In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

No fiscal impact insofar as the State of North Dakota is concerned in regard to the reduction of contribution rates provided for in this Bill. The increase in the maximum weekly benefit amount is the only part of this Bill that will have a fiscal impact on the State of North Dakota and that involves only state colleges and universities and state hospitals now subject to unemployment compensation. It is estimated that the dollar amount of increase in benefits to claimants would amount to a total of \$102,000 for the biennium.
