Minutes:

Called the meeting to order; we have a quorum

1:30 HB 1061-1083 We have two sets of budget bills; in the end we are going to amend the low number budget bills, 1001-1023. With the suspension of the rules, which we did on the floor today, we can put these budget bills on the consent calendar and we can do all these bills in one motion as long as it's an anonymous vote. If you want any one of the bills off, you can do it here or on the floor when it's on the consent calendar.

Is there any discussion about putting them on the consent calendar with a Do Not Pass recommendation?
