General Authority: NDCC 23-27-04

Law Implemented: NDCC 23-27-04

33-11-04-02. License required - Fees.

1. No air ambulance service as defined in North Dakota Century Code chapter 23-27 shall be advertised or offered to the public or any person unless the operator of such air ambulance service is licensed by the department.
2. The license shall expire midnight on October thirty-first of the even year following issuance. License renewal shall be on a biennial basis.
3. A license is valid only for the service for which it is issued. A license may not be sold, assigned, or transferred.
4. The license shall be displayed in a conspicuous place inside the patient compartment of the aircraft. An operator operating more than one aircraft out of a town, city, or municipality will be issued duplicate licenses for each aircraft at no additional charge.
5. The biennial license fee shall be fifty dollars for each air ambulance service operated.

History: Effective August 1, 2003; amended effective January 1, 2008.

General Authority: NDCC 23-27-04

Law Implemented: NDCC 23-27-04

33-11-04-03. Application for license.

1. Application for the license shall be made in the manner prescribed by the department.
2. The application must be made for either basic life support air ambulance service as defined in chapter 33-11-05, advanced life support air ambulance service as defined in chapter 33-11-06, or for critical care air ambulance service as defined in chapter 33-11-07.

History: Effective August 1, 2003; amended effective January 1, 2006.

General Authority: NDCC 23-27-04

Law Implemented: NDCC 23-27-04

33-11-04-04. Issuance and renewal of licenses.

1. The department or its authorized agent may inspect the air ambulance service. If minimum standards for either basic life support air ambulance services, advanced life support air ambulance services, or critical care air ambulance services are met, the department shall issue a license.
2. A service may request that the department consider it in compliance with this chapter if it is fully accredited by the commission on accreditation of medical transport systems or its equivalent.
3. Services requesting their compliance with this chapter be verified through an accrediting agency shall submit to the department a copy of the entire accrediting agency survey report. Subsequent accreditation or revisit documentation must be submitted prior to license renewal.

History: Effective August 1, 2003; amended effective January 1, 2006.

General Authority: NDCC 23-27-04

Law Implemented: NDCC 23-27-04

33-11-04-05. Availability of air ambulance services.

Basic life support air ambulance services may be available as needed per licensee's discretion. Advanced life support air ambulance services and critical care air ambulance services shall be available twenty-four hours per day and seven days per week, except as limited by weather or aircraft maintenance or by unscheduled pilot duty limitations in accordance with federal aviation administration regulations.

History: Effective August 1, 2003; amended effective March 24, 2004; January 1, 2006.

General Authority: NDCC 23-27-04

Law Implemented: NDCC 23-27-04

33-11-04-06. Number of personnel required.

For a licensed basic life support air ambulance service, the minimum number of personnel required is one primary care provider as defined in chapter 33-11-05. For a licensed advanced life support air ambulance service, the minimum number of personnel required is one primary care provider as defined in chapter 33-11-06, except when either the transferring or receiving physician believes the patient's status requires a minimum of two providers. For a licensed critical care air ambulance service, the minimum number of personnel required is two providers as defined in chapter 33-11-07.

History: Effective August 1, 2003; amended effective March 24, 2004; January 1, 2006.
