90-02-01-01. Preparation of examination.

The board shall arrange for an examination to be prepared which shall be presented to the board for approval. If the board finds that the proposed examination fairly tests the skills and knowledge needed to be a certified water well contractor, pump and pitless unit installer, or monitoring well contractor, it shall approve such examination and order its use. The examination shall be modified, revised, or changed from time to time at the discretion of the board.

History: Amended effective May 1, 2002.

General Authority: NDCC 28-32-02, 43-35-01, 43-35-10

Law Implemented: NDCC 43-35-12

90-02-01-02. Supervision and correction.

The examination shall be given, supervised, and corrected by a representative appointed by the board, who shall report the results to the board.

History: Amended effective May 1, 2002.

General Authority: NDCC 28-32-02, 43-35-01, 43-35-10

Law Implemented: NDCC 43-35-12

90-02-01-03. Dates of examination.

The examination to become a certified water well contractor, pump and pitless unit installer, or monitoring well contractor shall be given four times each year, during the months of February, May, August, and November. The exact date shall be announced by the appointed examination representative to all persons known to be interested, at least thirty days before the date established for the giving of the examinations.

History: Amended effective May 1, 2002.

General Authority: NDCC 28-32-02, 43-35-01, 43-35-10

Law Implemented: NDCC 43-35-12

90-02-01-04. Place of examination.

The examination shall be given in the offices of the state water commission in Bismarck, North Dakota.

History: Amended effective May 1, 2002.

General Authority: NDCC 28-32-02, 43-35-01, 43-35-10

Law Implemented: NDCC 43-35-12

90-02-01-05. Examination procedure.

Each applicant may spend up to four hours writing the examination. No books, charts, tables, notes, or other helps shall be used. A minimum score of seventy percent shall be required to pass the examination.

General Authority: NDCC 28-32-02, 43-35-01, 43-35-10

Law Implemented: NDCC 43-35-12

90-02-01-06. Waiting period.

Any person failing to pass the examination shall not be allowed to take it again until at least the second time it shall be offered following the failure.

General Authority: NDCC 28-32-02, 43-35-01, 43-35-10

Law Implemented: NDCC 43-35-12, 43-35-21
