

JOURNAL OF THE SENATE

Forty-eighth Legislative Assembly

* * * * *

FIFTY-EIGHTH DAY

Bismarck, March 28, 1983
The Senate convened at 10:00 a.m., with President Sands presiding.

The prayer was offered by Rev. Richard Hagestuen, First Lutheran Church, Mandan.

Dear God, these lawmakers have worked hard over the past few months struggling with their own feelings of what should be done, and dealing with others whose main interest is self-interest, whose only concern is self.

Help each of us whose motives are far from pure to deal honestly with these feelings and to put them aside to help North Dakota continue to be the state we love and need.
Amen.

ROLL CALL

The roll was called and all members were present, except Senators Barth, Goodman, Holmberg, and Mutch.

A quorum was declared by the President.

REVISION AND CORRECTION OF THE JOURNAL

MR. PRESIDENT: Your Committee on Revision and Correction of the Journal has carefully examined the Journal of the Fifty-seventh day and finds the same to be correct.

PRESENTATION OF PETITIONS AND COMMUNICATIONS

Allen I. Olson
 Governor

March 18, 1983

The Honorable Ernest M. Sands
 President of the Senate
 Senate Chambers
 State Capitol
 Bismarck, North Dakota 58505

MONDAY, MARCH 28, 1983

1899

Dear Mr. President:

While I favor and would approve under other circumstances the concept embodied in SB 2178, its approval at this time would in effect alter my present recommendations to the Legislative Assembly regarding foundation aid support for elementary and secondary education.

SB 2178 would separate the state tuition fund payments made pursuant to the Constitution from the statutory foundation aid. My recommendation presently before the Assembly calls for aid on the basis of \$1,400 per pupil. If SB 2178 were approved by me, my recommended foundation aid would be increased indirectly by the amount to which elementary and secondary schools are entitled from the "tuition" payments. Such an effect at this time would be contrary to my intent and recommendations until such time as overall agreement has been reached on these specific funding issues.

Therefore, I veto SB 2178.

Sincerely,

ALLEN I. OLSON
Governor

Allen I. Olson
Governor

March 18, 1983

The Honorable Ernest M. Sands
President of the Senate
Senate Chambers
State Capitol
Bismarck, North Dakota 58505

Dear Mr. President:

SB 2436 is an attempt to provide a mechanism whereby grain elevators and railroads can settle pricing disputes without litigation and great expense. SB 2436 amends section 32-29-01 of the North Dakota Century Code by authorizing parties to "submit to arbitration the question of the claiming of an easement to erect or maintain a public warehouse on a railroad right of way." The mechanics of such arbitration are provided in a new section to chapter 60-06 of the North Dakota Century Code. This section states that the Public Service Commission shall serve as an arbitrator in accordance with chapter 32-29.

Section 3 of SB 2436 provides for an appropriation of \$2,500 from the general fund to the public utility valuation revolving fund. This appropriation has no relation to the substantive sections of SB 2436 and is unnecessary. Under this arbitration process, parties requesting an arbitration proceeding would pay all

expenses of the proceeding. All costs and expenses collected by the Commission would be deposited in the public utility valuation revolving fund for payment of such costs. In addition, the public utility valuation revolving fund has a present balance of approximately \$33,000.

SB 2436 is therefore signed as approved with the exception of section 3 which I veto.

Sincerely,

ALLEN I. OLSON
Governor

The Honorable Ernest M. Sands
President of the Senate
Senate Chambers
State Capitol
Bismarck, North Dakota 58505

Dear Mr. President:

SB 2476 would change the residency requirement for obtaining a resident fishing license from six months to 30 days. Hunting license residency requirements would remain at six months.

The North Dakota Game and Fish Department issues either a resident or nonresident fishing, hunting and fur bearer certificate. Fishing and hunting stamps are purchased and attached to the license certificate. At present, the uniform six-month residency requirement for all Game and Fish Department licenses provides for uniform administration and enforcement change provided by SB 2476 will complicate administration of the license system and enforcement of hunting and fishing residency laws. This proposed bifurcated system of fishing and hunting residency requirements is unnecessary because the Game and Fish Commissioner has the authority to waive such requirements for persons who establish their intention to become a permanent resident.

If changes are made in fishing and hunting license residency requirements, such changes should provide for identical requirements to ensure uniform administration and enforcement of license requirements. Therefore, I veto SB 2476.

Sincerely,

ALLEN I. OLSON
Governor
