(G) The word "permit" means the permit authorized to be issued by the Commission under the provisions of this act.

§ 2. No auto transportation company, nor corporation, nor person, nor its or their legal representatives, shall operate any motor propelled vehicle for the transportation of persons, and, or, property, for compensation on any public highway in this state except in accordance with the provisions of this act.

§ 3. Auto transportation companies are hereby divided into two classes for the purposes of this act, to be known as Class A Auto Transportation Companies and Class B Auto Transportation Companies. Class A Auto transportation companies shall embrace all auto transportation companies operating between fixed termini or over a regular route. Class B auto transportation companies shall embrace all auto transportation companies not operating between fixed termini or over a regular route.

§ 4. The "Commission" of the State of North Dakota is hereby vested with power and authority and it is hereby made its duty to supervise and regulate every auto transportation company in this state as such to fix just, fair, reasonable, sufficient and nondiscriminatory rates, fares, charges, classifications, rules and regulations of

each such auto transportation company, and to alter rates, rules and regulations; to regulate the accounts, service, rates of speed of such auto transportation and safety of operations of each such auto transportation company; to require the filing of annual and other reports, tariffs, schedules, or other data by such auto transportation companies; and to supervise and regulate auto transportation companies in all other matters affecting the relationship between such auto transportation companies and the traveling and shipping public. The Commission shall have power and authority, by general order or otherwise, to prescribe rules and regulations in conformity with this act, applicable to any and all such auto transportation companies; and within such limits shall have power and authority to make orders and to prescribe rules and regulations affecting auto transportation companies.

The Commission may, at any time, by its order duly entered after a hearing had upon notice to the holder of any certificate hereunder, and an opportunity to such holder to be heard, at which it shall be proved that such holder wilfully violates or refuses to observe any of its proper order, rules or regulations, of any provisions of this act, suspend, revoke, alter or amend any certificate issued under the provisions of this section, but the holder of such certificate shall have all the rights of rehearing, review and appeal as to such order of the Commission as is provided for in Section 10 of this act.

The Commission shall have power and authority, by general order or otherwise, to prescribe rules and regulations in conformity with this act, applicable to any and all auto transportation companies. All rules and regulations in relation to schedules, service, tariffs, rates, facilities, accounts and reports shall have due regard for the difference existing between Class A and Class B auto transportation companies as herein defined, and shall be just, fair and reasonable as to said two classes of companies in their relation to each other, to the public and other common carriers.

In fixing the tariff or rates to be charged for the carrying of persons, and, or property, the Commission shall take into consideration, among other things, the kind and character of service to be performed, the public necessity therefor, and the effect of such tariff and rates upon other common carriers, if any, and as far as possible avoid detrimental or unreasonable competition with existing transportation service.

No time schedule, tariff or rates shall be put into effect or be changed or altered except upon hearing duly had and an order therefor by the Commission. Notice of such hearing shall be served upon any competing auto transportation company or railroad; provided, however, that in case of an emergency or where application

is made for minor or unimportant alterations of time schedules the Commission may, in its discretion, authorize the changing or alteration of time schedules without a hearing and prior to the service of such notice, but in that event notice shall be served within a reasonable time after such action on the part of the Commission and any competing auto transportation company or railroad affected by such change may, upon application, be entitled to a hearing upon such alteration or change.

No auto transportation company shall charge or demand or collect or receive a greater or less or different compensation for the transportation of passenger, and, or property, or for any service in connection therewith, than the rates, fares and charges which have been duly approved therefor by an order of the Commission; nor shall any auto transportation company refund or remit in any manner or by any device, any portion of the rates, fares and charges required to be collected by the Commission's order, nor extend to any shipper or person any privilege or facilities in the transportation of passengers, and, or property, except such as have been provided for by an order of the Commission.

§ 5. No auto transportation company shall hereafter operate for the transportation of persons and, or, property for compensation between fixed termini or over a regular route in this state, without first having obtained from the Commission under the provisions of this act, a certificate declaring that public convenience and necessity require such operation. Any right, privilege, certificate held, owned or obtained by an auto transportation company may be sold, assigned, leased, transferred or inherited as other property, only upon authorization by the Commission. The Commission shall have power, after hearing, when the applicant requests a certificate to operate in a territory already served by a certificate holder under this act to issue said certificate as prayed for; or for good cause shown to refuse to issue same or to issue it for the partial exercise only of said privilege sought, and may attach to the exercise of the rights granted by said certificate such terms and conditions as, in its judgment, the public convenience and necessity may require.

§ 6. Any auto transportation company making application for a certificate under this act shall file a petition with the Commission, duly verified, and which shall specify the following matters:

1. The name and address of the applicant and the names and addresses of its officers, if any.
2. The public highway or highways over which, and the fixed termini between which, or the route or routes over which it intends to operate, if the same are fixed.
3. The kind of transportation, whether passenger, and, or property, together with a full and complete description of the char-

4. The proposed time schedule.

5. A schedule of the tariff or rates desired to be charged for the transportation of freight or passengers.

6. A complete and detailed description of the property proposed to be devoted to the public service.

7. A detailed statement showing the assets and liabilities of such applicant.

8. And such other or additional information as the Commission may by order require.

§ 7. Upon the filing of such petition the Commission shall fix a time and place for hearing thereon which shall not be less than ten (10) days after such filing. The Commission shall cause notice of hearing thereon to be served upon an officer or owner of any auto transportation company that, in the opinion of the Commission, might be affected by the granting of any such certificate, and upon a station agent of any railroad operating into or through any village or city located on the proposed route of the applicant, and on the State Highway Department, at least 10 days before the date of the hearing, and any such railroad or auto transportation company and the State Highway Department is hereby declared to be an interested party of said proceedings and may offer testimony for or against the granting of such certificate.

§ 8. In determining whether or not a certificate should be issued, the Commission shall give reasonable consideration to the transportation service being furnished or that could be furnished by any railroad and the effect which such proposed transportation service may have upon other forms of transportation service which are essential and indispensable to the communities to be affected by such proposed transportation service or that might be affected thereby, and to the traffic already existing upon the route proposed to be traveled and the effect that such proposed service may have upon the existing travel upon said route and the excess cost of maintaining such highway on account of the installation of such additional service, if any. The Commission shall avoid as far as possible, consistent with the public interest, the duplication of transportation service.

§ 9. The Commission shall in the granting of certificate to operate any auto transportation company, for transporting persons, and, or property, for compensation require the owner or operator to first procure liability and property damage insurance from a com-

pany licensed to make liability insurance in the State of North Dakota or a surety bond of a company licensed to write surety bonds in the State of North Dakota in such amounts as the Commission may fix as being adequate for the protection of the interests of the public, with due regard to the hazard and density of traffic, which insurance policy or surety bond shall guarantee the payment of any final judgment obtained against the insured for death or injury to persons or loss or damage to property, not exceeding the amounts determined by the Commission and specified in such policy or bond, resulting from the negligence of such auto transportation company. Each policy of insurance or surety bond required, shall be filed with the Commission and kept in full force and effect, and failure so to do shall be cause for the revocation of the certificate.

§ 10. In all respects in which the Commission has power and authority under this act, applications and complaints may be made and filed with it and notices issued thereon, hearing held, opinions, orders and decisions made and filed, petitions for rehearing filed and acted upon, and appeals from such orders and decisions may be taken by any party to the District Court of the county where such hearing was held under the same terms and conditions as are provided for upon appeals to the District Court from Orders and decisions of the Board of Railroad Commissioners in the State of North Dakota by the provisions of Chapter 192, Session Laws of North Dakota for 1919.

§ 11. Every officer, agent or employee of any corporation, and every other person who violates or fails to comply with, or who procures, aids or abets in the violation of any provisions of this act, or who fails to obey, observe or comply with any order, decision, rule or regulation, direction, demand or requirement or any part or provision thereof, is guilty of a misdemeanor and punishable as such.

§ 12. Miscellaneous fees shall be as follows :

§ 13. For the purpose of carrying out the provisions of this act, there is hereby created in the State treasury a state fund to be known as the "Auto Transportation Fund." All fees collected by the Commission as herein provided shall be paid into the state treasury monthly and shall be credited to the said "Auto Transportation Fund."

§ 14. Every Class B auto transportation company now operating or which shall hereafter operate in this state shall, at the time of the issuance of such permit and annually thereafter on or between April 1st and April 15th of each calendar year, pay a minimum fee of \$10 for each motor propelled vehicle used by any such company for the transportation of persons; and, if the passenger seating capacity of such vehicle exceeds eight passengers, a further fee computed on the basis of 50c per passenger for such additional seating capacity shall be paid. For each motor propelled vehicle used by any such company for transporting property for hire, every such company shall pay a minimum fee of \$10 at the time and in the manner aforesaid; and, if the rated capacity of any such vehicle exceeds three tons, an additional fee computed on the basis of \$2 for each additional rated ton capacity shall be paid.

§ 16. Any auto transportation company shall forfeit all rights under a certificate issued under the provisions of this act by non-use thereof for a period of sixty days.

§ 17. All acts and parts of acts in so far as they conflict with the provisions of this act are hereby repealed.

FORECLOSURES.] Other than provided by Section eight (8) thereof no pledge contracts authorized hereby, shall be foreclosed except by an action in equity, brought in the District Court of the County in which the Pledgor association is located, and the Receiver of any such banking association shall have the right to enjoin any foreclosure under Section eight (8) of this Act, of any such pledge contracts, and to require such foreclosure to be by action in equity, where there is a defense or counterclaim to the debt secured, or the pledge contract.

§ 8. FORECLOSURE OF PLEDGE, CLOSED BANKS.] In case of default by the pledgor association, in the hands of a Receiver, after demand for and neglect of payment, the pledgee shall have the right in lieu of foreclosure by the action in equity provided in Section Seven (7) hereof to apply to a Judge of the District Court for the County within which the closed bank is situated for an order authorizing the foreclosure and sale of the pledge. Fifteen days notice of such application shall be given by personal service or registered mail to the State Examiner and to the Receiver of the closed pledgor association.

The State Examiner, or receiver, or any of the depositors or other creditor of such closed bank may contest the granting of such

order. Such order shall not be granted unless it appear by competent evidence that all reasonable efforts for the collection of the pledged paper have been made, and that there is no reasonable probability of further collection thereof within a reasonable period, and at reasonable expense, nor unless it shall appear that it is to the best interest of the pledgee, the said closed bank or its successor, or receiver, and the depositors and creditors thereof that such foreclosure and sale shall be had. The order for foreclosure and sale shall direct the Sheriff of the County to make the sale, and the notice to be given thereof, and the newspaper wherein such notice shall be published, which notice shall not be less than fifteen (15) days, and shall be served personally or by registered mail upon the State Examiner, and the Receiver, and by publication at least for two successive weeks prior to the sale. All sales shall be made at the front door of the Court House of the County within which said Pledgor association is situated, beginning at the hour of two o'clock in the afternoon of the day specified, separately, article by article, for cash, to the highest bidder. Any amount received from said sale in excess of the debt secured shall be paid to the Receiver, upon confirmation of the sale. Within five (5) days after the sale the Sheriff shall report the same in detail to the Clerk of the District Court, and file a copy thereof with the State Examiner and the Receiver. The pledgee may purchase at such sale, and upon confirmation, if the successful bidder, the amount of such bid shall be credited upon the debt secured.

§ 9. REDEMPTION.] The possession of the property sold, and of the proceeds thereof, shall be retained by the Sheriff unless the Court otherwise directs, until the expiration of the Redemption period herein prescribed, whereupon, and upon the confirmation of the sale the same shall be delivered to the persons entitled thereto. At any time within fifteen (15) days after the sale the Receiver may give notice to the Sheriff of his intention to redeem therefrom, and shall have the full period of five (5) days thereafter to redeem by paying to the Sheriff the amount paid by the purchaser; such redemption may be made of any or all of the articles sold. Redemptions may also be made by depositors or other creditors within ten (10) days after such sale by depositing with the Sheriff the amount paid by the purchaser, and by serving notice of such redemption upon the Receiver and the Sheriff, which said notice shall state the amount which such Redemptioner will credit upon his debt for the privilege of redeeming from the purchaser. Notice of Redemption may be given by more than one creditor for any one note or other article, and the creditor offering the largest credit upon his debt shall be awarded the right of redemption. Provided, however, that the Receiver's right of redemption shall be superior to all other redemption rights. A redemption vests in the Redemptioner or Re-

ceiver the title to said notes or other articles upon confirmation of the sale as provided herein. Report of the sale and of the redemptions thereunder shall be made to the Court by the Sheriff within thirty (30) days after the sale, and the Court may order hearing thereon, with such notice as it may deem proper, not exceeding Twenty (20) days and upon such hearing shall have power, either to confirm or set aside the sale, or to order a new sale, or to direct such other proceedings as may seem to the best interests of the pledgee, the banking association, its successor, Receiver, its depositors and creditors, and thereupon all documents arising from proceedings hereunder shall be filed with the Clerk of the District Court. Upon the confirmation of the sale, out of the proceeds thereof the pledgee shall be reimbursed for the costs and disbursements paid and incurred in connection therewith, including a reasonable attorney's fee, not exceeding Fifty dollars (\$50), to be allowed by the Court in the order of confirmation; Sheriff shall receive the same fees and commissions allowed him in the foreclosure of chattel mortgages, not exceeding fifteen dollars (\$15); the remainder of such proceeds shall be applied upon the debt secured, upon which debt interest shall be computed to the date of such payment, and any residue shall be paid to the Receiver. During the period of foreclosure and redemption any debtor may pay upon his debt to the person having custody of such pledged collateral, which person is hereby authorized to receipt to the person paying, and upon full payment to release and discharge such debt and surrender the evidence thereof.

§ 10. PLEDGED CONTRACTS AND SALES VOID.] Any pledge or hypothecation of any of the assets of a State banking association, or the sale of any of the pledged assets of any such state banking association made in violation of this Act shall be null and void, and of no force and effect, and shall not be binding on any of the parties affected thereby.

§ 11. PENALTIES.] Any officer, director, agent or employee of any State banking association, as defined herein, who shall borrow money for, or on behalf, or in the name of any such State banking association, or who shall obligate any such State banking association upon rediscounts, or who shall pledge or hypothecate any of the assets of such State banking association in violation of the provisions of this Act, or make any false statement, report, record or copy thereof provided for in Section five (5) hereof, and any person who shall counsel, aid or abet, or conspire with, or be accessory thereto, shall be guilty of a felony, and upon conviction thereof shall be punished by imprisonment in the State Penitentiary for a term of not less than one year, nor more than five years, or a fine of not less than One Hundred dollars nor more than One Thousand dollars, or by both such fine and imprisonment,

§ 12. DEFINING STATE BANKING ASSOCIATIONS.] For the purposes of this Act every corporation organized under the laws of this State for State Banking Association, Savings Banks, Trust Companies, Building & Loan Associations, and all corporations or other associations, excepting National banks, whose business, in whole or in part consists of the taking of money on deposit, shall be held and are hereby declared to be State Banking associations, and as thus defined shall be subject to the provisions of this Act.

§ 13. REPEALED.] All laws and parts of laws in conflict herewith are hereby expressly repealed.

An Act Amending Section 1 and Section 5 of Chapter 326 of the Session Laws of 1923 Pertaining to Certificates of Indebtedness.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ I. AMENDMENT.] Section 1 of Chapter 326 of the Session Laws of 1923 is hereby amended and re-enacted to read as follows:

§ I. CERTIFICATES OF INDEBTEDNESS.] Counties, cities, villages, townships, school districts, park districts, and irrigation districts shall have power to borrow in anticipation of revenues to be derived from taxes already levied. The aggregate amount of such borrowings shall not at any time exceed the amount of uncollected taxes which have been levied during the year in which the borrowing is made plus uncollected taxes remaining upon the tax lists of four preceding years, exclusive of levies for the purpose of retiring bond issues and the interest thereon. For the purpose of borrowing all such taxing districts may issue certificates of indebtedness. A certificate of indebtedness shall consist of an agreement on the part of the taxing district to pay a stated sum on a specified date or on or before a specified date not more than thirty months in the future, together with interest thereon at a specified rate not exceeding 7% per annum which may be made payable semi-annually, which certificate shall be signed on behalf of the district by its president or chairman and also by its auditor, clerk or secretary. Certificates of indebtedness shall bear the certificate of the county auditor to the effect that they, together with all other outstanding certificates, are within the amount of uncollected taxes which have been lawfully levied in the then present year plus uncollected taxes of four preceding years. Such certificates of indebtedness shall possess no validity unless they bear such certificates of the county auditor. It shall be the duty of the county auditor to make such certificate according to the facts. When so executed with the prescribed certificate signed by the county auditor, certificates of indebtedness shall be fully negotiable and shall be incontestable except upon the ground of fraud on the part of the holder or original payee, or connivance between the holder or the original payee and officer or officers of the taxing district concerned. In the hands of a holder in due

course, the execution of a certificate of indebtedness by the proper officials shall be conclusive evidence that the issuance thereof was duly authorized by the governing board of the taxing district. A tax shall be deemed to have been levied when it has been voted by the tax levying board and certified to the county auditor.

§ 2. AMENDMENT.] Section 5 of Chapter 326 of the Session Laws of 1923 is hereby amended and re-enacted to read as follows:

§ 5. PAYMENT, CANCELLATION OR EXTENSION OF CERTIFICATES.] After certificates of indebtedness are paid and cancelled they shall be exhibited to the county auditor who shall note the cancellation thereof upon his bond register and make a notation upon the certificate of indebtedness to the effect that the payment thereof has been noted upon the bond register. When any taxing district has issued certificates of indebtedness pursuant to the terms of this act which certificates remain unpaid after maturity, it shall be the duty of the county auditor, upon presentation to him of such past due certificates, and upon written request of the holder or holders thereof, to set aside all tax collections except those for sinking and interest funds thereafter accruing to the credit of such district and the same shall be held by the county treasurer in a special fund to be used only for the purpose of retiring such certificates of indebtedness and paying interest thereon until sufficient funds shall have been accumulated to retire such past due certificates. Certificates of indebtedness shall cease to bear interest at maturity; providing, however, that certificates not paid upon presentation at or after maturity shall bear interest from maturity until paid at the same rate as before maturity. With the consent of the owner, the maturity of a certificate of indebtedness may be extended by the governing board of the taxing district by a separate instrument in any form acceptable to both parties.

The county auditor, clerk, or secretary of the taxing district, advertising such sale shall at the same time file with the tax commissioner a statement giving the assessed valuation, the area, the population, and the indebtedness thereof. Failure to publish such notice or to send a copy thereof to the tax commissioner shall not impair the validity of such bonds, but shall render unenforceable any executory contract entered into for the sale thereof, and the auditor, clerk or secretary failing to publish or to send such notice shall be liable to a fine of not more than Five Hundred Dollars (\$500.00) at the discretion of the court, to be recovered in an action brought by the state's attorney in the name of the state; and the fine, when collected, shall be paid into the general fund of the county. Except in case of cities of over 2,000 population or school districts of over 2,000 population, the notice shall specify that bids will be received at the county auditor's office on the day and at the hour specified in the notice. At the time and place specified, the governing board of the taxing district shall be represented by one of its officials or by the county auditor or some other person acting at the request of the board, who shall receive competitive bids, whether submitted orally or in writing. When the bids are received, the county auditor shall enter in a permanent record the amount and rate of interest of each bid and the name and address of the bidder. All bids shall be accompanied by a certified check, cashier's check, or bank draft, to the amount of not less than 2% of the bid. After all bids have been received, the governing board of the taxing district may act upon the same at its convenience, but within five days after the bids have been received, and contract shall be awarded to the bidder who agrees to purchase the bonds upon the terms most favorable to the taxing district unless the board determines to reject all bids. In case certificates of indebtedness can be sold at par, to bear not more than 5½% interest per annum, the same may be sold without advertising for bids. A district may make successive borrowings, each for less than \$4,000, without advertising for bids, provided that not more than \$6,000 may be borrowed in any fiscal year from July 1 to June 30, without advertising for bids.

§ 5. UNLAWFUL FOR CLERK TO ACT AS AGENT.] It shall be unlawful for an auditor, clerk, secretary or other official of a taxing district to accept from a bidder or prospective bidder at a sale of bonds or certificates of indebtedness a commission or any other compensation for his services rendered or to be rendered in connection with issuance, sale, or delivery of such bonds or certificates of indebtedness.

It shall be the duty of the Board of County Commissioners to enforce the collection of all money due the County for seed grain and feed furnished it, if the same is not paid when due, and it may, when such action is deemed advisable, order the State's Attorney to proceed by legal action to enforce such collection. The Board of County Commissioners may, in their discretion settle and compromise disputed claims or accounts, and take security therefor; and may extend the time of payment thereof.

§ 3. EMERGENCY.] An emergency is hereby declared to exist and this act shall take effect and be in force from and after its passage and approval.

Approved March 7, 1925.

Judge of the County Court.

§ 3. CITATION ON PETITION, APPLICATION OR REPORT.] Upon the filing of a petition for Letters Testamentary, Letters of Administration, Letters of Administration with the Will annexed, Letters of Guardianship, petition or application for an Order or License to do or perform any act in connection with the administration and settlement of an estate or guardianship, or requiring any person to

make a report, or do or perform any act or duty to be by him or her performed; or upon the filing of any petition, application or report upon which a hearing is required by law, and not within the discretion of the Court to Order, License or Allow, the Court shall issue a citation fixing the time for hearing such petition, application or report and no other process or order fixing said hearing shall be necessary.

§ 4. SERVICE, HOW MADE.] A copy of the citation shall be served personally upon all respondents within the county, in the same manner as prescribed by the Code of Civil Procedure for the service of summons in civil actions, at least ten days before the day fixed for said hearing and be served on all respondents outside of the county including non-residents by publishing the same, once each week for two successive weeks, in some newspaper printed in the county, if there be one, and if there be none printed in the county, then in a newspaper printed in an adjoining county in the state, and service shall be deemed to be complete with the last publication, and ten days shall elapse thereafter before the day of hearing.

Provided, however, that citation may be served personally upon all respondents within and without the county or on non-residents of the state in the manner above set forth and no service by publication shall, in that case, be necessary.

