If additional space is needed, attach a supplement heet. (Please type)  Collections from estates are one of our major sources of income. Also, we do not foreclose on claims, but secure the interests of the State through judgments. Therefore, a large number of claims will eventually be settled past the 6 year period prepared in S.B. 2474. For the budget period 1977/79 it is our estimate that S.B. 2474 would reduce our collectifrom patients accounts with approximately 15s. As the estimated amount of collections for this period is \$5, 500,000 it would near an income loss of \$825,000.00. If the bill is passed we would have to insist on increas: our General Fund appropriation with a corresponding amount.
