PREFACE

This is the final version of the computerized Bill Status and Subject Index used during the 2015 legislative session.

The 64th Legislative Assembly met in regular session from Tuesday, January 6, 2015, through Wednesday, April 29, 2015, and reconvened and adjourned sine die Tuesday, June 16, 2015.

The titles of bills in this report are from bills as voted on in the house of origin. The Century Code Sections Affected Report identifies sections contained in bills as introduced. The Subject Index entries refer to the measures as introduced but entries are updated as bills passed in the house of origin.

There were 940 bills and resolutions introduced during the 2015 legislative session and 536 passed both chambers. Out of the total 940 bills and resolutions, there were 854 bills, 83 concurrent resolutions, 1 House resolution and 2 memorial resolutions.

Of 940 bills introduced, there were 476 House bills and 378 Senate bills. There were 485 bills passed, 268 House bills and 217 Senate bills. There were 34 House concurrent resolutions and 17 Senate concurrent resolutions passed by both houses. The House passed one House resolution. Both memorial resolutions (1 House and 1 Senate) passed.

Of the 485 bills presented to the Governor, 484 bills were signed into law. The Governor vetoed one bill and made four line item vetoes that did not affect the entire bill. Thus, 484 bills will, or have, become law.

The "HJ" and "SJ" references in this report are to the pages in the House and Senate journals where a particular action can be found.
