Dear members of the Education Standards and Practices Board,

On August 28, 2015, I received your request for approval of emergency rulemaking to amend North Dakota Administrative Code Chapter 67.1-02-04-09 relating to community experts and letters of approval for teacher shortages.

I have reviewed the request and I find that an emergency rulemaking is an appropriate option to address the immediate teacher application shortage. I therefore approve adoption of your proposed rules which sunset at the close of the 2016 school year.

Sincerely,

A handwritten signature in black ink that reads "Jack Dalrymple".
