Narrative	<u>2</u> :						
No additional funding would be requested if the amendment is approved. Any costs incurred would be absorbed within our proposed budget. We don't anticipate that it would affect our resident population to any great degree since we have only received two inquiries to date and no formal applications.							
An opinion received from the Attorney General's office indicated that under the present law we are unable to accept spouses of female veterans. The amendment was initiated to eliminate any bad publicity the State might receive for discriminating against female veterans in the future.
