In the event that national guard personnel performing counter-drug activities do not receive rights, benefits, privileges, and immunities otherwise provided for national guard personnel as stated above, the following provisions apply:
 - a. Whenever national guard forces of any responding state are engaged in another state in carrying out the purposes of this compact, the members thereof so

- engaged have the same powers, duties, rights, privileges, and immunities as members of national guard forces of the requesting state. The requesting state shall save and hold members of the national guard forces of responding states harmless from civil liability, except as otherwise provided herein, for acts or omissions which occur in the performance of their duty while engaged in carrying out the purposes of this compact, whether responding forces are serving the requesting state within the borders of the requesting state or are attached to the requesting state for the purposes of operational control.
- b. Subject to the provisions of subdivisions c, d, and e, all liability that may arise under the laws of the requesting state or the responding states, on account of or in connection with a request for assistance or support must be assumed and borne by the requesting state.

Any responding state rendering aid or assistance pursuant to this compact must be reimbursed by the requesting state for any loss or damage to, or expense incurred in the operation of any equipment answering a request for aid, and for the cost of the materials, transportation, and maintenance of national guard personnel and equipment incurred in connection with such request, provided that nothing herein contained shall prevent any responding state from assuming such loss, damage, expense, or other cost.
 - d. Unless there is a written agreement to the contrary, each party shall provide, in the same amounts and manner as if they were on duty within their state, for pay and allowances of the personnel of its national guard units while engaged without the state pursuant to this compact and while going to and returning from such duty pursuant to this compact.
 - e. Each party state providing for the payment of compensation and death benefits to injured members and the representatives of deceased members of its national guard forces in case such members sustain injuries or are killed within their own state, shall provide for the payment of compensation and death benefits in the same manner and on the same terms in the event such members sustain injury or are killed while rendering assistance or support pursuant to this compact. Such benefits and compensation must be deemed items of expense reimbursable pursuant to subdivision c.

Officers and enlisted personnel of the national guard performing duties subject to proper orders pursuant to this compact are subject to and governed by the provisions of their home state code of military justice whether they are performing duties within or without their home state. In the event that any national guard member commits, or is suspected of committing, a criminal offense while performing duties pursuant to this compact without that member's home state, that member may be returned immediately to that member's home state and said home state is responsible for any disciplinary action to be taken. However, nothing in this section abrogates the general criminal jurisdiction of the state in which the offense occurred.

ARTICLE V - DELEGATION

Nothing in this compact may be construed to prevent the governor of a party state from delegating any of the governor's responsibilities or authority respecting the national guard; provided, that such delegation is otherwise in accordance with law.
