In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

It is impossible to estimate the fiscal effect in dollars of HB 1197. About the middle of February, we would be able to give you the fiscal impact of increasing all state employees to a minimum of \$450 per month. It would be impossible on the \$450 a month minimum to give you a fiscal impact for the next biennium without having the knowledge of the number of new employees that would be hired. On all other provisions of this bill it is impossible to give a fiscal effect in dollars at any time in the future.
