Other Sections in Bill

Section 4 of House Bill No. 1006 provides for a transfer of \$1.4 million to the general fund, the amount received by the State Tax Commissioner's office for expenses incurred in the collection of the motor vehicle fuels and special fuels taxes and administration of these taxes.

Section 5 of House Bill No. 1006 provides for the statutory changes as necessary to increase the State Tax Commissioner's salary as follows:

Annual salary authorized by the 2003 Legislative Assembly:
July 1, 2003 \$73,821

Proposed annual salary recommendation in the 2005-07 executive budget:
July 1, 2005 \$76,774
July 1, 2006 \$79,845 (may not exceed)

The executive recommendation provides funding for elected officials' salary increases equal to 4 percent of salaries effective July 1, 2005, and 3 percent effective July 1, 2006. An additional 1 percent may be provided to the extent the increase can be paid with existing agency resources. Section 5 of House Bill No. 1006 provides that the July 1, 2006 increase may not exceed 4 percent.

Senate Bill No. 2157 - This bill provides for the Governor's recommended proposed changes to the **homestead tax credit** for taxable years beginning after December 31, 2004.

Currently, pursuant to North Dakota Century Code Section 57-02-08.1, the homestead tax program provides:

- A homeowner or renter may not have income exceeding \$14,000 per year to be eligible for the program;
- A graduated reduction in the taxable value and resulting taxes of a person's homestead, to a maximum \$2,000 (4.5 percent of taxable value) based on the applicant's income level;
- The maximum benefits are limited to \$44,400 reduction in the value of the house; and
- For eligible renters making \$14,000 or less per year, the program provides a direct payment of the amount by which 20 percent of the total rent (representing the property tax portion) exceeds 4 percent of the applicant's annual income, not to exceed \$240.

This bill provides for statutory changes to the homestead tax credit as follows:

- Base the income requirement of the applicant on the federal poverty income levels;
- Eligible homeowners would be eligible for a maximum \$3,600 (4.5 percent of taxable value) reduction in their home's tax valuation based on the applicant's income level;
- The maximum benefits would be raised to allow the full reduction of an \$80,000 house; and
- Eligible renters based on the federal poverty level would receive a partial refund of their rent based on the amount by which 20 percent of the total rent (representing the property tax portion) exceeds 4 percent of the applicant's annual income, up to a maximum \$240 based on the applicant's income in comparison to the federal poverty level.
