Minutes:

Chair Nelson called the hearing on SB 2237 relating to the power of the game and fish

department to issue special crossbow hunting licenses to order.

Sen. Heitkamp: Introduced SB 2237. Stated a that the 4-H clubs sponsor an event the "Twist of Fate" meant to teach handicapped youth how to hunt. They have a legal problem allowing blind individuals to hunt. This bill would create a special license that would allow blind individuals to experience the joys of hunting safely.

Rep. DeKrey: Why are they limted to 1 deer.

Sen. Heitkamp: I think that may be an organizational situation

Rep. Hanson: There is a law that allows the blind to get a license but another person shoots.

Do they shoot themselves.

Sen. Heitkamp: My interpretation is that they would actually shoot.

Paul Shadewald: ND Game and Fish Department. Testified in support of SB 2193. We are

very supportive of the efforts made by this and other groups. The limitations placed on this

program is largely the result of the limitations of the groups.

Rep. Keiser: Does it influence limits?

Paul Shadewald: They are not asking for special permits. They take what they can get in the

lottery. Most tend to be residents.

Chair Nelson closes the hearing.

Rep. Norland motions a **Do Pass** on SB 2237 seconded by **Rep. DeKrey.** Motion carried by a vote of 10-0-4.