Provided, further, that, except a citation upon a petition for Letters of Administration, Letters Testamentary, Letters of Administration with the Will Annexed, Petition for Probate of Foreign Will, and Letters of Guardianship, which citation must be served as above set forth, service of every citation required to be made by this code may be made by mailing a copy thereof at least fifteen days before the day fixed therein for hearing, to all respondents, by registered mail; the filing of an affidavit of mailing, accompanied by the registry receipt of the United States Postoffice Department shall be conclusive proof of service upon the respondents to whom said citation was mailed and which service shall be taken in lieu of all other service of such citation.

Service with respect to manner and time of service of all papers of every kind or character and in all proceedings required by this Code shall be governed by this section.

§ 5. SERVICE UPON FOREIGN HEIRS.] The duly accredited representative in the United States of any foreign country may file in any county court in this state the name and address of a representative of such country in the United States, and in any proceeding in such Court, if it shall appear to the Judge thereof that any person interested therein has heirs, devisees or otherwise in any estate, is probab'y a citizen of such foreign country, the County Judge shall

give notice by mail to the representative so designated of the pendency of such proceeding, the name of such person, and his probable citizenship. Provided however a failure to give such notice shall not affect the validity of such proceedings.

§ 6. SERVICE UPON GUARDIAN OR ATTORNEYS.] When a person upon whom service is required is a minor or has been adjudged to be incompetent and has a special or general guardian in the case, service must be made upon the guardian and such service shall be deemed full and sufficient service upon said minor or incompetent person.

Provided, however, that citation upon petition for Letters of Administration, Letters Testamentary, Letters of Administration with the Will annexed, and Letters of Guardianship shall be served upon all persons interested over fourteen years of age;

Provided, further, that when any person upon whom service is required to be made has an attorney of record in the case, service may in all cases be made on such Attorney, and such service shall be full and sufficient service on the person represented by the attorney.

§ 7. SERVICE. HOW WAIVED.] Every party to any proceeding of any kind in the County Court, except actions or proceedings under the increased jurisdiction law in County Courts having increased jurisdiction, who is of full age and has not been declared to be incompetent, may enter his appearance in writing and therein waive service of any and all papers of every kind and character and submit to the jurisdiction of the Court; and he shall not thereafter be entitled to any further service of citation or notice in connection with such proceeding. Such waiver must be signed by the party executing the same in the presence of two witnesses who must sign the same as witnesses thereto, or he must acknowledge the execution of the same before some official qualified to take acknowledgments.

Provided, however, that a guardian, general or special, may not waive service of citation in any proceeding in which his ward is a party respondent.

ARTICLE 2. CLAIMS, PRESENTATION, PROOF AND ALLOWANCE.

§ 8. ORDER FOR NOTICE TO CREDITORS.] Upon granting Letters Testamentary or of Administration the Court shall make an order that notice to creditors be given to present their claims against the estate and fixing the time and place when and where proofs will be heard by the Court, and all such claims examined and adjusted; which time shall not be less than ten days nor more than thirty days

after the time for filing claims has expired. Such order shall designate a newspaper in the County in the state in which such notice shall be published. If there be no newspaper published in the county then the Court shall designate some other newspaper published in an adjoining county in the state to publish such notice.

§ 9. NOTICE TO CREDITORS.] Within fifteen days after making the order referred to in the preceding section, the executor or administrator must cause to be published in the newspaper designated in such order a notice to the creditors of the decedent, requiring all persons having claims against the estate to exhibit them, with the necessary vouchers, to the executor or administrator or County Judge, at a place in the county designated in the notice. Such notice shall also specify the time fixed by the Court for hearing and adjusting such claims. The time specified in the notice for filing claims shall be six months from the first publication of such notice. Such notice must be published once a week for three successive weeks. In case the executor or administrator resigns, dies or is removed before the time for filing claims has expired, claims may thereafter be presented to the County Judge without a new publication.

§ 10. PRESENTATION OF CLAIMS, BARRED.] All claims arising upon contract, whether the same be due, not due, or contingent, must be presented within the time limited in the notice and any claim not so presented is barred forever, provided, however, that nothing in this article contained shall be construed to affect the right or limit the time of foreclosure of mortgages or other liens, except that no balance of the debts secured by such mortgage or other lien and remaining unpaid after the foreclosure shall be a claim against the estate, unless such debts were presented as required by this code.

§ 11. PROOF OF CLAIM. HOW MADE.] Every claim which is due when presented to the executor or administrator must be supported by the affidavit of the claimant or some one in his behalf, that the amount is justly due, that no payments have been made which are not credited, and that there are no offsets to the same, to the knowledge of the claimant or affiant. If the claim be not due when presented or be contingent the particulars of such claims must be stated. When the affidavit is made by a person other than the claimant he must set forth in the affidavit the reason why it is not made by the claimant. The executor or administrator may also require satisfactory vouchers or proof to be produced in support of the claim. If the claim is founded on a bond, bill, note or other instrument, a copy of such instrument must accompany the claim, and the original instrument must be exhibited if demanded, unless it is lost or destroyed, in which case the claimant must accompany his

claim with his affidavit, containing a copy or particular description of such instrument, and stating its loss or destruction. If the claim, or any part thereof, is secured by mortgage or other lien which has been recorded or filed according to law in the office of the register of deeds of the county in which the land or property affected by it is situated, it is sufficient to describe the mortgage or lien, and refer to the date of its filing and volume and page of its record. If, in any case, the claimant has left any original voucher in the hands of the executor or administrator or suffered the same to be filed in the court, he may withdraw the same when a copy thereof has been, or is then, attached to his claim.

§ 12. INVESTIGATION OF CLAIM, HEARING AND ALLOWANCE.] When a claim, accompanied by the affidavit required in this article is presented to the executor or administrator, he must carefully and faithfully investigate the merits of such claim and endorse thereon his approval, or rejection, in whole or in part, and file the same with the County Court before the day set for adjusting claims and the Court may, in its discretion, allow the executor or administrator additional time for further proof, and continue the hearing to a future day. If another day is set for hearing claims, the court must cause ten days notice thereof to be given the claimant, by mail. If the claim be presented to the executor or administrator before the expiration of the time limited for the presentation of claims, the same is presented in time though acted upon by the executor or administrator and by the judge, after the expiration of such time. On the day set for adjusting claims, the executor or administrator shall exhibit the claims of the deceased, if any, in offset to the claims of the creditors, and the court shall ascertain and allow the balance if any against the estate; but no claim barred by the statutes of limitations at the time of death of the decedent shall be allowed by the Court either in favor or against the estate, as a setoff or otherwise.

§ 13. CLAIMS ALLOWED ENTERED IN REGISTER.] Upon the day set for hearing such claims, the court must pass upon and adjudicate the same. All claims adjudicated by the court, whether disputed or not, shall have endorsed thereon by the court the amount allowed, the class to which it belongs, and the date of adjudication, and such claims shall be ranked among the acknowledged debts of the estate to be paid in due course of administration, and shall bear interest at the legal rate. If any claim is rejected in whole or in part, the judge shall forthwith cause notice to be given the claimant, his attorney or agent, by registered mail, of such rejection. A brief description of every claim filed must be entered by the Judge in a register for the purpose, showing the name of the claimant, the amount and character of the claim, rate of interest, and date of allowance.

§ 14. CLAIMS REJECTED, SUITS INSTITUTED. HOW.] When a claim is disallowed by the County Court, the holder must bring suit in the proper court against the executor or administrator within ninety days after the date of the notice by the County Judge of its disallowance, if it be then due, otherwise the claim is barred forever. If the creditor refuses to accept the amount allowed in satisfaction of his claim, he shall recover no costs in an action therefor, brought against the executor or administrator, unless he recover a greater amount than that allowed. No claim against any estate which has been presented is affected by the statute of limitations, pending the proceedings for the settlement of the estate.

§ 15. PENDING ACTIONS PROSECUTED. JUDGMENT. HOW PAID.] All actions which may be pending against a deceased person at the time of his death, may, if the cause of action survive, be prosecuted to final judgment, and the executor or administrator may defend the same. If any judgment shall be rendered against the executor or administrator the court rendering it shall certify the same to the county court, and the amount thereof shall be paid in the same manner as other claims allowed against the estate.

§ 16. EXECUTOR MAY PROSECUTE. SETOFF. JUDGMENT. HOW PAID.] Nothing in this chapter shall be construed to prevent an executor or administrator from commencing and prosecuting any action against any other person or from prosecuting any action commenced by the deceased in his lifetime for the recovery of any debt or claim to final judgment, or from having execution on any judgment. In such case the defendant may set off any claim he may have against the deceased, instead of presenting it to the court, and all mutual claims may be set off in such action. If judgment shall be rendered in favor of the defendant, the same shall be certified by the court rendering it to the county court and be considered the true balance, and paid as other claims allowed against the estate.

§ 17. ESTATE OF JOINT DEBTOR LIABLE FOR WHOLE.] When two or more persons shall be indebted on any joint contract or upon a judgment founded on a joint contract and either of them shall die, his estate shall be liable therefor, and the claim may be allowed by the court as if the contract had been joint and several or as if the judgment had been against him alone, and the other parties to such joint contract may be compelled to contribute or to pay the same if they would have been liable to do so upon payment thereof by the deceased.

§ 18. WHEN EXECUTOR OR ADMINISTRATOR TO ACCOUNT AND PAY DEBTS.] Not less than thirty days after the entry of allowance or disallowance of claims as hereinbefore set forth and within sixty days thereafter every executor or administrator shall proceed to the payment of the debts so allowed and shall thereupon make his final

report and account of his administration of the estate in the manner prescribed by law, unless it shall satisfactorily appear to the court: (1) That the personal assets in the hands of the executor or administrator are insufficient to pay the debts of the deceased and that there is real estate that can be mortgaged leased or sold to pay such debts; (2) That an appeal has been taken from some action of the county court or suit has been instituted against the executor or administrator which is still pending and necessarily delays the settlement of the estate; (3) That collectable debts due the estate have not been collected; (4) That a contingent claim has been allowed against the estate of the deceased, and that the final settlement of the estate is necessarily delayed thereby; (5) That the best interests of the estate will be served by continuing the business of the decedent. In such event the executor or administrator shall be allowed in addition to his fees reasonable compensation for managing the business, or (6) That some other good and sufficient cause for delay exists.

§ 19. TIME TO PAY DEBTS FIXED. EXTENSION OF.] Whenever it shall satisfactorily appear to the county court that any one or more of the causes for delay mentioned in the preceding section exists, such court shall, by order, without notice, fix a time within which the executor or administrator shall pay the debts and legacies and make a final settlement of his account as executor or administrator. But such time shall not exceed twelve months, except when granted upon the petition of the executor or administrator, under oath, setting forth the assets remaining in his possession belonging to the estate of the deceased, the debts and legacies that remain unpaid, the reasons why the delay in the settlement of the estate prayed for is necessary and that an additional time is deemed requisite for a full settlement of such estate, and upon notice to all parties interested of the time and place of hearing such petition by citation in the manner required by law. On such hearing the court may, in its discretion, grant such further time for the payment of the debts and legacies and the settlement of the estate, as the nature of the case may require, and may again extend the time upon like petition and notice, no single extension shall be for a period of more than two years but in no case shall the time be extended beyond six years from the time of granting letters testamentary or of administration.

ARTICLE 3. SALES OF REAL ESTATE

§ 20. EXECUTOR OR ADMINISTRATOR MAY SELL PROPERTY.] When a sale of property of the state is necessary to pay the allowance to the family, or the debts outstanding against the decedent or the debts, expenses or charges of administration, or legacies; or when it appears to the satisfaction of the court that it is for the advantage, benefit and best interest of the estate, and those interested

therein, that the real estate, or some part thereof, be sold, the executor or administrator may sell any real as well as personal property of the estate, upon the order of the court; and an application for the sale of real property, may also embrace the sale of personal property.

§ 21. VERIFIED PETITION FOR SALE. WHAT TO CONTAIN.] To obtain such order for sale of real property, he must present a verified petition to the court, setting forth (1) the amount of the personal estate that has come to his hands, and (2) how much thereof, if any, remains undisposed of; (3) the debts outstanding against the decedent, as far as can be ascertained or estimated; (4) the amount due on the family allowance, or (5) that will be due after the same has been in force for one year; (6) the debts, expenses and charges of administration already accrued; and (7) an estimate of what will or may accrue during the administration; (8) a general description of all the real property of which the decedent died seized, or in which he had any interest or in which the estate has acquired any interest, and (9) the condition and value thereof, and (10) the names of the legatees and devisees, if known to the petitioners; and if such order for sale of real estate is petitioned for on the ground that it is for the advantage, benefit, and best interests of the estate, and those interested therein that a sale be made, the petition, in addition to the foregoing facts, must set forth in what way an advantage or benefit would accrue to the estate, and those interested therein by such a sale. If any of the matters herein enumerated cannot be ascertained it must be so stated in the petition; but a failure to set forth facts hereinbefore enumerated will not invalidate the subsequent proceedings, if the defects be supplied by the proofs at the hearing, or the general facts showing that such sale is necessary or that such sale is for the advantage, benefit and best interests of the estate, and those interested therein, be stated in the decree.

§ 22. NOTICE TO PERSONS INTERESTED.] If it appears to the court, from such petition, that it is necessary or that it would be for the advantage, benefit or best interests of the estate, and those interested therein, to sell the whole or some portion of the real estate, for the purposes and reasons mentioned in the preceding section, or any of them, such petition must be filed and a citation thereupon issued and served as provided in Section 4, hereof.

§ 23. ASSENT GIVEN NO NOTICE NECESSARY.] If all persons interested in the estate including guardians, either general or special, if any, join in the petition for the sale, or signify in writing their assent thereto, the notice may be dispensed with and the hearing may be had at any time.

§ 24. GUARDIAN. NOTICE TO.] If it shall appear to the County Court by the petition or other competent evidence that any

person interested in such estate is a minor or incompetent person and has no general or special guardian residing in the county, the court shall, at or before the time for issuing the citation for hearing the petition, appoint some disinterested freeholder of the county, guardian of such minor or incompetent person or ward for the sole purpose of appearing for him and taking care of his interests in the proceedings, and the service of all citations shall be made on such special guardian.

§ 25. HEARING AFTER PROOF OF SERVICE.] The Court at the time and place appointed in such citation or at such other time to which the hearing may be postponed, upon satisfactory proof of service of a citation as provided in this code, (if the consent in writing to such sale of all the parties interested is not filed) must proceed to hear the petition and hear and examine the allegations and proofs of the petitioner and of all persons interested in the estate who may oppose the application.

§ 26. EXECUTOR, ADMINISTRATOR AND WITNESSES MAY BE EXAMINED.] The executor, administrator and witnesses may be examined on oath by either party, and the process to compel them to attend and testify may be issued by the court or judge, in the same manner and with like effect as in other cases.

§ 27. TO SELL REAL ESTATE OR ANY PART, WHEN.] If it appears to the satisfaction of the Court, that it is necessary or that it is for the advantage, benefit, and best interests of the estate and those interested therein, to sell a part of the real estate and that by sale thereof, the residue of the estate, real and personal, or some specific part thereof, would be greatly injured or diminished in value, or subjected to expense, or rendered unprofitable, or that after any such sale the residue would be so small in quantity or value, or would be of such a character with reference to its future disposition among the heirs or devisees, as clearly to render it for the best interest of all concerned that the same should be sold, the court may authorize the sale of the whole estate, or any part thereof, as in the judgment of the court is necessary, or for the advantage, benefit, and best interests of the estate, and those interested therein.

§ 28. ORDER OF SALE. WHEN TO BE MADE.] If it appears to the satisfaction of the court, after a full hearing upon the petition and examination of the proofs and allegations of the parties interested, that a sale of the whole or some portion of the real estate is necessary for any of the causes mentioned in this article, or that a sale of the whole or some portion of the real estate is for the advantage, benefit, and best interests of the estate and those interested therein, or if such sale be assented to by all the persons interested, an order must be made to sell the whole, or so much and such parts

of the real estate described in the petition as the court shall judge necessary, or for the advantage, benefit and best interests of the estate and those interested therein.

§ 29. WHAT THE ORDER OF SALE MUST CONTAIN.] The order of sale must describe the lands to be sold, and the terms of sale, which may be cash, or may be one-third cash and the balance on a credit not exceeding five years, payable in gross or installments with interest, as the court may direct. The land may be sold in one parcel or in subdivisions, as the executor or administrator shall judge most beneficial to the estate, unless the court otherwise specially directs. If it appears that any part of such real estate has been devised and not charged in such devise with the payment of debts or legacies, the court must order the remainder to be sold before that so devised.

§ 30. MAY BE SOLD AT PUBLIC OR PRIVATE SALE. ORDER COMPELLING SALE.] Every such sale must be ordered to be made at public auction, unless, in the opinion of the court, it would benefit the estate to sell the whole or some part of such real estate at private sale. The court may, if the same is asked for in the petition, order or direct such real estate or any part thereof to be sold at either public or private sale, as the executor or administrator shall judge to be most beneficial for the estate. If the executor or administrator neglects or refuses to make a sale under the order, and as directed therein, he may be compelled to sell by order of the court, made on motion, after due notice, by any party interested.

§ 31. NOTICE OF SALE.] When a sale is ordered, and is to be made at public auction, notice of the time and place of sale must be published in a newspaper, if there be one printed in the same county, but if none, then in a paper in an adjoining county in the state as the court may direct, once each week for two successive weeks next before the sale. The lands and tenements to be sold must be described with common certainty in the notice.

§ 32. TIME AND PLACE.] Sales at public auction must be made in the county where the land is situated; but when the land is situated in two or more counties it may be sold in either. The sale must be made between the hours of nine o'clock in the morning and six o'clock in the afternoon of the same day, and must be made at the time named in the notice of sale, unless same is postponed. If at the time appointed for the sale, the executor or administrator deems it for the best interests of the estate that the sale be postponed, he may postpone it from time to time not exceeding in all three months. In case of postponement, notice thereof must be given by a public declaration at the time and place first appointed for the sale, and if the postponement is for more than ten days, further notice must be given by publishing the same once each week for two successive weeks next before the sale.

§ 33. PRIVATE SALE OF REAL ESTATE. HOW MADE. AND NOTICE.] When a sale of real estate is ordered to be made at private sale, notice of the same must be published in a newspaper if there be one printed, in the same county, if none, then in a paper in an adjoining county in the state as the court may direct, once each week for two successive weeks before the day on or after which the sale is to be made in which the lands and tenements to be sold must be described with common certainty. The notice must state a day on or after which the sale will be made, and a place where offers or bids will be received. The last day referred to must be at least ten days from the last publication of notice; and the sale must not be made before that day, but must be made within six months thereafter.

§ 34. BIDS, WHEN AND HOW RECEIVED.] The bids or offers must be in writing and may be left at the place designated in the notice, or delivered to the executor or administrator personally or may be filed in the office of the court to which the return of sale must be made, at any time after the first publication of the notice and before the making of the sale.

§ 35. NINETY PER CENT OF THE APPRAISED VALUE MUST BE OFFERED.] No sale of real estate at private sale shall be confirmed by the court unless the sum offered is at least ninety per cent of the appraised value thereof, nor unless such real estate has been appraised within one year of the time of such sale. If it has not been so appraised, or if the court is satisfied that the appraisal is too high or too low, appraisers must be appointed, and they must make an appraisal thereof in the same manner as in case of the original appraisal of an estate. This may be done at any time before the sale or the confirmation thereof.

§ 36. PURCHASE MONEY ON SALE ON CREDIT. HOW SECURED.] The executor or administrator must, when a sale is made upon a credit, take the notes of the purchaser for the balance of the purchase money with a mortgage on the property to secure their payment.

§ 37. REPORT. CONFIRMATION OR VACATION OF SALE.] The executor or administrator making such sale shall immediately thereafter make a return of his doings upon the order of sale, in pursuance of which it is made, to the county court granting the order. Said court shall thereupon examine the proceedings and may also examine the executor, administrator and any other persons on oath touching the same. If such court shall be of the opinion that the proceedings were unfair or that the sum bid is disproportionate to the value of the land sold and that a sum exceeding such bid, exclusive of the expense of a new sale, may be obtained, said court

may vacate such sale and direct another to be had, of which notice shall be given and the sale shall in all respects be conducted as if no previous sale had taken place. If it shall appear to the county court that the sale was legally made and fairly conducted and that the sum bid thereon was not disproportionate to the value of the property sold, or if disproportionate that a greater sum as above specified cannot be obtained, said court shall make an order forthwith confirming such sale and directing conveyance to be executed.

§ 38. PROCEEDS OF SALE.. USE OF AND LIABILITY FOR.] The proceeds arising from mortgage, lease or sale of real estate or from the sale of the interest of any deceased persons in real estate, held under contract, as provided in this chapter, shall be deemed assets in the hands of the executor or administrator in like manner as if the same had been originally part of the goods and chattels of the deceased; and the executor or administrator and sureties on his administration bond shall be accountable and liable therefor unless otherwise provided by law.

§ 39. SALE TO PAY LEGACY.] When a testator shall have given any legacy by a will that is effectual to pass or charge real estate and his goods, chattels, rights and credits, shall be insufficient to pay such legacy; together with the debts and charges of administration, the executor or administrator with the will annexed may be licensed to sell, mortgage or lease the real estate for that purpose in the same manner and upon the same terms and conditions as are prescribed in this chapter in the case of a sale, mortgage or lease for the payment of debts.

§ 40. MORTGAGING PROPERTY, WHEN.] The County Court may make an order directing an executor or administrator to mortgage any property of a decedent for either of the following purposes: (1) the payment of an existing lien or mortgage; (2) for any other purposes for which a sale may be ordered; (3) to authorize a renewal or extension of an existing mortgage; (4) to mortgage the homestead when the person entitled thereto and the guardian of minors consents, but if the minor is under fourteen years of age then the guardian's consent only shall be sufficient; (5) whenever upon application to sell the court finds it would be for the best interests of the estate to mortgage instead.

§ 41. ORDER FOR MORTGAGE.] Such order must be based upon a verified petition setting forth at least one of the reasons set forth in the foregoing section and further showing the amount of money necessary to be raised, together with such further particulars as are required in a petition for the sale of real property. Upon filing such petition the citation must be issued and served on all persons interested in the estate as required in Section 4 of this act.

§ 42. ORDER FOR MORTGAGING.] The order must fix the amount for which the mortgage may be given, the rate of interest that may be paid thereon, the number of years which the mortgage is to run, and may direct that the whole or any part of the money so secured, be paid from time to time out of the income of the mortgaged property.

