The appeal of Section 38-04 would create a loss to the Bureau of approximately \$2,700.00 per year. This revenue is in the area of licensing of coal mines in the State of North Debate. However, it is our feeling we do not require licensing
\$2,700.00 per year. This revenue is in the area of licensing of coal mines in the State of North Dakota. However, it is our feeling we do not require licensing of any other industry for services rendered in safety inspections; therefore, we feel there is no need of having to charge a license fee to the coal mines
