**Monday, January 18, 2021**

Chairman Monson and members of the Appropriations Committee, I am JoDee Hanson serving as Chief Administrative Officer for the Governor, and am here to ask for your support for the budget recommendation for the Office of the Governor. The recommended budget for the Office of the Governor for the 2021-23 biennium continues existing positions and programs. The budget was prepared in accordance with the budget guidelines provided to all state agencies. The budget is summarized on the Governor's Office Budget table attached.

**Salaries and wages**

Recommended funding includes an increase of \$109,390 from the 2019-21 legislative appropriation to fund salary increases, health insurance changes and additional retirement contribution recommended for all state agencies as part of the statewide executive compensation plan.

We achieved the 5% reduction by removing the Governor's salary of \$274,112. A portion of this salary (\$59,747) will be reallocated to the Governor's office salary line.

**Operating expenses**

The recommended funding for operating expenses is increased by \$151,633. The increase is specific to the proposed rent model change in the Capitol, as well as a small technology fee.

There were no findings in our financial audit report.

Mr. Chairman and members of the House Appropriations Committee, I ask your favorable consideration of this budget and am available, along with Office of Management and Budget staff, to answer any questions you may have.

Thank you.

## Amendment Requests / Estimated Turnback -- Governor's Office - February 11, 2021

Request	Budget line	Appropriation Remaining 12/31/20	Transfer Operating to Salary line	Turnback	Carry-forward	Explanation
For the 2019-21 appropriation, a one-time transfer request of \$29,242 from the Operating line to the Salary line. Transfer of funds to be used to payout earned, unused annual leave due to pandemic response.	Operating - Travel	\$ 34,672	\$ 29,242	\$ -	\$ -	<ul style="list-style-type: none"> <li>• Due to the global pandemic response and now the legislative session, the Governor's office team has been working around the clock and many were unable to take their earned annual leave time; with the April 30th deadline for the 'use or lose' policy, any hours above 240 will be lost by no fault of the team.</li> <li>• ND Administrative Code 4-07-12-10 allows for payout of unused leave accrued over the 240 hour threshold for a business-related reason, with prior approval from HRMS, OMB.</li> <li>• As our salary line is very tight, we do not have funds to complete this payout without a transfer of unused operating funds.</li> <li>• We expect limited travel thru the remainder of the biennium, so the \$5,430 which remains in the operating-travel line should suffice.</li> </ul>
For the 2019-21 appropriation, a one-time transfer request of \$35,000 from the Operating line to the Salary Line. Transfer will cover the additional salary dollars needed to better reflect the actual costs of the project.	Operating - Boards Upgrade (one-time funding)	\$ 79,027	\$ 35,000	\$ -	\$ -	<ul style="list-style-type: none"> <li>• The Boards and Commissions IT project (one-time funding) in the 2019-2021 budget is \$139,808.</li> <li>• \$60,781 has been expended for this project thru 12/31/20.</li> <li>• In part this upgrade is under budget due to the technical expertise of our Boards &amp; Commissions Manager. She collaborated closely with NDIT, which led to increased efficiencies in the project. She is budgeted at 75% but will have worked full-time for approx 18 months. Based on her technical expertise, we experienced savings on the operating line, however, incurred additional expense on the salary line. This transfer better reflects the true costs of the one-time funding for the boards website upgrade. We are soon to launch the new website, and will use the coming months for additional tweaks and back office reporting enhancements.</li> </ul>
Request carry forward of the \$10,800 appropriation for the Roughrider Awards line since the Hall of Fame induction ceremonies were unable to be held this year due to the pandemic. It has been requested by recent inductees for their event to occur in the Fall of 2021. In Support of  
**2021 HOUSE BILL 1001**  
**OFFICE OF THE GOVERNOR**

Presented to  
**Senate Appropriations Committee**  
**Senator Homberg, Chairman**  
**Friday, March 12, 2021**

Good morning Mr. Chairman and Members of the Committee. For the record, I'm JoDee Hanson serving as Chief Administrative Officer for the Governor. Thank you for the opportunity to present the Governor's office budget for the next biennium.

In order to achieve the 95% budget guideline in the Governor's Office budget, we removed the Governor's salary. The House restored funding for his salary.

The House then reduced our operating budget by 27% or \$100,000, leaving us less than \$135,000/year (of which \$95,000 is fixed IT costs) to operate our office of 18 FTE.

We respectfully ask that you restore these operating funds as we operate very lean. For example, our travel budget for the team is \$27,500 annually.

This budget includes funding for the salary increases and health insurance changes recommended for all state agencies as part of the statewide executive compensation plan, as well as a small increase for Office 365 license fee.

For additional background, we provided the following amendments for the 19-21 appropriation to the House, which were adopted and included in the House version of the budget bill:

**Line item transfers.** Because of COVID we were unable to fully use our travel and professional development budget. Our request is to transfer these funds from the operating line to salary for the following:

- Pay out unused annual leave (approximately \$29,000) which expires on April 30 for the team members who have been unable to utilize their earned leave in the past 12 months. OMB has a policy in place for this situation and considers each agency request. Without this line item transfer, we don't have the dollars in our salary line to cover this payout. This past year has taken an enormous toll on our small team, and losing unused annual leave creates unintended consequences of morale issues for those who have worked tirelessly throughout the pandemic response.
  
- Thank you for the one-time funding from last session to upgrade our Boards and Commissions website. We are in beta testing for this much improved more user-friendly website and expect to launch in the coming days. We are under budget in part due to the technical expertise of our Boards & Commissions Manager. She collaborated closely with NDIT, which led to increased efficiencies in the project. She is budgeted as a 75% FTE but will have worked full-time for approximately 18 months to complete this project. Based on her technical expertise, we experienced savings on the appropriation, however, incurred additional expense on our salary line. This transfer of \$35,000 to our salary line better reflects the true costs of the one-time funding for the boards website upgrade and removes pressure from our already tight salary line.
  - The Boards and Commissions IT project (one-time funding) in the 2019-2021 budget is \$139,808. \$63,008 has been expended for this project thru 1/31/20.

**Carry forward of the appropriation for the Rough Rider Awards.**

- The Hall of Fame induction ceremonies were postponed this year due to the pandemic. It has been requested by recent inductees for their event to occur in the fall of 2021.

I ask for your favorable consideration of the proposed budget with the requested change, and along with our budget analyst Stephanie Gullickson, am available to answer any questions you may have.

Thank you!
