount adjudged against any piece or parcel of land, the clerk of the district court shall give him a statement showing the amount so adjudged against such piece or parcel, and such person may pay the same to the treasurer, with interest and accrued costs if any; and the treasurer shall thereupon give a receipt for such payment, and on receipt being produced to the clerk, he shall enter on the right hand page of the real estate tax judgment book and opposite the description of such piece or parcel, satisfaction of the judgment against the same.

§ 12, c. 67, 1897.

Minors, insane persons, idiots, or persons in captivity, or in any country with which the United States is at war, having an estate in, or a lien on land sold for taxes, may redeem the same within two years after such disability shall cease; but in such case the right to redeem must be established in a suit for that purpose, brought against the party holding the title under the sale.

Any portion of the national guard performing any duty according to law shall have the right of way in any street or highway through which they may pass; provided, the carriage of the United States mails, the legitimate functions of the police and the progress and operations of fire engines and fire departments shall not be interfered with thereby.

§ 66, c. 86, 1891. § 1422. **Officers to report, when.** Each officer who receives arms, accoutrements, clothing, camp equipage, rations or stores of any kind for the use of his command, or for issue to troops shall render to the chief of the departments furnishing the same a report or return of such supplies, according to the forms which may be prescribed, and such reports shall be furnished when called for, but not oftener than once in two months.

§ 67, c. 86, 1891. § 1423. **Military outfits and supplies not to be sold or disposed of.** The clothing, arms, military outfits, accoutrements and stores furnished by the state to the national guard shall not be sold, bartered, exchanged, pledged, loaned or given away and the possession of any such property by any person not a member of the guard shall be prima facie evidence of such sale, barter, exchange, pledge, loan or theft. Such property may be seized and taken from any person not authorized to keep the same, by any officer or soldier of the state, and shall thereupon be delivered to any officer of the state authorized to receive the same.

§ 68, c. 86, 1891. § 1424. **Lost or stolen property, how valued.** All property of the state which is lost, stolen, damaged or destroyed in the military service, shall be acted upon by a disinterested inspector or officer, detailed for that purpose, who shall make a full investigation and report of all the facts and circumstances of the case, and if any person is found or deemed responsible for the loss or damage of the property beyond reasonable wear and tear by service, the inspector shall assess and fix a reasonable value on the property lost, damaged or destroyed, and such person shall pay the sum so assessed into the state treasury. In the event of such person's failure or neglect to reimburse the state, suit may be brought in the name of the state in any court of competent jurisdiction for the recovery of the same under such regulations as the governor shall prescribe.

§ 1, c. 87, 1891. § 1425. **Appropriation.** For the purpose of carrying out the provisions of this chapter there is hereby annually appropriated the sum of eleven thousand dollars or so much thereof as may be necessary, out of any money in the state treasury; and all warrants against such appropriation shall be drawn by the state auditor upon the state treasurer upon the certificate of the adjutant general, approved by the governor.

§ 1425a. Training school and armory, organization and management. Any number of persons, not less than three, being members or ex-members of regularly enrolled companies of the national guard of this state, may form a corporation for the purpose of erecting, obtaining and maintaining a building to be used by the company of which they are members or ex-members, as a military training school, armory and place of meeting, which corporation shall possess the powers and be subject to the duties and liabilities of other corporations, except as herein otherwise provided. The principal office of said corporation must be located at the town or city wherein the national guard company for the benefit of whom the military training school is erected or maintained, is stationed. The general management of such company shall be vested in a board of not less than three nor more than eleven directors, each of whom shall during his term of office be a member of the national guard of the state of North Dakota. Such corporation may lease or buy real estate upon which to erect a military training school, armory or drill hall to be by the corporation erected or maintained, and may purchase or lease land upon which a rifle range may be maintained, and all such land, and the buildings thereon which are used for a military training school, drill hall, armory or rifle range, shall be exempt from taxation. The articles of incorporation of such corporation shall be filed and a certificate of incorporation issued by the secretary of state without fee. c. 101, 1897.

CHAPTER 20.

MINES AND MINING.

ARTICLE 1.—LOCATION AND SIZE OF CLAIMS.

§ 1426. Length of lode claim fifteen hundred feet. The length of any lode claim hereafter located within this state may equal but shall not exceed fifteen hundred feet along the vein or lode. § 1, c. 31, Pol.C.

§ 1427. Width of lode one hundred and fifty feet. The width of lode claims shall be one hundred and fifty feet on each side of the center of the vein or crevice; provided, that any county may at any general election determine upon a greater width not exceeding three hundred feet on each side of the center of the vein or lode, by a majority of the legal votes cast at such election, and any county by such vote at such election may determine upon a less width than specified; provided, that not less than twenty-five feet on each side of the vein or lode shall be prohibited. § 2, c. 31, Pol.C.

§ 1428. Discoverer must record his claim. The discoverer of a lode shall within sixty days from the date of discovery record his claim in the office of the register of deeds of the county in which such lode is situated by a location certificate, which shall contain: § 3, c. 31, Pol.C.
§§ 1, 2, c. 96, 1881.

1. The name of the lode.
2. The name of the locator.
3. The date of location.

4. The number of feet in length claimed on each side of the discovery shaft.

5. The number of feet in width claimed on each side of the vein or lode.

6. The general course of the lode as near as may be.

§ 4, c. 31, Pol.C.

§ 1429. **Certificate void, when.** Any location certificate of a lode claim which shall not contain the name of the lode, the name of the locator, the date of location, the number of lineal feet claimed on each side of the discovery shaft, the number of feet in width claimed, the general course of the lode and such descriptions as shall identify the claim with reasonable certainty shall be void.

§ 5, c. 31, Pol.C.
§ 3, c. 96, 1881.

§ 1430. **Manner of locating claim.** Before filing such location certificate the discoverer shall:

1. Locate his claim by first sinking a discovery shaft thereon sufficient to show a well defined mineral vein or lode.

2. By posting at the point of discovery on the surface, a plain sign or notice containing the name of the lode, the name of the locator and the date of discovery, the number of feet claimed in length on either side of the discovery and the number of feet in width claimed on each side of the lode.

3. By marking the surface boundaries of the same.

§ 6, c. 31, Pol.C.
§ 4, c. 96, 1881.

§ 1431. **Marking surface boundaries.** Such surface boundaries shall be marked by eight substantial posts hewed or blazed on the side facing the claim and plainly marked with the name of the lode and the corner, end or side of the claim that they respectively represent and sunk in the ground as follows: One at the corner and one at the center of each side line and one at each end of the lode. When it is impracticable on account of rock or precipitous ground to sink such posts, they may be placed in a monument of stone.

§ 7, c. 31, Pol.C.

§ 1432. **Requisites of location.** Any open cut, cross-cut or tunnel at a depth sufficient to disclose the mineral vein or lode, or an adit of at least ten feet in along the lode, from the point where the lode may be in any manner discovered, shall be equivalent to a discovery shaft.

§ 8, c. 31, Pol.C.
§ 5, c. 96, 1881.

§ 1433. **Time within which labor must be performed.** The discoverer shall have sixty days from the time of uncovering or disclosing a lode in which to sink a discovery shaft thereon.

§ 9, c. 31, Pol.C.

§ 1434. **Certificate construed to contain what.** The location or location certificate of any lode claim shall be so construed as to include all surface ground within the surface lines thereof, and all lodes and ledges throughout their entire depth, the top or apex of which lies inside of such lines extended vertically, with such parts of all lodes or ledges as continue by dip beyond the side lines of the claim, but shall not include any portion of such lodes or ledges beyond the end lines of the claim or the end lines continued, whether by dip or otherwise, or beyond the side lines in any other manner than by the dip of the lode.

§ 10, c. 31, Pol.C.

§ 1435. **Claim not extended beyond the exterior line.** If the top or apex of the lode in its longitudinal course extends beyond the exterior lines of the claim at any point on the surface, or as extended vertically downward, such lode may not be followed in its longitudinal course beyond the point where it is intersected by the exterior.

§ 1436. Owner of land may demand security of miner. § 12, c.31, Pol.C.
When the right to mine is in any case separate from the ownership or right of occupancy to the surface, the owner or rightful occupant of the surface may demand satisfactory security from the miner and if it is refused may enjoin such miner from working until such security is given. The injunctive order shall fix the amount of bond.

§ 1437. Amended certificate may be filed. § 13, c.31, Pol.C.
If at any time the locator of any mining claim heretofore or hereafter located, or his assigns, shall apprehend that his original certificate was defective, erroneous, or that the requirements of the law had not been complied with before filing, or shall be desirous of changing his surface boundaries, or of taking in any part of an overlapping claim which has been abandoned, or in case the original certificate was made prior to the passage of this law, and he shall be desirous of securing the benefit of this chapter, such locator or his assigns may file an additional certificate subject to the provisions of this chapter; provided, that such relocation does not interfere with the existing rights of others at the time of such relocation; and no such relocation nor the record thereof shall preclude the claimant from proving any such title as he may have held under previous locations.

§ 1438. Amount of work that must be done annually. § 14 c.31, Pol.C.
§ 6, c. 96, 1881.
The amount of work to be done or improvements made during each year to hold possession of a mining claim shall be that prescribed by the laws of the United States; provided, that the period within which the work required to be done annually on all unpatented claims so located shall commence on the first day of January succeeding the date of the location of such claim.

§ 1439. Relocating abandoned claims. § 16, c.31, Pol.C.
The relocation of abandoned lode claims shall be made by sinking a new discovery shaft and fixing new boundaries in the same manner as if it were the location of a new claim, or the locator may sink the original shaft, cut or adit to a sufficient depth to comply with sections 1430 and 1434, and erect new or adopt the old boundaries, renewing the posts if removed or destroyed. In either case a new location stake shall be erected. In any case, whether the whole or part of an abandoned claim is taken, the location certificate must state that the whole or any part of the new location is located as abandoned property.

§ 1440. Certificate can contain but one location. § 17, c.31, Pol.C.
No location certificate shall claim more than one location, whether the location is made by one or several locators; and if it purports to claim more than one location it shall be absolutely void, except as to the first location therein described; and if they are described together, or so that it cannot be told which location is first described, the certificate shall be void as to all.

§ 1441. Fee for recording. § 18, c.31, Pol.C.
The register of deeds shall be entitled to receive the sum of one dollar for each location certificate recorded and certified by him and shall furnish the locator with a certified copy of such certificate when demanded, for which he shall be entitled to receive fifty cents.

ARTICLE 2.—DISPUTED MINING PROPERTY.

§ 19, c.31, Pol.C.

§ 1442. Judge may order survey of mines in cases of disputed property. In all actions in any district court of this state wherein the title or right of possession to any mining claim shall be in dispute, the court or judge thereof may, upon application of any of the parties to such suit, enter an order for the underground as well as surface survey of such part of the property in dispute as may be necessary to a just determination of the question involved. Such order shall designate some competent surveyor not related to any of the parties to such suit or in anywise interested in the result of the same; and upon the application of the party adverse to such application, the court may also appoint some competent surveyor, to be selected by such adverse applicant, whose duty it shall be to attend upon such survey and observe the method of making the same; such second survey shall be at the cost of the party asking the same. It shall also be lawful in such order to specify the names of witnesses named by either party not exceeding three on each side, to examine such property, who shall be allowed to enter into such property and examine the same; such court or the judge thereof may also cause the removal of any rock, debris, or other obstacle in any of the drifts or shafts of such property, when such removal is shown to be necessary to a just determination of the question involved; provided, however, that no such order shall be made for survey and inspection except upon notice of the application for such order of at least six days, and not then except by agreement of parties or upon the affidavit of two or more persons that such survey and inspection is necessary to the just determination of the suit, which affidavit shall state the facts in such case and wherein the necessity for survey exists; nor shall such order be made unless it appears that the party asking therefor had been refused the privilege of survey and inspection by the adverse party.

§ 20, c.31, Pol.C.

