POINT OF PERSONAL PRIVILEGE

SEN. WRIGHT: Mr. President: I rise on a point of personal privilege and request that my remarks be printed in the Journal.

Mr. President: I have a message from the Governor's Task Force on Drinking and Driving. Mr. President, members of the Senate, the Governor's Task Force on Drinking and Driving highly appreciates the overwhelming support shown for Senate Bill No. 2373--the bill which will substantially enhance North Dakota's efforts to curtail the tragedies resulting from drinking and driving. The Task Force would especially like to thank the sponsors of the bill and the committee members whose time, diligence, and advocacy have helped to make the enactment of this legislation possible. With the demonstrated support of this Legislature, and with the continued support of North Dakota's citizens, we are confident that impaired driving will come to be seen for what it is--a crime against life and a behavior which is directly contradictory to North Dakota's tradition of respect and concern for all citizens and neighbors. Thank you, again.

MOTION

SEN. CHRISTENSEN MOVED that the Senate reconsider the action whereby SB 2121 lost.

POINT OF PERSONAL PRIVILEGE

SEN. MAIXNER: Mr. President: I rise on a point of personal privilege and request that my remarks be printed in the Journal.

When this bill was considered on final passage April 7, I did not speak to the bill. I did not do so because the issues involved are so close to me that I find it difficult to address them objectively and without emotion. Frequently those emotional appeals are rejected in this body as shallow and partisan.

It is difficult for me, because even though it has been ten years since those of us who fought in Vietnam returned to this country, the divisiveness and the lack of acceptance that made that war unique in American history are still with us.

It is also difficult for those of us who served in Vietnam to understand why some organizations which are recognized by the Veterans Administration as veterans' service organizations should be a part of the administrative committee on veterans' affairs, while others, similarly recognized, should not. This is actually the point being addressed in this bill: That each organization should be represented--not each conflict. The fact that Vietnam veterans believed that their problems were unique enough and serious enough to form their own organization, the Vietnam Veterans of America, is the very reason why that organization should receive the support of this body in their efforts to attain membership on the committee.

A second organization which would be included under this bill is the Amvets. Any individual who served in the military between World War II and the end of Vietnam, including those who served during peacetime and are not eligible for membership in any of the other veterans' organizations, are eligible for membership in Amvets.

The North Dakota Veterans Coordinating Council, composed of the commander, adjutant, and one other member from the American Legion, the Veterans of Foreign Wars, and the Disabled American Veterans, voted unanimously to support this legislation on March 2, and they confirmed that position on March 28, 1983. These organizations represent fifty-two thousand veterans in this state.

I would plead with this body not to add an additional straw of rejection to the camel's back of ingratitude that has greeted the Vietnam veteran since his return. I would urge the Senate to reconsider our action and then pass Senate Bill No. 2121.

REQUEST

SEN. CHRISTENSEN REQUESTED a recorded roll call vote on the motion to reconsider SB 2121, which request was granted.