§ 43. DUTIES OF AN EXECUTOR. ADMINISTRATOR AND GUARDIAN.] After the making of the order to mortgage the executor, administrator or guardian of a minor or of an incompetent person shall execute and deliver a promissory note or notes for the amount and period specified in the order, and shall execute, acknowledge, and deliver a mortgage of the premises, setting forth in the mortgage that it was made by authority of the court's order, and giving the date of such order. The note or notes and mortgage shall be signed by the executor, administrator, or guardian as such, and shall create no personal liability against the person so signing.

§ 44. EFFECT OF SAID NOTES AND MORTGAGES.] Every note or notes and mortgages so made shall be effectual to mortgage and hypothecate all the right, title, interest and estate which the decedent, minor, or incompetent person had in the premises described therein at the time of the death of such decedent, or at the time of the appointment of the guardian of such minor or of such incompetent person, or prior thereto, and any right, title or interest in said premises acquired by the estate of such deceased, minor or incompetent person, by operation of law or otherwise, since the time of the death of such decedent, or the appointment of such minor or incompetent person, subject however to any unpaid mortgage, previously authorized by the court.

§ 45. REPORT. CONFIRMATION.] The executor, administrator or guardian making such mortgage shall immediately thereafter make a report of his doings upon the order to mortgage in pursuance of which it was made, to the county court. Said court shall thereupon examine the proceedings and if the same are in accordance with the order of license to mortgage, said court shall make an order forthwith confirming such mortgage.

§ 46. SALE OF PERSONAL PROPERTY. HOW MADE.] All personal property of any estate may be sold by the representative without notice and without securing an order of the court, provided, however, that such representative shall not sell any personal property at private sale for less than ninety per cent of its appraised value, except that any personal property having a market value may be sold in any usual market therefor, at any time, in the usual manner and at the market price thereof. A complete and detailed account of all sales of personal property shall be made by the representative in his first report to the Court after such sale or sales,

such report to set forth a description of the property sold, the name and address of the purchaser and the price received.

§ 47. NOTICE OF FINAL SETTLEMENT. HOW SERVED.] Whenever a final report and account and petition for distribution of the estate to the parties entitled thereto are presented by any executor or administrator and the estate be ready for distribution, a citation must be issued thereon directing all persons interested in the estate to appear and show cause, if any there be, why such final report and account should not be allowed and distribution made. Such citation must be served as required in Section 4 of this act and on the confirmation of the final account a final decree of distribution shall be entered immediately and without further notice of the proceedings.

ARTICLE 4. GUARDIAN AND WARD. SALES OF PROPERTY.

§ 48. LAW OF ESTATES GOVERNS GUARDIANS UNLESS OTHERWISE DECLARED.] All the proceedings under petition of guardians for sale or mortgaging of property of their wards, giving notice, and the hearing of such petitions, granting or refusing the order of sale, directing the sale to be made at public or private sale, re-selling the same property, return of sale, confirmation thereof, orders rejecting or confirming such sale, and reports of sale, ordering and making conveyances of property sold, accounting and settlement of accounts must be had and made the same as required by the administrator of an estate unless otherwise herein specially provided.

§ 49. TERMS OF SALE. SECURITY.] All sales of real estate of wards must be for cash, or for part cash and part deferred payments, the credit in no case to exceed five years from date of sale, as in the discretion of the court is most beneficial to the ward. Guardians making sale must demand, and receive, from the purchaser, in case of deferred payments, notes and a mortgage on the real estate sold, with such additional security as the court deems necessary and sufficient to secure the prompt payment of the amounts so deferred with interest thereon.

§ 50. REPEAL.] That Sections 8549, 8550, 8551, 8552, 8553, 8554, 8555, 8556, 8557, 8558, 8559, 8565, 8734, 8736, 8737, 8740, 8741, 8742, 8743, 8744, 8747, 8748, 8752, 8754, 8771, 8772, 8774, 8775, 8776, 8777, 8780, 8790, 8791, 8833, 8834, 8909, 8911, 8767, 8769 and 8770 of the Compiled Laws of North Dakota for 1913, and all acts and parts of acts in conflict herewith be and the same are hereby repealed.

Whenever a person accused of a public offense is brought before a Judge of a County Court having increased jurisdiction for preliminary examination, and at any time before such examination is commenced, files with said Judge of the County Court his affidavit stating that by reason of the bias or prejudice of said Judge of the County Court he believes he cannot have a fair and impartial examination before him, such Judge of the County Court, acting as such committing magistrate, must transfer such action and all the papers therein, including a certified copy of his docket entries, to a Justice of the Peace of the same County; provided, that unless the parties agree upon the Justice to whom said action shall be transferred, the same shall be sent for preliminary examination to the nearest Justice of the County. The State's Attorney, or his Assistant, may, in the same manner and for the same reasons as the defendant, obtain a transfer of said action from the Judge of the County Court having increased jurisdiction, and before whom the preliminary hearing was commenced, or from the Justice to whom it has been transferred on application of the defendant. When the preliminary hearing has been once transferred by one party, it shall, on motion of the party as herein provided, be transferred to the nearest qualified Justice of the same County unless the parties agree upon a Justice to whom said action shall be transferred. The place of examination can be changed only once by each party under this section.

§ 2. EMERGENCY.] By reason of the fact that it is now declared to be necessary to call in a County Judge having increased jurisdiction of another County, in case an affidavit for change of

venue is filed, this Act is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ 1. DEFINITIONS.] A public dancing place, as the term is used in this act, shall be taken to mean a room, place or space open

to public patronage where dancing in which the public may participate is carried on and which admission may be had by the public by payment, either directly or indirectly, of an admission fee or token. A public dance, as the term is used in this act, shall be taken to mean any dance where the public may participate in payment, either directly or indirectly, of an admission fee or price for dancing, and shall include any manner of holding a dance which may be participated in by the public through the payment of money or other token, either directly or indirectly.

§ 2. PERMIT FOR PUBLIC DANCE.] It shall be unlawful for any person, firm, association or corporation to give, hold or conduct a public dance unless the owner or proprietor of the place where the dance is given, or the person, firm, association or corporation giving the same or in charge thereof, shall first have procured a permit to give, hold and conduct such public dance as hereinafter provided.

§ 3. WHO SHALL ISSUE PERMIT.] In all cities, villages and organized townships in this state, a permit must be procured from the governing body of the municipality or organized township. In unorganized townships the permits must be obtained from the county commissioners of the county in which such public dance is to be held or in which the public dancing place is located. Such permits may be issued for one or more public dances, or for a public dancing place for a period of not more than six months at any one time. When the permit is issued to any person, firm, association or corporation to conduct a public dancing place, public dances may be conducted in such place only by the person, firm, association or corporation to whom such permit is issued. Such permit shall not be transferable.

§ 4. MANNER OF OBTAINING PERMIT.] Any person, firm, association or corporation desiring to conduct a public dance or a public dancing place shall make application for a permit to do so to the governing body of the municipality or organized township in which such public dance or public dancing place is to be conducted, when the same is to be conducted within the limits of any city, village or organized township; and in all other cases, to the board of county commissioners of the county in which the same is to be conducted. The application shall set forth the name of the person, firm, association or corporation who is to give, hold or conduct the public dance or public dancing place, the time or period for which the permit is desired, and the place where such public dance is to be conducted or held. The governing body of the municipality, village or organized township to which such application is made shall make such inquiry and investigation as to the propriety of granting or refusing such permit as they may deem necessary; provided,

however, that no permit shall be granted except the same be approved by the state's attorney of the county wherein the public dance or public dancing place is to be held. The application may be acted upon at any regular meeting of the board to whom the application is made, or a special meeting called for that purpose. The governing body of the municipality, organized township or county to whom such application is made shall have the power to grant or deny said application and to provide a schedule of fees, rules and regulations not inconsistent with the provisions of this act, under which permits for holding such public dances or public dancing places will be granted. No permit shall be issued to any person who is not of good moral character nor to any person, firm, association or corporation to conduct a public dance or public dancing place at any place where the same is likely to become a public nuisance or detrimental to public morals.

§ 5. REGULATIONS.] No person, firm, association or corporation to whom a permit has been issued shall permit to be or remain in any public dance or in the vicinity of any public dancing place any intoxicated person, any prostitute or person of known immorality, nor shall any indecent or immodest dancing be permitted. Every public dancing place shall be brightly illuminated while in public use, and dancing therein while the lights are extinguished, dimmed or turned low is prohibited.

§ 6. OFFICER OF LAW TO BE IN ATTENDANCE.] It shall be the duty of the sheriff in any county in which any public dance is held outside of an incorporated city or village, and of the chief peace officer of the city or village where the dance is held within the limits of a city or village to police such dance so that law and order is there maintained; and the person, firm, association or corporation conducting any such dance are hereby required, before any such dance shall be held, to pay to such sheriff or peace officer the expense of any deputy sheriff or special officer required for the proper policing of such dance, and no such dance shall be permitted to proceed unless such officer is present and his fees paid. The holding of such dance without the giving of notice to the sheriff of the county or peace officer of the city or village and in making such provision of the police thereof is hereby declared to be a misdemeanor. No person, directly or indirectly interested or concerned in the giving, holding or conducting of such public dance, or connected with the person, firm association or corporation conducting same, shall be eligible to such appointment as such police officer.

§ 7. REMOVAL AND REVOCATION OF PERMIT.] The governing body or board issuing a permit hereunder may at any time revoke the same for violation of any of the provisions of this act, and shall revoke the same upon conviction of the person to whom the same

has been issued for a violation of any of the laws of this state. The governing body or board to whom application for permit is made or by whom a permit has been issued shall refuse to issue such permit, and shall revoke a permit already issued, where it appears that the place is or is likely to become a public nuisance or detrimental to public morals, or that the provisions of this act are being violated, or intoxicating liquor is being sold or given away or any of the laws of the state are being violated. The governing body or board to whom application is made or by whom permit has been issued shall refuse such application, and shall revoke such permit when it appears that such public dancing place is or will be conducted in a place or community contrary to the wishes of a majority of the people living in such neighborhood or community.

§ 8. POLICE OFFICERS.] The enforcement of the provisions of this act is enjoined upon every officer and official whose duty it is to enforce the laws of this state and any such officer failing to enforce the provisions hereof, shall be subject to removal from office in manner by law provided.

§ 9. PENALTY.] Any person violating any of the provisions of this act shall be guilty of a misdemeanor and subject to a fine of not less than \$25.00 nor more than \$100.00 and costs of prosecution, or imprisonment in the county jail for not less than ten days nor more than thirty days, or by both such fine and imprisonment.

§ 10. REPEAL.] Only such acts or parts of acts which are clearly inconsistent with this act are repealed; it being the intention of this act that this act shall be in addition to and supplemental to already existing laws upon the same subject; and shall in no way interfere with the regulatory authority of the Attorney General over dances and dance halls under the provisions of Chapter 84, Session Laws of 1921 and amendments thereof.

§ 11. EMERGENCY.] This act is hereby declared to be an emergency measure, and shall be in force and effect from and after its passage and approval.

DRAINS

An Act To Amend and Re-enact Section 2464 of the Compiled Laws of North Dakota for the year 1913, as amended by Chapter 58 of the Session Laws of 1921, and Amending and Re-enacting Section 2468 of the Compiled Laws of North Dakota for the year 1913, relating to the establishment of Drains and the assessment of benefits subject to review.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ I. AMENDMENT.] Section 2464 of the Compiled Laws of North Dakota for the year 1913, as amended by Chapter 58 of the Session Laws of 1921, is hereby amended and re-enacted to read as follows:

§ 2464. HOW ESTABLISHED.] A petition for the construction of a drain may be made in writing to the board of drain commissioners which petition shall designate the starting point and ter-

minus and general course of the proposed drain. If among the leading purposes of the proposed drain are benefits to the health, convenience or welfare of the people of any city or other municipality, the petition shall be signed by a sufficient number of the citizens of such municipality or municipalities to satisfy the board of drain commissioners that there is a public demand for such drain. The petition shall be signed by at least six free-holders whose property shall be affected by the proposed drain. Upon the presentation of a petition as hereinbefore provided and filing of the same, the board of drain commissioners shall, personally, as soon as practicable, proceed to examine the line of the proposed drain, and if in its opinion it is necessary for the public good, it shall enter a resolution to that effect, and shall also enter a resolution designating a competent surveyor who shall survey the line thereof and establish the commencement and terminus and determine the route, width, length and depth thereof.

Provided, that the board of drain commissioners shall require a bond from the petitioners in a sum sufficient to pay all expenses of the surveys and of the drainage commissioners if it should appear after the surveyor's report is filed, that the proposed drain would cost more than the amount of the benefit to be derived therefrom, or if a majority of the land owners whose lands are subject to assessment for the construction of the proposed drain petition the board of drain commissioners to have further proceedings discontinued, as hereinafter provided. For the purpose of making examinations or surveys the board of drain commissioners, surveyors and their employees may enter upon any land traversed by any such proposed drain or upon other lands when necessary. Such surveyor shall prepare profiles, plans and specifications of the proposed drain, and estimate of the cost thereof and a map or plat of the lands to be drained in duplicate, showing the regular sub-divisions thereof, one copy of which shall be filed in the office of the county auditor in the county in which the drain is proposed to be constructed and the other with the board of drain commissioners, subject to inspection. In locating a drain a board of drain commissioners may, under the advice of the surveyor, vary from the lines described in the petition as it seems best. When the line proposed is along highways already established the drain shall be located at a sufficient distance from the center of such highway to permit a good road along the central line thereof. When the length of the line described in the petition does not give sufficient fall to drain the land sought to be drained, the board of drain commissioners may extend the drain below the outlet named in the petition far enough to obtain a sufficient fall and outlet. Drains shall as far as practicable be located on dividing lines between sections or regular subdivisions thereof, but the general utility of the drain must not be sacrificed to avoid cross-

ing any tract of land in such direction as the board of drain commissioners find advisable. Upon the filing of the surveyor's report the board of drain commissioners shall fix a date and public place for hearing objections to the petitions, and such place for hearing shall be located at some point in the vicinity of the land which will be effected by such drain and that will be the most convenient point for the majority of the land owners affected by the proposed drain to attend. At least ten days' notice of such hearing shall be given by causing five notices to be posted along the line of the proposed drain at such points as will be likely, in the opinion of the board, to secure the greatest publicity, and in addition a notice shall be sent by registered mail to the last known address of each and every owner of land which may be affected by the proposed drain. Notices of this hearing shall contain a copy of the petition and a statement of the date of filing of the surveyor's report and the date when the board will act upon the petition, and must be signed by the members of the board or a majority thereof. All persons, whose land may be affected by any such drain, may appear before the board of drain commissioners and fully express their opinion and offer evidence upon the matters pertaining thereto. Should a majority of the land owners, whose land is subject to assessment for the construction of the proposed drain, believe that the benefits to be derived are not equal to the expense of the construction, they may petition the board of drain commissioners to have further proceedings discontinued, whereupon the said board shall by resolution order further proceedings discontinued.

§ 2. AMENDMENT.] Section 2468 of the Compiled Laws of North Dakota for the year 1913 is hereby amended and re-enacted to read as follows:

§ 2468. ASSESSMENT OF BENEFITS SUBJECT TO REVIEW.] The assessments of benefits provided for in this chapter shall be subject to review, and ten days' notice of the time and place, when and where such assessment will be reviewed by the board of drain commissioners, shall be given by publishing in some newspaper of general circulation in the county, and printed notices, not less than five in all and at least one in each township or municipality interested in such drain, shall be posted in such township and municipality at such points as may be likely, in the opinion of the board, to secure the greatest publicity for each notice. Printed notices shall also be sent by registered mail to the last known address of each and every land owner whose land shall be affected by construction of the proposed drain. The place appointed for such hearing shall be located at some point in the vicinity of the land which shall be affected by such drain and that will be the most convenient point for the majority of the land owners affected by the proposed drain to attend. At the time and place appointed such board shall proceed to hear all complaints

relative to such assessment and correct or confirm the same. Should a majority of the land owners, subject to assessment for the construction of the proposed ditch, believe that the assessment had not been fairly or equitably made, or that the drain is not properly located or designed, they may appeal to the state engineer by petition to make a review of such benefits and assessments and to examine the location and design of the proposed drain. Upon the receipt of such petition the state engineer shall proceed to examine the lands assessed and the location and design of the proposed drain, and should it appear to him that such assessments have not been equitably made, he may proceed to correct the same and his correction and adjustment of said assessment shall be final. Should it appear that, in the judgment of the state engineer, the drain has been improperly located or designed, he may order a relocation and design, which location and design shall be followed in the construction of the proposed drain. For his services in making such review of assessments and examination of location and design, the state engineer shall be allowed ten dollars per day and actual and necessary expenses during the time he is engaged upon this work. All moneys received by the state engineer for this work shall be paid into the state treasurer and credited to the general fund.

Approved March 10, 1925.

§ 1. This Chapter shall apply to all domestic corporations, associations, societies and orders transacting an insurance business under authority of any law of this state, including all corporations, associations, fraternal beneficiary societies and orders which are subject to examination by the commissioner of insurance, or which are doing or attempting to do or representing that they are doing the business of insurance in this state, or which are in process of organization intending to do such business therein, or to become incorporated under any law of this state for the transaction of an insurance business.

§ 2. Whenever any such corporation,

(a) Is insolvent; or

(b) Has refused to submit its books, papers, accounts or affairs to the reasonable inspection of the commissioner of insurance, or his deputy or examiner; or

(c) Has neglected or refused to observe an order of the commissioner of insurance to make good any deficiency within the time prescribed by the commissioner, whenever its capital shall become impaired exceeding fifteen per centum thereof, if it be a stock corporation, or its reserve, if it be a mutual corporation, shall have become impaired; or

(d) Has by contract of reinsurance or otherwise, transferred or attempted to transfer substantially its entire property or business, or entered into any transaction the effect of which is to merge substantially its entire property or business in the property or business of another corporation, association, society or order, without first having obtained the written approval of the commissioner; or

(e) Is found, after an examination, to be in such condition that its further transaction of business will be hazardous to its policy holders, or to its creditors, or to the public; or

(f) Has wilfully violated its charter or any law of the state;

(g) Whenever any officer thereof has refused to be examined under oath touching its affairs; or

(h) If such corporation be found, after examination, to be in such condition that it could not meet the requirements for incorporation and authorization;

The commissioner of insurance may, the attorney general representing him, apply to the district court in the judicial district in which the principal office of such corporation is located, for an order directing such corporation to show cause why the commissioner should not take possession of its property and conduct its business, or for such other relief as the nature of the case and the interests of its policy-holders, creditors, stockholders, or the public may require.

§ 3. On such application, or at any time thereafter, such court may in its discretion, issue an injunction restraining such corporation from the transaction of its business or the disposition of its property until the further order of the court. On the return of such order to show cause, and after a full hearing, the court shall either deny the application or direct the commissioner forthwith to take possession of the property and conduct the business of such corporation and retain such possession and conduct such business until, on the application either of the commissioner, the attorney general representing him, or of such corporation, it shall, after a like hearing,

appear to the court that the ground for such order directing the commissioner to take possession has been removed and that the corporation can properly resume possession of its property and the conduct of its business.

§ 4. If, on like application an order to show cause, and after a full hearing the court shall order a liquidation of the business of such corporation, such liquidation shall be made by and under the direction of the commissioner of insurance who may deal with the property and business of such corporation in his own name as commissioner or in the name of the corporation, as the court may direct, and shall be vested by operation of law with title to all the property, contracts and rights of actions of such corporation as of the date of the order so directing him to liquidate. The filing or recording of such order in any record office of the state, shall impart the same notice that a deed, bill of sale or other evidence of title duly filed or recorded by such corporation would have imparted. The order of liquidation shall, unless otherwise directed by the court, provide that the dissolution of the corporation shall take effect upon the entry of such order in the office of the clerk of the county wherein such corporation had its principal office for the transaction of business.

§ 5. For the purposes of this chapter the commissioner shall have power to appoint, under his hand and official seal, one or more special deputy commissioners of insurance as his agent or agents, and to employ such counsel, clerks and assistants as may by him be deemed necessary, and give each of such persons such power to assist him as he may consider wise. The compensation of such special deputy commissioner, counsel, clerks and assistants, and all expenses of taking possession of and conducting the business of liquidating any such corporation shall be fixed by the commissioner, subject to the approval of the court, and shall, on certificate of the commissioner, be paid out of the funds or assets of such corporation. In any proceedings under this chapter the commissioner, his deputy or any examiner or special deputy shall have all of the powers given to the commissioner, by any law of this state authorizing the commissioner to make or cause to be made examinations of insurance corporations, including the power to examine under oath the officers and employes of such corporation, and to compel the production of books and papers as herein provided.

The commissioner shall publish, in his annual report, the names of the corporations so taken possession of, whether the same have resumed business or have been liquidated, and such other facts as shall acquaint the policyholders, creditors, stockholders, and the public with his proceedings under this chapter; and to that end the official in charge of any such corporation shall file annually with the commissioner a report of the affairs of such corporation.

§ 7. The commissioner of insurance or his deputy or special deputy, acting under the provisions of this chapter in any liquidation proceedings, shall have all the powers of a receiver in insolvency proceedings, and may do and perform any act for the protection of the assets or the recovery of the same, and for the settlement or discharge of the obligations of the insurance company, that may be necessary or that may be directed by the court. He shall have the same authority to make assessments upon stockholders or members of the company as the officers thereof are authorized to make under the provisions of this act, and it shall be his duty to make such assessments, ratably in any case where authorized, to any extent that may be necessary to discharge the whole obligations, existing at any time during such receivership or insolvency proceedings. He may bring suit to recover and enforce such assessments in any court of competent jurisdiction against the members or stockholders, as the case may be, or by direction of the court having jurisdiction of the liquidation, may bring such suit or suits in the district court without regard to the amount involved. Such receiver shall be held accountable to the district court of the county having jurisdiction for his actions in the premises.

§ 8. In any case arising under this chapter the commissioner of insurance may file his petition for liquidation or receivership in the district court for the county of Burleigh, and the preliminary steps towards the appointment of a receiver shall be taken and heard in such district, and the district court of Burleigh county may at any time thereafter transfer such case to the district court of the county in which such company may have its principal place of business, for such further steps and action as may be necessary in the premises, as in cases of change of venue. In all other respects proceedings under this chapter shall be conducted according to the procedure prescribed in the judicature act of this state. The district court in the first instance may require the commissioner of insurance or the person acting as his deputy in the liquidation proceedings, to file a bond as in other receiverships. Such receiver shall in no case be permitted to increase the liabilities of any company undergoing liquidation excepting for the purpose of preserving its assets.

