28-01-01-01. Organization of board of registration for professional engineers and land surveyors.

1. **History and function.** The 1943 legislative assembly first provided for registration of professional engineers by a law codified as North Dakota Century Code chapter 43-19. The 1957 legislative assembly first provided for registration of land surveyors by a law codified as North Dakota Century Code chapter 43-24. In 1967 the legislative assembly repealed both of these chapters and replaced them with one chapter regulating professional engineers and land surveyors under the board of registration for professional engineers and land surveyors. The chapter is codified as North Dakota Century Code chapter 43-19.1. The function of the board is to regulate the practice of engineering and land surveying by registering qualified engineers and land surveyors.
2. **Executive director.** The executive director is appointed by the board and is responsible for administration of the board's activities.
3. **Inquiries.** Inquiries regarding the board may be addressed to the executive director:
