The director may require physical or mental examinations by licensed medical doctors or psychiatrists and a report thereof to be submitted to the director. Expenses of such examinations shall be borne by the licensee whose fitness to safely operate a motor vehicle is in question. If the director determines from the results of such examinations that such licensee is unfit to safely operate a motor vehicle, the director may suspend or revoke a licensee's privileges to operate a motor vehicle in this state, or may issue a license subject to such restrictions as are authorized to be imposed by North Dakota Century Code section 39-06-17.
