Explanation or reason for introduction of bill/resolution:

A BILL for an Act to amend and reenact sections 39-25-01, 39-25-02, 39-25-03, 39-25-04, 39-25-05, 39-25-06, and 39-25-07 of the North Dakota Century Code, relating to commercial driver training schools.

Minutes:

Attached testimony: 1

Mr. Timothy J Dawson Legislative Council, staffed the Interim Transportation Committee. I am here to explain the bill draft and not for or against it. This bill moves the commercial driver's training schools regulations from the Highway Patrol to the Department of Transportation. Back in the eighties you used to get your driver's license test from the highway patrol and they moved that over to North Dakota Department of Transportation (DOT). This was something that should have gone with it.

Mr. Glen Jackson, Director of the Driver's License Division at the North Dakota Department of Transportation
Shifting the responsibilities for this program from the Highway Patrol to the Department of Transportation, will not incur additional costs or hardships to the North Dakota Department of Transportation (DOT). Attached testimony 1

Senator Flakoll This is not a companion bill to any of the bills in Appropriation.

Mr. Jackson: No, it will not require anything extra.

No additional testimony in support. No testimony in opposition.
Chairman Oehlke closed the hearing.

SB2045

Good morning, Mr. Chairman and members of the committee. I'm Glenn Jackson, Director of the Driver's License Division at the North Dakota Department of Transportation (DOT). Thank you for giving me the opportunity to present information to you today.

The DOT had the opportunity to work with the committee during the interim and is in agreement with the bill. This bill essentially brings licensing for commercial driver training schools under the Driver's License Division from the Highway Patrol. There are no other substantive changes.

Shifting the responsibility for licensing commercial driving schools from the Highway Patrol to the DOT will not be a labor intensive process. The current licensing process will be followed without change and currently only requires a few hours a week for one individual, mostly during the November through January timeframe for annual licensing. Fees collected will continue to be placed in the state highway fund.

Thank you, Mr. Chairman, I would be happy to answer any questions.
