This statement includes the amendments proposed in Draft 50512.0100 and the amendments proposed by the Workers Compensation Bureau.

**SUMMARY OF ACTUARIAL INFORMATION:** The Workers Compensation Bureau, together with its Actuary, Glenn Evans of Pacific Actuarial Consultants, have reviewed the legislation proposed in this bill in conformance with Section 54-03-25 of the North Dakota Century Code.

The Workers Compensation Bureau, together with its actuary, have reviewed the two amendments proposed to HB 1219. Based on that review, it is not anticipated that the amendments will create an actuarial or fiscal impact to the Workers Compensation Bureau. While the amendments proposed by the Workers Compensation Bureau to provide employer relief may change the distribution of premium among policyholders and add some nominal cost to the billing process of the Fund, it is not anticipated that these costs will be material.