§ 9. In any insolvency proceeding brought against any such insurance corporation, either by itself or by some one other than the insurance commissioner, in any court of this state, said court shall upon application of said insurance commissioner after initiation, or at any time, during the pendency of such proceeding appoint said insurance commissioner as receiver of such corporation.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ 1. AMENDMENT.] That Sections 6, 7, 13, 26 and 27 of Chapter 160 of the Session Laws of North Dakota for the year 1919 as amended by Chapter 38 of the Special Session Laws of the Sixteenth Legislative Assembly of the State of North Dakota, as amended and re-enacted by Chapter 77 of the Session Laws of the State of North Dakota for the year 1921, as amended and re-enacted by Chapter 232 of the Session Laws of North Dakota for the year 1923, are hereby amended and re-enacted to read as follows:

§ 6. FLAT TAX AND PERMANENT SURPLUS.] There is hereby levied for the year 1925 upon each and every acre of tillable land in the State a flat tax of one cent per annum, which levy shall continue each year thereafter until the permanent surplus reaches the sum of Four Million Dollars, as hereinafter provided, said levy being for the purpose of carrying out the provisions of this Act and creating a permanent surplus in the Hail Insurance Fund to be applied in paying losses more promptly, and for the further purpose of reimbursing the permanent surplus within the fund for the \$900,000.00 or as much thereof as is necessary to pay the 20 per cent of the indemnities for losses suffered by the State Hail Insurance Department during the season of 1923, and unpaid on January 6, 1925. Provided that untillable land and lands used exclusively for public roads, rights of way of common carriers, mining and manufacturing purposes, and land included within the platted portion of any incorporated city, town or village, shall be exempt from such tax. Provided, further, that the Commissioner of Insurance is hereby authorized to use \$900,000.00 or as much thereof as may be necessary out of the surplus within the State Hail Insurance Fund in order to pay the 20 per cent of the indemnities for losses suffered by the State Hail Insurance Department during the season of 1923 and unpaid on January 6, 1925, and such amount as above stated or as much thereof as may be necessary for accomplishing this payment of such 20 per cent is hereby expressly appropriated out of such sur-

plus. Provided further, that all moneys heretofore or hereafter collected under the provisions of Sections 7 and 10 of this Act, over and above that which is required to pay hail losses, also all moneys such as penalties and interest for non-payment of hail taxes and interest on balances already accrued and which may in the future accrue, shall be turned into the permanent surplus as created under the provisions of this section, until such permanent surplus reaches the sum of Four Million Dollars. Provided that any sum in excess of Four Million Dollars accruing in this fund shall be turned back into the State Hail Insurance Fund to pay indemnities for losses for the then present or next succeeding year. All moneys collected from flat taxes under the provisions of this section shall be paid into the State Hail Insurance Fund, but a separate record of such moneys collected from such flat tax shall be kept by the County Treasurer.

§ 7. INDEMNITY TAX.] The Commissioner of Insurance shall on or before the twenty-fifth day of October of each year ascertain the amount which is required for the total payment of all loss caused by hail to crops insured by the Department and a sum sufficient to pay interest on certificates of indebtedness, or for interest at the rate of six per cent on all warrants issued from the first day of December until called for payment by the State Treasurer, if such warrants are not payable in cash when issued, and for any anticipated refunds of taxes, plus a sufficient sum to maintain and operate the Department for the succeeding year, and for the purpose of securing and paying the same, there is hereby levied each and every year an indemnity acreage tax sufficient to cover said amount on all cropped land insured (except hay and meadow land) not withdrawn from the operation of this Act as herein specified and any such tax or imposition, which has been heretofore, or may hereafter be levied, shall be and constitute a first and prior lien upon all lands upon which the same is levied, to the same extent and with like effect, as any general tax, and shall be collected, and payment thereof enforced, in the same manner as any general tax. Provided, that when the \$10.00 insurance is carried, such indemnity tax shall be as much greater than the indemnity tax for \$7.00 per acre protection as 10 is greater than 7. Provided further, that for the purpose of levying the acreage indemnity tax, the State is hereby divided into Four Districts, the composition of which to be determined by the Commissioner of Insurance and the Manager of the Hail Insurance Department at the time levy for such indemnity tax is made. Provided further, that the basis for districting shall be the actual cost of the protection in each County, for the then current year, as determined by the amount of indemnity allowed and the acreage insured within each County. Provided that District No. 1 shall be composed of all such Counties showing for such year an actual cost

of not more than 3% of the risk carried; District No. 2 an actual cost of over three per cent but not more than 5 per cent; District No. 3 an actual cost of over five per cent but not more than seven per cent; District No. 4 an actual cost of over seven per cent. Provided further, that when such levy for Hail Indemnity Tax is made, each of the Four Districts shall be considered a unit, however the rate and actual per acre costs of such indemnity tax levied shall be based on the following proportions or fixed ratios between the Districts; First District 5; Second District 6; Third District 7; and Fourth District 8. Provided further, that if the total amount necessary for indemnity tax for any one year equals more than 10% of the risk carried by the Department for such year, in order that losses may be paid in full, the Commissioner of Insurance may use any moneys in the surplus of the Hail Insurance Fund to pay such difference between the moneys actually obtained by the levy for hail indemnity tax and the amount actually needed to pay all such legal indemnities for each year, and the Commissioner of Insurance shall in the following or any succeeding year or years when the indemnity for hail losses as above provided is not in excess of an average of 10% of the risk carried by the Department, include in the levy for hail indemnity tax such sum or sums that may be necessary to reimburse the surplus fund for such moneys borrowed from such fund. All moneys collected under the provisions of this Section shall be paid into the State Hail Insurance Fund.

§ 13. FILING AFFIDAVITS BY COUNTY AUDITOR.] Each County Auditor shall file and keep one copy of the crop-listing affidavit presented to him by the assessor and shall forward the originals thereof on or before the 10th day of June of each year to the Commissioner of Insurance at Bismarck. Prior to July 15th of each year the County Auditor shall file with the Commissioner of Insurance at Bismarck an itemized and tabulated statement and report on blanks provided by the Hail Insurance Department showing in detail for every description of land in his County subject to listing for State Hail Insurance purposes, acres in crop, acres tillable, acres tillable uncropped, acres withdrawn, acres on which additional \$3.00 per acre is carried and any other information necessary for carrying out the provisions of this Act. Each County shall receive the sum of 50 cents per each 1000 acres of tillable land in such County listed as subject to the flat acreage tax and an additional \$1.00 per each 1000 acres left insured during the season for \$7.00 per acre protection, such amount to be paid out of the State Hail Insurance Fund prior to December 31st of each year on vouchers issued by the Commissioner of Insurance and approved by the State Auditing Board. Provided that any County, where the Auditor shall fail or neglect to make returns, statements and reports to the Commissioner of Insurance at the time specified in this Act or shall fail to for-

ward to the Commissioner of Insurance the originals of crop listing affidavits or copies of other affidavits and applications at the time specified in this Act, shall forfeit the sum of \$10.00 per day during such time that the County Auditor neglects to make such returns, statements or reports, and the Commissioner of Insurance is hereby authorized to deduct the amount of such fine to the extent of such compensation above provided for to any County. Provided further, it shall be the duty of the Attorney General to proceed to collect the amount of such penalty for the time of such delinquency in excess of the amount above provided for.

§ 26. LIMITING TIME OF ACTION.] No action upon any claim for loss by hail shall be brought after three years from the time the loss occurred, and no action for a refund of indemnity or flat tax, or both, paid, shall be brought after three years from the first of December of the year for which such indemnity or flat tax was levied. Provided that any Acts or part of Acts in conflict with any of the provisions of this Act are hereby expressly repealed.

COMPILATION OF LAWS OF 1915, 1917, 1919, 1921, 1923, 1925

An Act To Provide for the Compilation of a Supplement to the Compiled Laws of 1913, to Comprise the Statutes Enacted by the Regular Sessions of 1915, 1917, 1919, 1921, 1923, 1925 and Two Special Sessions Since 1913, and Authorizing the Secretary of State to Contract With The Lawyers Co-operative Publishing Company of Rochester, New York, to Prepare, Annotate, and Publish Such a Supplement; and Making an Appropriation for the Purchase of Copies for the Use of the State.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ 1. The Secretary of State shall enter into a contract with the Lawyers Co-operative Publishing Company of Rochester, New York, a foreign corporation, to prepare, annotate, publish and bind, in compliance with the following proposal, a Supplement to the Compiled Laws of 1913, consisting of all of the statutes enacted at the sessions of 1915, 1917, at the special session of 1918, the regular session of 1919, and the special session of 1919, and at the regular sessions of 1921, 1923, and 1925. Such contract shall require the publisher to include: (a) all statutes enacted since the compilation of 1913, with eliminations of repealed statutes; (b) the legislative history of changes or repeals by accurate reference to chapter and session laws where such repeals or changes may be found; (c) the renumbering of sections, acts and chapters, when necessary; (d) the revising and re-arranging of a complete and correct double column index and table of contents according to the most approved method of indexing statutes. The Supplement shall contain on the fly-leaf thereof, a notice that the same is published by authority of the State of North Dakota, and shall be known as a "Supplement to the Compiled Laws of 1913." There shall also be printed on the fly-leaf, and stamped on the back, the date, "1925." The Supplement shall contain, by appropriate reference, annotations to each section of the Supplement consisting of statutes enacted since 1913, to all decisions of the Supreme Court of the State of North Dakota, as reported in the official reports, in the Northwestern Reporter, and the Annotated Reports System, construing, interpreting or citing such statutes. The offer of the publisher in conformity with which the contract shall be entered into by the Secretary of State, is as follows:

"Bismarck, North Dakota.
January 3, 1925.

We will undertake the editorial work on a compilation to be known as a Supplement to the Compiled Laws of 1913, annotated with references to the North Dakota reports—this material to be furnished by your Court as suggested—we undertake the search for U. S. Supreme Court material and references to the Annotated Reports System, print, publish and bind in Buckram of the style after that of the North Dakota Compiled Laws, paper and binding similar to the A. L. R., and agree to supply the State of North Dakota for State use only—not for sale—500 copies at \$12.00 per copy. That it be further agreed that the Act of 1913, Chapter 197 S. L. requiring municipalities to purchase copies of the Compiled Laws, would be construed by the Administration and Courts as in effect for the Supplement. Further, that the Supplement will be approved by the Secretary of State in such manner as directed by the Court, as in the case of the 1913 compilation.

The Supplement shall be sectioned to correspond with that of the 1913 compilation, and the annotations shall begin at the point where the 1913 compilation ended. If the work shall exceed 2032 pages—that is, two forms above the 2000—proportionate, additional charges would have to be made; and should the work make less than 1768 pages, proportionate reduction would be made. We believe, however, that the publication would be within the estimate of 1800 to 2000 pages, and would make a large effort to keep within that number. Lawyers Co-operative Publishing Company, By G. M. Wood." Provided, that such publisher may sell such Supplements to individuals or municipalities at a price not to exceed \$14.00 per copy.

Upon the completion of the Supplement, it shall be submitted to the Secretary of State, who shall carefully examine the same, and if he finds that it has been prepared in substantial compliance with the offer made by the Lawyers Co-operative Publishing Company, and with this Act, he may purchase the agreed number for the use of the State, for distribution as required by law, and according to the terms of the offer.

§ 2. There is hereby appropriated out of the General fund the sum of \$6,000.00, which money has been transferred from the State Bar Board Fund into the said general fund, for the purpose of procuring the compilation of such Supplement and purchasing five hundred copies of the Supplement, for the use of the legislature and pursuant to the provisions of this Act.

§ 3. EMERGENCY.] Whereas, an emergency exists in this, that several sessions have intervened since the compilation of 1913,

and it is exceeding difficult to find the law, now scattered through seven volumes of Session Laws, this Act shall be in force from and after its passage and approval.

Approved March 3, 1925.

The council of each municipality shall make annually, between July first and July fifteenth of each year, on suitable blanks prescribed by the state tax commissioner, an itemized statement (to be known as the preliminary budget statement) of the amounts of money which, in the opinion of such council, shall be required for the proper maintenance, expansion or improvement of the municipality, during the current fiscal year.

§ 4. The fiscal year for all municipalities shall, beginning with the year 1925, commence on the first day of July and terminate on the thirtieth day of June of the next year.

§ 5. The preliminary budget statement provided for in section three hereof shall specifically set forth:

(1) The detailed expenses of the municipality for the last fiscal year.

(2) Estimated expenditures for the current fiscal year, which expenditures must be segregated and itemized under three groups as follows:

Group A. Maintenance and Operation. This group shall cover all wages and salaries, and other items which comprise the current expenses of the municipality, provided that although in the budget statement the whole amount paid for wages and salaries, may be stated in one sum, there must be on file with the council and open to public inspection a detailed statement showing the names of all persons receiving salaries or wages, and the annual amount paid to each such persons.

Group B. Capital and Betterment Expenditures. This group shall cover new construction, major repairs and all other items which go toward adding to the permanent improvement and value of the municipal property.

(4) An estimate of the probable amounts that may be received during the current fiscal year from sources other than direct property taxes, and a statement of all uncollected taxes due to the municipality.

As soon as the county auditor has available the data showing the total assessed valuation of said municipality, he shall proceed to calculate the necessary tax rates to produce the sums called for in said final budget; provided, however, that if the county auditor shall find that any amount or amounts called for in the levy cannot be produced by a tax rate which is within the limit

prescribed by Chapter 318, Laws of North Dakota for the year 1923, or acts amendatory thereof, said auditor shall reduce the amount so that it can be produced by a tax rate which is within legal limits; and said auditor shall at once notify the council of the reductions so made by him.

§ 9. No municipal expenditure shall be made or liability incurred, nor shall a bill be paid, for any purpose in excess of the appropriation made therefor in the final budget, except as provided for in sections 10 and 11 of this act. § 10. If the appropriation for any particular purpose is later found insufficient to meet the necessary expenditures for that purpose, the clerk or auditor of the municipality shall, by the order of the council, make a transfer of the required amount from any item of appropriation within the same group; that is to say, that a fund within group A can be transferred only to another fund within that group; and so as to groups B and C, except as otherwise provided in Section 11 of this act.

§ 11. If there is a sufficient unexpended balance in any fund or funds embraced within groups A and B to provide for the emergency, the council may, by a resolution of two-thirds of the members present at any meeting, or, if the council consists of less than three members, then by a unanimous vote, take the amount necessary to meet the emergency from any such fund or funds, provided, however, that the resolution authorizing such expenditure so adopted by the council must recite the facts showing the existence of an emergency of the kind specified in this section.

§ 12. After July 1st and before the regular appropriations have been made by the Council of any municipality, such board

and other officials who are authorized to incur liabilities payable by the municipality may incur liability at a rate of expenditure not in excess of that authorized for the same purpose of the preceding year. Payments therefor may be made from any unappropriated balance in the treasury to be charged to the regular annual appropriation when made. No new or unusual expense shall be incurred or permanent contract made or salary increased until an appropriation therefor has been made by the council of the municipality.

§ 13. At the end of the fiscal year on June 30, the balance to the credit of each annual appropriation shall become a part of the general unappropriated balance in the municipal treasury, but no special appropriation shall lapse until the work for which it was made has been completed, the bills paid, and the accounts closed.

(H. B. No. 144—Oberg.)

SIGNS FOR RAILROAD CROSSINGS, STREETS AND PUBLIC HIGHWAYS

An Act Providing for the Manner of Constructing Crossings, and For the Construction and Maintenance of Certain Signs at the Crossings of Railroads, Streets and Public Highways, and Regulating the Use of Such Crossings by the Public, and For the Establishment, Vacation and Re-location of Such Crossings and For the Protection of Dangerous Railroad Grade Crossings.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ 1. When the term "grade crossing" is used in this act it shall mean the intersection of a public highway and of the track or tracks of any railroad, however operated, on the same plane or level, except street railways within city or village limits. When the term "commission" is used in this act it shall mean the Board of Railway Commissioners of the State of North Dakota.

§ 2. The commission is hereby authorized and required to adopt and prescribe uniform warning signs for use at grade crossings in this state which will furnish adequate warning of the existence and nature of such grade crossings and to make regulations as

to the place of installation. There shall be at least three distinct types of such warning signs, to-wit: a home crossing sign, for use in the immediate vicinity of the crossing, and approach crossing sign, to indicate the approach to a grade crossing, and a stop sign, which shall have the word "stop" plainly appearing thereon, to indicate the necessity to persons on the highway approaching the crossing, whether in vehicles or otherwise, to come to a stop before proceeding over the grade crossing, according to the provisions of this act.

§ 3. At each grade crossing in this state hereafter established and at each grade crossing where and when the existing crossing signs are replaced the railway company operating the railroad thereat shall erect and maintain on the highway on each side of the railroad track or tracks and within a distance of 75 feet from the nearest rail, one or more of such uniform home crossing signs.

§ 4. At each grade crossing where, because of the conditions surrounding the same, the reasonable protection to life and property makes it necessary for additional warning signs to be placed on the highway at a greater distance from the crossing than the home signs, such approach warning signs shall be installed. The commission is hereby authorized to designate any such grade crossings requiring such additional signs on either or both sides of said crossing. When any such crossing is designated by the commission as requiring such additional protection it shall notify the railway company operating the railroad thereat and the public authorities having the care of the highway. Such railway company shall, within 30 days after such notification, furnish such uniform signs to such public authorities, and such public authorities shall erect said signs in conspicuous places on said highway on either or both sides of such grade crossing, as the case may be, not less than 200 feet from said crossing and shall thereafter maintain the same.

§ 5. At each grade crossing where, because of the dangers attendant upon its use, the reasonable protection to life and property makes it necessary for all persons approaching the same to stop before crossing the railroad tracks thereat, such stop signs shall be installed. The commission is hereby authorized to designate any such crossing requiring such additional protection as a stop crossing, and shall notify the railway company operating the railroad thereat of such designation. Within 30 days after such notification it shall be the duty of such railway company to erect such uniform stop crossing signs in conspicuous places on each side of said crossing.

§ 6. Whenever any vehicle carrying school children, explosives or inflammable liquids, or passengers for hire, or any trucks or any vehicle having in tow any other vehicle or equipment, or any vehicle

of the tractor or caterpillar type, approaches any grade crossing, it shall be the duty of the driver thereof to bring the same to a complete stop before reaching the railroad track and before crossing said track to ascertain when such crossing can be made in safety.

§ 7. It shall be the duty of any person controlling the movement of any other vehicle than those mentioned in Section 6 hereof, upon approaching any grade crossing to reduce the speed of such vehicle to such a rate that it can be brought to a full stop in case of necessity before reaching the nearest rail of the railroad track and to cautiously proceed over said crossing at a speed not to exceed ten miles per hour.

§ 8. The commission, upon written application made to it by the State Highway Commission, the Board of County Commissioners of any county, the Board of Supervisors of any township, or upon its own motion, shall investigate and determine whether any railroad grade crossing over any state, county or township highway in the state is dangerous to life and property and needs further protection than above set out, and may order the same protected in any manner it may find reasonable and proper, including requiring the railroad company to separate the grades. In such cases, the Board of Railway Commissioners shall give the railroad company interested such notice of said investigation as it deems reasonable and an opportunity to be heard before any order is made. The railroad company interested may, within thirty days after the service of a copy of such order upon it, appeal to the District Court of the county within which such crossing is situated.

§ 9. It shall be the duty of the commission, so far as practicable, to secure uniformity in the devices used to protect grade crossings. No such devices shall be hereafter installed until the same have been approved by the commission. All such devices which are now in use or which may be hereafter installed, which, in the opinion of the commission, conflict with the devices approved by the commission, either in their design or method of operation, so as to create a hazardous condition to travel at such crossing, shall be immediately modified by the railway company controlling the same so as to conform to those approved by the commission.

§ 10. Whenever it is desired, either by the public officials having the necessary authority or by the railway company operating the railroad, to vacate or re-locate any crossing of a public highway and a railroad, or separate grades, and an agreement cannot be reached between such public officials and the railway company, either as to the necessity for such vacation or re-location or separation of grades, as to the place, manner of construction, or a reasonable division of expense in the case of a re-location or separation of grades,

either party may file a petition with the commission, setting forth the facts and submitting the matter to it for determination; whereupon the commission, after such notice as it shall deem reasonable, shall conduct a hearing and issue its order determining whether there should be a vacation or re-location of the crossing in question or a separation of grades, and dividing the expense of such vacation, re-location or separation of grades.

§ 11. The commission may require any railroad company to construct overhead and maintain underground crossings and separate grades when, in its opinion, the interests and safety of the public require, and apportion the cost therefor in such manner as the commission may deem proper, and no overhead or underground crossing, nor separation of grades, shall be made except upon petition therefor to the commission, and with the approval of the commission.

§ 12. No person, firm or corporation shall place or maintain any advertising sign or other similar obstruction upon, over or adjacent to any highway between any such approach sign and the grade crossing which it marks, nor shall any person, firm or corporation place or maintain, upon, over or adjacent to any public highway in this state any sign or symbol in any manner resembling the signs provided for in this act.

§ 13. It shall be unlawful for any person to maliciously injure, remove, displace, deface or destroy any of the signs or signals provided for in this act.

§ 14. The violation of the duties imposed under sections 6 and 7 of this act shall not affect the right of any person to recover damages for an injury; provided such person was exercising due care at the time of such injury, but such person shall be liable to a fine of not to exceed ten dollars (\$10.00) for each such violation.

CORRECTIONS OF ASSESSMENTS OF PROPERTY

An Act To Provide for the Correction of Errors in the Assessment of Property; For the Placing of Omitted Property or Property Which has Escaped Taxation Upon the Tax Lists; For the Re-Assessment of Property which has been Undervalued; and to Repeal Sections 2137, 2216, 2217, 2291, 2292, 2293, 2294, 2295, 2296, 2297, 2298, 2299, 2300, 2301, 2302, 2303, 2304 of the Compiled Laws of the State of North Dakota for the Year 1913.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ 1. Whenever the county auditor shall discover that taxable real or personal property has been omitted in whole or in part in the assessment of any year or years, or that any person has given to the assessor a false statement of his personal property, or that the assessor has not returned the full amount of all property required to be listed in his district, or has omitted property subject to taxation, he shall proceed to correct the assessment books and add such property and assess it at its full and true value.

