VETO MESSAGE

State of North Dakota
OFFICE OF THE GOVERNOR
Bismarck

April 18, 1991

The Honorable Jim Kusler
Secretary of State
State Capitol
Bismarck, North Dakota 58505

Dear Mr. Kusler:

Senate Bill 2509 provides for private sector construction and operation of public projects, such as bridges and highways, parks, buildings and many other facilities.

The bill grants extremely broad authority to state, counties, townships and cities to enter into agreements with private persons, corporations, partnerships, cooperatives, joint ventures and consortiums to construct, improve, rehabilitate, operate, manage or own "fee-based facilities." It also provides that the "facility" could be supported, in whole or in part, by a rental fee paid by a public authority from its general funds. This feature could bind the taxpayers for a long period of time to support a privatized facility without the capability of controlling changes in the public use of the facility.

While I believe certain privatization funded only by facility user fees may work, this encumbering of general revenue moneys is ill-advised.

Therefore, I veto Senate Bill 2509.

Sincerely,

GEORGE A SINNER
Governor
