FISCAL NOTE

(Return	in	triplicate)

Bill/Resolution No.: SB 2051	Amendment to:
Requested by Legislative Council	Date of Request: 12-21-92

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

Narrative:

We are unaware of any currently operating recycling facilities that have plans to expand thereby recieving the exemption provided for in SB 2501. Nor are we aware of any pending new business startups that would qualify for this exemption. In checking with the industry, it appears that each new recycling facility would require between \$200,000 to \$400,000 of qualifying purchases of machinery and equipment. The top end of this fiscal note assumes one facility is formed each biennium.

2. State fiscal effect in dollar amounts:
