Committee Clerk Signature <i>Robin S. Small</i>			

Minutes:

REP. M. KLEIN called the meeting to order with all members present.

In Favor:

REP. GLASSHEIM introduced the bill. States that he would like to see a good business climate in the state. It would be good if we could put out this statute. More jobs and to raise per capita income. Reporting to an interim committee.

REP. M. KLEIN asks how does this fit in with the new direction they are heading in? Is this geared in that direction? GLASSHEIM replies that he doesn't know if it specifically addresses that. But all of these goals are directed that way.

REP. DEVLIN asks if GLASSHEIM feels there is some of this information that they are not getting now? GLASSHEIM replies that they probably could get reports from E.D. & F.

REP. HUNSKOR asks if we are a touch ahead of time on this? GLASSHEIM replies that he thinks that there should be input from the commerce department and we should get it.

REP. HUNSKOR asks about changes in the bill. GLASSHEIM replies that he is open to any advice on changes in the bill.

REP. KLEMIN asks about increasing the population base, and putting in a budget. GLASSHEIM responds by stating that when he spoke of putting specific targets in, it was frowned upon.

REP. M. KLEIN asks if this bill was discussed in the interim committee? GLASSHEIM replies that yes that is correct. He tried to get it adopted by the committee and it wasn't.

REP. M. KLEIN asks if there was discussion why it was not adopted by the committee?

GLASSHEIM replies that he did not get it if there was. REP. M. KLEIN states maybe they were looking over the entire program.

REP. HAAS asks about mission in the first section of the bill, is there an issue of measurement in regard to accountability? GLASSHEIM replies yes, that is the goal, then to accomplish.

REP. DEVLIN asks about micro-managing. GLASSHEIM replies that he doesn't see it as micro-managing. REP. DEVLIN inquires about the two year time period where some things do not go anywhere. GLASSHEIM states that raising the per-capita income against the national average is a twenty year goal. He doesn't see the department having any trouble with that. They haven't spoken of that exactly, but they are trying to do deals like that. They have a goal of increasing the population.

REP. KASPER talks about specifics and accountability.

No opposition. The hearing was then closed until later in the afternoon.

REP. M. KLEIN asks the committee their wishes regarding this bill. REP. GRANDE motions for a DO NOT PASS, seconded by REP. CLARK. The roll call was taken with 12 yes, 3 no, 0 absent and not voting. The motion carries. REP. CLARK is the carrier of the bill.
