Item Description

Lewis and Clark Bicentennial projects.

Status/Result

The Indian Affairs Commission, with the assistance of the Tourism Division of the Department of Commerce, is redesigning and reprinting an American Indian specific brochure for dissemination statewide. The brochure will be printed in May 2004. The Indian Affairs Commission is also planning to develop several public service announcements and a promotional video for use during the Lewis and Clark Bicentennial signature events. Approximately \$100,000 of Lewis and Clark Bicentennial funding of the Tourism Division is being spent for these projects.
