

CHAPTER 30-04-05 GENERAL LICENSE REQUIREMENTS

Section

30-04-05-01	Fishing, Hunting, and Fur-bearer Certificate
30-04-05-02	License Design [Repealed]
30-04-05-03	Combined Licenses
30-04-05-04	Moose, Elk, and Bighorn Sheep Licenses [Repealed]
30-04-05-05	Issuance of Stamps [Repealed]
30-04-05-06	Computer-generated Licenses

30-04-05-01. Fishing, hunting, and fur-bearer certificate.

For licensing purposes, fishing, hunting, and fur-bearer licenses must be included on a certificate provided by the North Dakota game and fish department. The certificate must include the name, address, driver's license number, and other identifying information. Additional registration and certification information shall be included when available.

History: Effective March 1, 1983; amended effective October 1, 2020.

General Authority: NDCC 20.1-02-04

Law Implemented: NDCC 20.1-02-04

30-04-05-02. License design.

Repealed effective October 1, 2020.

30-04-05-03. Combined licenses.

The resident general game license and the resident habitat restoration license are combined into the resident general game and habitat license. The nonresident game license and nonresident habitat restoration license are combined into the nonresident general game and habitat license.

History: Effective March 1, 1983; amended effective September 1, 1989; May 1, 1994; October 1, 2020.

General Authority: NDCC 20.1-02-04

Law Implemented: NDCC 20.1-03-12, 20.1-03-12.1

30-04-05-04. Moose, elk, and bighorn sheep licenses.

Repealed effective October 1, 2020.

30-04-05-05. Issuance of stamps.

Repealed effective October 1, 2020.

30-04-05-06. Computer-generated licenses.

All licenses are electronically generated by the department's online licensing system. Licenses may be printed on standard paper or displayed on an electronic device. Licenses do not require signature.

History: Effective May 1, 1995; amended effective October 1, 2020.

General Authority: NDCC 20.1-02-04

Law Implemented: NDCC 20.1-02-04
