## THIRTY-FOURTH DAY

Bismarck, February 22, 1985

The Senate convened at 12:30 p.m., with President Meiers presiding.

The prayer was offered by Reverend Don Bentz, Faith Lutheran Church, Bismarck.

Almighty God, You have given us this good land as our heritage. Make us always remember Your generosity and constantly do Your will. Bless our land with honest industry, truthful education, and an honorable way of life. Save us from violence, discord, and confusion; from pride and arrogance, and from every evil course of action. Make us who came from many nations with many different languages a united people. Defend our liberties and give those whom we have entrusted with the authority of government the spirit of wisdom, that there might be justice and peace in our land. When times are prosperous, let our hearts be thankful; and, in troubled times, do not let our trust in You fail. We ask all this through Jesus Christ, our Lord.

## ROLL CALL

The roll was called and all members were present, except Senator Ereborg.

A quorum was declared by the President.

## REVISION AND CORRECTION OF THE JOURNAL

MADAM PRESIDENT: Your Committee on Revision and Correction of the Journal has carefully examined the Journal of the Thirty-third day and recommends that the same be corrected as follows and when so corrected, recommends that the same be approved:

## STATEMENT OF PURPOSE OF AMENDMENT:

University of North Dakota

The salaries and wages line item is reduced by \$1,103,167 from the general fund. This will allow funds for average salary increases of 9.5 percent for faculty and senior administrative staff and 5.5 percent for other employees the first year of the biennium (these funds are to continue the cost of average increases of 9.5 and 5.5 percent on April 1, 1985) and average salary increases of four percent for all employees the second year of the biennium. Funds are allowed to provide a minimum increase of \$50 per month for each year of the biennium. The salary increases are to be based on merit, performance, or equity adjustments, and are not intended to be across-the-board salary increases.

The salaries and wages line item is increased by \$1,914,434 from the general fund to provide funds for 27.35 FTE faculty positions which the executive budget included in a 104.3 FTE faculty position pool in the Board of Higher Education budget. Funds for

92.45 of the 104.3 FTE's are being restored to the various institutions' budgets and funds for the remaining 11.85 FTE's are deleted. The faculty position pool is being deleted from the board's budget.

The operating expenses line item is reduced by \$156,940 from the general fund to delete funds for the faculty development program enhancement. The operating expenses line item is further reduced by \$1,146,000 from the general fund to reflect a proportionate share of a \$3 million general fund reduction to the operating expenses line items of the colleges and universities.

The equipment line item is increased by \$217,080 from the general fund to reflect the establishment of a 20-year equipment replacement cycle.

The capital improvements line item is reduced by \$289,850 from the general fund to reflect a proportionate share of an \$850,000 general fund reduction to the capital improvements line items of the colleges and universities.

The estimated income line item is increased by \$89,830 with a corresponding decrease to the general fund to reflect a revised estimate of the July 1, 1985, cash carryover balance and to reflect revised estimates of interest and income to be allocated by the Board of University and School Lands.

The estimated income line item is increased by \$654,535 with a corresponding decrease to the general fund to reflect tuition rate increases of 12.5 percent the first year of the 1985-87 biennium and 12 percent the second year, rather than 10 percent increases in each year.

The estimated income line item is increased by \$451,000 with a corresponding decrease to the general fund to reflect a \$500 per year increase in tuition rates for foreign students.

The estimated income line item is increased by \$944,160 with a corresponding decrease to the general fund to reflect the estimated effect of charging Minnesota students the Minnesota resident tuition rate.

#### North Dakota State University

rate increases of 12.5 percent the first year of the 1985-87 biennium and 12 percent the second year, rather than 10 percent increases in each year.

The estimated income line item is increased by \$29,000 with a corresponding decrease to the general fund to reflect a \$500 per year increase in tuition rates for foreign students.

The estimated income line item is increased by \$2,064 with a corresponding decrease to the general fund to reflect the estimated effect of charging Minnesota students the Minnesota resident tuition rate.

#### UND - Medical Center

The executive budget recommended appropriation for the UND - Medical Center was originally provided in Senate Bill No. 2008. The provisions of Senate Bill No. 2008 as they relate to the Medical Center are being incorporated into Senate Bill No. 2003 after being revised as follows:

The salaries and wages line item of the UND - Medical Center is reduced by \$783,760, of which \$548,632 is from the general fund and \$235,128 is from other funds. This will allow funds for average salary increases of 9.5 percent for faculty and senior administrative staff and 5.5 percent for other employees the first year of the biennium (these funds are to continue the cost of average increases of 9.5 and 5.5 percent on April 1, 1985) and average salary increases of four percent for all employees the second year of the biennium. Funds are allowed to provide a minimum increase of \$50 per month for each year of the biennium. The salary increases are to be based on merit, performance, or equity adjustments, and are not intended to be across-the-board salary increases.

The operating expenses line item is reduced by \$597,046 from the general fund to reflect holding the Medical Center general fund appropriation to the 1983-85 biennium level, prior to compensation adjustments.

