RE: HB 1383 – School District Precincts

Section 1: Removes the text on lines 9 and 10 because it is not applicable to any existing school district situation and conflicts with other portions of the same section of law. The previous sentence clearly states that the school district precincts are to be arranged according to population as equally as possible.

The attached amendment will actually become Section 1 of the bill. It is to change from 33 to 60 days before an election the candidate filing deadline for a school district election. This is to provide the same filing deadline as exists for all other elections and matches the changes included in several other election related bills introduced this session.
