SUMMARY OF ACTUARIAL INFORMATION

BILL DESCRIPTION: Experience Rating of Employers

BILL NO. SB 2403

SUMMARY OF ACTUARIAL INFORMATION: The Workers Compensation Bureau, together with its Actuary, Glenn Evans of Pacific Actuarial Consultants, have reviewed the legislation proposed in this bill in conformance with Section 54-03-25 of the North Dakota Century Code.

Based on a review by the Workers Compensation Bureau and its Actuary, the changes proposed in this bill are not expected to have an impact on Workers Compensation premiums or its unpaid liability. Based on our understanding of the proposed changes in the bill, future changes to experience rating minimums and maximums for various policyholder subgroups would be limited to 10%. As introduced, future changes in experience rating premium rates for all groups could be made within the limitations proposed in the bill. As a result, the change could be implemented without additional administrative cost to the agency.