§ 1443. Writs of injunction may be issued for affirmative relief. The district court or the judge thereof in vacation shall have, in addition to the powers already possessed, power to issue writs of injunction for affirmative relief, having the force and effect of a writ of restitution, restoring any person to the possession of any mining property from which he may have been ousted by force and violence or by fraud or from which he is kept out of possession by threats or whenever such possession was taken from him by entry of the adverse party on a Sunday or legal holiday or while the party in possession was temporarily absent therefrom. The granting of such writ shall extend only to the right of possession under the facts of the case in respect to the manner in which the possession was obtained, leaving the parties to their legal rights on all other questions as though no such writ had issued.

CHAPTER 21.

DRAINS.

§ 1, c. 51, 1895.

§ 1444. When drains may be constructed. Water courses, ditches and drains for the drainage of sloughs and other low lands may be established, constructed and maintained in the several

counties of this state whenever the same shall be conducive to the public health, convenience or welfare under the provisions of this chapter. The word "drain" when used in this chapter shall be deemed to include any natural water course opened, or proposed to be opened, and improved for the purpose of drainage and any artificial drains constructed for such purpose.

§ 1445. **Power of county commissioners. Petitions.** The board of county commissioners of any organized county in this state shall have power and is authorized at any meeting of the board by a majority vote of all the members to appoint on the petition of any person interested, three freeholders of the county, as a board of drain commissioners of such county, who shall hold office for two years, and until their successors are appointed and qualified. The board of county commissioners may remove for cause any or all of such drain commissioners, and in case of a vacancy may fill the same by appointment. § 2, c. 51, 1895.

§ 1446. **Oath of office. Bond.** Any person appointed as a member of the board of drain commissioners shall within ten days after his appointment take, subscribe and file in the office of the county auditor an oath faithfully to perform the duties of a drain commissioner under the law, and within the same time make, execute and file in such auditor's office a bond to the county with sureties to be approved by the auditor in such sum as shall be ordered by the board of county commissioners, conditioned for the faithful discharge of his duties as drain commissioner. § 3, c. 51, 1895.

§ 1447. **Petitions in writing. Plans and specifications.** A petition for the construction of a drain may be made in writing to the board of drain commissioners. If among the leading purposes of the proposed drain are benefits to the health, convenience or welfare of the people of any city or other municipality, the petition shall be signed by a sufficient number of the citizens of such municipality or municipalities to satisfy the board of drain commissioners that there is a public demand for such drain. If the chief purpose of such drain is the drainage of agricultural, meadow, grazing or other lands, the board of drain commissioners shall require that the petition be signed by the owners, their agents duly authorized in writing or the legal representatives of the owners of such lands, as in the aggregate will, in the event of the construction of the drain be liable to assessment for a major portion of the cost thereof. Upon the presentation of a petition as hereinbefore provided, and filing of the same, the board of drain commissioners shall, personally, as soon as practicable, proceed to examine the line of the proposed drain, and if in its opinion it is necessary and for the public good, it shall cause a survey of the line thereof to be made by a competent surveyor, who shall establish the commencement and terminus and determine the route, width, length and depth thereof. For the purpose of making examinations or surveys, the board of drain commissioners, surveyors and their employes may enter upon land traversed by any such proposed drain, or upon other lands when necessary. Such surveyor shall prepare profiles, plans and specifications of the proposed drain, an estimate of the cost thereof and a map or plat of the lands to be drained, showing the regular subdivisions thereof, all of which shall be filed in the office of the county auditor of the county in which such c 79, 1899.

drain is proposed to be constructed subject to inspection. In locating a drain the board of drain commissioners may under the advice of the surveyor vary from the line described in the petition as it seems best. When the line proposed is along highways already established, the drain shall be located at a sufficient distance from the center of such highway to permit a good road along the central line thereof; when the length of the line described in the petition does not give sufficient fall to drain the lands sought to be drained, the board of drain commissioners may extend the drain below the outlet named in the petition far enough to obtain a sufficient fall and outlet. Drains shall as far as practicable be located on dividing lines between sections or regular subdivisions thereof, but the general utility of the drain must not be sacrificed to avoid crossing any tract of land in such direction as the board of drain commissioners find advisable. All persons whose land may be affected by any such drain may appear before the board of drain commissioners and fully express their opinions upon the matters pertaining thereto.

c. 79, 1899. **§ 1448. Commissioners may deny petition, when.** If upon such examination and survey, or upon the trial in the district court it shall appear that there was not sufficient cause for making such petition, or that the proposed drain would cost more than the amount of benefit to be derived therefrom, the board of drain commissioners shall deny the petition, and the petitioners shall be jointly and severally liable to such board for all costs and expenses incurred in the proceedings to be recovered by such board by action. If it shall appear that there was sufficient cause for the making of such petition, and that the proposed drain will not cost more than the amount of the benefit to be derived therefrom, the board of drain commissioners shall thereupon make an order establishing the drain, and give the same a name by which it shall be recorded and indexed.

§ 6, c. 51, 1895. **§ 1449. Right of way.** The title to the right of way for the construction of any proposed drain, if not conveyed to the county by the owner, may be acquired in such manner as may now or hereafter be prescribed by law. Such right of way when acquired shall be the property of the county.

-c. 79, 1899. **§ 1450. Assessment of damages, how made.** Upon the assessment by the jury, court or referee, of the amount of damages to which the respective owners of the right of way to be used for the construction of any proposed drain are entitled, the board of drain commissioners may issue warrants in a sum sufficient to pay the damages assessed for right of way, drawn upon the proper county treasurer, and payable out of any funds in the hands of the treasurer, for the construction of the drain for which such right of way is sought to be obtained, and shall negotiate the same at not less than the par value thereof, and pay into court for the benefit of the owners of the right of way the amount to which each is entitled according to the assessment of damages, paying the surplus, if any, to the county treasurer, who shall place the same to the credit of the proper drain fund. If warrants cannot be negotiated, the board of drain commissioners shall assess the per cent of the cost of acquiring the right of way in the manner provided in section 1452, making return to the county auditor containing all that is

required in section 1453, and make, serve and file the list provided for in section 1457, and no further proceedings shall be taken until the special tax levied to pay for the right of way is collected and paid into court for the benefit of the owners of the right of way.

§ 1451. Assessment of benefits subject to review. Every assessment of benefits provided for in this chapter shall be subject to review and ten days' notice of the time and place when and where such assessment will be reviewed by the board of drain commissioners shall be given in the manner provided in section 1454. At the time and place appointed such board shall proceed to hear all complaints relative to such assessment and correct or confirm the same. § 8, c. 51, 1895.

§ 1452. Accruing benefits. Upon acquiring the right of way, if the assessment of benefits has not already been made under the provisions of section 1450, the board of drain commissioners shall assess the per cent of the cost of constructing and maintaining such drain, and of providing the right of way therefor, which any county, township, city, village or town shall be liable to pay by reason of the benefits of such drain to the public health, convenience, or welfare, and which any railroad company shall be liable to pay by reason of benefits to accrue to its property, and which any lot, piece or parcel of land shall be liable to pay by reason of benefits to accrue thereto, either directly or indirectly, by reason of the construction of such drain, whether such lands are immediately drained thereby, or can be drained only by the construction of other and connecting drains, but such assessment shall be subject to review by the commissioners as hereinafter provided. c. 79, 1899.

§ 1453. Commissioners shall make return to auditor. After the assessment of benefits has been made, as provided in the last section, the board of drain commissioners shall make return thereof to the county auditor, who shall record the same in a book to be provided by the county for that purpose. Such return shall contain the petition for the drain, the minutes of the survey signed by the surveyor, a copy of the order establishing the drain, conveyances of the right of way, if any, and the assessment of benefits. c. 79, 1899.

§ 1454. Manner of letting contracts. Notice published. After filing the return with the county auditor, as hereinbefore provided, the board of drain commissioners shall without delay divide the line thereof into convenient divisions for construction, make diagrams of the same with specifications of the width of excavation at the bottom, the slope of the sides, and such other matters as may be necessary for the proper construction of the drain, and set suitable stakes in such places as may be necessary to show the beginning and end of divisions, and grade stakes to show the depth of cuts at such intervals as may be necessary. Such board shall give at least ten days' notice of the time when and the place where they will meet parties for the purpose of letting contracts for such construction. Such notice shall be published in some newspaper of general circulation in the county and printed notices not less than five in all and at least one in each township or municipality interested in such drain shall be posted in such township and municipalities at such points as will be likely in the opinion of the board, to secure the greatest publicity for such notice. Such notice shall also state that at the time and place of such letting of c. 79, 1899.

contracts the assessment of benefits will be subject to review, unless such assessment has already been reviewed, under the provisions of section 1451.

§ 12, c. 51, 1895.

§ 1455. Commissioners may defer letting of contract. At the time and place appointed the board of drain commissioners shall proceed to hear all complaints relative to such assessments, unless a hearing has already been had under the provisions of section 1451, and correct and confirm the same. Such board shall then proceed to let contracts for the construction of the drain by divisions as it shall have divided the same, to the person who will do the work according to the specifications, for the lowest price and give adequate security for the performance of the same within such time as the contract shall specify. Such board may adjourn such letting in whole or in part and from time to time to such other time and place, to be by it at the time of such adjournment publicly announced, as shall to it seem proper and it may reserve the right to reject any and all bids. The parties who are to be assessed for the construction of such drain and who may be bidders for contracts thereon shall, if equal bidders with other parties, be preferred in the awarding of such contracts; provided, that contracts for the building of the bridges and culverts mentioned in section 1463 may be deferred, until the construction of the drain has reached such a stage of completion that the character of the bridges and culverts which will be needed can be determined. As soon as the character of such bridges and culverts can be determined such board shall cause plans and specifications of the bridges and culverts to be constructed in connection with such drain to be prepared and shall give at least ten days' notice of the time and place when and where it will meet parties for the purpose of letting contracts for such construction. Such notice shall be published in some newspaper of general circulation in the county. Such contracts shall be let to the lowest bidder as hereinbefore in this section provided.

§ 13, c. 51, 1895.

§ 1456. General duties of commissioners. After the letting of such contracts or a major portion thereof such board shall make a computation of the cost of such drain which shall include all the expenses of locating and establishing the same, including the cost of right of way, the drain commissioners' fees, cost of survey, cost of building bridges and culverts, interest on all warrants issued or to be issued by the board of drain commissioners on account of the drain, accumulated or to accumulate prior to the time when the tax levied or to be levied to pay for the right of way or construction of the drain is collectible by law and all other expenses and the amount of the contracts and in case contracts shall not have been let for the construction of the whole of the drain or of the bridges and culverts, the board of drain commissioners shall estimate the cost of such unlet portion and of the bridges and culverts predicating its estimate so far as may be upon the cost of those portions that have been let or upon similar work. The sum of all the costs and expenses incurred or to be incurred shall be the cost of the construction of the drain.

c. 79, 1899.

§ 1457. Lands benefited. Special tax. The board of drain commissioners shall make a list showing the amount which each municipality and lot or tract of land benefited by the drain for which

the tax is levied is liable to pay on account of procuring the right of way or the construction of any drain, or both according to the per cent which by section 1452 it is required to fix and determine, a copy of which shall be served on the clerk or auditor of each municipality against which taxes are to be assessed. Such list shall thereupon be filed in the office of the county auditor of the county in which the municipalities and lands benefited by the drain are situated, and the auditor shall thereupon extend upon the tax lists as a special tax as provided by law the several amounts shown by the drain commissioners' list, specifying in such tax lists the particular drain for the construction or procurement of the right of way of which such special tax is assessed, which special tax shall be collected and enforced in the same manner as other taxes. When such special tax is for right of way the same shall when collected be paid by the county treasurer into court for the benefit of the owners of the right of way. And the common council, or other proper taxing authorities of each city, or other municipality, against which such assessment is made as aforesaid, shall include in the first general tax levy thereafter made in said city or municipality, the amount so assessed against it, by the board of drain commissioners, and the same shall be extended upon the tax lists of the county for the current year by the county auditor against all the taxable property in such city or municipality in the same manner and with the same effect as other taxes are extended.

