

CHAPTER 48.1-13-02 OTHER ANIMALS

Section

48.1-13-02-01 Other Animals

48.1-13-02-01. Other animals.

1. Importers of animals not included in the preceding sections, including domesticated wild animals, game animals, game birds and eggs of game birds, imported into the state may require a certificate of veterinary inspection and obtain an importation permit number from the state veterinarian.
2. The state veterinarian may require disease detection tests or inspections upon any such animals and birds and eggs prior to importation into the state and may deny importation if the results of such tests or inspections are other than negative.

History: Effective July 1, 2016.

General Authority: NDCC 36-01-08, 36-01-12

Law Implemented: NDCC 36-01-08, 36-01-12, 36-14-04.1
