On page 1 of the engrossed bill, line 6, after the word "pupil" insert the words "; to provide for a contingent appropriation"

## "SECTION 5. CONTINGENT APPROPRIATION.

1. The director of the office of management and budget shall consult the tax commissioner and state treasurer prior to June 10, 1987, and determine general fund revenue receipts for the period from July 1, 1985, through May 31, 1987, utilizing usual state accounting practices. The director of the office of management and budget shall certify the amount of receipts so determined to the governor on or before June 15, 1987.
2. If the amount certified under subsection 1 exceeds \$889,000,000, the educational support per

pupil during the second year of the 1985-87 biennium shall be \$1,410 and there is hereby appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$5,100,000, or so much thereof as may be necessary, to the department of public instruction for the purpose of providing additional per pupil support for the biennium beginning July 1, 1985, and ending June 30, 1987."

And renumber the lines, sections, and pages accordingly

**STATEMENT OF PURPOSE OF AMENDMENT:**

Department of Public Instruction

The proposed amendment reduces the Department of Public Instruction's general fund appropriation by \$5,000,000. This provides for a \$5,100,000 foundation aid payment reduction and a \$164,000 reduction in the department's operations.

This amendment includes a section appropriating \$5,100,000 from the general fund for foundation aid payments if total general fund revenues for the 1985-87 biennium through May 31, 1987, exceed \$889,000,000. An additional \$5,100,000 would increase per pupil payments for the 1986-1987 school year by \$40 to \$1,410.