§ 1458. **County treasurer shall collect drain tax.** The drain taxes shall be collected by the county treasurer and all moneys so collected shall be credited to the drain fund to which they belong and the county treasurer shall be the treasurer of such drain funds. Payment of all expenses and costs of locating and constructing any drain shall be made by the board of drain commissioners issuing warrants in such amounts and to such persons as by such board may be found due. All warrants drawn by such board in payment for the right of way or construction of any drain shall be payable from the proper drain fund and shall be receivable for the taxes levied for the right of way or construction of such drain by the treasurer. All such warrants after presentation to the county treasurer for payment, if not paid for want of funds, shall be registered by the county treasurer and thereafter shall bear interest at the rate of seven per cent per annum. § 15, c. 51, 1895.

§ 1459. **Additional assessment, when necessary.** In case the amount realized from the assessment made for right of way or for the construction of any drain shall not be sufficient to pay for such right of way or to complete such drain, and to pay fees and all incidental expenses, or in case an enlargement or deepening of such drain or an extension of the line thereof becomes necessary, a further assessment shall be made to meet the deficit or additional expense, and the amount thereof shall be levied and collected in the manner hereinbefore provided. § 16, c. 51, 1895.

§ 1460. **Extension of time to contractors.** The board of drain commissioners shall have power to grant a reasonable extension of time for the completion of any contract. When any contract shall not be finished within the time specified, or to which it may be extended, the board of drain commissioners may in its discretion at any time thereafter, re-let such unfinished portion or any part thereof, after not less than five days' notice thereof to the lowest responsible bidder and shall take security as before. The § 17, c. 51, 1895.

cost of completing such parts over and above the contract price, and the expense of notices and re-letting shall be collected by the board of drain commissioners of the parties at first contracting; provided, that in no case shall the board of grain commissioners forfeit and annul a contract without five days' notice to the contractor, if found, and if not found, then by written notice left at his last place of residence, if known to be within the county.

§ 18, c. 51, 1895.

§ 1461. **Extension of powers, when necessary.** The powers conferred by this chapter for establishing and constructing drains shall also extend to and include the deepening and widening of any drains which have heretofore been or may hereafter be constructed; also to straightening, clearing out and deepening the channels of creeks and streams and the construction, maintaining, remodeling and repairing of levees, dykes and barriers for the purpose of drainage and the board of drain commissioners may relocate or extend the line of any drain if the same is necessary to provide a suitable outlet and shall cause a survey thereof to be made, but no proceedings affecting the right of persons or property shall be had under this section, except upon the notice, hearing and award prescribed in this chapter for the construction of drains in the first instance.

§ 19, c. 51, 1895.

§ 1462. **Duty of railroad companies.** Drains may be laid along, within the limits of or across any public road, and when so laid out and constructed or when any road shall hereafter be constructed along or across any drain it shall be the duty of the board of county commissioners, or township supervisors, as the case may be, to keep the same open and free from all obstructions. A drain may be laid along any railroad when necessary, but not to the injury of such road, and when it shall be necessary to run a drain across a railroad it shall be the duty of such railroad company, when notified by the board of drain commissioners to do so, to make the necessary opening through said road and to build and keep in repair suitable culverts or bridges.

§ 20, c. 51, 1895.

§ 1463. **Construction of bridges and culverts.** When any drain crosses a highway the cost of constructing the necessary bridge or culvert shall be charged in the first instance as part of the cost of constructing such drain, after which such bridge or culvert shall be maintained as part of the highway. The board of drain commissioners shall construct such bridges or culverts over or in connection with each drain as may in its judgment be necessary to furnish a passage from one part to another of any farm or tract of land intersected by such drain and the cost of the construction thereof shall be charged as part of the cost of constructing such drain and such bridge or passageway shall be maintained under the authority of the board of county commissioners or township supervisors, as the case may be, and the necessary expense thereof shall be deemed a part of the cost of keeping such drain open and in repair.

§ 21, c. 51, 1895.

§ 1464. **Blind drains, how constructed.** Blind drains may be constructed by the use of drain tile or sewer pipe, when the nature of the ground will admit of so doing. When blind drains are constructed the entrance shall be protected from drift wood and other debris.

§ 1465. **Legal drains shall be recorded.** All drains regularly established, opened or constructed under existing provisions of law shall be deemed legal drains and it shall be the duty of all

§ 1466. Tax or assessment void, when. New proceedings. c. 79, 1899.

The collection of no tax or assessment levied or ordered to be levied to pay for the location and construction of any drain laid out and constructed under this chapter, shall be perpetually enjoined or declared absolutely void in consequence of any error of any officer or board in the location and establishment thereof, nor by reason of any error or informality appearing in the record of the proceedings by which any drain shall have been located or established, nor for want of proper conveyance or condemnation of the right of way, but the court in which any proceeding may hereafter be brought to reverse or to declare void the proceedings by which any drain has been located or established or to enjoin the tax levied to pay the labor and cost and expenses shall on application of either party appoint such person or persons to examine the premises, or to survey the same, or both, as may be deemed necessary; and the court shall on a final hearing make such order in the premises as shall be just and equitable, and may order such tax to remain on the tax lists for collection, or any part thereof, or if the same shall have been paid under protest shall order the whole or such part thereof as may be just and equitable to be refunded, the costs of said proceedings to be apportioned among the parties as justice may require. If any proceeding for the location, establishment or construction of any drain under the provisions of this chapter, have been heretofore, or shall be hereafter enjoined, vacated, set aside, declared void, or voluntarily abandoned by the board of drain commissioners, in consequence of any error, irregularity or want of jurisdiction affecting the validity of such proceedings, and if any drainage warrants have been or shall hereafter be issued in connection with such aforesaid invalid or abandoned proceedings, the board of drain commissioners may nevertheless proceed under the provisions of this chapter to locate, establish and construct drains under the same or different names, and in the same or different locations from those described in the invalid or abandoned proceedings; provided, however, such new proceedings shall be in accordance with the general provisions of this chapter. In case new proceedings shall be had, resulting in the location and establishment of a drain in the same or substantially the same location as that described in the invalid or abandoned proceedings, then the board of drain commissioners shall proceed to ascertain and determine the real value of services rendered, moneys expended, and work done under such invalid or abandoned proceedings, and the extent to which the same have contributed or will contribute to the construction and completion of such drain, as subsequently established and constructed. A meeting of said board of drain commissioners shall be held for the purpose of determining and fixing the value aforesaid, at which meeting all persons interested, whether as holders of warrants issued under invalid or abandoned proceedings, or as owners of land benefited or to be benefited by such drain, may appear and be heard. Ten days' notice of such meeting shall be given, in the manner at the time, and as a part of the notice provided for in sections 1451 or 1454, and the notice as published shall state briefly the purpose of such meeting, and that all persons interested may appear and be heard. The board shall thereupon, and after such hearing, by an order made and entered in their

minutes, find and determine: (1) the real value of all work done, money expended and services rendered under such invalid or abandoned proceedings, to the extent only to which they contribute to the drain as subsequently located and established; (2) the names of all persons or corporations owning or holding drain warrants issued under such invalid or abandoned proceedings, and the dates and several amounts of such warrants. The board shall then proceed to issue warrants to an amount not exceeding the value of the work done, moneys expended and services rendered under such invalid or abandoned proceedings, and deliver such new warrants to the owners or holders of the old warrants upon surrender and return of the latter; provided, however, that the value of any service rendered, or money expended, or work done, shall in no case be declared to be greater than the warrant issued therefor, under the invalid or abandoned proceedings, and if found to be less, the new warrant shall not be issued or delivered except upon the surrender and return of the old warrant, in lieu of which it is issued. The real purpose and intent of this chapter is to afford compensation for services rendered, work done, and moneys expended, under invalid or abandoned proceedings, to the extent only to which the same contributes to the completion of a drain located and established in pursuance of the provisions of this chapter.

§ 24, c. 51, 1895.

All drains that may have been constructed under any law of this state, or that may be constructed under the provisions of this chapter and situated in this state, shall, except as otherwise provided be under the charge of the board of county commissioners and their successors in office and be by them kept open and in repair. In all cases when any completed drain is or may be situated in more than one county the care of the portion thereof lying within any county is hereby assigned to the board of county commissioners of such county to be by it kept open and in repair. The cost of such keeping open and in repair shall in all cases be assessed, levied and collected in the same manner as is provided in this chapter for the construction of drains in the first instance, and in cases when no assessment of benefits shall have been made, the board of commissioners having charge of or to whose care such drain may be assigned shall make such assessment.

§ 25, c. 51, 1895.

§ 1468. Rules and regulations. The board of county commissioners of any county may make rules and regulations on the subject of drainage within such county, as it may deem proper, not inconsistent with the provisions of this chapter and especially with regard to clearing out and keeping clear the channels of streams and the construction and maintenance of dams thereupon, with reference to their capacity for drainage and may require of the owners of such dams reasonable service in cleaning and keeping such streams clear as a consideration for the right to erect dams thereupon.

§ 26, c. 51, 1895.

§ 1469. Liability of drain commissioner. Each board of drain commissioners shall make a report to the board of county commissioners of all drains begun, in process of construction or finished and shall also render a full account of all moneys which shall come into its hands; and every drain commissioner shall be liable on his bond for any misapplication of money coming into his hands as such commissioner. The report required by this section shall include an itemized statement of all expenses and warrants drawn on account of each and every drain.

Whenever the amount of any recovery shall be collected it shall be deposited with the county treasurer to the credit of the proper drain fund. § 23, c. 51, 1896.

§ 1472. State and county officers not eligible. No person holding any state or county office shall be eligible to the office of drain commissioner, and any drain commissioner accepting any state or county office shall thereupon be considered as having vacated the office of drain commissioner. § 29, c. 51, 1896.

§ 1473. Power to administer oath. Drain commissioners shall have power to administer any oath required in any proceeding had before them or in which they may be called to act officially. § 30, c. 51, 1896.

§ 1474. Bonds, when and how issued. The board of county commissioners of any county in which any such drain is proposed to be located and constructed is authorized to issue bonds in such sums as may be necessary for the purpose of defraying the expenses incurred or to be incurred in obtaining the right of way or in locating and constructing any such drain, said word "expenses" to be construed to mean and to cover every item of cost of such drain from its inception to its completion as hereinbefore provided, which bonds shall be paid out of the revenues to be derived from taxes levied or to be levied and collected from that portion of the county found by the board of drain commissioners to be benefited thereby. Such bonds shall bear interest at a rate not exceeding seven per cent, and shall be payable not exceeding twenty years from the date thereof, and the said board shall provide sinking funds for the payment at maturity of each series of bonds issued and for the payment of the annual interest on the same. The bonds issued under the provisions of this chapter shall be signed by the chairman of the board of county commissioners of such county and countersigned by the county auditor who shall keep a record of the bonds issued under the provisions of this chapter. Such board shall have the power to negotiate such bonds at not less than the par value thereof as it may deem best for the interest of all persons interested in such drain. Such bonds shall contain a recital that the same are issued in accordance with the provisions and pursuant to the authority of this chapter and that they are to be paid out of sinking funds to be created as in this chapter provided. Whenever such bonds shall be issued the tax hereinbefore provided for shall not be collected all in one year, but shall be divided into as many parts as such bonds have years to run and one of such parts shall be extended upon the tax lists by the § 31, c. 51, 1896.

They shall have power to issue subpoenas and compel obedience thereto, to administer oaths, and do any act necessary and proper in the premises.

20, c. 23, 1879.

§ 1517. Applications for admission to hospitals. Applications for admission to the hospital must be made in writing in the nature of an information verified by affidavit. Such information must allege that the person in whose behalf the application is made

is believed by the informant to be insane and a fit subject for custody and treatment in the hospital for the insane; that such person is found in the county and has a legal residence therein, if such is known to be the fact; and if such residence is not in the county, where it is, if known, or where it is believed to be, if the informant is advised on the subject.

