¹ Adds special funds spending authority for the State Department of Health to collect fees for the inspection of tanning facilities.

² Adds funding for the North Dakota critical incident stress management program to assist emergency medical services providers in dealing with stress caused by difficult situations.

³ Increases funding for grants to local public health units from \$1.1 million to \$2 million per biennium.

⁴ Adds funding for grants to domestic violence and rape crisis agencies across the state to provide prevention and intervention services on domestic violence and sexual assault issues.

⁵ Removes federal funds spending authority for grants relating to abstinence programs.

⁶ Adds funding from the community health trust fund for physician loan repayment program grants.

⁷ Changes funding source for storage and administration fees relating to the influenza antiviral stockpile program from the general fund to special funds from fees.

⁸ Restores funding for storage costs relating to the influenza antiviral stockpile program.

⁹ Adds funding from the general fund and community health trust fund for a grant program through the North Dakota Cancer Coalition to provide funding for colorectal cancer screening initiatives to target low-income, underinsured, uninsured and disparity populations between ages 50 through 64 living in rural counties with a population of 15,000 or less and with a primary focus on counties with a large American Indian population. Recipients of grants will develop and provide a cohesive approach to cancer prevention, early detection, and treatment in North Dakota. In addition, the recipients must demonstrate the existence of an established referral mechanism to providers trained to perform colonoscopies.

¹⁰ Removes special funds spending authority from the community health trust fund for 1 FTE youth tobacco coordinator position and operating costs to address youth tobacco and to implement a countermarketing campaign.

¹¹ Adds funding from the community health trust fund for emergency medical services training grants.

¹² Decreases funding for Russell-Silver Syndrome grants from \$150,000 to \$100,000.

¹³ Adds special funds spending authority to purchase and receive reimbursement from providers for the Providers Choice program.

Amends North Dakota Century Code Section 23-01-05.3 to provide that the State Department of Health may establish an immunization information system and may require childhood immunizations be reported to the department. This amendment incorporates the provisions of 2007 House Bill No. 1084.

Adds a section identifying one-time funding for the State Department of Health and provides that the one-time funding is not to be included in the base budget of the State Department of Health for preparing the 2009-11 executive budget. In addition, the section provides for a report to the Appropriations Committees of the 61st Legislative Assembly on the use of one-time funding.

Creates a new section North Dakota Century Code Chapter 23-39 to provide for fees collected by the State Department of Health for regulating tanning facilities to be deposited in the department's operating fund for associated costs. House Bill No. 1154 (2007) provides for the department to regulate tanning facilities.

Adds a section of legislative intent that funding from the community health trust fund not be used for media campaigns to influence public opinion regarding measures on state or local ballots or proposed legislation.
