TESTIMONY

SB 2072

Testimony in Support of
Senate Bill No. 2072
Senate State and Local Government
January 5, 2023

TESTIMONY OF

Tag Anderson, Director Risk Management Division

Chairman Roers and members of the committee, my name is Tag Anderson. I am the Director of the Risk Management Division of the Office of Management and Budget (OMB). I appear today in support of SB 2072.

This legislation came out of the Governor’s Red Tape Reduction Working Group. This legislation would allow for OMB to establish an electronic method of service for garnishment documents. To encourage the use of a simplified electronic service method, the fee that is required for the creation of the affidavit of disclosure would not be required. This small change will likely lead to further simplification for service of garnishment documents in the future.

Mr. Chairman and committee members, this concludes my testimony. I ask your support for SB 2072. I would be happy to answer any questions.

Thank you.
