Minutes:

HCR3067 is to review and monitor the implementation of legislation enacted by the fifty-sixth legislative assembly which provides for the delivery of clerk of district court services through state funding and alternative methods.

SENATOR STENEHJEM opened the hearing on HCR3067 at 9:45 A.M.

All were present.

SENATOR STENEHJEM testified in support of HCR3067. This resolution was one of the measures passed by the clerks process. The Interim Committee recommended that if the bill for state clerks of court pass that they would take some to study it over the next two years. This bill parallels the Clerk of Court Bill and the Court unification. This will help the legislature keep track of how things are moving.
