POINT OF PERSONAL PRIVILEGE

REP. STENEHJEM: Mr. Speaker: I rise on a point of personal privilege.

REMARKS OF REPRESENTATIVE STENEHJEM

The news that Rep. Dalrymple has just reported is certainly exciting not only for Wahpeton, but also for the state of North Dakota.

The cost of constructing this plant is estimated to be \$245 million and that activity alone will involve 2,000-3,000 people over an eighteen-month period. When operational, the plant will annually process 25 million bushels of corn. Not only will the plant provide an economic boost to our corn farmers, it will also provide an economic benefit to southeastern North Dakota through the creation of 150 good-paying jobs.

Securing this plant would not have been possible without the tireless efforts of numerous people, including the Governor and the members of this Assembly.

When the Governor called us into special session in June 1994, there were skeptics among us. However, this Assembly's collective wisdom prevailed and we were able to amend our tax laws, thereby creating a favorable economic climate for ProGold.

I have no doubt that such legislative action played a major role in convincing ProGold that we in North Dakota are serious about economic development and that we are serious about creating an environment in which our children and grandchildren can grow and prosper.

Mr. Speaker and members of the Assembly, I thank you, and ask you to join Representative Hausauer and me in welcoming ProGold to the great state of North Dakota, Richland County, and my hometown of Wahpeton.

MOTION

REP. DALRYMPLE MOVED that the remarks of Representative Stenehjem be printed in the Journal, which motion prevailed.

SECOND READING OF SENATE BILL

SB 2035: A BILL for an Act to require the department of human services to seek authorization for a demonstration project to combine benefits under the aid to families with dependent children, fuel assistance, and food stamp programs; to require the department of human services to report to the legislative council and budget section regarding the implementation status of the demonstration project; and to declare an emergency.

ROLL CALL
