Minutes:

Chairman Cook opened the hearing on SB 2287 relating to the fee for a marriage license. All committee members (6) present.

Senator Tom Fischer, District 46, Fargo, ND introduced SB 2287 and ask for support of the bill. (See attachment # 1)

Wade Williams, North Dakota Association of Counties testified in support of SB 2287. (See attachment 2A & 2B) One of the reason this bill has come before the committee is the border counties on the Minnesota side has seen a huge influx of people coming to North Dakota to get marriage licenses because of the cost. We are asking for the twenty five dollar increase to try and get our costs a little bit closer to what they are charging.

Sheila Dalen, County Recorder from Ward County, representing the Recorders Association as Chairman of their Legislative Committee, testified in support of SB 2287. (See attachment #3a #3b, & 3c)

She issues the marriage licenses in her county. She brought with her a set of the paper work that is done in issuing a marriage license for the committee to see if they wanted to see the process.. She urged a Do Pass on SB 2287 and also a Do Pass on SB 2024 which would be removing the sunset clause.

Senator Dever: In Ann Johnsrud's testimony she states there are 33 recorders designated to sell marriage licenses. Who sells the license in other counties?

Sheila Dalen: Most of them are clerks of court, a couple of auditors, a couple of treasures but the majority are the recorders and clerks.

Chairman Cook : Sheila if six dollars doesn't cover you expenses. What are the expenses in your mind?

Sheila Dalen: The paper work, staffing, the storage and updating of records. There is a lot of paper work that goes together with issuing marriage licenses.

Chairman Cook: Ask Sheila to share the paper process of issuing a marriage license.

Bonnie Polecek, spoke in favor of SB 2287 on behalf of the North Dakota Council on Abused Womens Service. Our local 19 programs are the recipients of the twenty nine dollars in the domestic violence prevention since 1981. We are grateful for the respect the clerks association has showed us in terms of developing the legislation. We have no problems with more money going to the county.

No further testimony in favor or in opposition of the bill..

Chairman Cook closed the hearing on SB 2287.

2005 TESTIMONY

SB 2287

SB 2287

Mister Chairman, members of the Political Subdivision Committee

For the record my name is Tom Fischer, State Senator, District 46, Fargo.

Senate Bill 2287 raises the county portion of the fee for a marriage license from six dollars to thirty-one dollars or an increase of 25 dollars. There is another portion of the marriage license fee of 29 dollars which is dedicated to victims of domestic violence through the domestic violence prevention fund in accordance with chapter 14-07.1 of the NDCC. This bill would make the total fee for a marriage license 60 dollars.

The county recorders and the county treasurers are solidly behind this legislation. It is impossible to process the marriage license application and the other required recording for six dollars in today's market. I believe the six dollar fee was initiated 25 years ago.

Mr. Chairman, there are several people in attendance this morning who can explain this legislation in detail and with your permission I will defer to them. If you have any questions I will try to answer them.

Thank you

**TESTIMONY TO THE
 SENATE POLITICAL SUBDIVISION COMMITTEE
 Prepared January 25, 2005, by
 Charlotte Sandvik, Cass County Treasurer**

CONCERNING SENATE BILL 2287

Mr. Chairman and members of the Committee, I am Charlotte Sandvik, the Cass County Treasurer and my office is designated to sell Marriage Licenses. We have talked about introducing legislation to increase the Marriage License fee for a couple of reasons.

The actual fee portion of the Marriage License has not been increased since at least 1971, while the cost of living and doing business has increased significantly over that time period. An additional cost of \$19 was added in the 1981 session and was further amended to the current \$29 in the 1985 session for the Domestic Violence Prevention Fund. Also, the cost of Marriage Licenses in North Dakota, in comparison to the surrounding states, creates a situation where people go to border states simply to escape the higher fees.

	<u>License</u>	<u>Domestic Programs</u>	<u>Total</u>
North Dakota	\$ 6.00	\$ 29.00	\$ 35.00
Minnesota	\$ 15.00	\$ 70.00	\$ 85.00
South Dakota	\$ 10.00	\$ 30.00	\$ 40.00
Montana*	\$ 30.00		\$ 30.00

*Pending legislation would add a \$20 Domestic Program fee to the total cost of the license.

The Clerks of Court and the County Recorders are in full support of this legislation increasing the fee for Marriage Licenses.

Mr. Chairman and members of the Senate Political Subdivision Committee, I urge you to support this legislation.

Sincerely,
 Charlotte Sandvik
 County Treasurer

CONCERNING SENATE BILL 2287

Chairman Cook and members of the Senate Political Subdivisions Committee, I am here on behalf of all county officials of the State. Our Association passed a resolution of support for this proposed change at our fall annual meeting.

The North Dakota Association of Counties has long maintained the position that government services provided for the direct benefit of individuals or businesses should be funded through user fees, rather than general property taxes paid by those that receive no benefit.

The chart below is a simple illustration of the lack of change the county share of the marriage license fee has seen in the last 34 years. This bill is a long overdue update of the fees that counties can collect for their efforts in issuing marriage licenses required by State law. Please give SB2287 a Do Pass recommendation.

Good Morning Chairman Cook and Committee members:

For the record my name is Sheila Dalen, I am the County Recorder from Ward County.

I am representing the Recorders Association as Chairman of their Legislative Committee.

I am here today to offer our support for SB2287 and to deliver to you letters of support from both the Recorders and the Clerk of Courts Associations.

Both associations are in full support of the bill for the obvious reason of the cost of issuing the licenses has been set at only \$6.00 of the current fee, per license staying in the county since at least 1971. Both associations feel it is time for an increase.

Of the \$6.00 currently staying in the county the majority of counties are tied into the central marriage license system and are charged \$1.00 per license to use the system, so actually only \$5.00 per license stays in the county to compensate for the staffing, paper supplies, storage and all that goes along with the issuance of a marriage license.

As a footnote, this \$5.00 goes into the County general fund for all county use. If you remember me coming before you on SB2024 the preservation fund bill, this is another perfect example of where removing the sunset clause as in SB2024 would help Recorders have the ability for all counties to issue & preserve marriage licenses electronically as those dollars are set aside for our offices only. So if appropriate, I also ask that you consider this in your discussions on SB2024.

I would urge a do pass on both SB2287 today *and also on SB2024.*

I do issue marriage licenses in my office and am here today to try and answer any questions you may have.

I also brought a set of the paperwork involved in issuing just one marriage license so you could see what is involved if you would like me to run through it quickly for you.

When a license is returned the information is then indexed either manually in books within the office or in our computer systems. The originals and the application papers are then stored permanently in our office and a copy is sent to the state.

RE: SB 2287

Mr. Chairman and Committee Members,

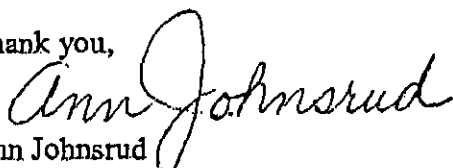

The North Dakota County Recorders Association is in full support of SB 2287.

Currently there are 33 Recorders designated to sell marriage licenses.

We have worked closely with the Marriage License Committee and Cass County and feel that the recommendations they have come up with, after extensive research, are fair and will put us in line with surrounding states fees.

Mr. Chairman and Members of the Committee, we urge you to give a **Do Pass** on SB 2287.

Thank you,

Ann Johnsrud
