Committee Clerk: Bev Monroe by Marjorie Conley

Explanation or reason for introduction of bill/resolution:

Congratulating Carson Wentz for his outstanding season, culminating with a 2018 NFL Super Bowl Championship for the Philadelphia Eagles

Minutes:

Chairman Owens: Opened the hearing

Rep. Beadle: Introduced the bill congratulating Carson Wentz for an outstanding season last year, culminating the 2018 National Football League for the championship for the Philadelphia Eagles. A time when he was front runner for the Most Valuable Player prior to tearing his ACL. Even after his injury he ended up launching and starting his A01 Foundation which has contributed millions of dollars and a lot of man hours to go toward helping homelessness, helping devastated areas such as Haiti where there have been numerous natural disasters, as well as providing outdoor adventures to disenfranchise in sick youth including a 12 year old cancer patient who went big game hunting in Colorado shooting elk etc. Just wanted to honor a fantastic North Dakotan who is bringing lots of attention to our state.

Chairman Owens: Are there any questions by the committee?

Rep. Mary Johnson: What does 06010 to 19147 mean?

Rep. Beadle: These are the area codes for Philadelphia as well the headquarters for ESPN.

Chairman Owens: Any further questions?

Rep. Mary Johnson: Does this boost him to get into the Hall of Fame?

Rep. Beadle: He has been a good example for all.

Rep. Mary Johnson: Will he be starting next year?

Rep. Beadle: Coach Peterson expects him to start next year.

Chairman Owens: Any further questions for the committee?

Rep. Mock: Carson has been an incredible example of leadership, maturity, and poise. He is one of the better role models in professional sports that you could find.

Chairman Owens: Hearing closed.

Explanation or reason for introduction of bill/resolution:

A concurrent resolution congratulating Carson Wentz for his outstanding season, culminating with a 2018 National Football League Super Bowl Championship for the Philadelphia Eagles.

Minutes:

No Attachments.

Vice-Chairman Fors: We will look at HCR 3014.

Representative Thomas Beadle, Dist 27: Introduces HCR 3014. This bill may be a year delayed when it would have been optimally introduced, but our not having annual sessions, prohibits the timing of this. This is just a nice little resolution congratulating one of ND's favorite sons – someone who has brought a tremendous amount of success and recognition to ND and a lot of attention on a national scale. That individual is Bismarck's own Carson Wentz. We like to claim him in Fargo, but for Senator Oban's sake, we will continue to reference him as Bismarck's son. This resolution is congratulating the Philadelphia Eagles on winning the 2018 Super Bowl. It is also congratulating Carson Wentz on a number of his accomplishments including the rookie of the year during his rookie season, as well as the accolades he had when he was a front runner for the MVP award in 2017 prior to going down with an ACL injury. He has certainly bounced back – last season and done so well for the Eagles with the back fracture, but all signs coming out of Philly are that things are looking really well for Carson, they are going to be back and better than ever. They just executed a trade for DaSean Jackson yesterday that should give them a nice little burner to take the top off the defense, which was something that Carson was lacking last year. Even though they had a down season, he actually improved on his accuracy as well as most of his passing statistics. Just the win loss record last year wasn't as good. Mr. Chairman, members of the committee, it is just a simple little resolution just acknowledging we have some greatness coming out of ND. We appreciate everything he did and the attention he brought while he was at NDSU as well as the lead up to the draft process when ESPN talked about ND tough and how great NDSU was for many, many weeks and the lead up to that process and then every week during the season as well. Tremendous recognition for our state and we want to make sure that they know we are appreciative of it. With that, I am certainly open to any questions.

Vice-Chairman Fors: Any questions?

Senator Marcellais: Why isn't Carson here to testify for this?

Representative Thomas Beadle: We extended the offer. Representative Mock was supposed to be here for this. You will notice this resolution is on the 06000 version of it. That was not due to me by any stretch of the imagination, that we fully due to Representative Mock how had a lot freer time on his hands and really wordsmith this thing quite a bit. He has been in conversation with some individuals from the governor's office in the hopes that when this thing passes that we would be able to present it to him personally. That wasn't my intention of putting this in, but certainly, we like have him back in ND any time he can. He often makes trips back here with his receivers during the summer to do practice in the breaks between OTA and training camp. We expect him to be back in the region again and his family is still obviously in this area and takes great pride in him coming out here. But, anything we know about Carson, he is a pretty humble guy. I don't think he would be here asking for a resolution recognizing him.

Vice-Chairman Fors: Any other questions.

Representative Thomas Beadle: Senator Fors and members of the committee, this is one of those little things – a nice little feel good things, so, hopefully, the committee will give this a Do Pass recommendation. We will run it up there and make sure to get this out where it needs to be and notified to the Eagles that they have some fans here. Especially since now the rumors now are they are looking as Easton maybe as a fifth-sixth round pick to be a nice little back-up. That is one of the things that came out of the Philly Daily News last week.

Vice-Chairman Fors: Thank you. Any other questions? Agency testimony? Opposed to the resolution.

Senator Rust: Move a Do Pass.

Senator Davison: Second.

Roll Call Vote: 6 Yeas; 1 Nay; 0 Absent.

Motion Carries.

Senator Oban will carry the bill.
