Explanation or reason for introduction of bill/resolution:

Resolution declaring July 27, 2017, as "Day of the American Cowboy"

Minutes:

Chairman Luick: Opened the hearing on HCR 3015.

Representative Kempenich, District 39: Introduced HCR 3015. This resolution is self-explanatory it was started a few years ago. South Dakota passed a bill a few years ago and I have spoken to people about it but I didn't feel comfortable it to put in statute but we did decide to put it in as a resolution and see how the legislature feels about it and bring it in a bill form down the road. This will recognize the American Cowboy at the end of July.

Chairman Luick: This is the same date as everyone else?

Representative Kempenich: It is coordinated now after the amendment.

Senator Piepkorn: It looks like Medora's national day of the cowboy is July 25th which happens to be the fourth Saturday?

Representative Kempenich: It varies year from year which is why it is a resolution because I didn't want to put a date in state law until everyone has figured this out

Julie Ellingson, ND Stockman's Association: Testified in Support of HCR 3015. Miss Ellingson said that the special day of commemoration would honor the legacy of the cowboys who embody the spirit of the American west. We encourage do pass recommendation.

Chairman Luick: Closed the hearing on 3015.

Senator Myrdal: Moved Do Pass on HCR 3015.

Senator Klein: Seconded the motion.

A Roll Call Vote Was Taken: 6 yeas, 0 nays, 0 absent.

Motion carried.

Senator Myrdal will carry the bill to the floor.

Senator Piepkorn: Said he hoped coordination would happen with the Cowboy Hall of Fame.

2017 National Day of the Cowboy Campaign

Contact us if you'd like to volunteer to help us enlist a legislator to sponsor the NDOC bill in your state if it is not on the list of states that have already awarded permanent status to the NDOC bill. We're kicking off 2017 with bill sponsors on board in WA, CO, IN, MO, and NV.

NDOC bill passage in Wyoming (#1), California (#2), New Mexico (#3), Arizona (#4), Oklahoma (#5), Oregon (#6), Mississippi (#7), Kansas (#8), Virginia (#9), Texas (#10), and Idaho (#11), should make it easier for us to engage the remaining states to join in passing the National Day of the Cowboy as a bill (rather than a resolution), in perpetuity. With eleven states awarding permanent status to the NDOC bill, our goal is to add at least six more states to that list before the 13th Annual National Day of the Cowboy, July 22, 2017. We need committed volunteers from each of the remaining states in order to achieve the final goal of a permanent day of recognition for the cowboy and cowgirl in all fifty states. .

If your state does not have a volunteer listed below, as we continue in the 2017 campaign, and you'd like to help, or if you'd like to help a volunteer already on board, email info@nationaldayofthecowboy.com. It's not a difficult or complicated process to enlist a senator or representative as a bill sponsor in your state legislature, and it never involves petitions or letter campaigns. We'll send you the information you need to seek and gain passage and we're always available to answer any questions you might have about the process. We now have thirty-three states flying the NDOC flag too, so we should have at least that many states on board with the bill. Last year there were well over sixty NDOC events in communities nationwide and we want to see that number continue to grow. We also love to have other countries join in this celebration, so contact us if you'd like to promote the National Day of the Cowboy in a country other than the United States.

Here is the bill history as of September 8, 2016, with states listed first that have **already passed the NDOC bill**, officially and permanently recognizing the 4th Saturday in July as their National Day of the Cowboy. Will you help us move your state into one of the next six slots?