§ 1518. **Investigation by commissioners as to the alleged insanity.** On the filing of an information as above provided, the commissioners shall at once investigate the grounds of such information. For this purpose they may require that the person for whom such admission is sought be brought before them, and that the examination be had in his presence, and they may issue their warrant therefor and provide for the suitable custody of such person until their investigation is concluded. Such warrant may be executed by the sheriff or any constable of the county, or if they shall be of opinion from such preliminary inquiries as they may make, and in making which they shall take the testimony of the informant if they deem it necessary or desirable, and of other witnesses if offered, that such course would probably be injurious to such person or attended with no advantages, they may dispense with such presence. In their examination they shall hear testimony for and against such application, if offered. Any citizen of the county or any relative of the person alleged to be insane, may appear and resist the application, and the parties may appear by counsel if they elect. The commissioners, whether they decide to dispense with the presence before them of such person or not, shall appoint some regular practicing physician of the county to visit such person and make a personal examination touching the truth of the allegations in the information, and touching the actual condition of such person, and forthwith report to them thereon. Such physician may or may not be of their own number, and the physician so appointed and acting shall certify under his hand that he has, in pursuance of his appointment, made a careful personal examination as required, and that on such examination he finds the person in question insane, if such is the fact, and if otherwise, not insane; and in connection with his examination such physician shall endeavor to obtain from the relatives of the person in question, or from others who know the facts, correct answers, as far as may be, to the interrogatories hereinafter required to be propounded in such cases, which interrogatories and answers shall be attached to his certificate. § 21, c. 23, 1879.

§ 1519. **How patient shall be sent to hospital.** On the return of the physician's certificate, the commissioners shall as soon as practicable, conclude their investigations, and having done so they shall find whether the person alleged to be insane is insane; whether, if insane, a fit subject for treatment and custody in the hospital; whether the legal residence of such person is in their county, and if not in their county, where it is, if ascertained. If they find such person is not insane, they shall order his discharge, if in custody. If they find such person insane, and a fit subject for treatment and custody in the hospital, they shall forthwith issue their warrant and a duplicate thereof, stating such finding, with the residence of the person, if ascertained; and if not ascertained, their information, if any, in regard thereto, authorizing the superintendent of the hospital, to receive and keep such person as a patient therein. Such warrant and duplicate with the finding and certificate of the phy- § 22, c. 23, 1879.

sician shall be delivered to the sheriff of the county, who shall execute the same by conveying such person to the hospital and delivering him with such duplicate and physician's certificate and finding to the superintendent thereof. The superintendent over his official signature shall acknowledge such delivery on the original warrant, which the sheriff shall return to the county judge with his fees and expenses indorsed thereon. If neither the sheriff nor his deputy is at hand, or if both are otherwise engaged, the commissioners may appoint some other suitable person to execute the warrant in his stead, who shall take and subscribe an oath faithfully to discharge his duty, and shall be entitled to the same fees as the sheriff. The sheriff or any other person so appointed may take to his aid such assistance as he may need to execute such warrant; but no female shall thus be taken to the hospital without the attendance of some other female, or some relative of such person. The superintendent in his acknowledgment of delivery must state whether there was any such person in attendance, and give the name, if any. If any relative or intimate friend of the patient, who is a suitable person, shall so request, he shall have the privilege of taking and executing such warrant in preference to the sheriff or any other person, and without taking such oath, and for so doing he shall be entitled to his necessary expenses, but no fees.

§ 25, c. 23, 1879.

§ 1520. **Disposition of insane person when accommodations of hospital are insufficient.** If in the case of any persons found to be insane and fit subjects for custody and treatment in the hospital as above provided, it shall be shown to the satisfaction of the commissioners that they cannot at once be admitted therein, and they cannot with safety be allowed to go at liberty, the commissioners shall require that such patients shall be suitably provided for otherwise until such admission can be had, or until the occasion therefor no longer exists. Such patients may be cared for either as public or private patients. Those shall be treated as private patients whose relatives or friends will obligate themselves to take care of and provide for them without public charge. In the case of any one treated as a private patient, the commissioners shall appoint some suitable person a special custodian, who shall have authority and whose duty it shall be in all suitable ways to restrain, protect and care for such patient in such manner as best to secure his safety and comfort, and in such manner as best to protect the persons and property of others. In the case of public patients the commissioners shall require that they be in like manner restrained, protected and cared for by the overseers of the poor, at the expense of the county, and they may accordingly issue their warrants to such overseers of the poor, who shall forthwith comply with the same. If there is no poor house for the reception of such patients, or if no more suitable place can be found, they may be confined in the county jail in the charge of the sheriff, or such commissioners in their discretion, may require that such persons be taken to the asylum of any state that may be designated by the governor, who is hereby authorized and empowered to make the best terms he can with the authorities of any asylum in any state for the admission of such patients.

§ 26, c. 23, 1879.

§ 1521. **Insane persons cared for by county.** On application to the commissioners, on behalf of persons alleged to be insane and whose admission to the hospital is not sought, made substantially in the manner above prescribed and asking that provision be made

for their care as insane, either public or private within the county, and on proof of their insanity and need of care as above provided, the commissioners may provide for their care, protection and restraint as in other cases.

§ 1522. Commissioners to provide for insane persons suffering for want of proper care. § 27, c. 23, 1879. On information laid before the commissioners of any county that a certain insane person in the county is suffering for want of proper care, they shall forthwith inquire into the matter, and if they find the information well founded they shall make all needful provision for the care of such person as provided in other cases.

§ 1523. Insane not to be restrained of liberty except by proper authority. § 28, c. 23, 1879. No person supposed to be insane shall be restrained of his liberty by any other person otherwise than in pursuance of authority obtained as herein required, excepting to such extent and for such brief period as may be necessary for the safety of persons and property until such authority can be obtained.

§ 1524. Penalty for cruelty to insane. § 29, c. 23, 1879. Any person having the care of an insane person, and restraining such person, either with or without authority, who shall treat such person with wanton severity, harshness or cruelty, or shall in any way abuse such person, shall be guilty of a misdemeanor, besides being liable to an action for damages.

§ 1525. Transfer of insane under county care. § 30, c. 23, 1879. Insane persons who shall have been under care either as public or private patients, outside of the hospital, by authority of the commissioners of any county, may on application be transferred to the hospital whenever they can be admitted thereto, on the warrant of such commissioners. Such admission may be had without another inquest at any time within six months after the inquest already had, unless the commissioners shall deem a further inquest advisable.

§ 1526. Questions to be answered on application for admission to hospital. § 31, c. 23, 1879. In each case of application for admission to the hospital, correct answers to the following interrogatories, so far as they can be obtained, shall accompany the physician's certificate; and if on further examination, after the answers are stated, any of them are found to be erroneous, the commissioners shall cause them to be corrected:

1. What is the patient's name? Married or single? If any children, how many? Age of youngest child, and age of patient?
2. Where was the patient born?

§ 33, c. 23, 1879.

§ 1527. **Proceedings for release of persons alleged not to be insane.** On a statement in writing verified by affidavit, addressed to the county judge of the county in which the hospital is situated, or of the county in which any person confined in the hospital has his residence, alleging that such person is not insane and is unjustly deprived of his liberty, such judge shall appoint a commission of not more than three persons in his discretion, to inquire into the merits of the case, one of whom shall be a physician; and if two or more are appointed, one shall be an attorney. Without first summoning the person to meet them, they shall proceed to the hospital and have a personal interview with such person, so managed as to prevent him, if possible, from suspecting its object; and they shall make any inquiries and examinations they may deem necessary and proper of the officers and records of the hospital, touching the merits of the case. If they shall deem it prudent and advisable, they may disclose to the person the object of their visit, and in the presence of such person make further investigation of the matter. They shall forthwith report to such county judge the result of their examination and inquiries. Such report shall be accompanied by a statement of the facts and signed by the superintendent. If on such report and statement and hearing of the testimony, if any is offered, the county judge shall find the person sane, he shall order his discharge. If he shall find him insane he shall authorize his continued detention. The finding and order of such judge with the report and other papers, shall be filed in his office and entered on his records, and he shall forthwith notify the superintendent of his findings and order and the superintendent shall carry out such order. The commissioners appointed as provided in this section shall be entitled to their necessary expenses, and a reasonable compensation to be allowed by such judge and paid by the state out of any funds not otherwise appropriated; provided, that the applicant shall pay the same if the judge shall find that such application was made without probable grounds, and shall so order.

§ 34, c. 23, 1879.

§ 1528. **Same. Not to be repeated oftener than once in six months.** The commission so provided for shall not be appointed

oftener than once in six months for the same person, nor shall such commission be appointed for any patient within six months of the time of his admission.

§ 1529. **Insane persons entitled to habeas corpus.** All persons confined as insane shall be entitled to the benefit of the writ of habeas corpus, and the question of insanity shall be decided at the hearing, and if the judge or court shall decide that the person is insane, such decision shall be no bar to the issuing of the writ a second time, whenever it shall be alleged that such person shall have been restored to reason. § 35, c. 23, 1879.

§ 1530. **Salaries and fees, how and by whom paid.** The commissioners of insanity shall each be allowed the sum of two dollars per day for the time actually employed in the duties of their office. The county judge, in addition to what he is entitled to as commissioner of insanity, shall be allowed one-half as much more for making the required record entries in all cases of inquest, and of meetings of the board for any purpose, and for the filing of any papers required to be filed. He shall also be allowed twenty-five cents for such notice or process given or issued under seal as herein required. The examining physician shall be entitled to five dollars for each case examined, and mileage at the rate of ten cents per mile each way. The sheriff shall be allowed for services other than conveying a patient to the hospital and returning therefrom, the same fees as for like services in other cases. Witnesses shall be entitled to the same fees as witnesses in the district court. The compensation and expenses provided for above shall be allowed and paid out of the county treasury in the usual manner, except those of the sheriff, which shall be paid out of the state treasury in the usual manner. § 47, c. 23, 1879.
§ 1 c. 58, 1885.

The attendant is required in all cases to see that each letter is directed to the patient's correspondent, § 1, c. 122, 1837.
am'd.

and if it is not so directed it must be held subject to the superintendent's disposal; and the contents of these boxes shall be collected once every week by an authorized person from the post office department and by him placed in the hands of the United States mail for delivery.

§ 2, c. 122, 1887.

§ 1534. Duty of superintendent of hospital. It is the duty of the superintendent to keep registered and posted in some public place at the hospital a true copy of the names of each individual chosen as the inmate's correspondent, and by whom chosen; and to inform each of the individuals so chosen of the name of the person choosing him. The superintendent shall request each person so chosen to write his name on the outside of the envelope of each letter written to the inmate; and all letters bearing the individual writer's name on the outside shall be delivered, or caused to be delivered, by the superintendent to the inmate to whom directed without being opened, unless there is reason to believe the letter contains some foreign substance which might be used for medication, in which case the letter shall be opened in the presence of a competent witness and the substance, if any, shall be delivered to the superintendent.

§§ 3, 4, c. 122, 1887. am'd.

§ 1535. Penalty for violation. Any person refusing or neglecting to comply with, or willfully or knowingly violating any of the provisions of this article, shall be guilty of a misdemeanor and be ineligible to any office in the hospital afterwards. A printed copy of this article shall be framed and kept posted in each ward of the hospital.

§ 2, c. 40, 1891. am'd.

§ 1537. Brands, how obtained and recorded. Whenever any person desires the exclusive use of any mark or brand, or trade-mark, he may make application therefor to the secretary of state setting forth a description of the mark, brand or trade-mark of which he desires the exclusive use, accompanying the same with a facsimile thereof and stating for what the same is to be used and the place or position it is to occupy, and it shall be the duty of the secretary to record such mark, brand or trade-mark, with a description of the place or position such mark or brand shall occupy on the animal, consulting always the choice and convenience of the applicant therefor, so far as may be, without conflicting or interfering with any previously recorded mark or brand.

c. 108, 1899.

