Requested by Legislative Council Date of Request:1-15-93 1. Please estimate the fiscal impact (in dollar amounts) of the abmeasure for state general or special funds, counties, and citie: Narrative: SB 2288, if passed, exempts the value of pollution abatement improvements to agricultural or industrial property beginning with taxes payable in 1994 and will reduce the maximum allowable property tax levy. If budgets app by the local governing bodies require tax levies that are less than the maximum allowable, there is no fiscal impact to the counties or cities because the rate tax on the remaining taxable property would increase to offset any tax loss. Information is not available to determine the impact if property tax levies are the maximum allowable. The state special fund for the medical center will decrease because the constitution on mill levy will no longer apply to exempt property beginning with fiscal year play3-94. Information is not available to determine the magnitude of the decrease because the value of pollution abatement improvements is not separated from the 2. State fiscal effect in dollar amounts: value of buildings and improvements. State fiscal effect in dollar amounts: value of buildings and improvements. Revenues: Expenditures: 3.
