Minutes:

Colonial Bryan Klipfel: Superintendent of the ND Highway Patrol – This bill is to clarify jurisdiction of the Highway Patrol.

See Printed Testimony

Chairman Weisz : Have you actually had a case where that came into question on leased property?

Co. Klipfel: Mr. Chairman, no we haven't. It's just the idea that we just want to cover ourselves in case it happens in the future.

Rep. Ruby: Since you're adding the words and or lease, will this – Let's say if I see a vehicle from the state fleet was on a road that is out of your jurisdiction will this give you the ability to search it, or do you already have the abilities to search or do something with that vehicle?

Co. Klipfel: We currently have jurisdiction of any vehicle on any state roadway in the state of North Dakota.

Chairman Weisz: This is just leased property.

Col. Klipfel: Yes.

#1 The bill currently has not been a problem but I have brought it before you for clarity.

Sen. Fiebiger questioned it not being addressed in the lease. Bryan responded that we have assumed it would but the agreement does not bind the authority of the jurisdiction.

Sen. Nething stated if you have a problem you can go on the property but if you have an employee who is the issue then it becomes a different process.

2007 TESTIMONY

HB 1063

House Bill 1063

Submitted by

Colonel Bryan Klipfel, Superintendent NDHP

January 11, 2007

Good morning, Mr. Chairman and members of the House Transportation Committee. My name is Bryan Klipfel and I am Superintendent of the North Dakota Highway Patrol.

House Bill 1063 would clarify jurisdictional issues that arise when the Highway Patrol is asked to conduct an investigation or provide security for state agencies. Due to the number of properties that are leased by the State, it becomes a jurisdictional issue for the Patrol when we are asked to provide a service at these leased locations.

Currently, section 39-03-09 NDCC provides the Patrol general police powers over all violations of law committed on state property. House Bill 1063 would provide that leased property be included.

In the past, the Patrol has provided assistance to other state agencies involving security and investigations. Most often these requests are due to an employee termination, an administrative hearing, or an internal investigation at another state agency location.

The Patrol has provided assistance at several leased locations, to include:

- Office of Administrative Hearings
- State Electrical Board
- Association of Counties building
- Northbrook Mall
- Workforce Safety and Insurance
- Game and Fish, leased location

Thank you, Mr. Chairman. I would be happy to answer any questions you have at this time.