§ 1538. Secretary must record brands. The secretary of state shall keep a record of all marks, brands and trade-marks showing the names and residences of the persons owning the same, together with a description and facsimile of such mark, brand or trade-mark and in case of live stock the range occupied by such stock, as near as may be, which record shall be open to the inspection of any person interested and he shall deliver to the owner of

§ 1539. Repealed. (c. 108, 1899.)

§ 1540. Brands must be vented. It shall be the duty of all persons who sell live stock of any kind to another to vent their brand on the part of the animal which the purchaser may determine; provided, that such vent brand shall be upon the same side of the animal as the original, either by inverting the original brand, or by a vent brand prepared for that purpose. Such vent brand shall be not less than one-half the size of the original brand, and shall be of the type of the original brand, and such venting as above provided shall be prima facie evidence of the sale or transfer of such stock. § 6, c. 40, 1891.

§ 1541. When similar brands may be recorded. The secretary of state shall refuse to receive for record any brand, which, being the same as any previously recorded, shall have added thereto any or either of the following: A bar, a circle, a half circle, a quarter circle, a diamond or a half diamond; provided, that a similar device, figure or letter, but placed on a different part of the animal, may be so received and recorded. § 7, c. 40, 1891.

§ 1542. Who have a right to record brands. All persons who have heretofore recorded any mark, brand or trade-mark in any county of this state, shall have the prior right to the exclusive use of such mark, brand or trade-mark; provided, that where two or more of such marks or brands conflict with each other, the one first recorded shall have priority; provided, further, that all stock brands recorded in the office of the secretary of state prior to the first day of December, 1891, under the provisions of chapter 37 of the laws of 1890 shall be in no wise invalidated by any of the provisions of this article. § 9, c. 40, 1891.

§ 1544. Stock grower and drover defined. Each person who shall keep neat cattle, horses, mules, sheep, swine or goats for their growth or increase within the state, shall be deemed a stock grower. Any person who shall drive or bring live stock into or through this state shall be deemed a stock drover. § 1 c. 60, 1881.

§ 1, c. 69, 1897. **§ 1544a. The term drover defined.** For the purposes of this article every person having charge or control of any herd of neat cattle, horses or mules, numbering five or more, or any flock of sheep numbering twenty-five or more, as owner, agent or employee, while the same is being driven from one place to another not within the same range or neighborhood, is deemed a drover; and every person having charge or control of any such herd or flock while subsisting on any public or other range land to which he has no right of possession, is deemed a herder, whether personally present with such herd or not.

§ 2, c. 69, 1897. **§ 1544b. Shall not entice animals away.** No drover or herder of any such herd or flock, or assistant of any such drover or herder, shall drive or entice any animal of like kind, without the owner's consent, away from his premises or the range or other place usually frequented by such animal or suffer such animal to be driven or enticed away, or to follow, join or remain with such herd; and if necessary, in order to prevent any such animal belonging to another person from being so driven or enticed away or from following, joining or remaining with such herd, it is the further duty of every person aforesaid to deliver such animal without delay to the owner thereof, if known, or if unknown, to some resident of the neighborhood or peace officer of the county to be by him returned to the owner or disposed of as an estray according to law.

§§ 3, 4, c. 69, 1897 **§ 1544c. Uniform brand.** It is also the duty of every drover to have all animals in his charge or control branded or marked with one uniform brand or mark. All such horses, mules and cattle shall be branded on a conspicuous place on each, with one distinct branch or road brand of the owner; and all such sheep shall be marked distinctly with a mark or device sufficient to distinguish the same readily from other sheep. Whenever any animal mentioned in this article shall be found with any herd or flock of like kind, as hereinbefore defined, proof of such finding, in addition to the fact that such animal was there without the owner's consent, shall be deemed presumptive evidence of a violation of the provisions of section 1544a, by each drover, herder or assistant having charge or control of such herd at the time of the finding, and shall be admissible as such in any action herein contemplated.

§ 5, c. 69, 1897. **§ 1544d. Costs a lien.** Every person violating any of the restrictions or requirements prescribed by section 1544a is responsible to each person injured thereby, to the extent of his damages; which shall include the reasonable expenses incurred in searching for and recovering such animal; and whenever judgment is recovered therefor such judgment and costs shall be enforceable as a lien upon the interest of the defendant in the animals constituting such herd or lien.

§ 6, c. 69, 1897. **§ 1544e. Penalty.** Whoever shall wrongfully violate any of the provisions of section 1544b, or fail to observe and fulfill the requirements of section 1544c, shall for each delinquency forfeit and pay into the court rendering judgment therefor a penalty of not less than \$50 nor more than \$200, one-half of the sum collected to be paid over to the person complaining or informing of such delinquency and the remainder into the general fund of the county treasurer. Such penalty may be recovered in a civil action before any justice of the peace of the proper county, and such justice shall

have power to hear and determine the same and enforce the judgment in the same manner as other courts of competent jurisdiction.

§ 1545. **Driving stock and trespassing.** Any person owning or having charge of any cattle, horses, swine or sheep, who shall drive the same into or through any county of which the owner is not a resident or land owner or stock grower, and when the land in such county is already occupied by settlers on ranches, it shall be the duty of such owner or person in charge of such horses, cattle, swine or sheep to prevent the same from mixing with the cattle, horses, swine or sheep belonging to actual settlers, and also to prevent such animals from trespassing on such land as may be the property of an actual settler or may be held by him under a homestead or leasehold right, and used by him for the grazing of animals, growing hay or timber, or other agricultural purposes, or doing injury to the ditches made for irrigation of crops. If any owner or person in charge of any such animals shall willfully, carelessly or negligently injure any resident of the state by driving such animals from the public highways and herding the same on the lands occupied and improved by settlers in possession of the same, it shall constitute a misdemeanor and shall be punished by a fine of not less than five dollars nor more than twenty-five dollars, at the discretion of the court, and render the owner or person in charge of such animals liable for such damages as may be done to the property of such settler.

§ 5, c. 60, 1881.
am'd.

§ 1546. **Wrongful driving off of stock. Penalty.** When the stock of any person shall be driven off its range within the state, against his will, by the owners of any drove, and the same shall be found among such drove, every person engaged as drover of such drove shall be liable for damages to the person injured to the amount of the value of the animal for each head so driven off, together with all costs accruing in the trial of such cause, and the owner of the animals so driven off shall have a lien on such herd for the amount of all such damages and costs.

§ 6, c. 60, 1881.
am'd.

§ 1547. **Duty of drover when stock of resident mixes with drove.** When the stock of any resident of the state shall mix with any drove of animals, it shall be the duty of any drover or person in charge of such drove to cut out and separate such stock from such drove immediately. Each person, either owner or drover or otherwise connected with such drove, who neglects to comply with the provisions of this section shall be fined in a sum not exceeding one hundred dollars.

§ 7, c. 60, 1881.
am'd.

§ 1548. **Concerning skinned dead animals.** It shall be unlawful for any person other than the owner, his agent or employee, to skin or remove from the carcass, the skin, hide or pelt of any neat cattle, swine or sheep found dead, except when such stock is killed by railroad trains, in which case the employees of such railroad may remove the hides from stock so killed.

§ 8, c. 60, 1881.

§ 1549. **When lawful for stock to run at large.** It shall be lawful for cattle, horses, mules, ponies and sheep to run at large from the first day of November until the first day of April each year, except within the corporate limits of any city or village; provided, that no stallion or vicious bull or any other animal known to be vicious, shall be allowed to run at large at any time; but nothing in this code shall be construed to repeal any special act establishing a fence law for any county in this state.

§ 1, c. 89, 1890.
am'd.

HERD LAW.

§ 1, c. 69, 1895. **§ 1550. County commissioners shall order an election.**
How conducted. The board of county commissioners of any county shall, whenever it shall be presented with a petition signed by one-third of the qualified electors of said county, asking that the provisions of chapter 42 of the code of civil procedure be abolished therein, order an election to be held, at which election the qualified electors of such county shall vote upon the question of abolishing the provisions of chapter 42 of the code of civil procedure in such county. Such election shall be in all respects conducted as general elections are conducted, and the order of the board of county commissioners for such election shall be made at least sixty days before such election is held, and notice of such election shall be given in the same manner and for the same length of time as notices of general elections.

§§ 2,3, c. 69, 1895. **§ 1551. Law, when abolished.** The ballots to be used at such election shall be in the following form: "For the herd law" and "against the herd law." In voting on the question, each voter must place to the left of the proposition he favors, the mark X. If a majority of the ballots cast at such election is against the herd law, the provisions of chapter 42 shall be thereby abolished in such county.

§ 4, c. 69, 1895. **§ 1552. When the proposition may be submitted again.** At any subsequent general election, but at no other time, after an election has been once held under the provisions hereof, the question of re-establishing the provisions of said chapter 42 within any county, having abolished the same, or of abolishing the provisions of said chapter 42 in any county which has once refused to abolish the same under the provisions of this chapter, may be again submitted by the board to a vote of the qualified electors thereof, to be voted upon in the same manner as hereinbefore provided for the first election. The result of any election held under the provisions hereof shall remain in force until changed at some subsequent election held hereunder.

§ 5 c. 69, 1895. **§ 1553. When fences shall be sufficient and lawful** In any county in which an election has been held under the provisions hereof and in which the result of such election shall have been declared to be in favor of abolishing the provisions of said chapter 42, a fence constructed as hereinafter described shall be sufficient and lawful.

§§ 6,7, c. 69, 1895. **§ 1554. How fences shall be constructed.** The posts or other uprights of reasonable strength and firmness in position shall be not more than thirty-two feet distant from each other, with two suitable stays between posts, nearly equally dividing such space in three parts. Three strands of ordinary barbed fence wire shall be well stretched and firmly fastened to such posts, uprights and stays, with the upper strand not more than forty-eight nor less than forty-two inches above the general surface of the ground thereunder, and the lower strand not more than eighteen nor less than twelve inches above the general surface of the ground, and the middle strand nearly equally dividing the space between the upper and lower strands; provided, that all corral fence exclusively for the purpose of inclosing stacks, if outside of any lawful inclosure, shall not be less than sixteen feet distant from such stacks so inclosed, shall be

The governor shall have power to remove such person from office whenever it shall appear to him from good and sufficient evidence that such officer is guilty of malfeasance or nonfeasance in the performance of his duty, and may fill any vacancy arising from such removal, or from resignation, death or removal from the state, by a new appointment.