§ 2. The county auditor shall give notice by mail to the person owning such property or in possession thereof, or his agent, of his action in adding property to the assessment books and shall describe the property in general terms and notify such person to appear before him at his office at a specified time within fifteen (15) days after the date of such notice, to show cause, if any, why such property should not be added to the assessment rolls.

If the party so notified does not appear, or if he appears and fails to give a good and sufficient reason why such assessment should not be made, the same shall be made; and, the county auditor is hereby invested with all the powers of an assessor in discharging the duties assigned to him by the provisions of this act.

§ 3. The board of county commissioners, at its next regular meeting after the assessment of such omitted property shall hear all grievances and complaints thereon and shall proceed to review and equalize such assessments.

§ 4. The county auditor shall enter the valuation of such property as equalized by the county board and shall extend the taxes thereon, and upon completing such assessment and extending the taxes thereon, shall correct the current year's tax list in accord-

ance with such assessment if the current year's tax list has not been certified to the treasurer for collection. In case the current year's tax list has been certified to the treasurer for collection, the county auditor shall certify to the county treasurer a tax list covering omitted property which has been added to the tax list for the current year. The county treasurer shall correct the current year's tax list in accordance therewith without obliterating any name, description or figure in the original tax list as delivered. The county auditor shall always have the power to correct clerical errors occurring in the making up of tax lists so as to make them conform to the assessment books; and in case the tax list has been delivered to the county treasurer, shall certify such corrections to the treasurer and the treasurer shall make the indicated corrections in the tax lists.

The county auditor of each county shall keep a book to be called "Assessment Roll of Property which has Escaped Taxation," in which he shall enter from time to time all property, real or personal, which shall have been omitted in the assessment of any previous year or years, or the assessment of which shall have been set aside by the judgment of any court, such property having thereby escaped taxation. If omitted property is assessed for a prior year or years, the county auditor shall enter the assessment of such property in the assessment roll of property which has escaped taxation at the rate and in the amount for which such omitted property should have been assessed in said year or years. Omitted property shall be assessed for each year during which it escaped assessment and taxation.

After review by the county board, the taxes against such escaped property for prior years shall be entered upon the tax list. In the case of personal property, such taxes shall be entered upon the most recent delinquent personal property tax list. If such list is, at the time, in the hands of the treasurer, the auditor shall certify such taxes to the treasurer, and the treasurer shall enter them upon such delinquent tax list. If the most recent delinquent personal property tax list is at the time in the hands of the sheriff, the auditor shall certify such taxes to the sheriff, and the sheriff shall enter them upon such tax list. In the case of escaped real property, such taxes shall, if entered between the first day of March and the date of the first publication of the tax sale list, be entered upon the most recent delinquent real property tax list; if entered between that date and March first, following such taxes shall be entered upon the current real property tax list. In either case, such real property taxes shall be certified to the treasurer by the auditor and entered in the tax list by the treasurer. Taxes upon escaped property for prior years, whether upon real or personal property, shall be subject to the same penalties and collection thereof shall be forced

at the same time and by the same method as other taxes upon the lists upon which they are entered.

§ 5. Nothing in this act contained shall deprive the tax commissioner of the power to require county auditors to place upon the assessment rolls omitted property which may be discovered to have escaped taxation in whole or in part in the current or previous years as provided in chapter 213, section 5, subdivision m, Laws of 1919.

§ 6. MONEYS—HOW APPROPRIATED.] All taxes collected by the county treasurer under the provisions of this act shall be apportioned in like manner as taxes on other property in such taxing district. Taxes for a year in which the property escaped taxation shall be apportioned as were the taxes of such prior year.

§ 7. REASSESSMENT OF PROPERTY. WHEN MADE.] The board of county commissioners, upon the filing of a petition signed by not less than ten (10) freeholders in any political subdivision, or by the governing board of any such subdivision, requesting a reassessment of property in such subdivision may, in its discretion, order a reassessment of any class of property or all property located in such subdivision, if, in its opinion, taxable property located within such subdivision has escaped assessment in whole or in part or has been unfairly assessed or has not been assessed in accordance with law.

For the purpose of reassessment of property as herein provided, the board of county commissioners is hereby authorized to appoint some competent citizen as a special assessor who shall make a reassessment of the property specified by the board. Such special assessor shall proceed in accordance with the provisions of law now governing local assessors, and shall be allowed for his services and expenses, a sum not to exceed six dollars (\$6.00) per day.

Whenever a reassessment is made pursuant to law, the assessors compensation and expenses shall be audited and allowed by the board by which such reassessment was ordered and paid out of the county treasury upon the warrant of the county auditor. If such reassessment was ordered by the tax commissioner, the expenses thereof shall be audited and allowed by the tax commissioner and certified to the county auditor of the county in which such reassessment was ordered, and the expenses thereof shall be paid out of the county treasury upon warrant of the county auditor. The compensation so paid shall in all cases be charged to the township, city or village in which such reassessment is made and shall be deducted by the county treasurer from funds coming into the county treasury apportionable to such township, city or village.

Upon the completion of such reassessment, the assessor shall certify the same to the county auditor, and it shall be the duty of

the county auditor to forthwith notify each county commissioner of his county of such completion, and call a special meeting of the board of county commissioners to be held at the time and place designated in such call, but not more than thirty (30) days from the time of the making of such call. A notice of such special meeting and the purpose thereof shall be published at least once in an official paper of the county not less than one week prior to such meeting.

The board of county commissioners shall meet at the time and place appointed therefor in such call, and shall proceed to equalize the property reassessed. The board of county commissioners shall hear all grievances and complaints in regard to such reassessment.

§ 8. The board of county commissioners or the tax commissioner shall not order a general reassessment of any class of property in any taxing district in any year after October first of such year.

THEREFROM

AN ACT

For an Act to Amend and Re-enact Section 2185 of the Compiled Laws of North Dakota for the Year 1913, as amended by Chapter 320, Laws of 1923, also Sections 2191, 2192, 2197, 2202, 2203, 3733, 3735, and 3736 of the Compiled Laws of North Dakota for the Year 1913, Providing for Penalties on Delinquent Real Estate Taxes and Special Assessments; for the Sale of Land for Taxes and Special Assessments; Issuance of Certificates of Sale and Assignments Thereof; for Redemption of Land sold at Tax Sale; for the Issuance of Tax Deeds on Land Not Redeemed From Sale for Taxes and for the Disposition or Conveyance of Land Bid in by the County and Not Redeemed or Purchased; and to Repeal All Acts in Anywise Contravening Provisions of this Act.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ 1. AMENDMENT.] Section 2185 of the Compiled Laws of North Dakota for the year 1913 as amended by Chapter 320, Laws of 1923, is hereby amended and re-enacted to read as follows:

“Section 2185. All real estate taxes including hail insurance taxes, both flat and indemnity, and yearly installments of special assessment taxes on real estate, shall become due on the first day of December of the year for which the taxes are levied. One-half of the real estate taxes and all hail insurance taxes both flat and indemnity and all yearly installments of special assessment taxes shall become delinquent on the first day of March following, and if not paid before that date they shall be subject to a penalty of five per cent (5%), and on the first day of November following to an additional penalty of three per cent (3%); provided, that general taxes on real estate, but not hail insurance taxes nor special assessments, may be paid in two equal installments. The second half may be paid at any time up to and including the fifteenth day of October without penalty and if not paid on or before that date a penalty of five per cent (5%) shall be added thereto. Mortgagees and other lien holders, excepting owners of tax sale certificates, shall have the same right as the land owner to pay taxes in installments at any time after they become due. Owners of tax sale certificates shall not be permitted to pay taxes in installments but may pay the entire tax at any time after the first installment becomes delinquent. During the first fifteen days of delinquency, from March first to fifteenth, inclusive, owners of tax sale certificates and also other lien holders or the owner of the land may pay taxes without penalty upon any portion thereof provided the entire tax is paid. If the first installment has been paid, but the second installment remains unpaid after October 15th, the tax sale certificate owner may pay it but he must pay also the penalty of five per cent (5%). The penalties prescribed in this section shall be cumulative and shall be charged and collected accordingly without being specially added or noted on the tax list.”

§ 2. AMENDMENT.] That Section 2191 of the Compiled Laws of the State of North Dakota for the year 1913 be amended and re-enacted to read as follows:

“§ 2191. AUDITOR TO SELL AT PUBLIC VENDUE.] Said sale shall be made at public auction at the office of the county auditor or usual place of holding court in the same building, and shall commence at the hour of ten o'clock in the forenoon, but may be adjourned from day to day for a period of ten days, whenever it is necessary for the disposal of the lands advertised. The land and lots shall be offered for sale by the county auditor or his deputy in the order in which they appear in the advertised list, and each tract or lot shall be offered separately and struck off to the bidder who will pay the total amount of taxes, special assessments or installments of special assessments, hail insurance taxes and penalties and costs charged against it, including any personal taxes specified in the list and in the advertisement, which are a lien upon it, and who will agree to accept the lowest rate of interest from the date of sale on the

amount of such taxes, penalties and costs so paid by him, which said rate shall in no case exceed nine per cent (9%) per annum. But if the sum bid for the same is not paid before the sale closes, such tract or lot shall again be offered for sale in like manner.

It shall be unlawful for the bidders at such sale to enter into any understanding or agreement direct or indirect to stifle competition, by bidding in rotation or turn, or in refraining from bidding to give others opportunity to acquire particular tracts without competition, and upon discovering any such combination, understanding or agreement to exist, or upon the development of any system of bidding in rotation or systematic refraining from bidding to avoid competition it shall be the duty of the auditor to refuse to accept bids made in furtherance of any such scheme, combination or understanding, and he may if he shall deem it probable that sales already made have been to bidders in any such combination, declare all such sales rescinded, and proceed to resell the same, or adjourn the sale from day to day for not to exceed 10 days until a proper sale can be had.

The county treasurer shall attend the sale and receive all moneys paid thereon and when any tract of land or lot remains unsold for want of bidders, the same shall again be offered before the sale closes, and if there is no other bidder he shall bid for the same in the name of the county and the same shall be struck off and become forfeited to the county in which the sale takes place, such county acquiring all the rights both legal and equitable that a person could acquire by reason of a purchase at such sale. Such tract or lot shall be assessed and taxed like other real estate until the period of redemption expires but shall not again be offered for sale for such subsequent taxes unless the county has made an assignment of the certificate of sale.

Whenever any real property shall be sold to the county, the county auditor shall make out certificate of sale to the county in the same manner as if sale had been made to any other person which certificate shall be retained by the county treasurer; but no tax receipt shall be issued and no amount due the state or any taxing district shall be paid by the county until the county has received payment, either through redemption or sale of the property or assignment of the certificate. A certificate so issued to the county shall bear interest at the rate of nine per cent (9%) per annum.

The county auditor, upon the order of the board of county commissioners shall defer the sale of any parcel of real estate for unpaid taxes until the delinquent taxes thereon, together with accrued penalty and interest, shall amount in the aggregate to the sum of five dollars or such lesser sum as the board may determine upon. In

any case where such tax sale shall be deferred upon the order of the board of county commissioners, the publication of delinquent tax list shall not include parcels not offered for sale. Such real estate may be included in the notice of tax sale and sold at the tax sale of any subsequent year, and in such notice the combined aggregate amount of all delinquent taxes against each parcel may be set forth in a single lump sum and a single sale made for all delinquent taxes, penalties and interest against each parcel. It shall not be necessary for the notice of sale to contain anything to indicate that such amount includes taxes of more than one year. The omission of sale upon order of the board of county commissioners, or by error or otherwise, shall not invalidate any subsequent tax sale. Property inadvertently omitted from any tax sale may be sold at the tax sale of any subsequent year in similar manner as though its sale had been purposely deferred, and this may be done even though the amount of taxes against it, when thus inadvertently omitted, is in excess of five dollars.

§ 3. AMENDMENT.] That Section 2192 of the Compiled Laws of the State of North Dakota for the year 1913 be amended and be re-enacted to read as follows :

§ 2192. CERTIFICATE OF SALE. ASSIGNMENTS FILED. SUB-] SEQUENT PAYMENTS.] The purchasers of any tract of real property sold by the county auditor for taxes shall be entitled to a certificate describing the land so purchased, stating the sum paid and the time when the purchaser will be entitled to a deed, which certificate shall be signed by the county auditor in his official capacity and shall be presumptive evidence of the regularity of all prior proceedings. The county auditor shall execute to the purchaser of any piece or parcel of land a certificate of sale covering each parcel of land sold to any purchaser, which certificate may be substantially in the following form :

Such certificate shall be assignable and the assignee shall acquire all the rights of the original purchaser of the real property described therein. He may present the assigned certificate to the county auditor for entry and such county auditor shall enter on the record of such sale the fact that the certificate has been assigned, entering the name and address of the assignee and the date when such assignment was presented for such entry. Such purchaser at tax sale or assignee of such certificate may pay taxes for subsequent years at any time after they become delinquent and shall have the same lien for such subsequent taxes and may add them to the amount paid by him in the purchase; and the treasurer shall make out tax receipt in duplicate for such taxes paid as subsequent, and shall write thereon "Paid as Subsequent Taxes," and the county auditor shall enter on the record of delinquent taxes or tax sale record the payment of such subsequent taxes giving the name of the person by whom paid, the date when paid, the amount paid, and for what year such subsequent tax was levied. At all tax sales made as provided herein, except in case of purchase by the county, the treasurer shall make out the tax receipt in duplicate for the taxes upon the real property mentioned in such certificate the same as in other cases and shall write thereon "Sold for Taxes."

§ 4. AMENDMENT.] That Section 2197 of the Compiled Laws of the State of North Dakota for the year 1913 be amended and re-enacted to read as follows:

“§ 2197. REDEMPTION OF REAL ESTATE.] (1) If at said sale any piece or parcel of land shall be sold to a purchaser, the same may be redeemed at any time within three years from the date of sale by any person or corporation having an interest therein who shall pay into the treasury of the county for the credit of the person thereto entitled, the amount paid by the purchaser at the time of sale, with a penalty of three per cent and interest thereon at the rate specified in such certificate of sale together with all amounts of subsequent taxes, penalties and interest paid by the holder of such certificate of sale up to the date of redemption with interest at the rate of three-fourths of one per cent per month from the date of payment of such subsequent taxes, which date of payment shall not be prior to the day upon which such subsequent tax became delinquent, provided that the change in penalty upon redemption from tax sale and the change in rate of interest upon subsequent taxes made by this amendment shall not apply to certificates issued or subsequent taxes paid prior to the taking effect of this act. In case any piece or parcel of land was struck off to the county at tax sale, then any person or corporation having an interest therein shall have the same right of redemption from the county, and on the same terms, as from a purchaser at a tax sale. The county auditor shall certify to the amount due upon redemption, and on payment of the same to the county treasurer, the county treasurer shall make duplicate receipts, for the certified amount, describing the property redeemed, one of which receipts shall be filed with the county auditor, which shall have the effect of annulling the sale. If the amount so paid for the purpose of redemption be less than required by law it shall not invalidate such redemption, but the county auditor shall be liable for the deficiency to the person entitled thereto, and shall personally have a right of action against the person redeeming to recover from him the amount of such deficiency. Minors, insane persons or persons in captivity, or in any country with which the United States is at war, having an estate in, or liens on lands sold for taxes, may redeem the same within three years after such disability ceases; but in such cases the right to redeem must be established in a suit for that purpose, brought against the party holding the title under sale. Any person who has or claims an interest in, or lien upon, any undivided estate in any piece or parcel of land sold, may redeem such undivided estate by paying into the county treasury a proportionate part of the amount required to redeem the whole and in such case the certificate of redemption shall express the estate or interest redeemed.

(2) PARTIAL REDEMPTION OF REAL ESTATE.] The owner of any piece or parcel of land which has been sold at tax sale may pay the taxes for which the land was originally sold at tax sale together with accrued interest and penalty thereon at any time without making payment of any subsequent taxes and may also pay the subsequent taxes for the next succeeding year or years. In making

such partial redemption the owner shall be required to first pay the taxes for which the land was originally sold and in making payment of any subsequent taxes shall be required to pay such taxes in the order in which such taxes were levied. Upon payment of any such taxes with accrued interest and penalty into the county treasury, the county auditor shall recall the original tax sale certificate and in case the holder of such original tax sale certificate has paid taxes as subsequent to such certificate the county auditor shall issue to him a new certificate which shall be known as A Subsequent Tax Sale Certificate. Such subsequent tax sale certificate shall describe the premises originally sold at tax sale, shall state the amount for which they were originally sold and shall set forth the amount of taxes paid as subsequent to the original tax sale certificate which remain unredeemed, and also the amount paid in partial redemption from such tax sale, and may be in substantially the following form:

Subsequent tax sale certificates shall have the effect of conveying all the rights, interest, privileges and title conveyed by an original certificate of tax sale issued pursuant to the regular annual auditor's tax sale. The owner of a subsequent tax sale certificate shall be entitled to a tax deed three years from the date of issuance of such subsequent tax sale certificate upon the giving of the statutory notice of expiration of the period of redemption. The procedure prescribed in Section 2223, Compiled Laws of North Dakota for the year 1913, as amended by Chapter 63 of the Special Session Laws of 1919 and acts amendatory thereof shall be followed, and in case redemption be not made, tax deed shall be issued in the same manner and with the same force and effect as though issued under an original tax sale certificate issued pursuant to a regularly conducted annual tax sale. The provisions of this section shall apply to redemptions or partial redemptions hereafter made regardless of whether the tax sale certificates were issued and subsequent taxes paid as subsequent before or after the taking effect of this act. A partial redemption of real estate taxes covered by a subsequent tax sale certificate may be made in the same manner as par-

tial redemption is made from a tax sale certificate but a partial redemption shall in no case be allowed more than twice as to the same tax sale, once from the tax sale certificate and once from the subsequent tax sale certificate. In case of a partial redemption from a subsequent tax sale certificate, the form of certificate issued may be varied from the foregoing form by appropriate reference to the prior partial redemption.

§ 5. AMENDMENT.] That Section 2202 of the Compiled Laws of the State of North Dakota for the year 1913 be amended and re-enacted to read as follows :

The lien of any special assessment taxes included in the tax sale certificate or of subsequent special assessment installments delinquent at the time of issuance of tax deed shall be extinguished and void but such property shall be subject to installments of special assessments becoming delinquent after date of issuance of tax deed.

(2) The county auditor shall on or before February 1st of each year give notice of the expiration of the period of redemption as to all tracts of real esate on which the period of redemption has expired. “§ 3733 DELINQUENT SPECIAL ASSESSMENT TAXES.] Real property shall be sold to enforce collection of special assessments, or installments of special assessments, which have become delinquent, at the same time and in the same manner as for general taxes. The sale shall be made by the same officer and upon like notice and subject to the same provisions in relation to redemption and the same record thereof shall be kept by the officer making the sale as in the case of sale of real property for delinquent general taxes. If any real property is subject to sale at the same time for delinquent general taxes and also for delinquent special assessments, they shall be advertised and sold together in one sum and one certificate shall be issued therefor. In case there is no delinquent general tax against any parcel of real estate and it is sold for special assessments alone, the certificate of tax sale shall contain a statement to the effect that the sale was for special assessments. The rights of owners of tax sale certificates issued before the enactment of this amendment shall not be affected by its enactment except as provided in Section 4 of this act. The assignment shall be made on the same terms as is provided for assignments by the county to individuals, except that amounts of special assessment liens, assessed by the city shall not be collected by the county treasurer from said city. If no redemption is made from such tax sale, the real estate covered by such certificate shall become the absolute property of the city at the expiration of three years from the date of the tax sale, and may be disposed of by the city at public or private sale as may be provided by the city council.”

§ 9. AMENDMENT.] Section 3736 of the Compiled Laws of North Dakota for the year 1913 is hereby amended and re-enacted to read as follows:

“§ 3736. TAX DEED.] In case such lands are not redeemed from such tax sale and the city shall have purchased assignment of general taxes from the county, the county auditor shall, at the expiration of the period of redemption, issue a deed therefor to such city, provided that no deed shall be issued until notice of expiration of the period of redemption has been given as provided for sales for general taxes.”

§ 10. All acts and parts of acts in conflict with the provisions of this act are hereby repealed and in case any provision of this act shall be held to be invalid, the validity of other provisions shall not thereby be impaired.

§ 11. This act is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval.

JURISDICTION DISTRICT COURT IN FORECLOSURE OF TAX
LIENS

An Act Providing that District Courts shall have Jurisdiction in the Foreclosure of Tax Liens in Cases of Irregular Tax Sales, Prescribing the Procedure in such Cases; and Providing that such Remedy shall be Cumulative.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ 1. JURISDICTION OF DISTRICT COURT.] In all cases in which real estate has been sold at tax sale and in which such tax sales were irregular or of doubtful validity, the district court of the proper county shall have jurisdiction in an action in equity brought for that purpose to foreclose the lien of the delinquent taxes for which such land was sold and to enter judgment foreclosing the same and decreeing that the same shall be sold under special execution in a manner similar to that prescribed in case of the foreclosure by action of a mortgage or other lien upon real estate. The ordinary procedure in equity cases shall apply to such actions, but in cases of real estate sold at the tax sale held in 1923 or subsequent years, it shall be the duty of the court to include in its decree such provision as will permit such period of redemption from execution sale as may be necessary to give to those entitled to redeem at least as long as a period of redemption as they would have had if the tax sale in question had been valid in all respects and tax deed thereunder had been applied for at the earliest date permitted under statutes with reference to procuring tax deeds under tax sales. The provisions of this act shall apply both to tax sales heretofore held and those which may be held in the future. The remedy provided by this act shall be cumulative and in addition to all other remedies already existing or which may be provided at the present session of the legislature and shall not be held to impair or detract from any other remedy provided by any other statute or statutes.

§ 2. ACTION BROUGHT BY WHOM.] Such action may be brought by the purchaser at tax sale or his successor in interest and such irregular tax sale shall be held to have assigned, transferred, and conveyed to the purchaser and his successors in interest the lien of the taxes included therein and all subsequent taxes paid by the purchaser or his successors in interest. In case such land was, at such tax sale, struck off to the county, such action shall be brought in the name of the county in which such real estate is situated as

plaintiff, and may be instituted by the attorney general or by the states attorney of such county. In case of the refusal or failure of both such officials to institute such action or in case the board of county commissioners of the county interested or the governing board of any city or school district interested in such taxes shall desire to be represented by additional counsel, the district court may, upon application, enter an order appointing special counsel to represent such county, city or school district.

