## Explanation or reason for introduction of bill/resolution:

To provide veterans with medical coverage for hyperbaric oxygenation therapy.

## Minutes:

**Chairman Davison:** Open the hearing on HCR3018.

**Rep. Dick Anderson, Dist. 6:** I am here to introduce this resolution. We sent this to the feds. I want to let our congressional delegation know that we need to do this. Sen. Cramer was in front of the Veterans Secretary and he recommended that Fargo be set up for an HBO clinic for veterans. Both Cramer and Hoeven are moving forward. It is coming and am glad.

**Sen. Kristin Roers:** Since Cramer and Armstrong have already toured the place, and Hoeven is not working on this with you, do we need this?

**Rep. Anderson:** It just reinforces the argument. (4.17) Sen. Roers and I have had this discussion before a lot. This works for concussions, but for those injured years ago, we don't have the data to support. Does it work for everything? I don't know, but I want to find out.

**Chairman Davison:** Any more support? Agencies? Against? We are closed.

**Vice Chair Meyer:** I move a DO PASS.

**Sen. Kristin Roers:** I second.

**Chairman Davison:** Discussion? Take roll: **YES -- 7 NO -- 0 -0- absent.**

**HCR3018 PASSED.**

**Sen. Shawn Vedaa will carry the bill.**

**Done (6.50)**