c. 90, 1897. § 1760. **Petroleum oil, how tested.** All mineral or petroleum oil, or any fluid or substance which is a product of petroleum, or into which petroleum or any product of petroleum enters or is found as a constituent element, whether manufactured within this state or not, shall be inspected as herein provided before being offered for sale or sold for consumption for illuminating purposes within this state. Such inspection shall be conducted in the following manner: The test shall be made in a test cup of metal or glass, cylindrical in shape, two and a quarter inches in diameter, and four inches deep, both measurements being made inside the cup, and this cup shall be filled to within one quarter of an inch of the brim with the oil or other substance to be tested, taken at the ordinary temperature; the cup shall be placed in a water bath sufficiently large to leave a clear space of one inch under the cup, and three eighths of an inch around it, and in such manner as to project about one quarter of an inch above the water bath; the space between the cup and the water bath shall be nearly filled with cold water taken at the ordinary temperature and the cup being placed in the water bath, the latter shall be heated by an alcohol lamp with its flame so graduated that the rising temperature from sixty degrees Fah-

renheit to the highest heat test temperature shall not be less than two degrees per minute, and shall be as near two degrees per minute as practicable, and shall in no case exceed four degrees per minute. A Fahrenheit thermometer shall be suspended in such a manner that the upper surface of the bulb shall be as near as practicable one quarter of an inch below the surface of the oil undergoing test; as soon as the temperature reaches the point of ninety-eight degrees the lamp shall be removed from under the water bath, and the oil shall then be allowed to rise to a temperature of one hundred degrees Fahrenheit, by the residual heat of the water, and at that point the first test for flash shall be made as follows: A taper, hereinafter described, shall be lighted and the surface of the oil shall be touched with the flame of the taper, either to the center of the oil surface or to any or all parts of it, but the taper itself shall not be plunged into the oil, and if no flash takes place upon the first contact of the flame with the oil, the taper shall not be held in longer contact, but shall be immediately withdrawn; if no flash takes place at a temperature of one hundred degrees the lamp shall be replaced under the water bath, and the temperature raised to one hundred and three degrees Fahrenheit, when the lamp shall be again withdrawn and the oil allowed to rise to one hundred and five degrees by the residual heat of the water, when the test shall be made at one hundred and five degrees by again applying the flame of the taper as hereinbefore specified; if no flash occurs, the test shall be repeated as often as the oil gains five degrees in temperature, three degrees with the lamp under the water bath, and two degrees with the lamp removed. These tests shall be repeated until a flash is obtained. The inspector shall further test the oil by applying the taper at every two degrees rise, without removing the lamp or stirring, but if a flash is obtained by this means by a less rise of temperature than the five degrees herein required he shall at once remove the lamp, stir the oil, and immediately apply the flame. The taper used for testing may be made of any wood giving a clear flame, and it shall be made as slender as possible and with a tip not more than one sixteenth of an inch in thickness. No taper or match with sulphur upon it shall be used unless the sulphur is removed before lighting. When the taper is lighted it shall be applied to the oil immediately, that is to say, before an ash or coal has had time to form on the end of the taper beyond the flame, and in applying the taper the flame shall be made to touch the oil, but the taper itself shall not be brought in contact with the oil; and if the taper is so brought in contact with the oil, but not held there longer than for the space of one second, and the oil flashes, the test shall not thereby be vitiated, but the inspector shall immediately remove the lamp and again test the oil by the flame without allowing the body of the taper to touch the oil. For the purpose of making such test, the inspector may use any commercial testor approved by the state oil inspector which substantially complies with the foregoing provisions and requires the use of not less than one half pint of the fluid to be tested, but the manner of making the test must conform strictly to the requirements of this section. No oil or other substance, which by the test herein described flashes at any temperature below one hundred and twenty degrees Fahrenheit shall be

approved or sold or offered for sale for illuminating purposes within this state.

§ 3, c. 107, 1890.

They shall upon application and tender of the fees, during business hours, inspect and test all illuminating oils standing upon a railway track in what is known as tank cars, in which it is shipped into this state, and the same shall not be drawn off into a warehouse tank or unloaded until so inspected, and no oil subject to test as herein provided shall be drawn off or removed from the tank, cask, barrel or other vessel in which it has been shipped into this state, until the same has been tested as herein provided. When such oil in the tank, railroad car, cask, barrel or other vessel in which it was shipped has been inspected as provided above, no other inspection shall be necessary, but the inspector and his deputy shall, when such oil is put into barrels, brand the same as provided in this article without charge. The inspector and his deputies shall be authorized and empowered, in case they or either of them shall find on the premises of any person, any illuminating oils which appear to be uninspected, duly to inspect the same, and shall charge therefor the fees allowed by this article, and shall have a lien on such oils so inspected for such fees, which lien may decision of any deputy inspector or any barrel of oil shall be subject to appeal to the state inspector whose decision shall be final.

When the amount contained in any tank, cask or other vessel shall exceed

fifty gallons, each fifty gallons shall constitute a barrel. All oils in quantities less than fifty barrels shall be inspected at a railroad or river station, unless the person requesting such inspection shall pay the inspector in advance in addition to the compensation hereinbefore provided ten cents per mile for each mile necessarily traveled in going to and returning from the place where such inspection is to be made, the distance to be computed from the place of residence of such inspector.

§ 1763. Brands to be used. Penalty for selling rejected oils. § 5 c. 107, 1890. Such petition shall set forth the facts and reasons for such vacation accompanied by a plat of such public grounds, streets or alleys proposed to be vacated, and shall be verified by the oath of at least two of the petitioners, and the consent in writing of all of the owners of the property adjoining the plat to be so vacated. The city council shall thereupon if they deem it expedient that the matter should be proceeded with order the petition to be filed with the city auditor, who

§ 13, art. 15, c.

shall give notice by publication in the official newspaper of the city for four weeks, at least once in each week, to the effect that such petition has been filed as aforesaid, and stating in brief its object and that said petition will be heard and considered by the council or a committee thereof on a certain day therein specified, not less than ten days from the expiration of such publication. The city council or such committee as may be appointed by it for the purpose, at the time and place appointed shall investigate and consider the matter and shall hear the testimony and evidence of persons interested. The city council thereupon after hearing the same, or upon the report of such committee favoring the granting of such petition, may by resolution passed by a two-thirds vote of all the members, elect to declare such public grounds, streets, alleys or highways vacated; which resolution, before the same shall go into effect, shall be published as in the case of ordinances, and thereupon a transcript of such resolution duly certified by the city auditor shall be filed for record and duly recorded in the office of the register of deeds of the county. Any person aggrieved thereby may within twenty days after publication of such resolution appeal to the district court of the county under the same regulations as in the case of opening streets and alleys, and the judgment of the court therein shall be final.

§ 14, art. 15, c. 73, 1887. **§ 2278. Records of city auditor prima facie evidence of matter therein contained.** It shall be the duty of the city auditor to keep in his office a record of all proceedings taken in the matter of opening, vacating, paving or otherwise improving streets and alleys, and after the confirmation of any report mentioned herein in such matters said auditor shall carefully record in such record all the proceedings taken in relation to the matters in said report, including all petitions, orders and appointments of commissioners, notices and proofs of publication thereof, and orders and resolutions of the council. And such record or a certified transcript thereof, or the original papers, petitions, proofs of publication, orders or resolutions on file in his office shall be prima facie evidence of the facts therein contained in any court or place in this state.

§ 15, art. 15, c. 73, 1887. § 2, c. 95, 1890. **§ 2279. Resolution declaring work necessary.** When the city council shall deem it necessary to open, widen, extend, grade, pave, macadamize, bridge, curb, gutter, drain, or otherwise improve any street, alley, avenue, lane or highway, or other public grounds within the city limits or extend or improve any public system of waterworks exclusively owned and operated by the city for which a special assessment is to be levied, as herein provided, the city council shall, by resolution, declare such work or improvement necessary to be done, and such resolution shall be published for four consecutive weeks, at least once a week in the official newspaper of the city, and if a majority of the owners of the property liable to be assessed therefor, shall not within twenty days after the expiration of such publication file with the city auditor a written protest against such improvement, then the city council shall have power to cause such improvement to be made and to contract therefor, and to levy and collect the assessment as hereinafter provided, and all work done under this section shall be let by contract to the lowest responsible bidder therefor.

§ 2280. Assessments for improvements, how made. Whenever any work or improvement mentioned in the preceding section shall have been determined upon and the contract let therefor, the city engineer shall forthwith calculate the amount to be assessed for such improvement for each lot or parcel of ground abutting or bounding upon such improvement. And in estimating the assessment he shall take the entire cost of such improvement and divide the same by the number of feet fronting or abutting upon the same, and the quotient shall be the sum to be assessed per front foot so bounding or abutting, and said estimate shall be filed with the city auditor and shall be presented to the city council for its approval at the first meeting held thereafter. The city auditor shall cause said estimate of the city engineer, together with a notice of the time and place when the council will meet to approve of the same, to be published in the official newspaper of the city for at least ten days prior to the meeting of the city council to approve the same.

§ 16, art. 15, c. 73, 1887.

§ 2281. Action to avoid tax. Judgment. Whenever any action or proceeding shall be commenced and maintained before any court to prevent or restrain the collection of any special assessment or part thereof, made or levied by the officers of any city, town or village, organized under and by virtue of a special act or charter, or under and by virtue of the general law of the state, for the improvement of its public streets by construction of sidewalks, grading or paving the same, or the construction of sewers or the extension of water mains, or for any other purpose authorized by law, and whenever any action or proceeding shall be commenced and maintained as aforesaid to vacat or set aside any sale of real estate under such special assessment or to cancel any tax certificate or deed given under such sale, and such assessment shall be held to be void by reason of noncompliance with this article, the court shall determine the true and just amount which the property attempted to be so assessed by said special assessment should pay to make the same uniform with other special assessments for the same purpose, and the amount of such assessment as the same appears on such list shall be prima facie evidence of such true and just amount and judgment must be rendered and given therefor against the party liable for such special assessment without regard to the proceedings had for the levy thereof, and such judgment shall be a lien upon the property upon which a special assessment should have been levied, and the lien of such judgment shall be enforced by the court in such action.

§ 1, c. 36, 1893.

§ 2282. Publication of notice. In all actions and proceedings commenced to prevent or restrain the collection of any special assessment made by the proper municipal officers of any city, town or village where it shall appear upon trial that the person seeking to avoid the payment of such special assessment, knew that the improvements were being made under a special assessment, and that the abutting property was charged with such improvements, and knowingly permitted such improvements to be made without commencing any proceedings to prevent the same, said assessment shall be legal and valid, notwithstanding the provisions of the charter or general law under which the city, town or village was incorporated required the publication of a resolution by the municipal authorities that they deemed the improvement necessary,

§ 2, c. 30, 1889.

and its publication in a newspaper a certain number of successive weeks has not been complied with; provided, it shall appear that said resolution was passed by said municipal authorities and published the number of times and in the newspaper required, on any day during successive calendar weeks.

§ 1, c. 31, 1889.

§ 2283. **Reassessment.** Whenever the city council of any city, incorporated under the general law, or by special act or charter, has heretofore, upon a petition of a majority of the abutting property owners upon any street made a special assessment for grading or paving the same and assessed the abutting property uniformly and in the same amount per front foot, and proceeded to pave or grade the street in accordance with the petition, and it appears that the ordinance or other proceedings in making the assessment were for any reason invalid, the city council is authorized and empowered to reassess all the real property abutting on such improvement, upon which the special assessment for the same has not been paid, upon the front foot plan in such sum as may be sufficient to pay its just proportion of the cost of such improvement.

§ 2, c. 31, 188

§ 2284. **Notice.** The city council shall by resolution declare the entire cost of the improvement for which all the abutting property was liable, with a description of the abutting property which such city council proposes to reassess for its proportion of the cost of such improvement, also the aggregate sum it proposes to assess against said property and the amount per front foot and shall state in said resolution when and where it will meet to hear any objections the abutting property owners may have to such reassessment, which resolution shall be published two successive weeks in some newspaper published in the city.

3, c. 31, 1889.

§ 2285. **Mode of assessing.** At any time after the time fixed for hearing objections as provided in the last section, the city council shall by resolution proceed to reassess all the property abutting upon such improvement upon which the special assessment first made has not been paid, at its just and equal share of the cost of such improvement per front foot, and shall apportion and assess to each lot or parcel of land upon which such special assessment has not been paid its just proportion of the amount remaining unpaid per front foot, which assessment shall be and remain a lien upon the respective lots and parcels of land so assessed.

Such notice may be general as to the owner, but must be specific as to the description of the lot or parcel of ground in front of which such sidewalk is to be built.

As soon as any special assessments become delinquent the county treasurer shall deliver to the county auditor the assessment roll containing such special assessments, and the county auditor shall thereupon extend the same upon the tax roll of the county in the same manner as taxes are extended, and the collection of the same shall be enforced in the same manner and by the same remedies as the collection of delinquent taxes is enforced.

§ 6, art. 16, c. 73,
1887.

§ 1. c. 36, 1893.

§ 2320. **Method of payment. Bonds.** For the purpose of paying for the construction of such sewers the city council shall provide as follows:

1. The city council shall forthwith upon the letting of any contract under the provisions hereof create, by appointment of three persons from among the citizens of such city, a "special sewerage assessment committee," each member of which shall file with the city auditor a written acceptance of such appointment and take and subscribe an oath faithfully and impartially to discharge the duties of his position as a member of such committee, which oath shall be filed with the city auditor, and one of such persons shall be designated by the city council as the chairman of such committee. The city council may from time to time as occasion may require make new appointments to such committee to fill any vacancy arising therein from death or other cause, and in case any person so appointed neglects or refuses to act, to appoint another in his place.

