In the following space note the fiscal effect in dollars of the legislative proposal:

Narrative:

It was estimated prior to the meeting of the forty-seventh legislative assembly that the twenty-one mill county equalization tax levy would raise \$37,000,000 during the 1981-83 biennium. It has been estimated that \$34,000,000 of the equalization levy would be provided by the passage of Measure No. 6 last fall. Senate Bill 2230 will require an additional appropriation of \$3,000,000 to replace the revenue lost as a result of removing the county twenty-one mill from all property.