§ 3. COUNTY TREASURER TO BID AT EXECUTION SALE.] It shall be the duty of the county treasurer to attend the execution sale held pursuant to the decree in any such action in which the county is plaintiff; and if there are no other bidders offering the amount of the judgment plus interest and accrued and accruing costs, the county treasurer shall bid such amount in the name of the county and the sheriff shall sell the same to the county, but the county shall not be required to pay any cash upon such sale. If redemption be not made from such sale, sheriff's deed shall at the expiration of such period of redemption be issued to the county, and it shall be the duty of the county board to dispose of such land by sale as in other cases and out of the proceeds of such sale, after paying the costs of such action and of the sale, there shall be paid all general taxes, or if the sum realized is not sufficient to pay all general taxes, then the county auditor shall apportion the amount realized ratably among the state and the several interested taxing districts. Hail insurance taxes shall be considered as general taxes in making such apportionment. After paying all general taxes, such portion of the balance as may be necessary shall be applied in payment of special assessments, or if the amount is not sufficient to pay special assessments in full, then the amount available shall be apportioned ratably among the special assessment funds entitled to share therein. Any balance remaining after the payment of all costs, general taxes, hail insurance taxes and special assessments shall be paid into the general fund of the county. If, however, the real estate is sold by the sheriff at execution sale to a cash purchaser, he shall pay over to the clerk of the district court the proceeds of the sale to be disposed of in accordance with the order of the court.

Approved March 7th, 1925.

INCOME TAX

An Act To Amend Chapter 312, Laws of 1923, Relating to the State Income Tax Imposed on Incomes of Individuals, Fiduciaries, Corporations, Joint Stock Companies or Associations and Insurance Companies in the State of North Dakota.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ 1. AMENDMENT.] Subdivision 3 of Paragraph (c) of Subsection 2 of Section 7 of Chapter 312, Session Laws of 1923 is hereby amended and re-enacted to read as follows:

(3) "Where the income is derived from the conduct of a public utility, the portion thereof attributable to business within the state shall be taken to be such percentage of the total of such income as the tangible property and business within the state bear to the total tangible property and total business, the percentages of tangible property and of business being separately determined as hereinafter provided, and the two percentages averaged.

"For the purposes of the foregoing computation, the value of the tangible property shall be taken to be the average value of the tangible property held and owned by the corporation in connection with such business during the year for which the income is returned, excluding any property the income of which is not taxable or is separately allocated under the foregoing provisions of this act."

The term "tangible property" wherever it occurs in this act shall mean real property and corporeal personal property and shall not mean money, bank deposits, shares of stock, bonds, notes, credits, evidences of debt, choses in action, or evidence of interests in property. In determining the tangible property located within this state of a railroad company operating both within and without the state, the valuation of rolling stock and equipment within the state shall be found by applying to the total valuation of the entire rolling stock and equipment of such company that proportion or percentage which the car and locomotive mileage within the state during the income year bears to the total car and locomotive mileage of such company's cars and locomotives used in the conduct of its business both within and without the state for that year.

The business of the public utility shall be measured by the amount which the utility has paid out during the year for which the income is returned for wages, salaries, or other compensation to employees plus the amount of receipts from the carrying on of

the business. Receipts in North Dakota shall be held to include in addition to all receipts from business commencing and terminating within this state such portion of receipts from all interstate business passing through or into or out of the state as is determined by applying to gross receipts from all such business that percentage which the mileage within the state over which such business was carried bears to the entire mileage over which it was carried.

Accounts payable for compensation and accounts receivable from services rendered and other sources arising from business during the year shall be included in the formula if the corporation's return is made on the accrued basis.

For the purposes of this subsection, payments for wages, salaries, and other compensation shall be assigned to the office, agency or place of business of the corporation at which the employee chiefly works or from which he is sent out or with which he is chiefly concerned.

§ 2. AMENDMENT.] Section 23 of Chapter 312, Laws of 1923 is hereby amended and re-enacted to read as follows:

§ 23. INFORMATION AT THE SOURCE.] (1) Every individual, partnership, corporation, joint stock company or association or insurance company, being a resident of or having a place of business in this state in whatever capacity acting, including lessees and mortgagors of real or personal property, fiduciaries, employers and all officers and employees of the state or of any state institution, or of any political subdivision within the state, having the control, receipt, custody, disposal or payment of interest (other than interest coupons payable to bearer), rent, salaries, wages, premiums, annuities, compensations, remunerations, emoluments, or other fixed or determinable annual or periodical gains, profits and income, amounting to \$1,000 or over in salaries or wages and \$600 or over of other payments mentioned herein, whether paid or payable during any year to any taxpayer, shall make complete return thereof under oath to the tax commissioner, under such regulations and in such form and manner and to such extent as may be prescribed by the said tax commissioner.

(2) Every partnership, having a place of business in the state, shall make a return, stating specifically the items of its gross income and the deductions allowed by this act, and shall include in the return the names and addresses of the individuals who would be entitled to share in the net income if distributed, and the amount of the distributive share of each individual. The return shall be sworn to by any one of the partners.

(3) All returns required under this section shall be made on or before the fifteenth day of the third month following the close

of the fiscal year of the person required to make such return, or if the return is made on the basis of a calendar year, then the return shall be made on or before the fifteenth day of March.

§ 3. AMENDMENT.] Section 19 of Chapter 312, Laws of 1923 is hereby amended and re-enacted to read as follows:

§ 19. In computing net income, there shall be allowed as deductions:

(1) "All the ordinary and necessary expenses paid during the income year in the carrying on of any trade or business including a reasonable allowance for salaries or other compensation for personal services actually rendered, and including rentals or other payments required to be made as a condition to the continued use or possession for the purposes of the trade or business of property to which the taxpayer has not taken or is not taking title, or in which he has no equity.

(2) "Interest paid or accrued within the year on taxpayer's indebtedness.

(3) "Taxes paid or accrued within the income year upon property or business, but not including those assessed against local benefits of a kind tending to increase the value of the property assessed. Federal income taxes may be deducted to the extent such taxes represent a tax paid on income taxable under this act.

(4) "All losses sustained during the income year and not compensated for by insurance or otherwise.

(5) "Debts ascertained to be worthless and charged off during the taxable year, if the amount has previously been included in gross income in a return under this act.

(6) "A reasonable allowance for necessary repairs and a reasonable allowance for depreciation by use, wear and tear of property used in business or trade, and in case of mines, oil and gas wells or other natural deposits, a reasonable allowance for depletion of ores and other natural deposits on the basis of their actual original cost in cash or in the equivalent of cash, and including cost of development, and in case of property acquired prior to January 1, 1919, the fair market value on that date shall be taken in lieu of cost up to that date.

(7) "Dividends or income received by any person from stock or interest in any corporation, the income of which shall have been assessed under this act; provided, that when only a part of the income of any corporation shall have been assessed under this act, only a corresponding part of the dividends or income received therefrom shall be deducted. Income tax paid at the source shall be deducted from the amount of tax due.

(8) "Contributions or gifts made within the income year to (a) the state of North Dakota, or any political subdivision thereof, exclusively for public purposes, or (b) to any community chest, corporation, association or trust, or fund, or foundation, organized and operated exclusively for religious, charitable, scientific, literary or educational purposes, or for the prevention of cruelty to children or animals, no part of the net earnings of which inures to the benefit of any private shareholder or individual; or (c) to posts or organizations of war veterans or auxiliary units or societies of such posts or organizations, if such posts, organizations, units, or societies are within North Dakota and if no part of their net income inures to the benefit of any private shareholder or individual; provided, that such contributions or gifts may be deducted only to an amount which in all the above cases combined does not exceed fifteen per cent (15%) of the taxpayer's net income as computed without the benefit of this subsection."

§ 4. All acts and parts of acts in conflict with the provisions of this act are hereby repealed.

Approved March 6th, 1925.

IRREGULARITIES OF LAND TO BE PLATTED

An Act To Amend and Re-enact Section 2214 of the Compiled Laws of North Dakota for 1913, relating to irregularities of land to be platted into lots if required.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ I. AMENDMENT.] That Section 2214 of the Compiled Laws of 1913 be amended and re-enacted to read as follows:

§ 2214. IRREGULARITIES OF LAND TO BE PLATTED INTO LOTS IF REQUIRED.] In all cases where any tract or lot of said land is divided into irregular shapes that cannot be described except by metes and bounds, also any town addition or subdivision that has already been platted into blocks and lots and subsequently sold into parts of blocks or lots which cannot be described only by metes and bounds, or that the courses, distances and sizes of each lot and fractional lot is not given or marked upon said plat so that the precise location of each and every lot and fractional lot can be accurately ascertained, surveyed or laid out, it shall be the duty of the owner of such tract or tracts upon the request of the county auditor to have such land platted or replatted, as the case may be, into lots or blocks as per deeds on record, if such plat cannot be made without actual survey of the land then they shall have the same surveyed, platted and the plat thereof recorded. If the owners of any such tract shall refuse or neglect to cause such plat and survey when necessary to be made and recorded within thirty days after such request, the county surveyor shall, or some other competent surveyor may, upon the request of the county auditor, make out such plat from the records of the register of deeds if practicable; but if it cannot be made from such records then he shall make the necessary survey and plat thereof, and the said auditor shall have the same

recorded; provided, that no plat as aforesaid shall be recorded until approved by the City Engineer of the City affected by said plat, in case there be no City Engineer, then by the County Surveyor. A certificate of such acknowledgement shall be by the officer taking the same, endorsed on the plat or map, which certificate, or survey and acknowledgment, shall also be recorded and form a part of the record, such plat being duly certified and recorded and description of the property in accordance with the number and description set forth in such plat shall be deemed a good and valid description of the lots or parcels of land so described; provided, that no such plat or description as herein provided for shall bear the same name or number that has already been applied to any plat or description previously made and recorded as a part of any such town, village or city. When the owners of such land shall fail to comply with the provisions of this section the costs of surveying, platting and recording shall be paid by the county, upon allowance by the county commissioners, and the amount thereof shall be added to the tax upon such tracts or lots the ensuing year, which tax, when collected, shall be credited to the county fund. Such county surveyor or other surveyor shall be entitled to receive for his services in making such survey or plat the same compensation as is now allowed by law for doing other county surveying or platting, and such fees shall become a legal charge upon such tracts of land as herein provided for.

IRREGULAR TAX SALES

An Act Providing that Real Estate which has been Sold at Tax Sale Which Sale is Invalid or of Doubtful Validity because not Conducted in Accordance with Section 3733 of the Compiled Laws of 1913, or for Other Reasons, May Again be Sold at Future Tax Sales for the Taxes of the Years Included in Such Irregular Tax Sales.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ I. IRREGULAR TAX SALES. REAL ESTATE MAY BE AGAIN SOLD.] Real estate which has heretofore been offered for sale at tax sale under proceedings which were irregular by reason of non-observance of provisions of Section 3733 of the Compiled Laws of North Dakota for the year 1913, or were irregular, invalid or of doubtful validity for any other reason and which was struck off

to the county may be again sold at tax sale for the taxes of any year included in such irregular sales or sales of doubtful validity. The several amounts of taxes and installments of special assessments for the year or years involved may be all included together in one lump sum and may be combined in one lump sum with the delinquent tax or installment of special assessment of 1924 or whatever other year is, in the usual course of procedure, included in the particular tax sale to be held, the purpose being to state a single amount against each tract to include not only taxes and installments of special assessments for all years in which the tax sales are considered to be irregular, but also taxes and installments of special assessments for the year which, in the usual course of procedure, would be included in the notice of tax sale. In such cases the notice of tax sale shall include a statement to the effect that the land is being offered for taxes of such prior years and there shall appear after each numerical description of real estate the years for which taxes or special assessments or taxes and special assessments are included. In computing the amount of taxes for such prior years the auditor shall compute interest upon each year's taxes and upon accrued penalties at the rate of six per cent (6%) per annum from December first of the year in which said taxes or installments of special assessments became delinquent.

Re-sales held under the provisions of this act shall have the same validity, force and effect as tax sales conducted in accordance with the law providing for the regular annual tax sale and in case redemption be not made therefrom, tax deed shall issue the same as in cases of sales under the regular annual tax sale and with the same validity, force and effect. In case, at such resale, real estate is struck off to the county, tax deed shall, if the same is not redeemed, be issued to the county in the same manner as to a private purchaser.

In case, upon such resale, the county acquires real estate upon which there are, in addition to general taxes, either special assessments or hail insurance taxes or both, the county shall, after acquiring tax deed for such property, sell it under the same procedure as in case of property acquired by ordinary tax deed, and out of funds realized upon such sale shall retain first all amounts due for delinquent general taxes, and out of the balance shall pay delinquent hail insurance taxes and delinquent installments of special assessments; and in case there are both hail insurance taxes and delinquent installments of special assessments included in such resale and the amount realized is not sufficient to pay all such amounts in full, then whatever sum is available for such purposes shall be pro-rated among delinquent hail insurance taxes and delinquent installments of special assessments in the proportion which each such delinquent tax or installment bears to the aggregate of all such de-

linquent hail insurance taxes and delinquent installments of special assessments combined. Sales held under the provisions of this Act shall have the effect of cancelling any prior sales covering taxes of the same year or years.

Approved March 10, 1925.

LISTING PROPERTY FOR TAXATION PURPOSES

An Act To Amend and Re-enact Section 2093 of the Compiled Laws of North Dakota for the Year 1913 as Amended and Re-enacted by Chapter 228, Laws of 1917, Relating to the Matter of Listing Property for Taxation Purposes.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ I. AMENDMENT.] Section 2093, Compiled Laws of North Dakota for the year 1913 as amended and re-enacted by Chapter 228, Laws of 1917, be amended and re-enacted to read as follows:

§ 2093. LISTING OF PROPERTY.] All real property subject to taxation shall be listed and assessed every odd numbered year with reference to its value on April first of that year and shall not be reassessed in the following year, except by order of the board of county commissioners or tax commissioner. Property assessed in odd numbered years shall be taxed upon the assessed valuation as equalized by the state board of equalization in such year and in the following year except as herein otherwise provided. All real property becoming taxable in any intervening year shall be listed and assessed with reference to its value on April first of that year.

Personal property shall be listed and assessed annually with reference to its value on April first. In every even numbered year at the time of assessing personal property, the assessor shall also assess all real property that may have become subject to taxation since the last previous assessment, and all buildings or other structures of any kind, whether completed or in process of completion, or improvements on any structures of over one hundred dollars (\$100) in value, the value of which has not been previously added to or included in the valuation of the land or lots on which they have been erected.

Whenever after the first day of April and before the first day of June in any year, it is made to appear to the assessor by the oath

of the owner or owners, that any building, structure or other improvement or tangible personal property, which is listed for taxation for the current year has been destroyed or injured by fire, flood or tornado, he shall investigate the matter and deduct from the valuation of the property of the owner of such destroyed property, an amount which, in his judgment, fairly represents such deduction as should be made; no deduction shall be made on account of damages covered by insurance, or damages amounting to less than one hundred dollars (\$100). In case of an abatement by the board of county commissioners and tax commissioner of the valuation of any parcel of real estate as assessed in an odd numbered year pursuant to Chapter 227, Session Laws of 1917 or acts amendatory thereof, the valuation as abated shall be the assessed valuation in the even numbered year next following, except as otherwise herein provided.

§2. All acts and parts of acts in conflict with this act are hereby repealed.

TAXATION PERSONAL PROPERTY

An Act To Amend and Re-enact Section 2094 and Section 2122 of the Compiled Laws of 1913, Relating to the Manner of Listing and Assessing Personal Property; to Repeal Sections 2102 and 2103. Compiled Laws of 1913, and Chapter 232, Session Laws of 1915; to Amend and Re-enact Chapter 68, Special Session Laws of 1919 Relating to the Situs of Property for Taxation; to Amend and Re-enact Section 2101, Compiled Laws of 1913, Relating to Time and Place of Listing Taxable Property; and to Repeal all Acts and Parts of Acts in Conflict with this Act.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ I. AMENDMENT.] Section 2094 of the Compiled Laws of the state of North Dakota for the year 1913 is hereby amended and re-enacted to read as follows:

§ 2094. MANNER OF LISTING PERSONAL PROPERTY.] (1) Every person of full age and sound mind shall list all taxable personal property of which he is the owner or which is in his possession or under his control as guardian, parent, husband, trustee, executor, administrator, receiver, accounting officer, partner, agent or corporation official.

(2) Every person required by this Chapter to list property shall, when called upon by the assessor, make out and deliver to the

assessor a statement verified by oath, of all the personal property in his possession or under his control, and which by the provisions of this chapter, he is required to list for taxation, either as owner or holder thereof or as a guardian, parent, husband, trustee, executor, administrator, receiver, accounting officer, partner, agent, or corporation official. Such sworn statement shall be in such form and contain such classifications of property as the tax commissioner may prescribe, subject to the supervision of the state board of equalization.

(3) It shall be the duty of the assessor to determine the true and full value of each item of personal property listed for taxation and to add omitted property so that when completed the assessment shall include all the personal property of the taxpayer subject to taxation in his district. In case any person whose duty it is to list property with the assessor shall refuse to list property which it is his duty to list for taxation or shall omit from his statement to the assessor taxable property which it is his duty to list, the assessor shall as a penalty for such refusal or omission, assess such property at an amount twenty-five per cent (25%) in excess of its true valuation. In such cases he shall report to the local board of review the name of the taxpayer, the property with respect to which he has made such additional assessments by way of penalty, and the amounts of such assessments in excess of actual value.

§ 2. AMENDMENT.] Section 2122 of the Compiled Laws of the State of North Dakota for the year 1913 is hereby amended and re-enacted to read as follows:

“§ 2122. ALL PROPERTY TO BE ASSESSED AT FULL VALUE. VALUE, HOW DETERMINED.] All property subject to taxation shall be assessed at its true and full value in money. In determining the true and full value of real and personal property the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation; nor shall he adopt as a criterion of value the price at which said property would sell at auction or at forced sale or in the aggregate with all the property in the town or district, but he shall value each article or description of property by itself and at such sum or price as he believes the same to be fairly worth in money. In assessing any tract or lot of real property the value of the land, exclusive of improvements, shall be determined; also the value of all taxable improvements and structures thereon, and the aggregate value of the property, including all taxable structures and other improvements, excluding the value of crops growing upon cultivated lands. In valuing any real property upon which there is a coal or other mine or stone or other quarry, the same shall be valued at such a price as such property, including the mine or quarry, would sell at a fair voluntary sale for cash.

This section shall not apply to mineral reserves included within the provisions of Chapter 319 of the Sessions Laws of 1923, and shall not be construed to repeal, amend or in anywise impair the force and effect of Chapter 298, Session Laws of 1923.

§ 3. AMENDMENT.] Chapter 68 of the Special Session Laws of 1919 is hereby amended and re-enacted to read as follows:

“§ 2095. WHERE ASSESSED.] Except as otherwise provided by statute or by the constitution of this state, all taxable tangible personal property shall be assessed in the county, city, township, village or district in which it is situated. ‘Moneyed capital’ within the meaning of Section 5219 of the Revised Statutes of the United States and such other moneys and credits as may hereafter be made taxable by the legislature, including stocks and bonds, other than bank stock, shall be listed and assessed against the owner thereof at his place of business, and if a corporation, at its principal place of business, and if there be no principal office or place of business in this state, then such personal property shall be listed in the assessment district in which the business of the corporation or person is carried on.”

§ 4. AMENDMENT.] Section 2101 of the Compiled Laws of the state of North Dakota for the year 1913 is hereby amended and re-enacted to read as follows:

“§ 2101. PLACE OF LISTING. HOW DECIDED IN CASE OF DOUBT.] All taxable personal property wherever and whenever found between the first day of April and the first day of June shall be listed by the assessor, and in all questions that may arise under this chapter as to the proper place to list personal property or where the same cannot be listed as stated in this chapter, if between several places in the same county, the place for listing and assessing shall be determined and fixed by the county board; and when between different counties, or places in different counties, by the tax commissioner of the state; and when so fixed shall have the same effect and be as binding as if fixed hereby.”

§ 5. REPEAL.] Sections 2102 and 2103 of the Compiled Laws of the State of North Dakota for the year 1913, and Chapter 232 of the Session Laws of 1915, together with all acts and parts of acts in conflict with the provisions of this act are hereby repealed.

§ 6. EMERGENCY.] This act is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval.

DELINQUENT PERSONAL PROPERTY TAXES

An Act To Amend and Re-enact Section 2166 of the Compiled Laws of North Dakota for the Year 1913 Relating to Delinquent Personal Property Taxes.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ 1. AMENDMENT.] Section 2166 of the Compiled Laws of North Dakota for the year 1913 is hereby amended and re-enacted to read as follows:

§ 2166. DELINQUENT PERSONAL PROPERTY TAXES. WHEN DUE. PENALTY. DISTRESS.] All personal property taxes shall become due on the first day of December in each and every year for which the tax was levied, and become delinquent on the first day of March next after they become due, and thereupon a penalty of five per cent shall attach and be charged upon all delinquent taxes, and thenceforth there shall be a charged interest at the rate of three-fourths of one per cent per month on the original amount of the tax until the same is paid. The county treasurer shall, during the month of January preceding the time when such tax shall become delinquent, give notice of the fact by mailing to each person, firm or corporation, a written notice stating the amount of tax due from each person, firm or corporation, and the date when the same shall become delinquent. On or before the first day of September in each year the county treasurer shall make out a list of the unpaid delinquent personal property taxes, in the same order as they appear on the tax list, and shall, on or before the fifteenth day of September thereafter, notify by mail each of the delinquents that unless such taxes are paid on or before the fifteenth day of October, such taxes will be placed in the hands of the sheriff for collection, and the county treasurer shall on said fifteenth day of October deliver such list of delinquent taxes to the sheriff of his county, who shall immediately proceed to collect all such delinquent personal property taxes, and if such taxes are not paid upon demand he shall distrain sufficient goods and chattels belonging to the person, firm or corporation charged with such taxes if found within the county, to pay the same, with the said penalty of five per cent and all accruing interest and costs, and shall immediately proceed to advertise the same by posting notices in three public places in the town or district where such property is taken, stating the time when, and the place where, such property shall be sold, and the amount of said delinquent tax, together with the penalty and accruing interest, which place of sale shall be at the residence or place of business of the person, firm or

An Act To Amend and Re-enact Section 2212 of the Compiled Laws of North Dakota for the year 1913, as amended by Chapter 252 of the Session Laws of 1915, relating to the duty of the County Auditor and the requirements of the Transfer of Real Property as to Taxes, Deeds and Other Instruments of Conveyance.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ I. AMENDMENT.] That Section 2212 of the Compiled Laws of North Dakota for the year 1913, as amended by Chapter 252 of the Session Laws of 1915, is hereby amended and re-enacted to read as follows:

When any deed, patent or Final Decree of Distribution is presented to the County Auditor for transfer, he shall ascertain from the books and records in the offices of the County Treasurer and County Auditor if there be delinquent taxes or special assessments on the land described therein, or if it has been sold for taxes and if there are delinquent taxes or delinquent special assessments or installments of special assessments due thereon, he shall certify to the same, and when the receipt of the County Treasurer shall be produced for the said delinquent taxes or special assessments or installments of special assessments and for any other delinquent taxes or special assessments or installments of special assessments that may be in the hands of the County Treasurer or County Auditor for collection, the County Auditor shall enter on every deed, or patent so transferred, over his official signature, "taxes and special assessments or installments of special assessments, paid and transfer entered," or if the land described has been sold for taxes, "paid by sale of the land described within," or if it is an instrument entitled to record without regard to taxes, "transfer entered," and unless such entry is made upon any deed, patent or Final Decree of Distribution, the Register of Deeds shall refuse to receive or record the same; provided, that Sheriff's or referee's certificates of sale on execution or foreclosures of mortgages may be recorded by the Register of Deeds without any such certificate from the County Auditor. The County Auditor shall keep a record of such transfers in a book kept for that purpose, showing the names of the grantor and grantee, a description of the property and the date of the transfer, and shall collect twenty-five cents for each certificate, from the person or persons presenting the same for certification, and said

Approved March 6, 1925.