2. It shall be the duty of such committee personally to inspect any and all lots and parcels of land fronting or abutting upon the work contracted for or benefited thereby as hereinafter set forth and thereupon assess against all such lots and parcels of land, which will in the opinion of such committee be specially benefited by the construction of such system of sewerage, a special assessment in a sum not exceeding such benefits. Whenever such assessment is made and completed as to all the lots, parts of lots or parcels of land to be

benefited by the work under any one contract, the committee shall make or cause to be made a complete list thereof, setting forth the several tracts so assessed and the amount assessed against each, and cause the same to be published once in each week for three consecutive weeks in the official newspaper of the city, together with a notice of the time and place, when and where such committee will meet to hear objections which may be made to any such assessment by any owner or occupant of a tract so assessed, or other person interested in such assessment, or his agent or attorney, and thereupon alter or affirm the same as may in the opinion of the committee be just in the premises. The committee shall then deposit such assessment list with the city auditor who shall forthwith cause the same to be again published once in each week for three consecutive weeks in the official newspaper of the city, with a notice to the persons interested that at the next regular meeting of the city council after the expiration of the time of publication of such notice, giving the date thereof, appeals from the decision of such committee in relation thereto will be heard and determined by the city council; provided, that for any sewer constructed upon petition as provided in section 2315 only the lots abutting on that portion of the street in which such sewer is to be constructed shall be assessed therefor.

3. At such meeting of the city council any person aggrieved by the determination of such committee in regard to any such assessment, and who appeared in person or by his agent or attorney before such committee as hereinbefore provided, if a resident of the city, and all nonresident owners of any property so assessed, whether they appeared before such committee or not, may appear before the city council and present their reasons why the action of such committee should not be affirmed by the city council, and the city council shall then hear and determine such appeals and objections, if any, and may alter or affirm the action of such committee in relation thereto as the city council may deem just in the premises; and shall thereupon cause such list so altered to conform to its action, if any such alteration is made, to be certified as correct by the city auditor and filed in his office. The city auditor in case no bonds shall have been issued to provide funds for the payment of the construction of said system of sewerage or of said sewers shall, at the time he certifies to the county auditor the amount of city taxes to be levied for the current year, also certify to such auditor a list of the lots or tracts of lands assessed for sewer purposes under the provisions of this article, with the whole amount of such assessment, and the county auditor shall extend the same upon the tax roll for the current year and it shall be collected and paid over in the same manner as other city taxes; and when so paid over shall be credited by the city treasurer and auditor to the sewer fund and shall be kept separate and apart from all other funds, and shall be applied to no other purpose whatever than the payment for the construction of the system of sewerage or sewers for which the same was assessed and the city council may direct warrants for such payment to be drawn on such fund to the amount of such assessments before the same are actually collected. In case bonds shall have been issued for the purpose of raising funds to pay for the establishment, construction and maintenance of such system of sewerage or of such sewers, the city auditor shall divide the total amount of such assessment into as many parts as said bonds have years to run, and shall annually at the time

he certifies to the county auditor of such county the amount of city taxes to be levied for the current year, also certify to such auditor a list of the lots or tracts of land assessed for such system of sewerage or such sewers for the payment of which such bonds were issued, with the amount of the part of such assessment to be collected for the current year, and the county auditor shall extend the same upon the tax roll for the current year and collect and pay the same over in the same manner as city taxes.

4. The said committee and the city council upon meeting at the time specified in the printed notices hereinbefore set forth, may adjourn from day to day but not otherwise, until the work of the revision of such list and the determination of said appeals are by them respectively completed, and the chairman of such committee and the presiding officer of the city council shall have power to administer oaths to such witnesses as may be brought before them and the presiding officer of the city council may issue subpoenas for witnesses to testify on behalf of the city, but no appeal shall lie from the decision of the city council to any other tribunal and no objection to any such assessment shall be considered by the city council unless the same objection shall have been first raised before said committee, except in case of nonresidents as hereinbefore provided; provided, however, that this restriction shall not apply to the correction of obvious mistakes or clerical errors.

c. 40, 1899.

§ 2321. Council restricted to four per cent of assessed valuation. The city council when authorized by a majority vote of the people at an election held after twenty days notice in a newspaper published in said city, stating the purpose for which said bonds are to be issued and the amount thereof, may issue bonds to an amount not exceeding four per cent on the assessed value of the taxable property of said city, as shown by the last preceding assessment without regard to the existing indebtedness of such city for the purpose of constructing or purchasing waterworks for furnishing a supply of water to the inhabitants of said city or for the purpose of constructing sewers and for no other purpose whatever; provided, that at no time shall there be bonds outstanding or unpaid issued under the provisions of this section to a greater amount than four per cent of the assessed valuation of the taxable property of such city as determined by the last preceding assessment; and such bonds shall not be negotiated or sold for less than their face value; provided, further, that the waterworks mentioned herein and to be built with the proceeds of such bonds, may be built jointly or in connection with an electric light or other plant for lighting said city, provided that no more of the bonds herein provided for or the proceeds thereof shall be used for the building, erecting or constructing of such joint plant (light and waterworks) than shall be required to build, erect or purchase such system of waterworks if built, constructed or purchased alone, and none of the proceeds of such bonds shall be used for any part of such joint plant other than the part used as waterworks.

§ 1, c. 36, 1893.

 The notice provided for in section 2508 shall direct that each and every person, association or corporation claiming to be an occupant or to have, possess or be entitled to the right of possession or occupancy of such lands or any lot, share or parcel thereof, shall within ninety days from the date of the first publication or posting of such notice, in person or by his or its duly authorized agent or attorney, sign a statement in writing containing an accurate description of the particular lot, lots, parcel or parcels of land in which he or it claims to have an interest; and the specified right, interest or estate so claimed therein, the character and value of the improvements thereon, and how occupied or possessed by such claimant, and for how long a time, and any other matter or thing illustrating or supporting such claimant's right to a deed of the tract so described, such statement to be verified by the affidavit of the person signing the same.

§ 2511. Statements of claimants to be recorded. § 8, c. 135, 1881.
 The statement of the claimant provided for in the preceding section shall, together with the accompanying affidavits, be delivered to the said corporate authorities or county judge within the time specified in said notice, and shall be by him or them filed and an abstract of the contents thereof, with the name of the claimant and date of filing, entered in a book to be kept for that purpose, which shall be known as "the record of claimants' statements." And all persons failing to furnish such statement as herein required within the time specified in said notice, except minors and insane persons, shall be forever barred of the right of claiming or recovering such lands or any interest or estate therein or any part or parcel thereof.

§ 2512. Conflicting claims, how treated. § 9, c. 135, 1881.
 Should any one or more persons, associations or corporations claim adversely the title to any lot or lots, parcel or parcels of land within the boundaries of such city or town, the person in possession, or if neither person is in actual possession, then the person first filing his application, shall be prima facie entitled to a deed of conveyance, and the person claiming adversely shall within said ninety days after the first publication of the notice provided for in section 2508, file with the corporate authorities or county judge a sworn statement as provided in section 2510, and at the same time a notice that he contests the statement and application for deed hitherto made, and expects at once to begin an

action in the district court to determine his right to the property: whereupon the corporate authorities or county judge must suspend action on such disputed lot or parcel of ground until a proper certificate is furnished that the dispute has been decided or abandoned. Such party or parties claiming adversely, and having filed such notice of contest, must within ten days thereafter begin an action in the district court for the purpose of determining the rights of all parties, in which action all persons claiming adversely to the plaintiff may be joined as parties defendant, and if not so joined shall have the right to intervene. For the purposes of this section an action shall be deemed begun when a complaint has been filed in the office of the clerk of the court and a summons placed in the hands of a sheriff for service; provided, that personal service must be made or service by publication begun within sixty days thereafter. Upon the presentation of the clerk's certificate that no complaint has been filed and no action begun in accordance with the provisions of this section, the party aforesaid having the prima facie right shall be entitled to a deed of conveyance; and in case an action is begun the party recovering therein shall be entitled to a deed of conveyance upon presentation of a certified copy of the final judgment of the court in such action to the corporate authorities or county judge. Upon receiving the certificate aforesaid or the certified copy of judgment the same shall be filed and an abstract of the contents entered in the record of claimants' statements; and the corporate authorities or county judge shall thereupon execute deeds of conveyance to the party entitled to the same. All persons except minors and insane persons failing to file their notice of contest and to bring their action within the time herein prescribed shall be thereafter forever barred from setting up or asserting any claim, right or title to such lot or lots, parcel or parcels of lands so adversely claimed.

§ 10, c. 135, 1881.

§ 2513. **Extent of ground that may be claimed.** The amount of ground which any one claimant shall be entitled to receive a deed for in a single tract under the provisions of this article, unless said claimant or his grantors was in the actual peaceable possession of the same prior to its entry as herein provided for and had improved the same and is still in the occupancy thereof, may equal but not exceed two acres in extent; provided, that such ground is exclusively occupied by or in the possession of such claimant and has improvements thereon of not less than two hundred dollars in value. Such claimant shall also be entitled to a deed for each additional lot not exceeding in area twenty-five hundred square feet on which he may have substantial improvements of not less than one hundred dollars in value. When any claimant shall make application for a deed to more than one tract or parcel he shall file in addition to his own affidavit as above required the affidavits of at least two disinterested witnesses showing the nature, character and actual cash value of the improvements upon such additional lot or lots so claimed.

§ 11, c. 135, 1881.

by the relation which the value, extent and area of such claimant's land bears to the whole amount of land claimed during the ninety days, and in addition thereto the sum of two dollars for the principal tract claimed and fifty cents for each additional lot of two thousand five hundred square feet claimed by the same person, association or corporation, as a fee for executing the trust, taking affidavits, filing and abstracting statements and affidavits, and executing and acknowledging the deed as required herein, which charges shall be in full payment for all expenses attending the execution of the trust. In case of appeals provided for in section 2508, the sum of one dollar shall be paid for a certified copy of statement of account filed and certificate of decision and award made; and pending such appeal and the review by the district court of any award or allowance of claims for expenses in procuring the entry of land, as provided for in section 2508, the corporate authorities or county judge must in making and apportioning expenses take care that their estimate is sufficient to meet the same and any possible increase made by the appellate tribunal, any surplus resulting from such estimate to be applied as herein provided. In case of any contest, and deposit of money as in this section provided by both parties, the corporate authorities or county judge shall after final judgment refund to the unsuccessful party all money so advanced by such party, except the sum of one dollar, which shall be retained as fees for taking and filing affidavits, statements, notice of contest, and certified copy of judgment.

§ 2515. **Deeds to be given.** After the expiration of ninety days from the date of the first publication of the notice required by section 2508 the corporate authorities or county judge shall proceed to award the lot or lots, parcel or parcels of land as provided in this article, and for that purpose shall as soon as practicable and as near as practicable in the order of the time of the filing of claimant's statements examine each claim, read proofs filed and hear additional testimony if deemed advisable, and if the claim is found to comply with the provisions of this article, and no adverse claim and notice of contest shall have been filed, such corporate authorities or judge shall proceed forthwith to make such claimant or claimants a good and sufficient deed of conveyance for such lot or lots or parcels of land so claimed.

§ 12, c. 135, 1881.

§ 2516. **Conveyance of unclaimed lots.** When any lots or parcels of land within the limits of any city or village shall remain unclaimed after the expiration of the time allowed by this article for the filing of claimants' statements, it shall be the duty of the corporate authorities or county judge to convey the lots or parcels of land so remaining unclaimed, by a good and sufficient deed, to the board of education of such city or village or to the said city or village for the use of schools, if either said board of education or said city or village may by law take and hold real estate for the use of schools, to be disposed of by such board of education for school purposes and for the exclusive use and benefit of the school district in which such city or village may be situated or which it may form under such directions and limitations as are provided by this article.

