In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

I have always used the figure of about \$350,000.00 as the cost of an election to the payers of North Dakota. This figure includes the costs to the counties which, of course, bear the major portion of the expenses. The costs specifically to this office would, I believe, run from \$5,000.00 to \$10,000.00, including pre-election, canvassing and printing expenses. The printing and publishing of the abstracts would be the major expenditure to this office.
