¹ Funding is provided from the oil and gas impact grant fund for grants to school districts that can demonstrate rapid enrollment growth. The executive budget and the Senate did not provide funding for these grants. The House provided \$5 million from the general fund for rapid enrollment growth grants in Senate Bill No. 2013. The funding was not included by the conference committee on Senate Bill No. 2013.

² Funding is provided to the Superintendent of Public Instruction to support the Gearing Up for Kindergarten program provided by the North Dakota State University Extension Service. The Extension Service may use up to \$125,000 for administrative purposes.