#### UND - Rehabilitation Hospital

The executive budget recommended appropriation for the Rehabilitation Hospital was originally provided in Senate Bill No. 2008. The provisions of Senate Bill No. 2008 as they relate to the Rehabilitation Hospital are being incorporated into Senate Bill No. 2003 after being revised as follows:

The salaries and wages line item is reduced by \$130,215 from other funds. This will allow funds for average salary increases of 9.5 percent for faculty and senior administrative staff and 5.5 percent for other employees the first year of the biennium (these funds are to continue the cost of average increases of 9.5 and 5.5 percent on April 1, 1985) and average salary increases of

four percent for all employees the second year of the biennium. Funds are allowed to provide a minimum increase of \$50 per month for each year of the biennium. The salary increases are to be based on merit, performance, or equity adjustments, and are not intended to be across-the-board salary increases.

#### NDSU - State Toxicologist

The executive budget recommended appropriation for the State Toxicologist was originally provided in Senate Bill No. 2034. The provisions of Senate Bill No. 2034 as they relate to the State Toxicologist are being incorporated into Senate Bill No. 2003 after being revised as follows:

The salaries and wages line item is reduced by \$10,981, of which \$7,466 is from the general fund and \$3,515 is from other funds. This will allow funds for average salary increases of 9.5 percent for faculty and senior administrative staff and 5.5 percent for other employees the first year of the biennium (these funds are to continue the cost of average increases of 9.5 and 5.5 percent on April 1, 1985) and average salary increases of four percent for all employees the second year of the biennium. Funds are allowed to provide a minimum increase of \$50 per month for each year of the biennium. The salary increases are to be based on merit, performance, or equity adjustments, and are not intended to be across-the-board salary increases.

#### Forest Service

The executive budget recommended appropriation for the Forest Service was originally provided in Senate Bill No. 2034. The provisions of Senate Bill No. 2034 as they relate to the Forest Service are being incorporated into Senate Bill No. 2003 after being revised as follows:

The salaries and wages line item is reduced by \$25,391, of which \$13,546 is from the general fund and \$11,845 is from other funds. This will allow funds for average salary increases of 9.5 percent for faculty and senior administrative staff and 5.5 percent for other employees the first year of the biennium (these funds are to continue the cost of average increases of 9.5 and 5.5 percent on April 1, 1985) and average salary increases of four percent for all employees the second year of the biennium. Funds are allowed to provide a minimum increase of \$50 per month for each year of the biennium. The salary increases are to be based on merit, performance, or equity adjustments, and are not intended to be across-the-board salary increases.

#### Salary Increase Adjustment

A new section is added to provide funds for an additional 2.1 percent increase on July 1, 1985, for faculty and senior administrative staff. These funds will be distributed by the Board of Higher Education to the institutions.

## PURPOSE:

Give faculty and senior administrative personnel an 11.6% increase effective July 1, 1985, and a 4% increase July 1, 1986.

The adoption of this amendment would increase the appropriation in SB 2003. This increase would be partially offset by a reduction in funds under SB 2038.

[SB 2038 grants 9.5% raise to faculty and administration from April 1 to July 1, 1985. The moneys allocated to faculty and administration would be removed from SB 2038]

## EFFECTS:

	General funds	Special funds
Additions to SB 2003	\$ 3,607,371	\$ 371,296
Subtractions from SB 2038	(1,859,622)	(178,500)
Total funds under proposed amendments	\$ 1,747,749	\$ 192,796

And renumber the lines and pages accordingly

#### STATEMENT OF PURPOSE OF AMENDMENT:

##### Vocational Education

The salaries and wages line item is reduced by \$47,431 of which \$22,767 is from the general fund and \$24,664 is from other funds. This will allow funds for average salary increases of 5.5 percent the first year of the biennium (these funds are to continue the cost of an average increase of 5.5 percent on April 1, 1985) and average salary increases of four percent the second year of the biennium. Funds are allowed to provide a minimum increase of \$50 per month for each year of the biennium. The salary increases are to be based on merit, performance, or equity adjustments, and are not intended to be across-the-board salary increases.

The salaries and wages line item is further decreased by \$200,935, of which \$96,449 is from the general fund and \$104,486 is from other funds, to delete funds for four FTE positions which are currently vacant. These positions include one FTE Program Director/Supervisor, one FTE Assistant Program Director/Supervisor, one FTE Account Technician I, and one FTE Secretary II.

The operating expenses line item is reduced by \$15,000, of which \$7,200 is from the general fund and \$7,800 is from other funds, for costs related to the four positions being deleted.

The equipment line item is increased by \$4,000, of which \$2,000 is from the general fund and \$2,000 is from other funds.

The grants line item is increased by \$134,950 from other funds, due to a reallocation of federal funds made available by reductions to the salaries and wages and operating expenses line items.

The grants line item is also increased by \$800,000 from the general fund for Indian postsecondary institutional grants.

SEN. SATROM MOVED that the proposed substitute amendments be adopted.
