17-02-01-01.1. Approved schools.

Repealed effective February 1, 1990.

17-02-01-01.2. Definitions.

1. Unless specifically stated otherwise, all definitions found in North Dakota Century Code section 43-06-01 are applicable to this title.
2. "Actual consultation" as used in North Dakota Century Code section 43-06-02 means seeking or giving professional advice, opinions, or assistance in conjunction with a licensed chiropractor in this state with regard to a specific patient for the purpose of providing chiropractic treatment to the patient.
3. In this title, unless the context or subject matter otherwise requires:

- a. "Direct supervision" means a licensed chiropractor must be on the same premises as the intern when the intern is performing any patient care procedure and be readily available to the intern and patient.
- b. "Ethics and boundaries examination" or "E&B" means the ethics and boundaries examination offered by the Ethics and Boundaries Assessment Services, LLC (EBAS).
- c. "Graduate intern" means an unlicensed graduate of a chiropractic college qualified to participate in the graduate intern program and approved by a college of chiropractic and the board. A graduate intern has the abilities to observe a sponsoring licensed chiropractor caring for patients; have supervised participation in patient care, such as adjusting patients, performing examinations, and taking x-rays; participate in and performance of patient education and health care classes; and participate in administrative responsibilities.
- d. "Intern" means an unlicensed chiropractic student qualified to participate in the preceptorship program and approved by a college of chiropractic and the board. An intern has the abilities to observe a sponsoring licensed chiropractor caring for patients; have supervised participation in patient care, such as adjusting patients, performing examinations, and taking x-rays; participate in and performance of patient education and health care classes; and participate in administrative responsibilities, such as office procedures, filing, recordkeeping, billing, and staff meetings.
- e. "National board" means the national board of chiropractic examiners or its successor or equivalent as determined by the board.
- f. "Preceptorship" means a short-term structured clinical education experience in an off-campus clinic under the direct supervision of a sponsoring licensed doctor of chiropractic for qualified chiropractic students.
- g. "Special purposes examination for chiropractic" or "SPEC" means the special purposes examination for chiropractic offered by the national board.

17-02-01-11. Second examination.

Repealed effective February 1, 1990.

17-02-01-12. Licenses recorded.

Repealed effective February 1, 1990.

17-02-01-13. License renewal and fees.

1. Every chiropractor who has been licensed by the board shall renew the license by remitting a renewal fee on or before eleven fifty-nine p.m. central standard time September first of each year, completing the questionnaire provided on the board's website, and reporting the appropriate number of continuing education credits. For applicants who receive an initial license after July first, the license will be deemed to be automatically renewed on September first for an additional year without payment of an additional renewal fee.
2. Subject to subsection 3, a license which has not been renewed as a result of nonpayment of the annual registration fee may be reinstated upon payment to the board of past renewal fees plus an additional administrative fee set by the board. Proof of appropriate continuing education hours must be presented.
3. If a license has not been renewed during a continuous two-year period, an applicant must reapply unless waived by the board for good cause.

History: Amended effective April 1, 1984; February 1, 1990; May 1,1993; April 1, 2001; July 1, 2008; January 1, 2016; January 1, 2021.

17-02-01-14. License renewal - Special purposes examination for chiropractic.

Repealed effective April 1, 2001.

17-02-01-15. Lapsed licenses.

Notwithstanding the provisions in this chapter regarding renewal of lapsed licenses, once a license has lapsed, the person who held the lapsed license may not practice chiropractic or use a title reserved under state law for individuals who are licensed by the board until the individual's license is renewed or until a new license is issued. A person whose license has lapsed but who continues to practice chiropractic or use a restricted title violates state law. Such a violation is grounds for denying an application by the former licensee for renewal of the lapsed license or for a new license.

History: Effective April 1, 2001; amended effective January 1, 2021.

17-02-01-16. Reactivation of an inactive license.

An applicant for reactivation of an inactive license will be considered if the following conditions are met:

1. The applicant must provide a letter from all states in which that chiropractor has practiced since their North Dakota license became inactive indicating that they are in good standing to practice chiropractic in that other state or states.

2. The applicant must appear before the board if the applicant cannot show proof of active practice in some state or jurisdiction for at least six months of the last three years.
3. The applicant must take and pass the special purposes examination for chiropractic test if it has been three or more years since the chiropractor was in active practice in any state. The board may select to have any holder of an inactive license applying for reactivation take the special purposes examination or any other evaluation at its discretion.
4. The applicant must have successfully passed the jurisprudence examination in the past twelve months.
5. The applicant agrees to submit to a statewide and nationwide criminal history record check. The nationwide criminal history record check must be conducted in the manner provided by North Dakota Century Code section 12-60-24. All costs associated with obtaining a criminal history record check are the responsibility of the applicant.