NOTE: When S. B. No. 114 was under consideration in the Senate, Senator Kaldor on February 7th moved that the word "delinquent" be inserted before the word "taxes" appearing in the certificate by the County Auditor mentioned in the bill. Said motion was carried but the engrossed bill sent to the House did not embody Senator Kaldor's amendment. Hence it appears that the House did not act thereon, and the law as finally passed does not show the word "delinquent" in the County Auditor's certificate as the Senate intended.

(S. B. No. 123—Committee on Insurance.)

CLASSIFICATION OF RISKS WORKMEN'S COMPENSATION

An Act To Amend and Re-enact Section 7 of Chapter 162 of the Session Laws of North Dakota for the Year 1919, Known as the Workmen's Compensation Law, as Amended by the Session Laws of North Dakota for the Years 1921 and 1923.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ I. AMENDMENT.] That Section 7 of Chapter 162 of the Session Laws of North Dakota for the year 1919, known as the

Workmen's Compensation Law, as amended by the Session Laws of North Dakota for the years 1921 and 1923, be and the same is hereby amended and re-enacted to read as follows:

§ 7. The Workmen's Compensation Bureau shall classify employments with respect to their degrees of hazard, and shall determine the risks of different classifications, and shall fix the rates of premium for each of said classifications sufficiently high to provide for the payment of the expenditures of the Bureau, the payment of compensation according to the schedules established by this act, and for the maintenance of adequate reserves and surplus by the North Dakota Workmen's Compensation Fund, to the end that such Fund may be kept at all times in an entirely solvent condition.

The Bureau may establish a system of merit rating within any class which will tend to equitable treatment of individual employers.

It shall be the duty of the Workmen's Compensation Bureau, in the exercise of the powers and discretion conferred upon it, ultimately to fix and maintain, for each class of occupation, the lowest possible rates of premium consistent with the payment of compensation according to schedule, the payment of expenditures of the Bureau, the maintenance of a solvent Compensation Fund, and the creation and maintenance of a reasonable surplus after the payment of legitimate claims for injury and death that it may authorize to be paid from the Workmen's Compensation Fund for the benefit of the injured and the dependents of deceased employees, and in order that said object may be accomplished, the Bureau shall observe the following requirements in classifying occupations and fixing the rates of premium for the risks of the same.

It shall keep an accurate account of the moneys paid in premiums by each of the several classes of occupations or industries and the disbursements on account of injuries and death of employees thereof, and it shall also keep an account of the moneys received from each individual employer and the amount disbursed from the Workmen's Compensation Fund on account of injuries and death of the employees of each employer.

Ten (10) per cent of the money that is paid into the Workmen's Compensation Fund shall be set aside for the creation of a surplus until such surplus shall amount to the sum of Fifty Thousand Dollars (\$50,000.00), after which time the sum of five (5) per cent of all the moneys paid into such Workmen's Compensation Fund shall be credited to such surplus fund, until such time as, in the judgment of the Bureau, such surplus shall be sufficiently large to guarantee the Workmen's Compensation Fund from year to year.

Every employer subject to this act shall pay, annually, into the Workmen's Compensation Fund the amount of premium determin-

ed and fixed by the Bureau for the employment or occupation of such employer, the amount of which premium to be so paid by such employer to be determined by the classification, rules and rates made and published by the Bureau; and a receipt or certificate specifying that such payment has been made shall immediately be mailed to such employer by the Bureau, which receipt or certificate, attested by the seal of the Bureau, shall be prima facie evidence of the payment of such premium. The Bureau may make provision so that premiums fall due on different dates to the end that the business of the Bureau may be distributed as evenly as possible throughout the year.

In the event that the amount of premium collected from any employer at the beginning of any premium period is ascertained and calculated by using the estimated expenditures for wages for the period of time covered by such premium payments, as a basis, an adjustment of the amount of such premiums shall be made at the end of said period, the actual amount of such premium to be determined from the actual expenditure of wages for said period.

Whenever a subsequent injury occurs to an employee who has been injured previously in a different employment, the risk of the employer for whom such injured person was working at the time of such subsequent injury shall be charged only with the amount of the awards resulting from such subsequent injury; and whenever such subsequent injury, in connection with a previous injury, results in a permanent total disability, the compensation which is in excess of the amount to which the injured employee would have been entitled solely by the subsequent injury shall be charged to the surplus fund and not to the classification or the risk to which the subsequent injury is charged.

§ 2. All Acts and parts of Acts in conflict herewith are hereby repealed.

Approved March 3, 1925.

DEFINED WORDS AND PHRASES, WORKMEN'S
COMPENSATION ACT

An Act To Amend and Re-enact Section 2 of Chapter 162 of the Laws of North Dakota for the year 1919, as Amended by Chapter 142 of the Session Laws of 1921, Defining Certain Words and Phrases Contained in Said Chapter.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

"Employee" means every person engaged in a hazardous employment under any appointment, or contract of hire, or apprenticeship express or implied, oral or written, including aliens, and also including minors, whether lawfully or unlawfully employed, but excluding any person whose employment is both casual and not in the course of the trade, business, profession or occupation of his employer, and excluding also any executive officer of a business concern who receives a salary of more than twenty-four hundred dollars (\$2,400.00) per year.

"Partial Disability" includes disfigurement resulting from an injury such as to diminish ability to obtain employment.

"Wages" shall include the market value of board, lodging, fuel, and other advantages which can be estimated in money which the employee receives from the employer as a part of his remuneration.

"Weekly Wages" shall be computed in such a manner as is best calculated to give the average weekly earnings of the workman

during the twelve months preceding his injury; provided that where, by reason of the shortness of the time during which the workman has been in the employment or the terms of the employment, it is impracticable to compute the rate of remuneration, regard may be had to the average weekly earnings which, during the twelve months previous to the injury, were being earned by a person in the same grade of employment at the same work by the employer of the injured workman, or if there is no person so employed, by a person in the same grade employed in the same class of employment and in the same district. If a workman at the time of the injury is regularly employed in a higher grade of work than formerly during the year and with a large regular wage, only such larger wages shall be taken in consideration in computing his average weekly wages.

WORKMEN'S COMPENSATION

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ 1. AMENDMENT.] That Section 3 of Chapter 162 of the Session Laws of North Dakota for the year 1919, known as the

Workmen's Compensation Law, as amended by Chapter 141 of the Session Laws of North Dakota for the year 1921, be and the same is hereby amended and re-enacted to read as follows :

§ 3. On and after July 1, 1919, it shall be the duty of the Workmen's Compensation Bureau hereinafter created to disburse compensation from the North Dakota Workmen's Compensation Fund to any employee subject to this act for injury arising in the course of employment in accordance with the following provisions.

A. Immediately after an injury sustained by an employee and during the resulting period of disability, the North Dakota Workmen's Compensation Fund shall furnish to such employee such medical, surgical and hospital service and supplies as the nature of the injury may require.

B. During the first seven days of disability the employee shall not be entitled to compensation except as provided in the preceding paragraph; provided, that if the period of disability exceeds seven days, compensation shall be paid from the date of the injury

C. If the injury cause total disability, the North Dakota Workmen's Compensation Fund shall pay to the disabled employee during such disability a weekly compensation equal to sixty-six and two-thirds per cent of his weekly wages.

D. If the injury cause temporary partial disability, the North Dakota Workmen's Compensation Fund shall pay to the disabled employee during such disability a weekly compensation equal to sixty-six and two-thirds per cent of his loss in earning capacity.

E. If the injury cause permanent partial disability, the percentage which such disability bears to total disability, taking into consideration the employee's age and occupation, shall be determined, and the North Dakota Workmen's Compensation Fund shall pay to the disabled employee a weekly compensation equal to sixty-six and two-thirds per cent of his weekly wages for the following periods :

For a one per cent disability.....	5.2 weeks
For a ten per cent disability.....	52. weeks
For a twenty per cent disability.....	104. weeks
For a thirty per cent disability.....	156. weeks
For a forty per cent disability.....	208. weeks
For a fifty per cent disability.....	260. weeks
For a sixty per cent disability.....	312. weeks
For a seventy per cent disability.....	364. weeks
For a eighty per cent disability.....	416. weeks
For a ninety per cent disability.....	468. weeks

and the Bureau shall immediately fix and file its schedule of specific benefits to be allowed for specific injuries; but such schedule shall not be changed more than once in each year. The Bureau shall not decrease, but may, in any case, and for cause shown, increase such specific benefits.

F. The weekly compensation for total disability shall not be more than Twenty Dollars (\$20.00) nor less than Six Dollars (\$6.00), unless the employee's weekly wages are less than Six Dollars (\$6.00), in which case his weekly compensation shall be the actual amount of his weekly wages. The weekly compensation for partial disability shall not be more than Twenty Dollars (\$20.00). If the injured person was, at the time of the injury, a minor or employed in a learner's capacity, and was not physically or mentally defective, the Bureau shall, from time to time, determine the probable increase in weekly earning capacity of such person if such injury had not occurred, and shall base its award for compensation upon such probable weekly wage-earning capacity.

G. If death results from an injury within six years, the North Dakota Workmen's Compensation Fund shall pay to the following persons for the periods specified a weekly compensation equal to the following percentages of the deceased employee's weekly wages; provided, however, that no compensation shall be paid where death takes place more than one year after the cessation of disability resulting from the injury, or, if there has been no disability preceding death, if death takes place more than one year after the injury.

(a) To the widow, if there is no child, thirty-five per cent. Such compensation shall be paid until her death or marriage. In case of marriage, there shall be paid to her a lump sum equal to 156 weeks' compensation.

(b) To the widower, if there is no child, thirty-five per cent if wholly dependent for support upon the deceased employee at the time of her death. Such compensation shall be paid until his death or marriage.

(c) To the widow or widower, if there is a child, or children, the compensation payable under clause (a) or (b), and in addition thereto ten per cent for each child, not exceeding however, a total of sixty-six and two-thirds per cent for the widow or widower and the children. The compensation payable on account of any child shall cease when such child dies, marries or reaches the age of eighteen, or, if over eighteen and incapable of self-support, becomes capable of self-support.

(d) To the children, if there is no widow or widower, twenty-five per cent for one child and ten per cent additional for each additional child, not exceeding, however, a total of sixty-six and

two-thirds per cent, the compensation hereunder not to be for specific children but to be divided share and share alike. Compensation for each child shall be paid until such child dies, marries, or reaches the age of eighteen, or, if over eighteen and incapable of self-support becomes capable of self-support. Compensation for a child under legal age shall be paid to its guardian.

(e) To the parents, if one is wholly dependent for support upon the deceased employee at the time of his death and the other is not dependent to any extent, twenty-five per cent; if both are wholly dependent, twenty per cent to each; if one or both are partly dependent, a proportionate amount in the discretion of the Bureau. The foregoing percentages shall be paid only if there is no widow, widower or child. If there is a widow, widower or child, there shall be paid only so much of the foregoing percentages as, when added to the total of the percentages payable to the widow, widower and children, shall not exceed the total of sixty-six and two-thirds per cent.

(f) To the brothers, sisters, grandparents and grandchildren, if one is wholly dependent upon the deceased employee for support at the time of his death, twenty per cent to such dependent; if more than one are wholly dependent, thirty per cent, divided among such dependents share and share alike; if none of them are wholly dependent, but one or more are partly dependent, ten per cent divided among such dependents share and share alike. The foregoing percentages shall be paid only if there is no widow, widower, child or dependent parent. If there is a widow, widower, child or dependent parent, there shall be paid only so much of the foregoing percentages as, when added to the total percentages payable to the widow, widower, children and dependent parents, shall not exceed a total of sixty-six and two-thirds per cent.

(g) The compensation of each beneficiary under clause (e) may continue until such dependent parent dies, marries or ceases to be dependent, and the compensation of each beneficiary under clause (f) shall be paid for a period of eight years from the time of the death of the employee, unless before that time, he, if a grandparent, dies, marries or ceases to be dependent, or, if a brother, sister, or grandchild, dies, marries or reaches the age of eighteen, or, if over eighteen and incapable of self-support, becomes capable of self-support. The compensation of a brother, sister or grandchild under legal age shall be paid to his or her guardian.

(h) Upon the cessation of compensation under this section to or on account of any person, the compensation of the remaining persons entitled to compensation for the unexpired part of the period during which their compensation is payable, shall be that which such persons would have received if they had been the only per-

sons entitled to compensation at the time of the decedent's death; provided, however, that nothing herein contained shall be construed to increase the compensation of the children of a widow or widower upon his or her remarriage.

(i) In case there are two or more classes of persons entitled to compensation under this section, and the apportionment of such compensation, hereinbefore provided, would result in injustice, the Bureau may, in its discretion, modify the apportionment to meet the requirements of the case.

(j) If any person entitled to compensation under this section, whose compensation by the terms of this section ceases upon his marriage, accepts any payments of compensation after his marriage, he or she shall be guilty of a misdemeanor.

(k) In computing compensation in case of death, the weekly wages of the deceased shall be considered to have been not more than Thirty Dollars (\$30.00) nor less than Eighteen Dollars (\$18.00), but the total weekly compensation shall not exceed the weekly wages of the deceased.

H. In case of death or of permanent total or if permanent partial disability, and if the Bureau determines that it is for the best interest of the beneficiary, the liability for compensation to such beneficiary may be discharged by the payment of a lump sum equal to the present value of all future payments of compensation computed at four per cent discount compounded annually. The probability of the beneficiary's death before the expiration of the period during which he is entitled to compensation shall be determined according to the American Experience Table of Mortality; but in case of compensation to the widow or widower of the deceased employee, such lump sum shall not exceed 416 week's compensation. The probability of the happening of any other contingency affecting the amount or duration of the compensation shall be disregarded.

I. If death results from the injury within six years, the North Dakota Workmen's Compensation Fund shall pay to the personal representative of the deceased employee burial expenses not to exceed One Hundred Fifty Dollars (\$150.00).

§ 2. All Acts and parts of Acts in conflict herewith are hereby repealed.

LIABILITY UNINSURED EMPLOYERS

An Act To Amend and Re-enact Section 11 of Chapter 162 of the Session Laws of North Dakota for the year 1919, known as the Workmen's Compensation Law.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ I. AMENDMENT.] That Section 11 of Chapter 162 of the Session Laws of North Dakota for the year 1919, known as the Workman's Compensation Law, be and the same is hereby amended and re-enacted to read as follows:

§ II. Employers subject to this act who shall fail to comply with the provisions of Sections Six (6) and Seven (7) hereof, shall not be entitled to the benefits of this act during the period of such

Such employer shall also be subject to the provisions of Section Eight (8).

Any employee, whose employer has failed to comply with the provisions of Sections Six (6) and Seven (7) hereof, who has been injured in the course of his employment, wheresoever such injury has occurred, or his dependents, in case death has ensued, may, in lieu of proceeding against his employer by civil action in Court, file his application with the Workmen's Compensation Bureau for an award of compensation in accordance with the terms of this act, and the Bureau shall hear and determine such application for compensation in like manner as in other claims before the Bureau; but the amount of the compensation which said Bureau may ascertain and determine to be due to such injured employee, or to his dependents in case death has ensued, together with reasonable costs and attorneys fees allowed by the Bureau, shall be paid by such employer to the person or persons entitled thereto within thirty days after receiving notice of the amount thereof as fixed and determined by the Bureau. An Act To Amend and Re-enact Section 8 of Chapter 162 of the Session Laws of North Dakota for the Year 1919, Known as the Workmen's Compensation Law, as Amended by Chapter 144 of the Session Laws of North Dakota for the Year 1921, and as Further Amended by the Session Laws of North Dakota for the Year 1923.

Be It Enacted by The Legislative Assembly of the State of North Dakota:

§ I. AMENDMENT.] That Section 8 of Chapter 162 of the Session Laws of North Dakota for the year 1919, known as the Workmen's Compensation Law, as amended by Chapter 144 of the Session Laws of North Dakota for the year 1921, and as further amended by the Session Laws of North Dakota for the year 1923, be and the same is hereby amended and re-enacted to read as follows:

§ 8. The Bureau shall determine the amount of premium due from every employer subject to the provisions of this act for the twelve months next succeeding the date of expiration of a previous period of insurance or next succeeding the date at which the Bureau receives information that an employer is subject to the act. The Bureau shall then order such premium to be paid into the fund, and shall mail a copy of such order to the employer. Such mailing shall constitute notice to the employer of the amount due.

If the total amount of premium specified in such order amounts to more than One Hundred Dollars (\$100.00), the employer may have the option of paying the same in two or four installments. If he elects to pay in semi-annual installments, no payment shall be less than Fifty Per Cent (50%) nor less than Fifty Dollars (\$50.00); if he elects to pay in quarterly installments, no payment shall be less than Twenty-five per cent (25%) nor less than Fifty Dollars (\$50.00); and interest shall be added to all deferred payments at the rate of Five (5) per cent per annum.

Whether paid in full, or in installments, the first payment shall be in default one (1) month from the date of the Pay-in-order. Subsequent installment payments shall be in default, respectively; in semi-annual payments, six months from the date of the Pay-in-order, and in quarterly payments, three months, six months and nine months from the date of the Pay-in-order.

In all cases of installment payment the employer shall file, within Thirty (30) days after the date of the Pay-in-order, a satisfac-

tory bond, guaranteeing the payment of all deferred installments prior to the date of default, and guaranteeing, further, the payment of penalties and court costs in the event that such installments are not paid prior to date of default.

In case any employer defaults in the payment of any premium, or any installment thereof, or in the filing of any bond, as herein required, penalties shall attach as follows: One (1) per cent for the first Fifteen (15) days of default, but not less than Three Dollars (\$3.00); Two (2) per cent for the next Fifteen (15) days of default, but not less than Five Dollars (\$5.00); and Three (3) per cent for the next Thirty (30) days of default not less than \$10.00 and 3% for each 30 days of default thereafter.

Within ten (10) days after any such default the Bureau shall cause to be certified to the Attorney General of North Dakota the name and place of business of the employer so in default, together with the amount of premium and penalties accrued, and it shall be the duty of the Attorney General forthwith to bring, or cause to be brought, suit for the collection of said premium and penalties, together with further accruing penalties, in the Courts of Burleigh County, North Dakota, or in the Courts of any County in which such employer is engaged in business; and, in such suits, it shall be unnecessary to comply with the provisions of Chapter 38 of the Session Laws of North Dakota for the year 1921, and acts amendatory thereof, known as the Conciliation Law.

The payment of any judgment rendered in any such action, or the voluntary payment of the amount of premium, penalties and costs prior to judgment, shall entitle the employer, and the employees of such employer, to the benefits of the act from the date of such Pay-in-order. If the judgment cannot be paid in full, the Bureau shall determine the date upon which the right of the employees to participate in the fund shall cease.

Any judgment obtained in any action under this act shall be a prior lien over all other judgments and liens, except those now in existence and cases arising under this Section shall have precedence over all other civil actions.

This act shall not operate retrospectively, and all rights and liabilities and causes of action that have accrued to the date on which this law becomes effective shall be governed by the law in force at the time the rights or obligations in controversy arose.

If the defendant is a non-resident of North Dakota, or a foreign corporation doing business in this State, service of summons may be made upon any agent, representative or foreman of said defendant within the state, or service may be made in any other manner designated by statute.

In any action the remedies of garnishment or attachment, or both, shall be available, and no exemptions except absolute exemptions shall be allowed against any levy under execution pursuant to judgment recovered in such action.

§ 2. All acts and parts of acts in conflict herewith are hereby repealed.

Approved March 6, 1925.

CONCURRENT AND JOINT RESOLUTIONS

JOINT RESOLUTION

(Joint Committee on Agriculture.)