 1. c. 124, 1889.

§ 2517. **Sale, when.** If there is no such board of education, or if said city or village is not legally authorized to take and hold real estate for the use of schools, then the corporate authorities or county judge shall sell and dispose of the said unclaimed lots or parcels of lands so remaining for school purposes and for the exclusive use and

The board of education, corporate authorities or county judge aforesaid shall appoint three competent and suitable freeholders of such city, town or village a board of appraisers whose duty it shall be to make a careful inspection and examination of all the unclaimed lots or parcels of land aforesaid, and upon each of such lots or parcels of land they shall affix a reasonable and just valuation, and upon the completion of their appraisement they shall make and return a full and complete report of their proceedings and appraisement to the board of education, corporate authorities or county judge, which said report shall contain a full schedule of each and every lot or parcel of land remaining unclaimed, giving an exact description of said lots by their numbers and the number of the block, and all parcels of land not so numbered shall be described by metes and bounds, and upon each lot or parcel of land separately they shall designate the valuation thereof as fixed by their appraisement; said appraisement and report shall be subscribed and sworn to by at least two of said appraisers.

§ 4, c. 114, 1883.

§ 2519. Public sale of unclaimed lands. The board of education, corporate authorities or county judge shall within thirty days after the receipt of the aforesaid report of said board of appraisers give public notice that all such unclaimed lots or parcels of land, or so much thereof as may be considered for the best interest of the school district, will be sold at public auction to the highest bidder for cash; said notice to be given by publication in not less than three newspapers of general circulation in the state and for a period of not less than thirty days immediately prior to such sale, specifying the time and place when said unclaimed lots or parcels of land will be sold, together with a description of the same as returned by the board of appraisers.

§ 5, c. 114, 1883.

§ 2520. Bids. Private sale. At the time and place appointed in such notice the board of education, corporate authorities or county judge shall offer for sale at public auction subject to competitive bids all the lots and parcels of land or so much thereof as may be considered for the best interest of the school district, returned by the report of said board of appraisers as unclaimed; provided, that no bid shall be received or lot or parcel of land sold for a less sum than the appraised valuation; and such sale shall continue open from day to day until all such lots or parcels of land, or so much thereof as may be considered for the best interest of the school district, shall have been offered for sale. Any lots or parcels of land remaining unsold at the close of such sale for want of bids equal to the appraised valuation thereof may thereafter be sold at private sale by such board of education, corporate authorities or county judge for a sum of money not less than the appraised valuation thereof, and not otherwise.

§ 6, c. 114, 1883.

§ 2521. Purchaser shall pay for deed. Any purchaser at such sale, in addition to the amount of purchase money paid for any lot, lots or parcel of land, shall pay to the board of education, corporate authorities or county judge the sum of two dollars as a fee for making, executing and acknowledging a deed of conveyance therefor, and all such lots or parcels of land purchased by any one person may

be conveyed to such purchaser in one deed, which fee shall be in full for all charges for conducting sale, giving notice, appointing appraisers, and other services.

§ 2522. **Proceeds of sale, how applied.** The proceeds derived from the sale of such lots or parcels of unclaimed land, after first paying the expenses of advertising, printing and a per diem of not more than three dollars per day to each member of the board of appraisers for the time actually and necessarily employed by them in making such appraisal and report as aforesaid, and other expenses actually and necessarily incurred in the proper conduct and management of such sale, shall be immediately turned over at the close of said sale by the board of education, corporate authorities or county judge to the treasurer of the school district, and by said treasurer placed to the credit of the school house fund of said school district, to be disbursed and applied only in the payment of outstanding bonds, warrants or other indebtedness against said school district, contracted or created in the erection or construction of school houses, procuring grounds or appurtenances therewith, if any such bonds, warrants or other indebtedness exist, otherwise to be applied and placed to the credit of the general school fund of the school district. § 7, c. 114, 1902.

§ 2523. **Surplus, how disposed of.** In case there should be found any surplus on hand over and above receipts for fees and awards for expenses arising from the conveyances of lots as provided in section 2514, then such surplus shall as soon as ascertained by the corporate authorities or county judge be accounted for and turned over to the treasurer of the school district wherein such city, town or village may be situated, to be by such school district treasurer placed to the credit of the school house fund, then to be disbursed and applied as herein provided for the disbursement of proceeds derived from the sale of unclaimed lots or parcels of land. § 8, c. 114, 1902.

§ 2524. **Expiration of term of person making entry of town site.** Whenever the term of office of any corporate authorities or county judge having made entry of a town site shall expire, or he or any one or more of said corporate authorities shall resign or be removed from office, he or they shall turn over all books and papers relative to such entry to his or their successor or successors in office, with a full report of the condition of the trust and receipts and disbursements thereunder, and thereafter the said trust shall be executed in every particular by such successor or successors. CHAPTER 31.

TOWNSHIP GOVERNMENT.

ARTICLE 1.—HOW ORGANIZED AND NAMED.

§ 1, sub-c. 1, c.
112, 1883.

§ 2526. Petition for organization of township. Whenever a majority of the legal voters of any congressional township in this state containing twenty-five legal voters petition the board of county commissioners to be organized as a township under this article, such board shall forthwith proceed to fix and determine the boundaries of such new township and to name the same; and the board shall make a full report of all its proceedings in relation to laying off such township and file the same with the county auditor.

§ 2, sub-c. 1, c.
112, 1883.
§ 1, c. 50, Sp.
1885.

§ 2527. Fragment of township attached to adjoining township. A fraction of a township may be attached by such board to an adjoining township or be divided between two or more townships or organized separately, according to the wishes of a majority of the legal voters to be affected thereby; and when rivers, lakes or creeks so divide a township as to make it inconvenient to do township business, such board may dispose of any fraction so formed by annexing the same to an adjoining township in the same county if it shall seem to it proper, whenever petitioned to do so by not less than two-thirds of the legal voters residing in such fraction, and the fact that any such petition is signed by two-thirds of such voters may be proved by the affidavit of any legal voter residing in such fraction having knowledge of the fact; and townships having two or more villages or cities, each containing two hundred or more inhabitants, may petition the board of county commissioners for division; and whenever the board are so petitioned, it may, if it thinks the interest of such township will be subserved thereby, divide such townships in such manner as will best suit the convenience of the territory. And the board of county commissioners of any county lying west of the Missouri River may unite not less than four congressional townships into one civil township, or may add not more than three congressional townships to any congressional township already organized as a civil township, when petitioned by a majority of the legal voters affected thereby, if in the opinion of the board the best interests of such townships will be subserved thereby; provided, however, that at least twenty days' notice shall be given by the board of county commissioners to the chairman of the board of supervisors of each township affected by the change, before action is taken thereon; provided, further, that nothing herein contained shall be construed to release any property in or belonging to that part of any township so detached, from any tax levied or assessed prior to such division being made; provided, also, that the portion of any township annexed to any other township and any village or city separated from any township under the provisions of this article, shall not be released from nor in any way discharged from the payment of any bonded or other indebtedness that may exist against the township from which separation has been made.

§ 3, sub-c. 1, c.
112, 1883.

§ 2528. Name of township. Townships thus formed shall be named in accordance with the expressed wish of a majority of the legal voters residing therein, but if they fail to designate a name the board of county commissioners may select a name.

§ 4, sub-c. 1, c.
112, 1883.

§ 2529. First township meeting. The board of county commissioners shall thereupon make out notices designating a suitable

place for holding the first township meeting in each township, which shall be held within twenty days after the township is organized; and the county auditor shall deliver such notice to the sheriff of the county, who shall cause the same to be posted in each township not less than ten days before the day set for such meeting.

§ 2530. County auditor transmits name to state auditor. § 5, sub-c. 1, c. 112, 1883.
Each county auditor shall, within thirty days after such township is organized, transmit by mail to the state auditor an abstract of such report, giving the bounds of each township and the name designated; and the county auditor shall record in a book kept for that purpose a full description of each township.

§ 2531. When similar names are adopted by different wn ships. § 6, sub-c. 1, c. 112, 1883.
If the state auditor on comparing the abstract of the reports from the several counties finds that any two or more townships have the same name he shall transmit to the county auditor of the proper county the name of the township to be altered; and the board of county commissioners shall at its next meeting thereafter adopt for such township some name different from those theretofore named, so that no two townships organized under this chapter shall have the same name, and when such name is adopted the county auditor shall inform the state auditor as before directed.

§ 2532. Present boundaries to remain. § 7, sub-c. 1, c. 112, 1883.
The boundary lines of each organized township shall remain as now established until otherwise provided by the board of county commissioners under authority of law.

ARTICLE 2. — DIVISION OF ORGANIZED TOWNSHIPS.

§ 2533. Civil townships, how formed. c. 60, 1899.

§ 2534. Petition county commissioners. Notice published. c. 60, 1899.
The legal voters residing in such congressional or fractional township bordering on a lake, may petition the board of county commissioners of the county in which it is situated, at any regular meeting of said board, to be set off as a separate civil township, upon at least thirty days previous notice thereof, and of the time and place of application, which notice shall be published at least three times in the newspaper in which the proceedings of said board are published, or, if there is none such, notice shall be posted in at least three public places in the proposed new township, and as many more elsewhere in the township affected thereby, one of which shall be at the place where the last election was held.

§ 2535. When boards shall set off townships. Election. c. 60, 1899.
Upon presentation of such petition signed by a majority of the legal voters residing within such proposed township and due proof of notice as herein provided and of the further fact that the territory has the requisite number of inhabitants and the petition the requisite number of competent signers as aforesaid the

board shall proceed to set off said congressional or fractional township bordering on a lake as a separate civil township and constitute the same an election precinct, and designate the place of holding elections and the time and place of holding the first township meeting therein, and the name adopted for such township, and notice thereof shall be given as in other cases. The board of county commissioners, within thirty days after such election, shall meet as a board of arbitrators together with the county auditor and judge of the county court and determine, subject to appeal to the district court, upon a just and fair distribution of the property and apportionment of the debt of said township between the townships so formed from said original township.

§ 4, c. 30, 1895.

§ 2536. Proportional share of moneys. Liabilities. § 2539. Actions to be in corporate name. All acts or proceedings by or against a township in its corporate capacity shall be in the name of such township; but each conveyance of land within the limits of such township, made in any manner for the use or benefit of its inhabitants, has the same effect as if made to the township by name.

Code, 1895. § 2682. **Rule of construction of code.** The rule of the common law, that statutes in derogation thereof are to be strictly construed, has no application to this code. The code establishes the law of this state respecting the subjects to which it relates, and its provisions and all proceedings under it are to be liberally construed, with a view to effect its objects and to promote justice.

Code, 1895. § 2683. **Same.** The provisions of this code, so far as they are substantially the same as existing statutes must be construed as continuations thereof, and not as new enactments.

Code, 1895. § 2684. **Offices under acts repealed by code are continued, when.** All persons who, at the time this code takes effect, hold office under any of the acts repealed, continue to hold the same according to the tenure thereof, except those offices which are not con-

tinued by one of the codes adopted at this session of the legislative assembly, and excepting offices filled by appointment.

§ 2685. **Same.** When any office is abolished by the repeal of any act, and such act is not in substance re-enacted or continued in either of the codes, such office ceases at the time the codes take effect. Code, 1895.

§ 2686. **Pending actions or proceedings not affected by code.** No action or proceeding commenced before this code takes effect, and no right accrued, is affected by its provisions, but the proceedings therein must conform to the requirements of this code as far as applicable. Code, 1895.

§ 2687. **Limitations, how reckoned.** When a limitation or period of time prescribed in any existing statute for acquiring a right or barring a remedy, or for any other purpose, has begun to run before this code goes into effect, and the same or any limitation of time is prescribed in this code, the time which has already run shall be deemed part of the time prescribed as such limitation by this code. Code, 1895.

§ 2688. **This act, how referred to.** This act, whenever cited enumerated, referred to or amended may be designated simply as the political code, adding when necessary, the number of the section. Code, 1895.
