# 59-16.1-01. Consistency with power of attorney provisions.

The provisions of this chapter relating to power of attorney are subject to other provisions of law.

#### 59-16.1-02. Definitions.

For purposes of this chapter, unless the context otherwise requires:

- 1. "Appointed trust" means an irrevocable trust which receives principal from an invaded trust under this chapter, including a trust created by the settlor of the invaded trust, under the terms of the invaded trust or any other trust instrument, or by the trustees, acting in that capacity, of the invaded trust. For purposes of creating another trust, a requirement that a trust instrument be signed by the settlor is deemed satisfied by the signature of the trustee of the appointed trust.
- 2. "Authorized trustee" means, as to an invaded trust, a trustee with authority to pay trust principal to or for one or more current beneficiaries other than a trustee who is the settlor, or a beneficiary to whom income or principal must be paid currently or in the future, or who is or will become eligible to receive a distribution of income or principal in the discretion of the trustee, other than by the exercise of a power of appointment held in a nonfiduciary capacity.
- 3. "Current beneficiary" or "beneficiaries" means individual, or as to a class, an individual who is or will become members of that class, to whom the trustees may distribute principal at the time of the exercise of the power, provided that the interest of a beneficiary to whom income, but not principal, may be distributed at the discretion of the trustee of the invaded trust, may be continued in the appointed trust.
- 4. "Invade" means the power to pay directly to the beneficiary of a trust or make application for the benefit of the beneficiary.
- 5. "Invaded trust" means an existing irrevocable inter vivas or testamentary trust whose principal is appointed under this chapter.
- 6. "Person or persons interested in the invaded trust" means all qualified beneficiaries as defined in subsection 16 of section 59-09-06.
- 7. "Principal" includes the income of the trust at the time of the exercise of the power which is not currently required to be distributed, including accrued and accumulated income.
- 8. "Unlimited discretion" means the unlimited power to distribute principal. A power to distribute principal which includes words, such as best interests, welfare, comfort, or happiness may not be considered a limitation of the power to distribute principal.

An exercise of a power of appointment is not void if the exercise is:

- 1. More extensive than was authorized, but is valid to the extent authorized by the instrument creating its power; or

The successor and remainder beneficiaries of the appointed trust may be none, one, more than one, or all of the successor and remainder beneficiaries of the invaded trust.
- 2. An authorized trustee exercising the power under subsection 1 of section 59-16.1-04 may grant a discretionary power of appointment in the appointed trust to one or more

- of the current beneficiaries of the invaded trust, provided that the beneficiary granted a power to appoint may receive principal outright under the terms of the invaded trust.
- 3. If the authorized trustee grants a power of appointment, the class of permissible appointees in favor of whom the beneficiary may exercise the power of appointment granted in the appointed trust may be broader or otherwise different from the current, successor, and remainder beneficiaries of the invaded trust.
- 4. If the beneficiary or beneficiaries of the invaded trust are described by a class, the beneficiary or beneficiaries of the appointed trust may include present or future members of the class.

## 59-16.1-05. Authorized trustee without unlimited discretion.

- An authorized trustee with the power to invade trust principal but without unlimited discretion may appoint part or all of the principal of the trust to a trustee of an appointed trust, provided that the current beneficiaries of the appointed trust must be the same as the current beneficiaries of the invaded trust and the successor and remainder beneficiaries must be the same as the successor and remainder beneficiaries of the invaded trust.
- 2. If the authorized trustee exercises the power under this section, the appointed trust must include the same language authorizing the trustee to distribute the income or invade the principal of the appointed trust as in the invaded trust.
- 3. If the authorized trustee exercises the power under this section to extend the term of the appointed trust beyond the term of the invaded trust, then for any period after the invaded trust would have otherwise terminated under the provisions of the invaded trust, then the appointed trust, in addition to the language required to be included in the appointed trust pursuant to subsection 2 of section 59-16.1-05, also may include language providing the trustee with unlimited discretion to invade the principal of the appointed trust during this extended term.
- 4. If the beneficiary or beneficiaries of the invaded trust are described by a class, the beneficiary or beneficiaries of the appointed trust shall include present or future members of the class.
- 5. If the authorized trustee exercises the power under this section and if the invaded trust grants a power of appointment to a beneficiary of the trust, the appointed trust shall grant the power of appointment in the appointed trust and the class of permissible appointees must be the same as in the invaded trust.