CONGRESSIONAL AID FOR PROTECTION OF AMERICAN FARMER

Be It Resolved by the House of Representatives, the Senate Concurring:

WHEREAS, Congress, has through special legislation, in the form of protective tariff, protected the product of labor and industry from the competition of foreign peoples and has so saved the American market for the products of American labor and American industry, and made possible the American standard of prices, which is far in excess of the standard of world markets, and

WHEREAS, Congress has, through special legislation, known as restricted immigration, protected the American laborer from the disastrous competition of foreign peoples and has so saved the American job for the American laborer, and made possible the maintenance of the American Standard of wages, and

WHEREAS, the said special classes of legislation have afforded such ample and effective protection to the American Laborer and the American manufacturer as to, quoting our President in his message to Congress, "enable them to live according to a better standard and receive a better rate of compensation than any people, any time, anywhere on earth have ever enjoyed,"

WHEREAS, the protection so afforded to American labor and American manufacturers, supporting for them an American standard of prices for their products, has forced upon the American

farmer an American standard of prices for the things he must buy, the taxes he must pay and the labor he must hire,

WHEREAS, protective tariffs for agricultural products are almost wholly ineffective, where the product is produced in excess of demand for home consumption,

WHEREAS, American Agriculture does produce an exportable surplus of all of the major products of agriculture and the American farmer, therefore, finds himself almost wholly unprotected from that disastrous competition of foreign peoples,

WHEREAS, The American farmer, is therefore, forced to sell his product on the low standard of world prices in open competition with the South American Indian, the peon of India, the peasant of Russia, whose overhead represents the lowest standards of living in the world, and is at the same time forced to buy his necessities from a protected market, at an American standard of prices, bolstered up and sustained behind the protective tariff and restricted immigration walls,

WHEREAS, this unbalanced condition is chiefly responsible for the distressed condition of Agriculture, a condition which has now continued for over four years, and has brought actual bankruptcy upon thousands of farmers and upon business enterprises, wholly dependent upon the farmers' prosperity, having in countless instances swept away the accumulated savings of a lifetime,

WHEREAS, The present better prices of some farm commodities represent only a temporary and local condition, and the fundamental cause of the distress has not been removed,

WHEREAS, the direct cause of this unbalanced condition was, and is, the effect of the two protective measures above referred to, in that they have protected and made possible the maintenance of the high American standard of prices, of the products of American labor, and of the American manufacturer, which constitute the necessities the farmer must buy, while he is afforded no effective protection from foreign competition and, therefore, must accept the low world standard of prices for the things he has to sell,

WHEREAS, this condition is unwarranted, unfair, and un-American, wherein two of the basic branches of American industry have and maintain, through the direct effect of legislation, an advantage over the third,

WHEREAS, we believe the protective policy is sound in principle and if fairly administered, destined to greatly increase the public welfare,

WHEREAS, the farmer is forced, for the preservation of his home and his inalienable right to justice as an American citizen, to

demand the abandonment of the policy or its adaption to existing conditions,

BE IT RESOLVED, by the House of Representatives, the Senate Concurring:

THAT, we respectfully urge that Congress, during its present Session, pass and place upon our Statute books, such legislation as will effectively give to agriculture the same protection as is now afforded to industry and labor and

WHEREAS, the protective tariff does not protect Agricultural products because of the exportable surplus, that Congress devise some effective method of segregating the exportable surplus, or some means whereby the Agricultural industry may itself segregate its surplus, to the end that the protection may be made effective on, and that the American market be saved for the product of the American farmer, and an American standard of agricultural commodity prices made possible,

THAT, the Secretary of State transmit this Memorial to the President of the United States, to both Houses of Congress and to the Senators and Representatives therein, and to the Legislatures of all the Agricultural states.

Filed March 7, 1925.

FEDERAL AID TO COOPERATIVE ENTERPRISES
A JOINT RESOLUTION

A Joint Resolution Requesting Congress to Enact Suitable Legislation to Protect the Farmer's Market and Reduce his Marketing Cost.

Be It Resolved by The Senate of the State of North Dakota, the House of Representatives Concurring:

WHEREAS, Agriculture is entitled to equal protection with industry and labor, and the export surplus should not be allowed to fix the domestic price and nullify tariff provisions ostensibly enacted for the benefit of agriculture,

AND WHEREAS, it is essential to successful co-operation that the local and terminal marketing machinery be co-operatively owned and operated by the producers,

BE IT RESOLVED, by the Legislative Assembly of the State of North Dakota, that Congress be requested to enact suitable legisla-

tion, for the immediate benefit of agriculture, providing a practical method of segregating and disposing of the surplus in order that the American farmer may sell at an American price and share with industry and labor equal protection against foreign prices.

BE IT FURTHER RESOLVED, that Federal aid be directed to the acquisition and operation by co-operatives of the local and terminal facilities essential to co-operative marketing, and that the market places of the great staples be opened to all buyers and sellers without discrimination and subject only to legal restrictions.

AND BE IT FURTHER RESOLVED, that a duly authenticated copy of this resolution be transmitted to the President of the United States, the President of the United States Senate, the Speaker of the House of Representatives, and to each representative of the State of North Dakota in the United States Senate and House of Representatives.

Filed March 2, 1925.

FEDERAL AID TO HIGHWAYS

Be It Resolved By The House of Representatives of the State of North Dakota, the Senate Concurring:

WHEREAS, a condition exists in the United States and in every State in the Union, which is causing great hardship upon the taxpayers and the citizens of the United States, and has its foundation in the Federal Aid for the building of highways, through moneys appropriated by the Congress of the United States, and that it is resulting in extravagant mismanagement and heavy taxation upon citizens and property owners, who are not financially able to bear the burden; and

WHEREAS, since such Federal aid is given only when managed through a State and is given only when heavy appropriations are made by a State, which can only be given when heavy appropriations are made by a County, that a vicious chain is created, because each state feels that it must maintain a costly and extravagant State Highway Commission in order to obtain the benefits of the Federal aid. Each County feels that in order to obtain the benefits of the Federal and State aid it must maintain an expensive, costly and extravagant machinery for the administration of such road building, and must appropriate large sums of money which its citizens are

financially unable to meet, and that since the Federal aid is given, the State feels that it is going to be a heavy loser in comparison with other States unless it maintains the Highway Commission and makes the appropriation, and each County in the State feels that it will be a heavy loser as compared with other Counties unless it makes heavy appropriations, and the result is that the United States is extravagant, and is laying a burden upon its citizens; each state is extravagant, laying a burden upon its citizens; each county is extravagant, laying a burden upon its citizens; and that the result is that as long as the United States Government continues to give Federal aid there can be no lasting relief from the excessive burden of taxation imposed, and the extravagant expenditure of public moneys, and the burden of taxation upon its people without adequate return, and the expenditure of money beyond the means of the people to meet the burden in the payment of taxes;

NOW, THEREFORE, BE IT RESOLVED, by the House of Representatives of the Legislative Assembly of the State of North Dakota, the Senate Concurring; that we do hereby memorialize the Congress of the United States and respectfully urge that Congress take immediate action towards a repeal of the Federal aid for State Highways, to the end that the extravagant mismanagement and ill advised expenditure of moneys by each State and County in the United States be eliminated, and that a more rational and sane and more carefully supervised expenditure of money be worked out by each local community.

BE IT FURTHER RESOLVED; that the Secretary of State of North Dakota send a copy of this resolution to the President of the Senate and the Speaker of the House of Representatives in Congress and to the Speaker of the House and the President of the Senate in each and every state in the union and also to the members of Congress and Senators from North Dakota.

NORTH DAKOTA GRAIN GRADING CASE

Calling upon the Supreme Court of the United States to expedite and hand down its decision in the action of The Farmers Grain Company of Embden, a corporation, et al, against Geo. F. Shafer, as Attorney General of the State of North Dakota, involving The North Dakota Grain Grading Act, initiated and enacted by the people of the State of North Dakota on November 7, 1922 and which became a law on December 7, 1922.

Be It Resolved, by The Senate of the State of North Dakota, the House of Representatives Concurring:

WHEREAS, the people of the State of North Dakota initiated and enacted An Act declaring the purpose of the State of North Dakota to supervise and regulate the marketing of farm products; preventing unjust discrimination, fraud and extortion in the marketing of same; establishing a system of grading, weighing and measuring farm products; defining the scope and manner of such supervision and the powers and duties of the persons charged with same; providing for licensing buyers, solicitors, and warehouses handling such farm products; and making an appropriation therefor on November 7, 1922, and which became a law on December 7, 1922, and known as "The North Dakota Grain Grading Act," set forth at page 549 of the Laws of N. D., 1923; and,

WHEREAS, the State of North Dakota and its officials were enjoined from enforcing said Grain Grading Act by the service of papers upon them on December 9, 1922, issued out of the United States District Court, at Fargo, North Dakota, in the action entitled The Farmers Grain Company of Embden, North Dakota, a corporation, et al, vs. Geo. F. Shafer, as Attorney General of the State of North Dakota, et al; and that at the hearing thereof on January 5, 1923, at Fargo, North Dakota, a decision was rendered by the said United States District Court permanently enjoining the State of North Dakota and its officials from enforcing said Grain Grading Act, and,

WHEREAS, the State of North Dakota and its officials took an appeal from the said decision direct to The Supreme Court of the United States immediately after the same was rendered; and that thereafter and on the 5th day of May, 1924, was advanced on the calendar of that Court, argued and fully submitted for that Court's decision to finally determine whether or not said Act was unconstitutional or any of the provisions thereof invalid; and that no decision has yet been rendered by said Court; and,

WHEREAS, it has been a great detriment and a great loss to the grain growers of the State of North Dakota in the loss of adequate protection for the balance of the unmarketed crop during the year 1922, and all of the crop and grain for the years 1923-24; and that during this period the farmers and grain growers of this state, who produce an enormous amount of grain, have lost millions of dollars through unjust regulations and discriminations through inadequate protection in the marketing and selling of their grain; and,

WHEREAS, we are assembled in the Nineteenth Session of the Legislative Assembly of the State of North Dakota and will be in session for a period of only sixty days, from the sixth day of January, 1925; and that another session of this Legislature will not convene again for two years; and that the great body of grain growers of our state will be without adequate protection in the marketing and selling of their grain for another two years if the United States Supreme Court should hold that the said Grain Grading Act is unconstitutional in any of its provisions and not render its decision while this Legislative Assembly is still in session, so as to enable it to pass any remedial laws to meet the requirements of said decision; if it should be so held, that the whole law is unconstitutional or any of its provisions,

NOW, THEREFORE, BE IT RESOLVED, that the Senate of the Nineteenth Legislative Assembly of the State of North Dakota, the House of Representatives concurring, that we do hereby memorialize the Supreme Court of the United States and respectfully petition the said Supreme Court and all of the Judges thereof to render an immediate decision in the aforesaid action now pending before it for final determination, so that this Legislative Assembly may be enabled at once to pass any remedial legislation which may be required to meet the provisions of said decision, if any, and to give the grain growers of this state the protection which they are entitled to.

BE IT FURTHER RESOLVED, that the Secretary of the Senate send at once a copy of this resolution, by registered mail, to the Chief Justice of the Supreme Court of the United States, and the Clerk of the United States Supreme Court.

ROOSEVELT NATIONAL PARK

Memorializing the Congress of the United States to Take Steps Toward the Establishment of a National Park in Billings County, North Dakota, Embracing the Wonderful Petrified Forest There Located, to be Called Roosevelt Park.

Be It Resolved by The Senate of North Dakota, The House of Representatives Concurring:

We, the Nineteenth Legislative Assembly of the State of North Dakota, beg leave to represent to your honorable bodies:

FIRST: That there is in the western part of North Dakota, lying within the boundaries of Billings, Golden Valley, Slope and McKenzie counties, a tract of land bordering the Little Missouri River, that is marvelous in its geological formation and configuration as the result of subterranean coal fires, sinking in of the surface, and the washings and slides of the ages, the whole forming a scenic beauty alike weird and attractive. Here are seen the stratas in many colors, of the world's progressive deposits, among which many prehistoric animal remains have been found, together with the fossils of periods long before the time of man, the peaks, precipices, slides and washouts presenting a picture even now attracting tourists from all over the country.

SECOND: That in this section is found a petrified forest, the like of which, we are informed, does not exist upon the American continent, in fact that all over this region are found the remains, in petrified and crystallized form, of two distinct forests that thrived in periods probably millions of years apart, and brought to view as the surfaces are uncovered by the washings of the ages. This petrified forest lies in a region of superb, though rugged beauty, and is unlike others in that respect. Thousands of stumps are found here, some of the stumps being as large as 14 feet in diameter, and many rest on tall columns of clay, resembling the pillars of a ruined temple. It is a veritable wonderland of growths that existed in the time of the huge animal and vegetable life of the early world periods, and much of these remains will be destroyed or carried away by visitors unless properly protected.

THIRD: That here can even now be seen Nature continuing her work of transforming prairie land into "Bad Lands" through the burning of the coal far beneath the surface, and the dropping of the upper earth crust hundreds of feet into the great caverns created by the fires, leaving a weird and awesome landscape. The

smoke from these hidden fires creeps up through crevasas and in places, far down, a dropped cartridge can be heard exploding, while everywhere great piles of red scoria tell of clay burned to a brick-like substance and furnishing a splendid roadmaking material.

FOURTH: That in the valleys of this region are frequent groves of pine, quaking aspens, cedars, ash, cottonwood and box elder trees, and an abundance of wild fruits, together with a flora undiscovered elsewhere in the Northwest. The region contains many springs of fine water from which rivulets are formed that flow down the swales and valleys to the river, thus affording a good water supply for livestock or wild animals, there being deer and antelope now in that region, with capacity for feeding thousands more of these or other wild game. Flowing artesian wells can be had for the digging.

FIFTH: That it was here that Theodore Roosevelt had his cattle ranches in the early days of the territory of Dakota, and where undoubtedly he imbibed many of the characteristics of those who lived in the great open spaces and which gave him the broad outlook that ever characterized his later life. And it is partly in memory of him and because this region presents itself as a great natural outing place or playground for those who love Nature or seek its fantastic wonders that we respectfully memorialize you, the Congress, to set aside so much of this region as may be deemed necessary for the creation by act of Congress a national park and to make an appropriation of a sum sufficient for its purchase, and we would respectfully suggest that such park, if created, be called the Roosevelt Bad Lands National Park. And we would call attention to the fact that less than five per cent of this land is susceptible to cultivation, that considerable of it is still in government ownership and that the balance can be acquired at a very small expense.

SIXTH: And we further call your attention to the fact that the Yellowstone Trail, a great transcontinental highway, touches this region at its southern end; that the National Parks Highway, another great transcontinental highway, passes through it, and that the Roosevelt Highway passes by its Northern end, making it easy of access by the thousands of tourists who travel back and forth through North Dakota each year. And we also call your attention to the fact that in 1924 over 100,000 tourists in about 25,000 cars passed over the National Parks Highway alone, hundreds of whom made the necessary detour through the proposed park region to view its beauties and the petrified forest, even taking saddle horses to reach its more inaccessible beauties. And we still further call your attention to the fact that between the Park Region of Northern Minnesota and the Yellowstone Park there is no other place of national park standard where tourists may vary their journey by a glimpse of one of Nature's most peculiar achievements.

NOW, THEREFORE, BE IT RESOLVED, That a copy of this memorial be sent by the Secretary of State of North Dakota to the President of the United States, to the Secretary of the Interior, to each house of Congress, to the North Dakota senators and congressmen and to the Director of the National Parks Service, all of Washington, D. C., and that we request our congressional delegation to use their every effort to secure passage of a bill creating said national park.

SALARIES DEPUTIES, ETC. STATE DEPT'S. AND BOARDS

WHEREAS, There are certain deputies and other subordinate officers and employees in the employ of the State Departments, Boards and Commissions, whose salaries are fixed and determined and the number of whom are limited by statute, and

WHEREAS, the appropriations made for the salaries of such deputies, employees and subordinate officers by the Nineteenth Session of the Legislative Assembly of the State of North Dakota, in various instances, increased the amount of such salaries as well as the number of such deputies, employees and subordinate officers for the biennium commencing July 1, 1925, and

WHEREAS, the action of the Legislature in so doing may be confusing to the disbursing officers of the State.

NOW THEREFORE, BE IT RESOLVED, by the Senate of the State of North Dakota, the House of Representatives concurring:

LOCATION OF STATE OFFICES IN CITY OF BISMARCK

Be It Resolved by The House of Representatives, the Senate Concurring:

WHEREAS, A number of state offices and state institutions are now located at various places in the city of Bismarck, and the State is paying a large rental for such offices;

WHEREAS, The State of North Dakota now has a lease upon the four-story brick building occupied by the Bank of North Dakota, and office space in said building is available for all state offices in the City of Bismarck outside of the capitol building on a basis that would save the state a large amount of money;

THEREFORE, BE IT RESOLVED by the House of Representatives, the Senate concurring, that the Industrial Commission, the Workmen's Compensation Bureau and the Board of Administration be, and they are hereby requested and directed to forthwith cause all the departments of the state government located in the City of Bismarck outside of the capitol grounds, to be moved to the building now occupied by the Bank of North Dakota, if the same can be done to advantage and if suitable arrangements cannot be made with the owners of the said building that steps be taken to arrange for other permanent quarters for all of said departments including the Bank of North Dakota.

ERADICATION OF SOW THISTLE

WHEREAS, The weed known as perennial Sow Thistle has been by the laws of this State declared a noxious weed and a common nuisance and statutes have been enacted looking to and requiring the eradication thereof;

AND, WHEREAS, Proper steps have not been, and are not now being, taken to eradicate this Sow Thistle by any owner of premises infested therewith; and whereas, railroad companies traversing territory where Sow Thistle has appeared have failed to eradicate

the same from their right-of-way and other lands; the Federal authorities having control of Indian lands, have neglected and failed to take steps to destroy this menace to the agricultural interests of a considerable portion of the State; county commissioners, weed commissioners and township officials, and others having the enforcement of these laws are not properly enforcing the same or taking steps to eradicate Sow Thistle.

NOW, THEREFORE, Be it resolved by the House of Representatives of the Nineteenth Legislative Assembly of the State of North Dakota, the Senate Concurring:

That these provisions of law and the necessity of the eradication of Sow Thistle, be and they are hereby called to the attention of the railroad companies operating within the State, of the Federal authorities having the care and control of all Indian and public lands within the State, of the several boards of county commissioners, of weed commissioners and township boards; that these owners and custodians of land infested with Sow Thistle, and these public officials above referred to, together with the officials of the Agricultural College of North Dakota, all county agents, and all others engaged in agricultural extension work, be and they are, hereby requested and solicited to take any and all steps necessary to the eradication of such Sow Thistle upon the premises owned by them or under their custody and control, or within the county or township of which they may be respectively officials; and this legislative body would by this concurrent resolution call the attention to all such persons and to all parties interested in agriculture in the State of North Dakota, to the serious menace of perennial Sow Thistle and to the fact that in case of its encroachment upon agricultural land not being halted, and proper and timely steps made for its eradication, thousands upon thousands of acres of the best farming land in the State will be rendered unfit for the purposes of agriculture.

BE IT FURTHER RESOLVED that copies of this concurrent resolution be properly engrossed and enrolled in sufficient numbers, and furnished to the Secretary of State to be by him mailed promptly to the president of every railroad company owning land or right-of-way within the State, to the Secretary of Agriculture and the Commissioner of Indian Affairs at Washington, D. BUDGET

An Act To Amend and Re-enact Section 3 of Chapter 61 of the 1915 Session Laws, Relating to the Filing of Itemized Statements Required by the State Budget Board.

VETO

March 11th, 1925.

TO THE HONORABLE THE SECRETARY OF STATE:

I herewith file House Bill No. 241, being an act to amend and re-enact Section 3 of Chapter 61, of the 1915 Session Laws relating to the filing of itemized statements required by the State Budget Board, without my approval, for the following reasons:

This bill would work a special hardship on the State Hail Insurance Department, which is not a clerical department but a business institution, with risks and expenditures varying greatly from year to year. It is impossible to estimate the cost of operating this department not being able to foresee the expenses involved in the adjustment of losses and the cost of operating the department, because the number of claims vary from year to year. This is true, also, regarding the other departments affected by this bill.

Very truly yours,

A. G. SORLIE,
Governor

§ 1. That Section 3 of Chapter 61 of the 1915 Session Laws be amended and re-enacted to read as follows:

§ 3. STATEMENT OF DESIRED APPROPRIATIONS TO BE FILED WITH THE STATE AUDITOR.] Not later than August first of each year next preceding the session of the legislative assembly, the State Auditor shall send to the head of each department of this state government, the State Hail Insurance Department, the State Highway Department, The Workmen's Compensation Bureau, and to each

officer, board or commission, in charge of any educational, charitable, penal or other institution or undertaking, supported wholly or in part by appropriations from the State Treasury, a suitable blank form to be filled out by such head of state department, officer, board or commission, with an itemized statement of the amount of money which such head of state department, officer, board or commission considers necessary for the proper maintenance, extension or improvement of the department, institution or undertaking in his or their charge, during the two fiscal years next ensuing. Such head of state department, officer, board or commission, shall return said blanks, properly filled out, on or before the first day of October of each year next preceding the session of the legislative assembly, to the State Auditor, together with such data and statements as may be necessary to fully and clearly explain the purposes and need of any appropriation which is requested by such head of state department, officer, board or commission.

OPEN SEASON FOR GAME BIRDS.

VETO

March 11th, 1925

TO THE HONORABLE THE SECRETARY OF STATE:

I herewith file House Bill No. 280, being an act to amend and re-enact Section 33 of Chapter 161, Session Laws of 1915, as amended by Chapter 122, Session Laws 1917, as amended by Section 4, Chapter 134, Session Laws of 1919, relating to Game Birds and fixing the open season for killing same, without my approval for the following reasons:

The changing of the hunting season to the late date shown by this bill is disapproved by the majority of the sportsmen of the state. Such change in date will eliminate to a large extent the first

duck hunt of the season because of the change in weather conditions which usually takes place at the end of the month of September.

A. G. SORLIE,
Governor.

§ 4. GAME BIRDS, SEASON FOR KILLING.] No person shall hunt, take, kill, ship, convey or cause to be shipped or transported by common or private carrier, to any person either within or without the state, expose for sale, sell to anyone, have in possession with intent to sell, or have in possession or under control at any time, any turtle dove, snipe, prairie chicken, pinnated, white-breasted or sharp-tailed grouse, quail, partridge, Chinese ring neck or English Pheasant, Hungarian partridges, wild duck of any variety, wild goose of any variety, brant of any variety, or aquatic fowl, or any part thereof, except: First, that any snipe, wood cock or golden plover may be killed or had in possession between the 24th day of September and the 1st day of November, both inclusive following: Second, that any prairie chicken or grouse may be killed or had in possession between the 24th day of September and the 1st day of November, both inclusive following; provided, however, that no snipe, prairie chicken, grouse, wood cock or golden plover shall be placed in cold storage; Third, that any wild duck, wild goose or brant of any variety may be killed or had in possession between the 24th day of September and the 31st day of December, both inclusive, following. Any person violating the provisions of this section shall be punished by fine of not less than \$25.00 or more than \$50.00 and cost of prosecution or by imprisonment in the county jail for not less than twenty days or by both such fine and imprisonment, in the discretion of the court, for each and every bird killed or destroyed contrary to the provisions of this section.
